**Item 1.01. Entry into a Material Definitive Agreement**

*Offering of Senior Notes*

On January 25, 2011, Great Lakes Dredge & Dock Corporation (the *Company*), entered into a Purchase Agreement (the *Purchase Agreement*) by and among the Company, certain subsidiary guarantors named therein (the *Guarantors*), and Deutsche Bank Securities Inc. and Merrill, Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the several initial purchasers, relating to the issuance and sale of \$250,000,000 in aggregate principal amount of its 7.375% senior unsecured notes due February 1, 2019 (the *Notes*). The Notes were priced at 100% of face value.

The Notes are being offered to the initial purchasers as a private placement and have not been registered under the Securities Act of 1933, as amended (the *Securities Act*). The initial purchasers intend to sell the Notes only to qualified institutional buyers under Rule 144A and to persons outside the United States under Regulation S of the Securities Act.

The Purchase Agreement contains customary representations, warranties, agreements, indemnification obligations, including for liabilities under the Securities Act, other obligations and termination provisions of the Company, certain of its subsidiaries and the initial purchasers.

The foregoing description of the Purchase Agreement is a summary. The complete text of the Purchase Agreement is attached hereto as Exhibit 10.1 and incorporated herein by reference.

*Indenture Relating to 7.375% Senior Notes due 2019*

On January 28, 2011, the Company completed its previously announced private placement of \$250,000,000 of the Notes. The Notes were offered to qualified institutional buyers under Rule 144A and to persons outside the United States under Regulation S of the Securities Act. The private placement of the Notes resulted in gross proceeds to the Company of \$250.0 million. The Notes were issued pursuant to an indenture (the *Indenture*), dated as of January 28, 2011 by and among the Company, the Guarantors and Wells Fargo Bank, National Association, as trustee (the *Trustee*).

The Notes will mature on February 1, 2019, and bear interest at a rate of 7.375% per annum, payable semi-annually in cash in arrears on February 1 and August 1 of each year, beginning on August 1, 2011. The Notes are senior unsecured obligations of the Company and will be guaranteed by each of the Guarantors.

The terms of the Indenture will, among other things, limit the ability of the Company and its restricted subsidiaries to (i) pay dividends, or make certain other restricted payments or investments; (ii) incur additional indebtedness and issue disqualified stock; (iii) create liens on its assets; (iv) transfer and sell assets; (v) merge, consolidate or sell all or substantially all of its assets; (vi) enter into certain transactions with affiliates; (vii) create restrictions on dividends or other payments by its restricted subsidiaries and (viii) create guarantees of indebtedness by restricted subsidiaries. These covenants are subject to a number of important limitations and exceptions that are described in the Indenture.

The Notes will be redeemable, in whole or in part, on any time on or after February 1, 2015, on the redemption dates and at the redemption prices specified in the Indenture, together with accrued and unpaid interest, if any. In addition, prior to February 1, 2014, the Company may redeem up to 35% of the

aggregate principal amount of the Notes with the net cash proceeds from one or more equity offerings at a redemption price equal to 107.375% of the principal amount thereof, together with accrued and unpaid interest, if any, to the redemption date. Prior to February 1, 2015, the Company may redeem the Notes, in whole or in part, at a redemption price equal to 100% of the principal amount of the Notes so redeemed, plus a make whole premium, together with accrued and unpaid interest, if any, to the redemption date.

Upon the occurrence of a change of control triggering event specified in the Indenture, the Company must offer to purchase the Notes at a redemption price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of purchase.

The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment, breach of covenants in the Indenture, payment defaults or acceleration of other indebtedness, a failure to pay certain judgments and certain events of bankruptcy and insolvency. If an event of default occurs and is continuing, the trustee or holders of at least 25% in principal amount of the outstanding Notes may declare the principal, accrued and unpaid interest, if any, on all the Notes to be due and payable. These events of default are subject to a number of important qualifications, limitations and exceptions that are described in the Indenture.

The foregoing description of the Indenture is a summary. The complete text of the Indenture is attached hereto as Exhibit 4.1 and incorporated herein by reference.

#### ***Registration Rights Agreement***

On January 28, 2011, in connection with the private placement of the Notes, the Company, the Guarantors and the initial purchasers of the Notes entered into a Registration Rights Agreement (the Registration Rights Agreement).
