(b) Recent Developments

The information included on this Current Report on Form 8-K under this Item 8.01(b) provides a summary of information with respect to some recent developments affecting the Company.

Acquisitions

Recent Acquisition. On March 17, 2010, the Company acquired from an unrelated third party an office building located at 2385 Northside Drive in San Diego, California, which encompasses approximately 88,800 rentable square feet, and a parking structure for a total of approximately \$18 million in cash. The building and parking structure are part of a multi-building campus known as Mission City Corporate Center. The acquisition was financed with borrowings under the credit facility referred to below under the heading Credit Facility.

Pending Acquisitions. On March 12, 2010, the Company entered into a purchase and sale agreement with an unrelated third party to acquire three office buildings located at 2375, 2355 and 2365 Northside Drive in San Diego, California, which encompass an aggregate of approximately 190,600 rentable square feet, and a parking structure. The Company expects to acquire these properties by assuming \$52 million of secured indebtedness bearing interest at a weighted average annual fixed rate of 5.1% and maturing on April 1, 2012. The buildings and parking structure are part of the Mission City Corporate Center. The Company expects this acquisition to close in the second quarter of 2010, subject to satisfactory completion of its due diligence review of the properties and related leases and other customary closing conditions.

On April 12, 2010, the Company entered into a purchase and sale agreement with an unrelated third party to acquire an office building located at 303 Second Street in San Francisco, California, which encompasses approximately 732,000 rentable square feet, and an attached parking structure for approximately \$237 million in cash. The Company expects the acquisition to close in the second quarter of 2010, subject to satisfactory completion of its due diligence review of the property and related leases and other customary closing conditions. The Company expects to finance this acquisition with a combination of the net proceeds from the planned offering of common stock pursuant to a prospectus supplement filed with the Securities and Exchange Commission on April 14, 2010 on Form 424(b)(5) and/or borrowings under its revolving credit facility.

As a key component of its growth strategy, the Company continually evaluates selected property acquisition opportunities. The Company considers potential acquisitions on an ongoing basis and may have one or more potential acquisitions under consideration at any point in time, which may be at varying stages of the negotiation and due diligence review process. There can be no assurance that any of the pending acquisitions described above will be consummated at the prices, on the terms or by the dates currently contemplated, or at all, or that any potential acquisitions will be completed. In addition, acquisitions are subject to various other risk and uncertainties. See the subsection entitled Risk Factors We may be unable to complete acquisitions and successfully operate acquired properties in the Company's Annual Report on Form

These ratings are subject to ongoing evaluation by credit rating agencies and there can be no assurance that any rating will not be changed or withdrawn by a rating agency in the future if, in its judgment, circumstances warrant. Moreover, these ratings relate solely to any debt securities and preferred equity securities that the Company or Kilroy Realty, L.P. may issue and not to the common stock of the Company and are not recommendations to buy, sell or hold any securities of the Company or Kilroy Realty, L.P.
