**VERIFONE CUSTOMER LETTER**

Dear Valued Customer,

We're pleased to share with you some exciting news. As detailed in the linked press release, today we announced that VeriFone Systems, Inc. and Hypercom Corporation have entered into a definitive agreement under which VeriFone will acquire Hypercom. We are very excited about this transaction and about the advantages we believe the combined company will bring to you, our customers.

Hypercom is a high security electronic payment and digital transactions solutions provider, with a significant presence in continental Europe. This acquisition will allow us to grow in key European markets, which will complement the position we already have in the U.S., the U.K., Eastern Europe and the Middle East.

We expect the transaction will be completed in the second half of 2011, subject to shareholder approval and customary regulatory approvals. You can be confident that today's announcement will in no way affect our current business relationship. As always, we remain 100% committed to meeting your needs and providing you with the highest level of service.

Please feel free to call your VeriFone sales representative at any time if you have questions. Thank you for your support.

Sincerely,

Doug
