PROXY STATEMENT

FOR

2010 ANNUAL MEETING OF STOCKHOLDERS

PROXY AND VOTING INFORMATION

The Board of Directors (the **Board**) of eLoyalty Corporation (eLoyalty or the **Company**) is soliciting your proxy for use at the 2010 Annual Meeting of Stockholders of eLoyalty and any postponements or adjournments thereof (the **Annual Meeting**). These proxy materials, together with a copy of eLoyalty's Annual Report, are first being made available to eLoyalty stockholders beginning on or about April 2, 2010.

Who May Vote. Holders of record of shares of eLoyalty Common Stock, \$0.01 par value per share (**Common Stock**), and holders of record of shares of eLoyalty 7% Series B Convertible Preferred Stock, \$0.01 par value per share (**Series B Stock**); together with the Common Stock, eLoyalty Stock), at the close of business on March 18, 2010 (the **Record Date**) may vote at the Annual Meeting. On that date, 18,305,579 shares of eLoyalty Stock, comprising 14,689,410 shares of Common Stock and 3,616,169 shares of Series B Stock, were outstanding and entitled to be voted at the Annual Meeting. Each share of eLoyalty Stock entitles the holder to one vote and both classes of eLoyalty Stock will vote together as a single class.

How to Vote. If you are a holder of record of eLoyalty Stock (that is, you hold your stock in your own name) on the Record Date, you may submit a proxy with your voting instructions by any of the following methods:

Through the Internet: Go to the web address www.proxyvote.com and follow the instructions included with the Notice of the Annual Meeting or, if applicable, on your proxy card, at any time before 11:59 p.m. Eastern Time on Wednesday, May 12, 2010. Instructions are also provided on the website.

By Telephone: Call 1-800-690-6903 on a touch-tone telephone from anywhere within the United States or Canada at any time before 11:59 p.m. Eastern Time on Wednesday, May 12, 2010, and follow the instructions included with the Notice of the Annual Meeting or, if applicable, on your proxy card. Instructions are also provided by recorded telephone message.

By Mail: If you have opted for full set delivery of the proxy materials, then you may also complete, sign, and mail your proxy card using the instructions provided on it.

If you choose to submit your proxy with voting instructions by telephone or through the Internet, you will be required to provide your assigned control number before your proxy will be accepted. This number is included either with the Notice of the Annual Meeting or, if applicable, on your proxy card. Once you have indicated how you want to vote in accordance with the instructions provided, you will receive a confirmation that your proxy has been successfully submitted.

If you hold your shares of eLoyalty Stock in street name through a broker, nominee, fiduciary, or other custodian, you should check the voting form used by that firm to determine whether you may vote by telephone or through the Internet. If so, use the different toll-free telephone number and website address provided on that firm's voting form for its beneficial owners.

How Proxies Work. Giving your proxy means that you authorize the persons named as proxies to vote your shares at the Annual Meeting in the manner you direct. If you sign and return a proxy card without indicating your voting instructions, the proxies named on the proxy card will vote

Edgar Filing: ELOYALTY CORP - Form DEF 14A

your shares **FOR** the election of the nominees for director shown under Director Election on the following pages and **FOR** ratification of Grant Thornton LLP as eLoyalty's independent public accountants for 2010.

Revocation of Proxies. You may revoke your proxy at any time before the voting at the Annual Meeting by any of the following methods:

voting again at a later date by telephone or through the Internet your latest voting instructions will be counted and your earlier instructions, using the same procedures, revoked;

Table of Contents

submitting a new proxy that is properly signed with a later date;

sending a properly signed written notice of your revocation to eLoyalty's Corporate Secretary, at eLoyalty Corporation, 150 Field Drive, Suite 250, Lake Forest, Illinois 60045, Attention: Corporate Secretary; or

voting in person at the Annual Meeting. Attendance at the Annual Meeting will not itself revoke an earlier submitted proxy.

Quorum Requirements. In order to conduct the business of the Annual Meeting, eLoyalty must have a quorum. A quorum requires the presence, in person or by proxy, of a majority of the 18,305,579 shares of eLoyalty Stock outstanding on the Record Date. Proxies that are submitted by brokers as holders of record and that do not indicate a vote for some of the proposals, because the brokers have not received instructions from their customers or other beneficial owners on how to vote on those proposals and do not have discretionary voting authority, are called broker non-votes. We count abstentions, votes withheld with respect to the election of the director nominees, and broker non-votes as present at the Annual Meeting for the purpose of determining a quorum.

Required Votes and Impact of New Voting Rules. The nominees for director will be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees who receive the greatest number of votes will be elected as directors. As a result of the new voting rules, without your instructions, your broker or nominee is not permitted to use discretion and vote your shares on non-routine matters, such as the election of directors. Shares that are not permitted to be voted by your broker are called broker non-votes. Broker non-votes and instructions to withhold authority to vote for a nominee are not counted and will not affect the outcome of the election. Therefore, we urge you to give voting instructions to your broker on the election of directors.

eLoyalty's organizational documents do not provide for cumulative voting for directors. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked ABSTAIN with respect to any such matter will not be voted, although it will be counted for purpose of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote on such items. Under Delaware law, dissenters' rights are not available to holders of eLoyalty Stock in connection with Proposals 1 and 2.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING TO BE HELD ON THURSDAY, MAY 13, 2010.

The Proxy Statement and 2009 Annual Report are available at www.proxyvote.com. You will need your assigned control number to vote your shares. Your control number can be found on your proxy card or voting instruction form. The Annual Meeting for stockholders is to be held at 9:00 a.m. Central Time on Thursday, May 13, 2010, at:

LaQuinta Inn & Suites

ELECTION OF DIRECTORS

(Item 1 on Proxy Card)

The Board is divided into three classes of directors (Directors), each of which is elected for a three-year term. Only one class of Directors stands for election at each annual meeting of eLoyalty s stockholders. At this year s Annual Meeting, the Class II Directors stand for election. Two Directors, Henry J. Feinberg and John C. Staley, have been nominated by the independent members of the Board to stand at the Annual Meeting for election to a three-year term expiring at the 2013 annual meeting of stockholders, for the reasons described below. If for any reason either Mr. Feinberg or Mr. Staley becomes unable or is unwilling to serve at the time of the meeting, then the persons named as proxies in the enclosed proxy card will have discretionary authority to vote for a substitute nominee selected by the independent members of the Board. It is not anticipated that either Mr. Feinberg or Mr. Staley will be unavailable for election.

THE eLOYALTY BOARD RECOMMENDS A VOTE FOR THE ELECTION OF HENRY J. FEINBERG AND JOHN C. STALEY.

Director Qualifications

The Board consists of seven Directors, each of whom is well-qualified to serve on the Board and represent our stockholders best interests. As described below under the caption Selection of Director Nominees, the independent Directors then in office (the Nominating Directors) select nominees with a view to establishing a Board of Directors that is comprised of members who:

are committed to enhancing stockholder value;

have sufficient time to carry out their duties;

Table of Contents

BOARD LEADERSHIP AND CORPORATE GOVERNANCE

The business and affairs of eLoyalty are managed under the direction of the Board. The Board has responsibility for establishing broad corporate policies relating to the overall performance of eLoyalty, rather than managing day-to-day operating details. Members of the Board stay informed of our business and operations by participating in quarterly Board and committee meetings and through discussions with the Chief Executive Officer and other members of the executive management team.

Corporate Governance

Having been elected by eLoyalty's stockholders, it is the responsibility of the Board to govern the Company's business and affairs. The Board approves the executive management team, acts as an advisor to executive management, and monitors the performance of executive management and the Company. The Board reviews eLoyalty's corporate strategy, financial objectives, and operating plans, and is responsible for overseeing risk management and internal compliance.

Board Independence

In accordance with the listing standards of The NASDAQ Stock Market LLC (NASDAQ), each board must have a majority of independent Directors. As such, with respect to each Director, the Board has made a determination as to whether or not the Director qualifies as independent. Under eLoyalty's independence determination procedure, no Director may qualify as independent unless the Board affirmatively determines that (1) the Director meets NASDAQ's independence standards, and (2) based on a review of all of the facts and circumstances of each non-management Director's relationship with eLoyalty, there is no business, commercial, or personal relationship that would impact the performance by the Director of his Board duties.

The Board has determined that six of its seven Directors—Messrs. Coxe, Feinberg, Kohler, Mullen, Murray, and Staley—are independent. Mr. Conway is not independent because he is eLoyalty's President and Chief Executive Officer.

Board Leadership Structure

eLoyalty's Board is led by an independent Chairman, Mr. Coxe. Our Chief Executive Officer, Mr. Conway, is the only member of the Board who is not an independent Director. eLoyalty believes that this is the most appropriate structure for the Company in light of the differences between the roles of Chairman of the Board and Chief Executive Officer. The Chief Executive Officer is responsible for setting the strategic direction of the Company and for the day-to-day leadership and performance of the Company, whereas the Chairman of the Board provides guidance to the Chief Executive Officer. Furthermore, this structure enhances the accountability of the Chief Executive Officer to the Board and strengthens the Board's independence from management. eLoyalty has had this leadership structure since its inception.

Board Oversight of Risk

eLoyalty's executive management team is responsible for its day-to-day risk management activities. The Board oversees these risk management activities, delegating its authority in this regard to the Audit Committee. The Audit Committee is responsible for discussing with executive management policies with respect to financial risk and enterprise risk management. The Audit Committee also oversees the Company's corporate compliance programs, including Section 404 compliance. In addition to the Audit Committee's risk management oversight, the Board regularly engages in discussions of the most significant risks that the Company is facing and how these risks are being managed.

The Company's Associate General Counsel and Corporate Secretary reports directly to the Chief Executive Officer rather than the Chief Financial Officer, thereby providing him with additional visibility to the Company's risk profile. The Board believes that the Audit Committee's risk oversight function, together with the efforts of the full Board and the Chief Executive Officer in this regard, enables the Board to effectively oversee eLoyalty's risk management activities.

Board Meetings and Attendance

The Board held four meetings during the fiscal year ended December 26, 2009. During this period, each of the incumbent Directors attended 85% or more of the aggregate number of meetings of the Board and of the Board committees on which he served. The Board met in executive session four times in 2009. eLoyalty does not have a specific policy regarding Board members' attendance at its annual stockholders' meetings. The 2009 Annual Meeting was attended by Mr. Conway.

Table of Contents

Selection of Director Nominees

Responsibility. The Board does not have a nominating or similar committee, although it has adopted a standing resolution, which provides that all nominees for membership on the Board must be selected, or recommended to the full Board for selection, by the Nominating Directors in accordance with the rules of NASDAQ. Under this standing resolution, the Nominating Directors are responsible for: (1) reviewing and, as applicable, recommending to the full Board, possible candidates for membership on the Board, and assisting in attracting qualified candidates to fill vacant or newly created directorships; (2) reviewing and recommending to the full Board a slate of directors to be proposed for election at the annual stockholders meeting and included in the Proxy Statement for such meeting, as well as reviewing and recommending to the full Board any directors to fill vacancies that may exist on the Board; and (3) reviewing the function and composition of the committees of the Board and recommending to the full Board qualified persons for membership on such committees. The affirmative vote of at least a majority of the Nominating Directors is required to approve any action that may or must be taken by the Nominating Directors. The Nominating Directors have the ability to retain, at eLoyalty's expense, special legal, accounting, or other consultants or experts they deem necessary in the performance of their duties under the standing resolution. The Board believes that, in light of the independent Directors' responsibility for eLoyalty's nominating processes under this resolution, it is unnecessary to have a separate nominating or similar committee of the Board. The Nominating Directors have not held meetings separate from the Board in their capacities as such. The Board's standing resolution is available on eLoyalty's website, at www.eLoyalty.com. A copy of the standing resolution may also be obtained by sending a written request to the Corporate Secretary at eLoyalty Corporation, 150 Field Drive, Suite 250, Lake Forest, Illinois 60045.

Stockholder Nominees. The Nominating Directors will consider properly submitted stockholder nominations for candidates for membership on the Board as described below under "Identifying and Evaluating Nominees for Directors". Any stockholder nominations proposed for consideration by the Nominating Directors should include the nominee's name and qualification for Board membership. In addition, they must be submitted within the timeframe and to the address specified under "Submission of Stockholder Proposals for 2011" on page 35.

Identifying and Evaluating Nominees for Directors. In discharging its responsibilities to nominate candidates for election to the Board, the Nominating Directors have not specified any minimum qualifications for serving on the Board nor do they operate under a formal diversity policy. However, the Nominating Directors endeavor to identify, evaluate, and approve candidates with a diversity of business experience and personal skills in technology, finance, marketing, financial reporting, and other areas that may be expected to contribute to an effective Board. The Nominating Directors seek to assure that the Board is composed of individuals who have experience relevant to the needs of eLoyalty and who have the highest professional and personal ethics, consistent with eLoyalty's values and standards. Candidates should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Each Director must represent the interests of all stockholders.

The Nominating Directors utilize a variety of methods for identifying and evaluating nominees for director. Candidates may come to the attention of the Nominating Directors through current Board members, professional search firms (which may receive a fee), stockholders, or other persons. These candidates are evaluated at regular or special meetings of the Board, and may be considered at any point during the year. As described above, the Nominating Directors will consider properly submitted stockholder nominations for candidates for the Board on the same basis as Director-nominated candidates. All properly submitted recommendations will be aggregated and considered by the Nominating Directors.

Board Committee Structure and Responsibilities

The Board has two standing committees to assist it in the discharge of its responsibilities: an Audit Committee and a Compensation Committee.

Audit Committee. The Audit Committee is directly responsible for the appointment, compensation, retention, and oversight of eLoyalty's public accountants (including resolution of disagreements between management and the public accountants regarding financial reporting) subject, if applicable, to stockholder ratification of the public accountants' appointment, for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for eLoyalty. The Audit Committee approves all audit engagement fees and terms and all non-audit engagements with the public accountants as required by applicable law and the requirements of NASDAQ. In connection with its duties, the Audit Committee regularly meets privately with eLoyalty's independent public accountants. The Audit Committee has adopted a policy for the receipt, retention, and treatment of complaints or concerns regarding accounting-related matters. See "Communications with the Board" on page 7. The Audit Committee operates under a written charter, the current version of which was adopted by the Board in March 2004. The Audit Committee reviews and reassesses the adequacy of this Charter annually. The Audit Committee Charter is available on eLoyalty's website, at www.eLoyalty.com. A copy of the Audit Committee Charter may also be obtained by sending a written request to the Corporate Secretary at eLoyalty Corporation, 150 Field Drive, Suite 250, Lake Forest, Illinois 60045.

Table of Contents

The Audit Committee, which met eight times during fiscal 2009, currently has five members: Mr. Staley, as Chairman, and Messrs. Coxe, Murray, Mullen, and Kohler. The Board has determined that each of Messrs. Kohler and Staley qualifies as an audit committee financial expert as that term is defined in the SEC rules adopted pursuant to the Sarbanes-Oxley Act of 2002 and that the remaining members of the Audit Committee meet the financial literacy requirements of NASDAQ. Under the SEC rules, a person is not qualified to serve on an audit committee if he or she is an affiliate of the relevant company. The SEC rules create a safe harbor, whereby a person will not be deemed to be an affiliate of a company if he or she does not beneficially own more than 10% of any class of voting equity securities of that company. Mr. Coxe is considered the beneficial owner of 23.2% of eLoyalty's Common Stock and 27.3% of eLoyalty's Series B Stock (representing 19.9% of eLoyalty's voting power, in the aggregate) by virtue of his position as a managing director of the general partner of Sutter Hill Ventures, Sutter Hill Entrepreneurs Fund (AI), L.P., and Sutter Hill Entrepreneurs Fund (QP), L.P. Although Mr. Coxe does not qualify for the safe harbor created by the SEC rules, based on all of the facts and circumstances, the Board has determined that he is not an affiliate of eLoyalty.

A report of the Audit Committee appears later in this Proxy Statement on page 33.

Compensation Committee. The Compensation Committee, which met four times during fiscal 2009, currently has three members: Mr. Coxe, as Chairman, and Messrs. Feinberg and Kohler. The Compensation Committee administers the eLoyalty Corporation 1999 Stock Incentive Plan (the 1999 Plan) and the 2000 Stock Incentive Plan (the 2000 Plan), reviews and acts with respect to stock incentive and other employee benefit plans, approves or makes recommendations to the Board with respect to the salary and annual incentive compensation of, and stock awards for, executive officers of eLoyalty, and assesses the risk associated with eLoyalty's material incentive compensation programs. In administering the 1999 Plan and the 2000 Plan, the Compensation Committee may delegate certain of its duties to one or more of eLoyalty's officers as permitted by law and to the extent otherwise consistent with the terms of the 1999 Plan or 2000 Plan, as the case may be. The Compensation Committee has not engaged a compensation consultant. Compensation for senior executives is determined by the Compensation Committee after analyzing the performance of eLoyalty and the applicable executive, based on recommendations of eLoyalty management. The Compensation Committee does not operate under a written charter.

A report of the Compensation Committee appears later in this Proxy Statement on page 15.

Communications with the Board

Anyone who has a concern about eLoyalty's conduct, or about eLoyalty's accounting, internal accounting controls, or auditing matters, may communicate that concern directly to the Board, the Audit Committee, or the Directors who are not employees of eLoyalty or any of its subsidiaries (Non-Employee Directors). All concerns related to audit or accounting matters will be forwarded to the Audit Committee Chair for his review, as well as to eLoyalty's Corporate Secretary or Chief Financial Officer (unless the report alleges that person's involvement). After the Audit Committee Chair's initial review and a summary of the matter is prepared, the concern will be forwarded to the remaining Audit Committee members. All other concerns will be forwarded upon receipt to the appropriate directors for their review, as well as to eLoyalty's Corporate Secretary and Chief Financial Officer (unless the report alleges that person's involvement in the matter).

All reported concerns will be simultaneously reviewed and addressed by eLoyalty's Corporate Secretary or her designee. The status of all outstanding concerns addressed to the Board, the Non-Employee Directors, or the Audit Committee will be reported to the Board on a quarterly basis. The Board or any committee may direct special treatment, including the retention of outside advisors or counsel, for any concern addressed to them. eLoyalty's corporate policies prohibit retaliatory action against any employee who raises concerns or questions in good faith about these matters.

Stockholders wishing to communicate with the Board, any individual Director, the Non-Employee Directors, or the Audit Committee may do so by writing to eLoyalty's Corporate Secretary at 150 Field Drive, Suite 250, Lake Forest, Illinois 60045. The Corporate Secretary will forward any communications as directed by the stockholder. eLoyalty maintains a separate, internal system for the receipt of communications from employees.

Code of Ethics

eLoyalty has adopted a Code of Ethical Business Conduct, which sets the standard for ethics and compliance for all of its employees, including officers and Directors. The Code of Ethical Business Conduct is available on eLoyalty's website, at www.eLoyalty.com. A copy of the Code of Ethical Business Conduct may also be obtained by sending a written request to the Corporate Secretary at eLoyalty Corporation, 150 Field Drive, Suite 250, Lake Forest, Illinois 60045.

Transactions with Related Persons

eLoyalty's Code of Ethical Business Conduct requires that all business transactions be at arms' length, negotiated in good faith, and based on merit alone. All of eLoyalty's employees have a responsibility and duty of loyalty to eLoyalty and all business decisions are to be made in the best interests of eLoyalty, which means putting eLoyalty's interests first. If a situation arises that would constitute a related-party transaction under SEC rules, then the independent Directors will review the propriety of, and approve or disapprove, such transaction.

There were no transactions, relationships, or arrangements proposed during 2009 that would constitute related-person transactions under item 404 of Regulation S-K under the Securities Act of 1933, as amended.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires eLoyalty's Directors and executive officers, as well as any persons who beneficially own more than 10% of our Common Stock, to file with the SEC initial reports and reports of changes in beneficial ownership of such stock. Persons subject to Section 16 are required by SEC regulations to furnish eLoyalty with copies of all Section 16(a) reports that they file.

Based on its review of copies of such reports filed through or furnished to eLoyalty and on written representations from certain reporting persons that no other reports were required, eLoyalty believes that all required Section 16(a) reports filed during or for fiscal 2009 with respect to persons who were subject to Section 16(a) reporting obligations during such period were filed on a timely basis, except that one Form 4 for one transaction was filed late for each of Messrs. Conway and Pollema.

Table of Contents**DIRECTOR COMPENSATION****Meeting Attendance Fees**

As agreed to by the Compensation Committee at its February 2009 meeting, during eLoyalty's fiscal year ended December 26, 2009, Non-Employee Directors each received \$750 for their attendance at each meeting of the Board, \$1,000 per Audit Committee meeting attended, and \$250 for each Compensation Committee meeting attended (each of which was held in tandem with a meeting of the Board). If any Compensation Committee meetings had been held apart from a Board meeting, then each Compensation Committee member would have received \$500 per meeting attended; there were no separate Compensation Committee Meetings in 2009. eLoyalty also reimburses Directors for any travel-related expenses incurred in attending meetings of the Board and its committees; however, eLoyalty has adopted the practice of holding its Board meetings by video conference, thereby minimizing the need to reimburse for these expenses.

Initial Grant and Annual Grants

In addition to meeting attendance fees, Non-Employee Directors are eligible to receive automatic grants of stock options under the 1999 Plan, which provides for each Non-Employee Director to receive: (i) an option to purchase 50,000 shares of Common Stock upon commencement of service as a Director (an Initial Grant); and (ii) an option to purchase 5,000 shares of Common Stock on the day after each annual meeting of stockholders during which such service continues (an Annual Grant). Stock options granted to Non-Employee Directors have an exercise price per share equal to the fair market value of a share of Common Stock on the grant date and a maximum term of ten years. Vesting occurs ratably over a period of 48 months from the end of the month following the grant date with respect to each Initial Grant. Traditionally, vesting for each Annual Grant occurred over 12 months from the end of the month following the grant date. For each Annual Grant made in 2009, however, vesting occurred over 48 months, commencing with a vesting of 25% of such Annual Grant on May 31, 2010 and 6.25% of such Annual Grant on each quarterly vesting date thereafter; this vesting schedule will be applied to all future Annual Grants as well.

In addition, at its February 2009 meeting, as ratified by Unanimous Written Consent, the Board agreed to an additional grant of stock options under the 1999 Plan. Each Non-Employee Director received an option to purchase 50,000 shares of Common Stock. These stock options have an exercise price per share equal to the fair market value of a share of Common Stock on the grant date, which was February 18, 2009, and a maximum term of ten years, pursuant to the 1999 Plan. Vesting occurs ratably over a period of 16 quarters, with the first quarterly vesting having occurred on February 28, 2009.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis describes the material elements of compensation paid to each of eLoyalty's named executive officers during 2009, namely:

Kelly D. Conway, President and Chief Executive Officer;

William B. Noon, Vice President and Chief Financial Officer (effective February 12, 2009);

Christopher Min, Former Vice President, Chief Financial Officer, and Corporate Secretary (employment ended February 13, 2009);
Steven C. Pollema, Vice President, Integrated Contact Solutions Business Unit; and

Christine R. Carsen, Vice President, Associate General Counsel, and Corporate Secretary (effective February 12, 2009).

The Compensation Committee oversees eLoyalty's executive compensation program, approving or presenting recommendations to the Board with respect to the compensation of eLoyalty's executive officers. In addition, the Compensation Committee administers eLoyalty's stock-based incentive plans and establishes and reviews general policies relating to compensation and benefits of all eLoyalty employees. None of the Directors that serve on the Compensation Committee are officers or employees of eLoyalty.

Executive Summary

eLoyalty's compensation philosophy has been focused on supporting and enabling the Company's transformation from a CRM consulting company to an analytics and managed services company. The Company has kept cash compensation (base salaries plus bonuses) relatively low compared to market cash compensation to conserve cash, and has granted restricted stock awards to incent management to build a high-growth, high-recurring-revenue business. This approach has enabled eLoyalty to develop and expand its two primary service lines: the Behavioral Analytics Service and Integrated Contact Solutions (ICS), which have grown their combined revenues from \$17 million in 2004 to \$83 million in 2009, and are expected to achieve strong growth in 2010.

The Company delivered strong financial and operational performance in 2009 and achieved our key strategic initiatives of growing revenue, improving P&L results and cash flow management, and enhancing product offerings. As a result, except as otherwise described below, our annual incentive awards for executives were paid out at the targeted levels.

In 2010, as a result of 2009 performance, eLoyalty took the following actions in respect of its compensation program:

Paid \$1,931,850 in cash bonuses to named executive officers and certain other Vice Presidents, of which \$903,000 was paid to the named executive officers;

Made a supplemental grant of 465,000 shares of restricted stock to the then-current named executive officers and certain other Vice Presidents; and

Increased the salaries of three Vice Presidents, including two of the named executive officers, by an aggregate total of \$25,000.

Compensation Program

Edgar Filing: ELOYALTY CORP - Form DEF 14A

Overview. The principal framework for the compensation of eLoyalty's named executive officers is the eLoyalty Vice President and Executive Compensation Program (the "Compensation Program"). The objective of the Compensation Program is to support and enable the Company's transformation from a CRM consulting company to an analytics and managed services company. In order to support this objective, the Compensation Committee reviews and approves all elements of compensation for each named executive officer, taking into account recommendations from eLoyalty's Chief Executive Officer (for compensation other than his own), as well as competitive market guidance provided at the request of the Compensation Committee. The Compensation Committee uses a combination of structured compensation frameworks and subjective business judgment to determine actual salaries, bonuses, and restricted stock awards. In general, the total compensation awarded to eLoyalty's executives is designed to be market competitive. eLoyalty broadly defines its competitive market for executive talent and investment capital to be the technology, software, managed services, and business consulting industries. In determining executive compensation, eLoyalty does not perform formal benchmarking, but rather continuously calibrates the Compensation Program based on its senior-level recruiting activity and a general understanding of compensation practices within the competitive market.

2009 Developments

Overview. In late 2008, eLoyalty began to experience encouraging results from its multi-year business transformation. These results included the following: increased revenues from its Behavioral Analytics Service and ICS service lines; record managed services backlog; reduced operating expenses; improved P&L performance; and a solid outlook for the first half of 2009. Based on our improving performance and visibility, eLoyalty made several changes to increase cash compensation, including cancelling our Salary Replacement Program effective as of January 1, 2009 (for more information on this program, see Salary Replacement Program on page 18), and paying \$1,254,000 in cash bonuses to named executive officers and certain other Vice Presidents, of which \$600,000 was paid to the then-current named executive officers.

Offsetting the increases in cash compensation and in order to decrease fixed costs and increase the amount of performance-based compensation, the Company reduced the salaries of certain named executive officers and other employees. These reductions totaled approximately \$1.5 million on an annual basis. Included in these reductions was Mr. Conway, whose base salary was reduced from \$480,000 to \$425,000. Mr. Pollema's base salary was unchanged at \$300,000. Base salary reductions for Mr. Noon and Ms. Carsen are discussed below. In addition, the Company made a supplemental grant of approximately 490,000 shares of restricted stock to the then-current named executive officers and certain other Vice Presidents, of which 200,000 shares were awarded to Mr. Conway and 25,000 shares were awarded to Mr. Pollema.

In July 2009, the Company reinstated its 401(k) matching program. Under the terms approved by the Board, the Matching Employer Contributions were allocated to eligible employees from a pool of \$250,000, based on each eligible employee's contribution level and/or eligible earnings. Upon depletion of the pool, any further 401(k) matches would be subject to additional Board approval.

Changes in Named Executive Officers. Effective February 12, 2009, William B. Noon was named as the Company's new Vice President and Chief Financial Officer and Christine R. Carsen was named as the Company's new Corporate Secretary (in addition to her position of Vice President, Associate General Counsel, and Chief Privacy Officer). Mr. Noon's base salary was set at \$190,000 (a \$25,000 reduction from his previous base salary). In addition, in April 2009, Mr. Noon received a cash bonus of \$60,000 and a restricted stock award of 20,000 shares. Ms. Carsen's base salary was set at \$170,000 (a \$30,000 reduction from her previous base salary). In addition, in April 2009, Ms. Carsen received a cash bonus of \$50,000 and a restricted stock award of 17,500 shares. For more information on the terms associated with the cash bonus and restricted stock award, see Elements of Compensation on page 18.

As mentioned above, effective February 13, 2009, Mr. Min departed as the Company's Vice President and Chief Financial Officer. Under the terms of Mr. Min's severance agreement, effective February 27, 2009, Mr. Min was paid a lump sum amount of \$250,000 and retained health benefits of \$409 per month for a period of 12 months. In addition, he became vested in 55,000 shares of restricted stock with a value of \$247,500.

ICS Incentive Program. In November 2009, eLoyalty launched a long-term incentive program for the ICS business unit (the ICS Incentive Program), under the terms of which performance unit awards would be granted to certain employees of the business unit, including Mr. Pollema. The performance units were awarded under the 1999 Plan.

Under the terms of the ICS Incentive Program, Mr. Pollema received an initial award of 15,000 performance units, which amount was established and approved by the Compensation Committee in its discretion. Each performance unit has an initial projected value of \$73.85, assuming achievement of a projected level of value of the ICS business unit above a baseline value that was established by the Compensation Committee. The amount earned, if any, for each vested performance unit will vary based on (i) the ultimate value of the ICS business unit relative to the baseline value and (ii) the number of other participants receiving similar performance units (because a fraction of the total increase in ICS business unit value will make up a pool that is divided among all participants based on the relative size of awards). The performance period for the award began on October 1, 2009 and ends on December 29, 2012. On the last day of the performance period, the performance units granted will become fully vested. In the event of a sale of the ICS business unit, a sale of the Company, a spin-off of the ICS business unit, or a termination of Mr. Pollema's employment due to death or Disability (each, an Acceleration Event), such vesting will be accelerated, as follows: (1) 50% of the performance units granted will be deemed to have vested as of the date of the Acceleration Event and (2) 50% of the performance units will be deemed to have vested ratably on a daily basis from the grant date over a period ending on December 31, 2010, up to the date of the Acceleration Event. Any performance units remaining unvested as of the date of the Acceleration Event will be forfeited. Mr. Pollema must remain continuously employed until the earlier of an Acceleration Event or December 29, 2012 in order to receive payment. If Mr. Pollema's employment terminates for any reason (other than due to death or Disability) prior to the earlier of an Acceleration Event or December 29, 2012, then the performance units will be forfeited and he will not be entitled to any payment for the performance units. However, if Mr. Pollema is terminated without Cause (as defined in the 1999 Plan) during the six-month period (1) ending on December 29, 2012 or (2) prior to the occurrence of an Acceleration Event other than his termination due to death or Disability, Mr. Pollema will be deemed to have remained employed up to the end of such six-month period, and the percentage of performance units deemed to have vested shall be calculated as of the effective date of Mr. Pollema's termination.

Table of Contents

On the date determined by the Committee for the settlement of performance units following the earlier of an Acceleration Event or December 29, 2012 (the Distribution Date), Mr. Pollema will earn and be paid the aggregate value (calculated as described above) of his vested performance units, which will be settled in shares of Common Stock, with the number of shares to be calculated using the average closing price of Common Stock during the 10 trading days prior to the Distribution Date.

Elements of Compensation

The principal elements of the Compensation Program are base salary, annual cash incentives (bonus), and long-term equity incentives in the form of shares of restricted stock, as well as post-termination severance and acceleration of vesting of stock options and shares of restricted stock for certain named executive officers upon termination and/or a change of control. These elements are described in more detail below. The Compensation Program also provides for additional equity grants at the discretion of the Compensation Committee. eLoyalty's other benefits consist of life and health insurance and a qualified 401(k) savings plan.

Base Salaries

Overview. eLoyalty believes that base salaries should be established based on the competitive marketplace for the specific responsibilities of the position as well as the experience, knowledge, and demonstrated performance of the individual. In 2010, the salaries of three Vice Presidents were increased, by an aggregate total of \$25,000; included in this increase was Mr. Noon, whose salary increased from \$190,000 to \$200,000 and Ms. Carsen, whose salary increased from \$170,000 to \$175,000. In 2009, base salaries were reduced for approximately 50 people. These salary reductions totaled approximately \$1.5 million and were made to decrease fixed costs and increase the amount of performance-based compensation for the Company's key employees. Included in these reductions were Mr. Conway, whose base salary was reduced from \$480,000 to \$425,000; Mr. Noon, whose base salary was reduced from \$215,000 to \$190,000; and Ms. Carsen, whose base salary was reduced from \$200,000 to \$170,000. Mr. Pollema's base salary was unchanged at \$300,000. Base salaries for named executive officers were unchanged during 2007 and 2008.

Salary Replacement Program. In November 2006, eLoyalty implemented the Salary Replacement Program, which was designed to generate short-term cash savings, motivate the creation of stockholder value, and continue to encourage eLoyalty's employee ownership culture. In connection with this program, the cash salaries of eLoyalty's executives were first reduced by a range of 20% to 25% in exchange for grants of unrestricted stock. The program was amended in October 2007 to provide for the reduction of the cash salaries of eLoyalty's executives by a range of 25% to 30% in exchange for grants of unrestricted stock. The program was amended for the last time in February 2008, to reduce the cash salaries of eLoyalty's executives by a range of 32.5% to 37.5% in exchange for grants of unrestricted stock; these executives received an additional grant equal to 5% of base pay to partly offset the lack of liquidity of receiving stock in exchange for cash. By approval of the Board of Directors, the Salary Replacement Program was discontinued as of January 2009.

Bonuses

Overview. The amount of individual annual bonus awards to all participants in the Compensation Program is based on two factors: (1) the target bonus amount of each participant, as established in his or her employment agreement or as otherwise established by the Chief Executive Officer and approved by the Compensation Committee; and (2) individual performance levels for the relevant fiscal year as measured against assigned performance goals.

In establishing individual target bonus amounts, the Compensation Committee has focused bonuses on rewarding and retaining named executive officers and other vice presidents who are considered most essential to growing eLoyalty's Behavioral Analytics Service and Integrated Contact Solutions service lines.

Each individual is assigned two or three performance goals, which are derived from the Company's annual goals for the relevant year. The Company's annual goals are established by the Chief Executive Officer and the Board (see table below for 2009 annual goals). The goals assigned to each individual are those that the Compensation Committee has determined the individual plays an integral role in the Company's achieving.

Table of Contents

2009 Annual Goals. Each quarter in fiscal 2009, the Chief Executive Officer and the Compensation Committee evaluated eLoyalty's performance against the Company's 2009 annual goals. In February 2010, the Chief Executive Officer and the Compensation Committee reviewed eLoyalty's performance against the annual goals and determined, based on its subjective judgment, that eLoyalty had attained its goals, as and to the extent described in the table below.

Based on the recommendation of the Chief Executive Officer and the subjective judgment of the Compensation Committee regarding the Company's performance against each of its 2009 goals, the Compensation Committee approved payment of bonuses to participants in the Compensation Program. Where appropriate, the approved bonuses were adjusted relative to the targeted bonus amount to reflect the Compensation Committee's determination regarding the Company's achievement of its annual goals.

Individual Annual Bonuses

(1) **Target Bonus Amount of Named Executive Officers.** The minimum target bonus amount for Mr. Conway and Mr. Pollema is established in their respective employment agreements with the Company. The target bonus amount for Mr. Noon and Ms. Carsen is established by the Chief Executive Officer, in his discretion, and approved by the Compensation Committee. The target bonus amount for each of the named executive officers in 2009 was as follows: \$583,000 for Mr. Conway; \$70,000 for Mr. Noon; \$300,000 for Mr. Pollema; and \$55,000 for Ms. Carsen. These target bonus amounts were approved by the Compensation Committee, in their subjective judgment, based on the foregoing factors and with input from Mr. Conway (other than with respect to his target bonus). Mr. Min is not included in this discussion due to the termination of his employment with the Company in February 2009.

(2) **Evaluation of Individual Performance.** In addition to reviewing Company performance against its 2009 goals, the Compensation Committee reviewed the individual performance of the named executive officers, Messrs. Conway, Noon, and Pollema and Ms. Carsen. Mr. Min is not included in this discussion due to the termination of his employment with the Company in February 2009. In reviewing individual performance, no single quantitative factor was material to determining individual bonus amounts.

Table of Contents

Mr. Conway's bonus was based on his target bonus amount and his individual performance. Mr. Conway's performance goals were Company Profit and Loss Performance, Behavioral Analytics Service Business Unit Revenue Growth, and Behavioral Analytics Service Product Enhancement. Based on its subjective evaluation of these factors, the Compensation Committee approved a bonus of \$583,000 for Mr. Conway, which represents 100% of his target bonus amount.

Mr. Noon's bonus was based on his target bonus amount and his individual performance. Mr. Noon's performance goals were Cash Management, Company Profit and Loss Performance, and Compliance. Based on its subjective evaluation of these factors, the Compensation Committee approved a bonus of \$70,000 for Mr. Noon, which represents 100% of his target bonus amount.

Mr. Pollema's bonus was based on his target bonus amount and his individual performance. Mr. Pollema's performance goals were ICS Profit and Loss Performance and ICS Momentum. Based on its subjective evaluation of these factors, the Compensation Committee approved a bonus of \$195,000 for Mr. Pollema, which represents 65% of his target bonus amount.

Ms. Carsen's bonus was based on her target bonus amount and her individual performance. Ms. Carsen's performance goals were Behavioral Analytics Service Business Unit Contracts and Intellectual Property Management and Compliance. Based on its subjective evaluation of these factors, the Compensation Committee approved a bonus of \$55,000 for Ms. Carsen, which represents 100% of her target bonus amount.

The bonuses awarded to the named executive officers were paid in cash on March 31, 2010 and, except for Mr. Pollema, each executive's right to retain the bonus vests pro rata on a monthly basis over the one-year period after the bonus is paid. Pursuant to the terms of the bonus agreement, if the executive's employment with eLoyalty terminates within that one-year period, whether by eLoyalty for Cause or by the executive for any reason other than his or her death or Disability, the executive must reimburse eLoyalty in the amount of the unvested portion of the bonus.

Long-Term Equity Incentives

The goal of eLoyalty's long-term, equity-based incentive awards is to retain key executives, attract new executives, and align the interests of executive officers with stockholders. As described above, the ICS Incentive Program serves as the long-term incentive component of the compensation of ICS business unit employees.

In 2010, eLoyalty granted restricted stock awards to the named executive officers, as follows: 200,000 shares to Mr. Conway; 15,000 shares to Mr. Noon; and 10,000 shares to Ms. Carsen. Mr. Pollema did not receive a grant of shares due to his participation in the ICS Incentive Program. Mr. Min is not included in this discussion due to the termination of his employment with the Company in February 2009. The grants awarded to the named executive officers were set by the Compensation Committee in its discretion (with input from Mr. Conway, other than with respect to his own award) and are subject to vesting in equal quarterly increments over a four-year period, commencing on May 31, 2010.

From 2002 to 2006, these long-term equity incentives were awarded in the form of restricted stock. In 2007 and 2008, eLoyalty also used stock option grants as a long-term equity incentive to the named executive officers and certain other Vice Presidents. Due to the turbulent and uncertain market environment, the 2009 grants were again made in the form of restricted stock.

Stock Incentive Plans

eLoyalty administers two stock incentive plans, the 1999 Plan and the 2000 Plan.

1999 Plan. Effective June 22, 1999, eLoyalty adopted the 1999 Plan, which was amended and restated as of May 15, 2008. The 1999 Plan will automatically terminate on May 15, 2018. The 1999 Plan is administered by the Compensation Committee, which may, in certain circumstances, delegate certain of its duties to one or more of eLoyalty's officers, but the full Board retains the right to administer the 1999 Plan in all respects. The Compensation Committee has the power to interpret the 1999 Plan and to adopt rules for the administration, interpretation, and application of the plan according to its terms. Each year, on the first day of eLoyalty's fiscal year, the number of shares available under the 1999 Plan (other than incentive stock options) automatically increases by 5% of the number of issued and outstanding shares of common stock as of that date. As of December 27, 2009, there were 1,353,748 shares available for issuance or delivery under the 1999 Plan.

The principal purpose of the 1999 Plan is to attract, motivate, reward, and retain selected employees, consultants, agents, and Directors through the granting of stock-based compensation awards. Certain employees and Directors are eligible to be granted awards under the 1999 Plan. The Compensation Committee determines who will receive awards under the 1999 Plan, as well as the form of the awards, the number of shares underlying the awards, and the terms and conditions of the awards consistent with the terms of the 1999 Plan. The 1999 Plan provides for a variety of awards, including non-qualified stock options, incentive stock options (within the meaning of Section 422 of the Internal Revenue Code), stock appreciation rights, restricted stock awards, and other stock-based awards. The specific terms of the awards are included in the

individual award agreements.

Table of Contents

2000 Plan. The 2000 Stock Incentive Plan (the 2000 Plan), which is similar to the 1999 Plan, was adopted May 12, 2000 and was amended and restated as of September 24, 2001. The 2000 Plan is administered by the Compensation Committee, but the full Board retains the right to administer the 2000 Plan in all respects. The 2000 Plan will automatically terminate on September 23, 2011. The maximum percentage of shares with respect to which awards may be granted under the 2000 Plan to officers and to other Section 16 employees, is 20% of the total number of shares available for awards under the 2000 Plan, as adjusted. As of December 27, 2009, there were 78,498 shares available for issuance or delivery under the 2000 Plan.

The 2000 Plan allows for awards to eligible employees, consultants, and independent contractors, including only non-qualified stock options and stock awards (both restricted stock and bonus stock). Non-Employee Directors are not eligible for awards under the 2000 Plan. Options and stock awards may be subject to performance measures and vesting requirements. The terms of the awards, including rights upon termination of employment, are included in individual award agreements.

Change in Control and Severance Benefits

eLoyalty provides the opportunity for its named executive officers to be protected under the severance and, for certain named executive officers, change of control provisions, contained in their employment agreements. The Company provides this opportunity to attract and retain an appropriate caliber of talent for the position and ensure that these executives are not influenced by their personal situation and are able to be objective in evaluating a potential change in control transaction, should one arise. eLoyalty's severance and change of control provisions are summarized in Potential Payments upon Termination or Change in Control on page 27.

Pension Benefits

eLoyalty does not sponsor any qualified or non-qualified defined benefit plans.

Non-Qualified Deferred Compensation

eLoyalty does not maintain any non-qualified defined contribution or deferred compensation plans.

In accordance with SEC rules, 2008 and 2007 compensation is not presented for Mr. Noon and Ms. Carsen because they were not named executive officers in those years.

- (1) For a description of the employment agreements entered into between eLoyalty and each of the current named executive officers, see "Employment Agreements" on page 23.
- (2) Effective February 12, 2009, Mr. Noon was named as the Company's new Vice President and Chief Financial Officer.
- (3) Effective February 12, 2009, Ms. Carsen was named as the Company's new Corporate Secretary (in addition to her position of Vice President, Associate General Counsel, and Chief Privacy Officer).
- (4) Mr. Min's term as the Company's Vice President and Chief Financial Officer started on December 3, 2007 and ended on February 13, 2009. He also served as Corporate Secretary between October 3, 2008 and February 13, 2009.
- (5) In connection with the Salary Replacement Program during 2008, the then-current named executive officers were granted part of their salary in the form of shares of Common Stock; for 2008, this column includes the value of shares granted to the relevant named executives in lieu of salary through the end of that year. As reported above, 2009 base salaries accounted for approximately 26% of total compensation for Mr. Conway and 29% on average for the other named executive officers (excluding Mr. Min) who worked at eLoyalty for all of 2009.

Edgar Filing: ELOYALTY CORP - Form DEF 14A

- (6) In connection with his joining eLoyalty in 2007, Mr. Min's employment agreement provided that he would receive: (i) a signing bonus of \$52,500 on February 28, 2008, as long as he remained employed by eLoyalty on that date; and (ii) a guaranteed annual bonus of \$150,000 in cash or unrestricted shares of Common Stock, which bonus he received upon leaving the Company in 2009.
- (7) Reflects the grant date fair value of the stock awards granted to named executive officers in each applicable year, which was computed in accordance with FASB ASC Topic 718. For Mr. Pollema, this amount includes a grant date fair value of \$1,107,692 for his award of performance units under the ICS Incentive Program. The target value of Mr. Pollema's award is \$1,107,692. The actual value of each vested performance unit will vary based on (i) the ultimate value of the ICS Business Unit relative to the baseline value and (ii) the number of other participants receiving similar performance units (because a fraction of the total increase in ICS Business Unit value will fund an incentive pool that is divided among all participants based on the relative number of the performance units held by each participant at the end of the performance period). There is no specified maximum value. The assumptions used with respect to the valuation of stock grants are set forth in eLoyalty's Form 10-K for the fiscal year ended December 26, 2009 under eLoyalty Corporation Consolidated Financial Statements Notes to Consolidated Financial Statements Note Fourteen Stock-Based Compensation. The amounts reported for 2007 and 2008 have been restated to reflect the grant date fair value for the respective years, in accordance with new SEC rules.

- (8) Reflects the grant date fair value of the options granted during 2007 and 2008 to the applicable executives, which was computed in accordance with FASB ASC Topic 718. The assumptions used with respect to the valuation of option grants are set forth in eLoyalty's Form 10-K for the fiscal year ended December 26, 2009 under eLoyalty Corporation Consolidated Financial Statements Notes to Consolidated Financial Statements Note Fourteen Stock-Based Compensation. These amounts have been restated to reflect the grant date fair value for the respective years, in accordance with new SEC rules.
- (9) Reflects employer contributions to an eLoyalty qualified defined contribution plan.
- (10) Excluding the amounts paid as salary to Mr. Min in 2009 prior to his departure, reflects amounts paid by eLoyalty pursuant to the terms of Mr. Min's severance agreement with eLoyalty. For more information regarding the severance payments, see Termination for Good Reason, without Cause, or due to Death or Disability on page 29.

Employment Agreements

The named executive officers, Messrs. Conway, Noon, and Pollema, and Ms. Carsen, have employment agreements with eLoyalty. Mr. Min had an employment agreement with eLoyalty prior to termination of his employment effective February 13, 2009. The material terms of such agreements are summarized in the following paragraphs.

Employment Agreement with Mr. Conway

Under his employment agreement, Mr. Conway's annual base salary is set at \$480,000, subject to annual review and discretionary adjustment. As discussed previously, Mr. Conway's annual base salary was reduced to \$425,000 by the Compensation Committee, effective April 2009 and was not increased in 2010. In addition to base salary, he is eligible to participate in eLoyalty's other compensation programs, including annual bonus, equity incentive awards, and other employee benefit programs. Mr. Conway's agreement does not specify a term of employment and states that he is an employee at will. His employment agreement provides that eLoyalty may terminate his employment at any time, with or without Cause, and that Mr. Conway may terminate his employment with or without Good Reason.

The terms of Mr. Conway's termination by eLoyalty without Cause, by Mr. Conway for Good Reason, in connection with a Change in Control, or upon Mr. Conway's death or Disability are described in Potential Payments Upon Termination or Change in Control beginning on page 27.

Employment Agreements with Other Named Executive Officers

In addition to the employment agreement with Mr. Conway, eLoyalty has employment agreements with William B. Noon, Steven C. Pollema, and Christine R. Carsen, and had an employment agreement with Christopher Min. These employment agreements generally provide for a base salary and eligibility to receive an annual performance bonus. The agreement of Mr. Pollema establishes a target amount for the annual performance bonus and also provides for grants of equity in the form of options or restricted shares. The actual amount of the bonus is generally discretionary and is determined based upon his performance and eLoyalty's performance against established annual goals. Prior to its termination, the agreement of Mr. Min had comparable terms with respect to annual bonuses and equity grants. All of the agreements with named executive officers include certain customary non-competition, non-solicitation, and proprietary information and invention provisions.

The employment agreement with Mr. Pollema provides that his employment may be terminated, with or without Cause (as defined in the agreement), by Mr. Pollema or by eLoyalty. Mr. Pollema may also terminate his employment for Good Reason (as defined in the agreement). If Mr. Pollema's employment is terminated by eLoyalty for Cause or he resigns without Good Reason, he is entitled to no further compensation or benefits other than those earned through the effective date of termination. Prior to its termination, the agreement of Mr. Min had comparable terms.

The employment agreements with Mr. Noon and Ms. Carsen provide that they may be terminated, with or without reason at any time, by the executive or eLoyalty. If the executive's employment is terminated by eLoyalty for Serious Misconduct (as defined in the agreement) or the executive resigns for any reason, the executive is entitled to no further compensation or benefits other than those earned through the effective date of termination.

Table of Contents

As reported in the 2009 Proxy, in connection with his joining eLoyalty in 2007, Mr. Min's employment agreement provided that he would receive: (i) a signing bonus of \$52,500 on February 28, 2008, as long as he remained employed by eLoyalty on that date; (ii) a guaranteed bonus of \$150,000 in cash or unrestricted shares of Common Stock when bonuses are paid to other executives for their 2008 performance; (iii) relocation assistance of up to \$110,000; and (iv) a grant of 55,000 restricted shares of Common Stock.

2009 Grants of Plan-Based Awards⁽¹⁾

The following table summarizes stock awards made to eLoyalty's named executive officers in 2009, which were all made under the 1999 Plan.

- (1) All grants were approved by the Compensation Committee. Restricted stock includes a feature whereby eLoyalty may withhold shares from vesting of the award, as applicable (which is generally treated as a sale of those shares back to eLoyalty at fair market value) to satisfy tax withholding obligations related to the grantee. Restricted stock grants generally vest over 48 months, as follows: (i) one increment equal to 25% of the Restricted Shares granted, which vests one year from the end of the month in which the grant was approved; and (ii) 12 equal quarterly increments equal to 6.25% of the Restricted Shares granted, which vest on each quarterly vesting date thereafter. In the event dividends are paid to owners of Common Stock, dividends would be paid on the restricted shares, in the same amount and at the same time as paid to other owners of Common Stock.
- (2) Mr. Pollema was awarded 15,000 performance units under the ICS Incentive Program, which equates to 143,670 shares of Common Stock based on a share price of \$7.71 at grant date. The target value of Mr. Pollema's award is \$1,107,692. The actual value of each vested performance unit will vary based on (i) the ultimate value of the ICS Business Unit relative to the baseline value and (ii) the number of other participants receiving similar performance units (because a fraction of the total increase in ICS Business Unit value will fund an incentive pool that is divided among all participants based on the relative number of the performance units held by each participant at the end of the performance period). There is no specified maximum value.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

eLoyalty is not obligated to make any cash payments to its named executive officers if their employment is terminated by eLoyalty for Cause (with respect to Messrs. Conway and Pollema) or Serious Misconduct (with respect to Mr. Noon and Ms. Carsen) or if the executive resigns other than for Good Reason (with respect to Messrs. Conway and Pollema only). In connection with a termination of the employment of either Mr. Conway or Mr. Pollema by eLoyalty without Cause or a termination for Good Reason by Mr. Conway or Mr. Pollema, no payments are due unless the executive executes a general release. The agreements of Mr. Noon and Ms. Carsen do not require execution of a general release. With respect to the foregoing and to the topics discussed below, prior to its termination, the agreement of Mr. Min had terms comparable to those of Messrs. Conway and Pollema.

Relevant Definitions

The following terms, which are relevant to this discussion, are defined in the named executive officers' employment agreements:

Cause. A termination for Cause occurs if eLoyalty terminates Mr. Conway's or Mr. Pollema's employment for any of the following reasons:

- (i) conviction, including a plea of guilty or no contest, of any felony or any crime involving moral turpitude or dishonesty;
- (ii) fraud upon eLoyalty (or an affiliate), embezzlement, or misappropriation of corporate funds;
- (iii) willful acts of dishonesty materially harmful to eLoyalty;
- (iv) activities materially harmful to eLoyalty's reputation;
- (v) executive's willful misconduct, willful refusal to perform his or her duties, or substantial willful disregard of his or her duties; or
- (vi) material breach of the employment agreement or any other agreement with or policy of eLoyalty, causing material harm to eLoyalty, or breach of any statutory duty or common law duty owed to eLoyalty.

Serious Misconduct. A termination for Serious Misconduct occurs if eLoyalty terminates Mr. Noon's or Ms. Carsen's employment for any of the following reasons:

- (i) fraud, embezzlement, or misappropriation of corporate funds;
- (ii) other acts of dishonesty, conviction of a felony, or other crime involving moral turpitude;
- (iii) activities materially harmful to eLoyalty's reputation;
- (iv) willful refusal to perform or substantial disregard of the executive's assigned duties (including, but not limited to, refusal to travel or work requested hours);

Edgar Filing: ELOYALTY CORP - Form DEF 14A

(v) any significant violation of any statutory or common law duty of loyalty to eLoyalty; or

(vi) any material breach or violation by the executive of any provision of the agreement or any policy of eLoyalty that eLoyalty may have in effect from time to time.

Good Reason. Under the employment agreements for Messrs. Conway and Pollema, an executive generally may terminate his employment for Good Reason if any of the following conditions occur:

(i) the executive's base salary is reduced below the amount set forth in his or her agreement, unless the salaries of the three most highly paid executives (excluding the executive) are reduced proportionately;

(ii) the executive's target bonus is reduced, unless the target bonuses of the three most highly paid executives (excluding the executive) are reduced proportionately;

(iii) the executive is involuntarily relocated to any location outside of the metropolitan area in which his or her primary office is located;

(iv) a significant diminution in the executive's position (including offices, titles, and reporting relationships), authority, duties, or responsibilities;

(v) eLoyalty materially breaches the terms of the agreement; or

Table of Contents

(vi) eLoyalty fails to assign the agreement to a successor upon a Change in Control.

Mr. Conway's agreement provides that the failure of the Board to nominate Mr. Conway as a Director constitutes Good Reason. His agreement also provides that a Change in Control, in and of itself, will not constitute Good Reason unless it results in a significant diminution of his position as described in clause (iv) above.

Mr. Pollema's agreement provides that the definition of Good Reason does not include the diminution of responsibilities if such diminution of responsibilities is in the ordinary course of either: (i) eLoyalty becoming, pursuant to a Change in Control, part of a larger organization in which the executive directly reports to the chief executive officer of such organization; or (ii) eLoyalty becoming, pursuant to a Change in Control, either a subsidiary or equivalent separate functional business unit of a larger business organization. The definition of Good Reason in Mr. Conway's agreement does not include such diminution of responsibilities only if he is appointed to serve as a Chief Executive Officer of the larger organization with all such accompanying authority, duties, and responsibilities.

Change in Control. Under the employment agreements for Messrs. Conway and Pollema, a Change in Control means:

- (i) the acquisition by any individual, entity, or group of beneficial ownership of 25% or more of eLoyalty's outstanding Common Stock or voting securities;
- (ii) a change in the identity of a majority of the members of the Board from those who constituted the Board at the time eLoyalty was spun off from TSC (the Incumbent Board), counting any new director whose election was approved by a majority of the members of the Incumbent Board as a member of the Incumbent Board;
- (iii) the consummation of a reorganization, merger or consolidation involving eLoyalty or a sale or other disposition of all or substantially all of eLoyalty's assets, other than in a transaction following which the beneficial owners of more than 60% of the outstanding Common Stock and voting securities prior to the transaction beneficially own 60% or more of the outstanding Common Stock and voting securities of the surviving or acquiring entity, in substantially the same relative proportion before and after the transaction; or
- (iv) the consummation of a plan of complete dissolution or liquidation of eLoyalty.

For each of the employment agreements, the definition of Change in Control derives from the 1999 Plan.

Disability. Under the employment agreements for each of the named executive officers other than Mr. Conway, Disability has the meaning provided under the terms of the Company's then-current long-term disability program. Under the employment agreements for Mr. Conway and, if no such long-term disability program is then in effect, Mr. Pollema, Disability means a permanent disability rendering the executive unable to perform his or her duties for 90 consecutive days or 180 days in any 12-month period, as determined by an independent physician appointed by the Board.

Non-Competition

For a period of one year following a termination for any reason, the executive cannot, for himself or an agent, partner, or employee of any person, firm, or corporation:

- (i) with respect to Mr. Conway, engage in the practice of providing consulting or related services for any eLoyalty client or prospect to or for whom the executive directly or indirectly performed or provided consulting or related services, or with whom the executive had personal contact, or prospect to whom the executive submitted (or assisted or participated in any way in the submission of) a proposal, during the executive's prior two years of employment with eLoyalty;

Edgar Filing: ELOYALTY CORP - Form DEF 14A

- (ii) with respect to Mr. Pollema, perform services of the type performed by the executive during his employment with eLoyalty or any services substantially similar thereto for any eLoyalty client or prospective client to or for whom the executive directly or indirectly performed services, or prospect to whom the executive submitted (or assisted or participated in any way in the submission of) a proposal, during the executive's prior two years of employment with eLoyalty; and

- (iii) with respect to Mr. Noon and Ms. Carsen, perform services of the type performed by the executive during his or her employment with eLoyalty or any services substantially similar thereto in any country in which eLoyalty has performed services or sold products during the preceding three years, for any eLoyalty client for whom the executive performed services, or prospective eLoyalty client to whom the executive submitted (or assisted in the submission of) a proposal during the executive's prior year of employment with eLoyalty.

Table of Contents**Non-Solicitation**

For a period of one year following a termination for any reason, the executive cannot:

- (i) with respect to Messrs. Conway and Pollema, directly or indirectly hire, solicit, encourage, or otherwise induce or assist in the inducement away from eLoyalty any customer, client, contractor, consultant, or other person or party with whom eLoyalty has a contractual relationship, any eLoyalty client or any eLoyalty employee;
- (ii) with respect to Mr. Noon and Ms. Carsen, induce or assist in the inducement of any eLoyalty employee away from eLoyalty's employ or from the faithful discharge of such employee's contractual and fiduciary obligations to serve eLoyalty's interests with undivided loyalty, or directly or indirectly solicit any eLoyalty client to become a client of the executive or any person or entity other than eLoyalty.

Termination for Good Reason, without Cause, or due to Death or Disability

Assuming the employment of eLoyalty's named executive officers were terminated (1) by Mr. Conway or Mr. Pollema for Good Reason or by eLoyalty other than for Cause or Serious Misconduct or (2) as a result of the named executive officer's death or Disability, each as of December 26, 2009 (except with respect to Mr. Min, whose amounts are shown as of his February 2009 departure date, as first reported in the 2009 Proxy), the following individuals would be entitled to payments in the amounts set forth opposite his or her name in the following table. The details are described in the footnotes to the table. Also, any additional benefits payable due to a termination in connection with a Change in Control are included in the footnotes to the table.

December 26, 2009, because Mr. Min was no longer employed by the Company on that date.

- (10) Solely for purposes of calculating the amounts in the table: The bonuses for 2009, with the exception of the bonus paid to Mr. Min, were calculated as an average of the cash bonus and the target bonus. The bonuses for 2008 were calculated as an average of the amount equal to the dollar equivalent of restricted shares of Common Stock granted in 2008 and the target bonus. The bonuses for 2007 were paid in the form of stock in 2008, and, to the extent paid to the current named executive officers, are reflected in the 2009 Summary Compensation Table on page 22.

Pre-Approval Policy

The Audit Committee pre-approves all audit and permissible non-audit services provided to eLoyalty by Grant Thornton. Pre-approval generally is provided at a regular meeting of the Audit Committee, covers a period of at least two years, and is, at a minimum, reviewed annually. Any pre-approval is detailed as to the particular service or category of services covered and is generally subject to a specific budget. The independent auditors and management periodically report to the Audit Committee regarding the extent of services provided by Grant Thornton in accordance with this pre-approval and the fees for the services performed to-date. The Audit Committee, or its Chairman, may also pre-approve other particular services on a case-by-case basis. All services provided to eLoyalty by Grant Thornton during 2009 and 2008 were pre-approved by the Audit Committee in accordance with this policy. Specifically, the Audit Committee pre-approved Grant Thornton s provision of audit services for 2009 and 2008. In addition, at the October 2009 meeting, the Audit Committee pre-approved Grant Thornton s provision of domestic tax services for 2010 through 2012.

OTHER BUSINESS

The Board does not know of any further business to be presented at the Annual Meeting. However, should any other matters arise that are properly presented and require a vote of eLoyalty stockholders, the persons named as proxies on the enclosed proxy card intend to vote on those matters in accordance with their judgment as to the best interests of eLoyalty.

SUBMISSION OF STOCKHOLDER PROPOSALS FOR 2011

Deadline for Inclusion in Proxy Statement

Any stockholder proposal to be considered by eLoyalty for inclusion in the Proxy Statement and form of proxy for next year's Annual Meeting of Stockholders must be received by eLoyalty's Corporate Secretary at its principal executive offices, 150 Field Drive, Suite 250, Lake Forest, Illinois 60045, no later than December 3, 2010, and must otherwise satisfy the requirements of applicable SEC rules.

Deadline for Notice of Other Stockholder Proposals/Director Nominations

Stockholder proposals that are not intended for inclusion in a proxy statement for an annual meeting, but that stockholders intend to introduce at an annual meeting, as well as proposed stockholder nominations for the election of directors at an annual meeting, must each comply with the advance notice procedures set forth in eLoyalty's By-Laws in order to be brought properly before that annual stockholders' meeting. In addition, with respect to any such stockholder proposals, eLoyalty may utilize discretionary authority conferred by proxy in voting thereon if, among other matters, the stockholder proponent does not give timely notice of the matter to eLoyalty in accordance with such By-Law procedures. In general, written notice of such a stockholder proposal or a director nomination must be delivered to eLoyalty's Corporate Secretary not less than 75 days or more than 100 days prior to the anniversary date of the preceding annual meeting of stockholders. With regard to next year's annual meeting of stockholders, the written notice must be received no earlier than February 2, 2011 and no later than February 28, 2011.

In addition to timing requirements, the advance notice provisions of the By-Laws contain informational content requirements that must also be met. A copy of the By-Law provisions governing these timing procedures and content requirements may be obtained by writing to the Corporate Secretary of eLoyalty at the address specified on the first page of this Proxy Statement.

If the presiding officer at the annual meeting of stockholders determines that business, or a nomination, was not brought before the meeting in accordance with the By-Law provisions, then such business will not be transacted or such defective nomination will not be accepted.

ADDITIONAL INFORMATION

The cost of soliciting proxies will be borne by eLoyalty. In addition to soliciting proxies through the mail, certain employees of eLoyalty may solicit proxies in person, by facsimile, or by telephone, without additional compensation. As is customary, eLoyalty will, upon request, reimburse brokers, banks, custodians, and other nominee holders of record for their out-of-pocket expenses of forwarding proxy materials to the beneficial owners of eLoyalty shares.

The SEC's rules permit eLoyalty to deliver a single set of proxy materials to one address shared by two or more of its stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, eLoyalty may deliver only one set of proxy materials to multiple stockholders who share an address. eLoyalty agrees to deliver promptly, upon request, a separate copy of the proxy materials to any stockholder at the shared address to which a single copy of these documents was delivered. If you prefer to receive separate copies of the proxy materials, or if you currently are a stockholder who shares an address with another stockholder and would like to receive only one copy of future proxy materials for your household, please contact Christine R. Carsen, Vice President, Associate General Counsel, and Corporate Secretary, eLoyalty Corporation, 150 Field Drive, Suite 250, Lake Forest, Illinois 60045 or call 847-582-7106.
