References in this proxy statement to LightPath, we, us, our, or the Company refers to LightPath Technologies,

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE MEETING OF STOCKHOLDERS TO BE HELD ON FEBRUARY 4, 2010.

This proxy statement, the enclosed proxy card, and the Annual Report on Form 10-K for the fiscal year ended on June 30, 2009, are made available to you on our website, www.lightpath.com. With respect to the Annual Meeting and all of our future shareholder meetings, please contact Dorothy Cipolla at our offices, at 1-800-472-3486 ext. 305, or dcipolla@lightpath.com to request a copy of the proxy statement, annual report or proxy card or to obtain directions to such meeting.

Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because the Board of Directors of LightPath Technologies, Inc. is soliciting your proxy to vote at the Annual Meeting of Stockholders to be held on Thursday, February 4, 2010 at 11:00 a.m. (local time - EST) at the Hyatt Regency Orlando International Airport Hotel. The address is 9300 Airport Boulevard, Orlando, FL 32827. You are invited to attend the Annual Meeting and we request that you vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

We intend to mail this proxy statement and accompanying proxy card on or about January 4, 2010 to all stockholders of record entitled to vote at the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on December 14, 2009 will be entitled to vote at the Annual Meeting. On this record date, there were 8,489,961 shares (including all restricted stock awards at such date) of Class A common stock (our only class of common stock) outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on December 14, 2009, your shares were registered directly in your name with our transfer agent, Registrar & Transfer, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted. Even if you fill out and return your proxy, you may still vote in person if you are able to attend the meeting.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on December 14, 2009 your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

The only matters scheduled for a vote is the election of two directors (Class II directors) to our Board of Directors and ratification of the selection of Cross, Fernandez & Riley LLP as independent auditor.

A vote may also be held on any other business as may properly come before the Annual Meeting or any postponement or adjournment thereof, although there is no other business anticipated to come before the Annual Meeting.

Why is it important for me to vote?

The Securities and Exchange Commission (the SEC) recently amended a rule which re-characterized director elections as non-routine matters. This rule change prohibits your broker from voting your shares in director elections without your direction. If you own shares in street name and do not direct your broker how to vote your shares with respect to the election of directors, the result is a broker non-vote.

How do I vote?

With regard to the election of directors, you may vote For all nominees listed or you may vote Against any or all of the nominees. For all other matters, you may vote For or Against or abstain from voting. The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from LightPath. Simply complete and mail the proxy card to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

If you fail to complete a proxy card or provide your broker with voting instructions at least ten days before the meeting, your broker will be unable to vote on the election of directors. Your broker may use his or her discretion to cast a vote on any other routine matter.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you owned as of December 14, 2009.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For all proposals outlined in this Proxy. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

LightPath will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We will also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted.

What is householding ?

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries such as brokers to satisfy the delivery requirements for proxy statements with respect to two or more security holders sharing the same address by delivering a single proxy statement addressed to those security holders. This process, which is commonly referred to as householding, potentially means convenience for security holders and cost savings for companies.

A number of brokers with account holders who are LightPath stockholders will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker and also notify us by sending your written request to Investor Relations, LightPath Technologies, Inc., 2603 Challenger Tech Court, Suite 100, Orlando, Florida USA 32826 or by calling Investor Relations at 407-382-4003, ext. 314. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should also contact their broker and notify us in writing or by telephone.

Can I revoke or change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. You may revoke your proxy in any one of three ways:

You may submit another properly completed proxy card with a later date.

You may send a written notice that you are revoking your proxy to LightPath's Secretary at 2603 Challenger Tech Court, Suite 100, Orlando, Florida USA 32826.

You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

How are votes counted?

Votes will be counted by the inspector of elections appointed for the meeting, who will separately count For , Against and Withhold Authority votes, abstentions and broker non-votes. A broker non-vote occurs when a nominee/broker holding shares for a beneficial owner does not vote on a particular proposal because the nominee/broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. Abstentions will be counted towards the vote total for each proposal, and will have the same effect as Against votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether a matter has been approved.

How many votes are needed to approve the proposals?

With regard to Proposal No. 1 (election of directors), the two nominees receiving a plurality of the votes cast at the meeting will be elected as directors of the Company. A properly executed proxy marked Withhold Authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

With regard to Proposal No. 2 (ratification of independent auditor), a majority of the votes cast at the meeting will ratify Cross, Fernandez & Riley LLP as independent auditor of the Company. A properly executed proxy marked Withhold Authority with respect to the ratification of independent auditor will not be voted with respect to the ratification, although it will be counted for purposes of determining whether there is a quorum.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares of Class A common stock entitled to vote is represented by votes at the meeting or by proxy. On the record date, there were 8,489,961 outstanding shares (including all restricted stock awards at such date) entitled to vote. Thus 4,244,981 must be represented by votes at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. LightPath will subsequently either include the final voting results in its quarterly report on Form 10-Q or issue a general press release after the meeting indicating whether the stockholders have approved the proposals or not.

When are stockholder proposals for the 2011 Annual Meeting due?

Stockholders interested in presenting a proposal to be considered for inclusion in next year's proxy statement and form of proxy may do so by following the procedures prescribed in Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Securities Exchange Act), and the Company's By-laws. To be considered for inclusion, stockholder proposals must be submitted in writing to the Corporate Secretary, LightPath Technologies, Inc., 2603 Challenger Tech Court, Suite 100, Orlando, Florida USA 32826 before September 4, 2010, which is 120 calendar days prior to the anniversary of the mailing date of this proxy statement, and must be in compliance with all applicable laws and regulations.

If a stockholder wishes to present a proposal at the 2011 Annual Meeting, but the proposal is not intended to be included in the Company's proxy statement relating to the meeting, the stockholder must give advance notice to the Company prior to the deadline for such meeting determined in accordance with the By-laws (the By-law Deadline). Under the Company's By-laws, in order for a proposal to be timely, it must be received by the Company no later than 60 days, nor earlier than 90 days, prior to the annual meeting date. If a stockholder gives notice of such a proposal after the By-law Deadline, the stockholder will not be permitted to present the proposal to the stockholders for a vote at the meeting.

Furthermore, Rule 14a-4 under the Securities Exchange Act also establishes a different deadline for submission of stockholder proposals that are not intended to be included in the Company's proxy statement with respect to discretionary voting (the Discretionary Vote Deadline). The Discretionary Vote Deadline for the 2011 Annual Meeting is November 19, 2010 (45 calendar days prior to the anniversary of the mailing date of this proxy statement). If a stockholder gives notice of such a proposal after the Discretionary Vote Deadline, the Company's proxy holders will be allowed to use their discretionary voting authority to vote against the stockholder proposal when and if the proposal is raised at the 2010 Annual Meeting. A properly submitted proposal received after the Discretionary Vote Deadline but before the By-law Deadline would be eligible to be presented at the annual meeting, however, the Company believes that its proxy holders would be allowed to use the discretionary authority granted by the proxy card to vote against the proposal at the meeting without including any disclosure of the proposal in the proxy statement relating to such meeting.

How do I get a copy of the exhibits filed with the Company's Form 10-K?

A copy of the Company's Annual Report for 2009, which contains the Company's Form 10-K for the fiscal year ended June 30, 2009, and consolidated financial statements, has been delivered to you with this proxy statement. We will provide to any stockholder as of the Record Date, who so specifically requests in writing, a copy of the exhibits filed with the Company's Form 10-K. Requests for such copies should be directed to Investor Relations at 2603 Challenger Tech Court, Suite 100, Orlando, Florida USA 32826. In addition, copies of all exhibits filed electronically by the Company may be reviewed and printed from the Securities and Exchange Commission (SEC) website at <http://www.sec.gov> under the EDGAR archives section.

Where can I get information regarding how to send communications to the Board of Directors and the Company's policy regarding Board member's attendance at annual meetings?

The Board of Directors provides a process for stockholders to send communications to the Board of Directors and has adopted a policy regarding Board member's attendance at annual meetings. Information regarding these matters is contained on our website at <http://www.lightpath.com> under Investor Relations, FAQs.

Meetings of the Board of Directors and its Committees

The Board of Directors has an Audit Committee, a Compensation Committee and a Finance Committee. The Board of Directors does not have a standing nominating committee. The entire Board of Directors held eleven meetings, including telephonic meetings, during fiscal year 2009. All of the directors attended 91% or more of the meetings of the Board of Directors and the meetings held by committees of the Board of Directors on which they served. All of the then elected directors attended the 2008 Annual Meeting of Stockholders on October 30, 2008.

It is the Company's policy that all directors of the Company are required to make a concerted and conscientious effort to attend the Company's Annual Meeting of the Shareholders in each year during which that director serves on the Board of Directors of the Company.

Audit Committee. The Audit Committee, which consists of Dr. Steven Brueck, Louis Leeburg (Chairman) and Gary Silverman, met five times during fiscal year 2009. The meetings included discussions with management and the Company's independent auditors to discuss the interim and annual financial statements and the annual report of the Company, and the effectiveness of the Company's financial and accounting functions and organization. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available on the Company's website at www.lightpath.com. The Audit Committee's responsibilities include, among others, direct responsibility for the engagement and termination of the Company's independent accountants, and overseeing the work of the accountants and determining the compensation for their engagement(s). The Board of Directors has determined that the Audit Committee is comprised entirely of independent members as defined under applicable listing standards set out by the SEC, the National Association of Securities Dealers (NASD) and the Nasdaq Capital Market. The Board of Directors has also determined that at least one member of the Audit Committee, Mr. Leeburg, is an audit committee financial expert as defined by SEC rules. Mr. Leeburg's business experience that qualifies him to be determined an audit committee financial expert is described above.

Compensation Committee. The Compensation Committee, which consists of Sohail Khan, Robert Ripp and Gary Silverman (Chairman), met once during fiscal year 2009. The Compensation Committee reviews and recommends to the Board of Directors the compensation and benefits of certain executive officers of the Company, including the Chief Executive Officer, and also administers the Amended and Restated Omnibus Plan, pursuant to which incentive awards, including stock options, are granted to directors, officers and key employees of the Company. The Compensation Committee does not have a charter and may not delegate its authority to other persons.

The Compensation Committee makes all compensation decisions for its executive officers and approves recommendations regarding equity awards to all executive officers of the Company. However, the Compensation Committee does rely on the annual reviews made by the Chief Executive Officer with respect to the performance of each of its other executive

officers. The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual award amounts, are presented to the Compensation Committee. The Compensation Committee can exercise its discretion in modifying any recommended adjustments or awards to executive officers.

The Company's compensation policy is designed to attract and retain qualified key executives critical to the Company's achievement of reaching profitability and positive cash flow, and subsequently, its growth and long-term success. It is the objective of the Compensation Committee to have a portion of each executive officer's compensation contingent upon the Company's performance as well as upon the individual's personal performance. Accordingly, each executive officer's compensation package is comprised of two elements: (i) base salary, which reflects individual performance and expertise, and (ii) variable current bonus awards payable in cash or stock-based incentive awards and tied to the achievement of certain performance goals that the Compensation Committee establishes from time to time for the Company. Based on the foregoing objectives, the Compensation Committee has structured the Company's annual and long-term incentive-based cash and non-cash executive officer compensation to motivate executive officers to achieve the business goals set by the Company and reward the executive officers for achieving such goals.

Finance Committee. The Finance Committee, which consists of Louis Leeburg and Robert Ripp, did not meet during fiscal year 2009. The Finance Committee reviews and provides guidance to the Board of Directors and management with respect to the Company's significant financial policies. The full Board of Directors performed these functions in fiscal year 2009 especially with regard to matters having to do with the Company's financing transactions concluded throughout the fiscal year.

All current committee members are expected to be nominated for re-election to the same committees at a Board of Directors meeting to be held immediately following the Annual Meeting.

Nominations Process and Criteria

The Board of Directors has not considered it necessary to form a committee of the Board of Directors specifically for governance or nomination matters due to the modest scope of the Company and therefore, does not have a written charter. When a governance or nominating matter is brought to the Board of Directors for consideration, the full Board of Directors will meet to review the matter and take the appropriate action by the full Board of Directors or a subset of independent directors thereof. The Board of Directors has determined that each current director, except for Mr. Gaynor, meets the independence criteria for members of a nominating committee as set forth in the applicable rules of the Nasdaq Capital Market and the SEC. Due to the status of Mr. Gaynor as the Company's Chief Executive Officer, he is not an independent board member and may not specifically nominate anyone for Board membership nor vote on the matter of appointments to the Board of Directors.

Additionally, the Board of Directors believes it is not necessary to adopt criteria for the selection of directors. The Board of Directors believes that the desirable background of a new individual member of the Board of Directors may change over time and that a thoughtful, thorough process for the selection is more important than adopting criteria for directors. The Board of Directors is fully open to utilizing whatever methodology is efficient in identifying new, qualified directors when needed, including using industry contacts of the Company's directors or professional search firms.

There were no fees paid or due to third parties to identify or evaluate or to assist in evaluating or identifying potential nominees to the board.

Any shareholder wishing to propose that a person be nominated for or appointed to the Board of Directors may submit such a proposal, according to the procedure described in the shareholder proposal section on page 5 of the question and answers, to:

Corporate Secretary

LightPath Technologies, Inc.

2603 Challenger Tech Court, Suite 100

Orlando, Florida 32826

Such correspondence will be timely forwarded to the Chairman of the Audit Committee for review and consideration in accordance with the criteria described above.

Director Independence

In accordance with Nasdaq Capital Market and SEC rules, the Board of Directors affirmatively determines the independence of each director and nominee for election as a director in accordance with guidelines it has adopted, which include all elements of independence set forth in the Nasdaq Capital Market listing standards. Based on these standards, the Board has determined that each of the following non-employee directors is independent and has no relationship with the Company, except as a director and stockholder of the Company:

Robert Ripp

Steven Brueck

Gary Silverman

Sohail Khan

Louis Leebug

The Board of Directors approved a Code of Business Conduct and Ethics on May 3, 2004. The Code applies to the Chief Executive Officer, senior financial officers and the Board of Directors. A copy of the Code is posted on the Company's website at www.lightpath.com.

Related Transactions

When the Company is contemplating entering into any transaction in which any executive officer, director, nominee or any family member of the foregoing would have any direct or indirect interest, regardless of the amount involved, the terms of such transaction

have to be presented to the full Board of Directors (other than any interested director) for approval. The Board has not adopted a written policy for related party transaction review but when presented with such transaction, they are discussed by the full Board of Directors and documented in the board minutes.

In July 2008, the Board of Directors was presented with a Securities Purchase Agreement with twenty-four institutional and private investors with respect to a private placement of 8% senior convertible debentures. Among the investors were Steven Brueck, J. James Gaynor, Louis Leeburg, Robert Ripp, Gary Silverman and James Magos, all of whom were directors or officers of LightPath at the time of the transaction. Mr. Ripp invested \$250,000 and the others invested \$25,000 or less. After board discussion and approval, the directors and officers were allowed to participate in the transaction on the same terms and subject to the same conditions as the other third party investors.

AUDIT COMMITTEE REPORT

The Audit Committee is responsible for, among other things, reviewing and discussing the Company's audited financial statements with management, discussing with the Company's independent auditors information relating to the auditors' judgments about the quality of the Company's accounting principles, recommending to the Board of Directors that the Company include the audited financial statements in its Annual Report on Form 10-K and overseeing compliance with the SEC requirements for disclosure of auditors' services and activities. At the recommendation of the Audit Committee, the Board of Directors first approved a charter for the Audit Committee on November 14, 2000, which was subsequently revised and approved by the Board of Directors on May 10, 2004.

Review of Audited Financial Statements

The Audit Committee has reviewed the Company's financial statements for the fiscal year ended June 30, 2009, as audited by Cross, Fernandez & Riley, LLP, the Company's independent auditors, and has discussed these financial statements with management. In addition, the Audit Committee has discussed with Cross, Fernandez & Riley, LLP the matters required to be discussed by Statements of Auditing Standard No. 114, as may be modified or supplemented. Furthermore, the Audit Committee has received the written disclosures and the letter from Cross, Fernandez & Riley, LLP required by the Independence Standards Board Standard No. 1, as may be modified or supplemented, and has discussed with Cross, Fernandez & Riley, LLP its independence.

Generally, the members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, or in determining auditor independence. However, the Board of Directors has determined that each member of the Audit Committee meets the independence criteria set forth in the applicable rules of NASDAQ and the SEC, and that at least one member of the Audit Committee, Mr. Leeburg, is an audit committee financial expert as defined by SEC rules. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management. Accordingly, the Audit Committee's oversight does not currently provide an independent basis to determine that management has maintained procedures designed to assure compliance with accounting standards and applicable laws and regulations.

Recommendation

Based upon the foregoing review and discussion, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended June 30, 2009, be included in the Company's Annual Report on Form 10-K for such fiscal year.

SECURITY OWNERSHIP OF

CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of December 14, 2009, the number and percentage of outstanding shares of the Company's Class A common stock, owned by: (i) each director (which includes all nominees) at such date, (ii) each of the officers named in the Summary Compensation Table below, (iii) directors and executive officers of the Company as a group at such date, and (iv) each person known by the Company to be the beneficial owner of more than 5% of the outstanding Class A common stock of the Company at such date.

The number of shares beneficially owned by each director or executive officer is determined under SEC rules, and the information is not necessarily indicative of the beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares to which the individual has the sole or shared voting power or investment power and also any shares which the individual has the right to acquire within 60 days of December 14, 2009, through the exercise of any stock option or other right to purchase, such as a warrant. Given that BBE currently holds in excess of 4.99% of the issued and outstanding share of Class A common stock, the debenture cannot be converted and the warrants cannot be exercised.

Information with regard to Restricted Stock Awards held by Officers at December 14, 2009

The Company's restricted stock grants have been made under the terms of its Amended & Restated Omnibus Incentive Plan (the "Plan"). Upon the making of a grant, the receiving employee (or director) has legal title to the stock for the purposes of voting the shares and receiving dividends on the shares, if any. The grants provide for a time-based vesting period during which the employee bears a substantial risk of forfeiture should he not remain employed by or associated with the Company. This risk of forfeiture allows the holder to electively choose to file a timely 83b election with the IRS and pay income and employment taxes on the value of the grant at the time of the making of the grant. Should the employee not make a timely 83b election, he shall be taxed upon the then current value of the shares at the time the shares in the grant vest. Upon vesting of the stock in a grant, the employee no longer risks losing the shares should he subsequently leave the employ of the Company. However, should the individual remain an executive officer or other Section 16 insider after the vesting event, such individual continues to have restrictions imposed with regard to the sale or other disposition of the shares by both the Company and by various insider trading rules imposed upon Section 16 insiders of public companies.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires the Company's executive officers and directors and persons who own more than 10% of the Company's Class A common stock to file reports of ownership and changes in ownership with the SEC and furnish copies of such reports to the Company. The SEC has also designated specific due dates for such reports and the Company must identify in this proxy statement those persons who did not properly file such reports when due. To the best of the Company's knowledge, all required filings in fiscal year 2009 were properly made in a timely fashion. In making the above statements, the Company has relied solely on its review of copies of the reports furnished to the Company and written representations from certain reporting persons.

Notes:

* Other Annual Compensation, as defined by SEC rules except under the applicable de minimis rule for all periods presented. The de minimis rule does not require reporting of perquisites and other compensation that totals less than \$10,000. The nature of these compensatory items include the Company's matching of elective employee 401(k) deferrals, the Company's contribution toward the premium cost for employee and dependent medical, dental, life and disability income insurances, and in the case of Mr. Magos, a taxable automobile allowance.

** The Company estimates the fair value of each stock option as of the date of grant. For stock options and RSU's granted in the years ended June 30, 2009 and 2008, the Company estimated the fair value of each stock award as of the date of grant using the following assumptions:

	Year Ended June 30, 2009	Year Ended June 30, 2008
Range of expected volatilities	108% - 132%	132% - 136%
Weighted average expected volatility	119%	135%
Dividend yields	0%	0%
Range of risk-free interest rate	0.43% - 1.79%	3.14% - 4.47%
Expected term, in years	3 - 5.5	5.5 - 7

Most awards granted under the Company's Plan vest ratably over two to four years and generally have three-year to ten-year contract lives. The initial assumed forfeiture rate used in calculating the fair value of option grants with both performance and service conditions was 44% during 2006; the rate was adjusted to 25% for fiscal 2007 and 2008 and 46% for 2009. The forfeiture rate for RSU's was 7% for fiscal 2007 and 2008 and 5% for 2009. The volatility rate is based on historical trends in common stock closing prices and the expected term was determined based primarily on historical experience of previously outstanding awards. The interest rate used is the treasury interest rate for constant maturities. The Company uses the Black-Scholes-Merton pricing model. The amounts reflect the dollar amount recognized for financial statement reporting purposes for the fiscal year ended June 30, 2009 in accordance with FAS 123(R) and thus may include amounts from awards granted in and prior to 2009.

(1) Mr. Gaynor's other compensation include the Company's matching of elective employee 401(k) deferrals, the Company's contribution toward the premium cost for employee and dependent medical, dental, life and disability income insurances.

(2) Mr. Magos' salary included commissions of \$10,496 and \$24,733 for 2009 and 2008, respectively. Mr. Magos' other compensation include the Company's matching of elective employee 401(k) deferrals, the Company's contribution toward the premium cost for employee and dependent medical, dental, life and disability income insurances.

Mr. Magos resigned from the Company as an officer and employee, effective September 2, 2008. Options awards valued at \$58,989 for 2008 were forfeited for not meeting option conditions and termination of employment, as described below in the Narrative Discussion of Summary Compensation Table for Executive Officers.

(3) Ms. Cipolla's other compensation include the Company's matching of elective employee 401(k) deferrals, the Company's contribution toward the premium cost for employee and dependent medical, dental, life and disability income insurances.

(4) Mr. Wu's other compensation include the Company's matching of elective employee 401(k) deferrals, the Company's contribution toward the premium cost for employee and dependent medical, dental, life and disability income insurances. Other compensation for 2009 also includes \$4,500 towards living expenses in Shanghai and \$18,000 for 2008.

Mr. Wu resigned from the Company as an officer and employee, effective October 1, 2008. Options awards valued at \$97,980 for 2008 were forfeited for not meeting option conditions and termination of employment, as described below in the Narrative Discussion of Summary Compensation Table for Executive Officers.

Narrative Discussion of Summary Compensation Table

The following is a narrative discussion of the material factors which we believe are necessary to understand the information disclosed in the foregoing Summary Compensation Table. The following narrative disclosure is separated into sections, with a separate section for each of our executive officers.

J. James Gaynor

Cash Compensation (Base Salaries and Bonuses). Mr. Gaynor was awarded total cash compensation for his services to us in fiscal 2009 in the amount of \$210,289. This represents his annual base salary for fiscal 2009. The base salary paid to Mr. Gaynor for fiscal 2009

constituted approximately 81% of the total compensation paid to Mr. Gaynor as set forth in the Total column in the Summary Compensation Table. Effective February 1, 2008 Mr. Gaynor was appointed President and CEO and his annual compensation was adjusted to \$225,000. Starting in January 2009, Mr. Gaynor's base salary was reduced by 10% in March 2009, Mr. Gaynor's base salary was reduced by an additional 10%. In November 2009, Mr. Gaynor's base salary was increased by 10%.

Long-Term Equity Incentive Awards. The Compensation Committee did not award Mr. Gaynor any compensation for achieving fiscal 2008 or 2009 goals. On July 24, 2006, Mr. Gaynor was granted an option to purchase 15,000 shares which vested on July 24, 2008. Based on the vesting schedule of the options, we recognized compensation expense of approximately \$8,672 in 2008, and \$723 in 2009 as a result of the adoption of FASB Statement No. 123(R), *Share-Based Payment*. On October 27, 2006, Mr. Gaynor was granted an option to purchase 20,000 shares which vests one-fourth of the shares on each of the first, second and third anniversaries of the grant date, and vests as to the last fourth on October 27, 2010. Based on the vesting schedule of the options, we recognized compensation expense of approximately \$24,000 in each of 2008, 2009 and expect to recognize \$24,000 in 2010 and \$8,000 in 2011 as a result of the adoption of FASB Statement No. 123(R), *Share-Based Payment*.
