Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On February 9, 2011, the Compensation Committee of the Board of Directors (the "Compensation Committee") of Ducommun Incorporated approved the 2011 Bonus Plan (the "Plan") in the form attached hereto as Exhibit 99.1. The Plan is an annual cash bonus plan under which a bonus pool is funded based on the Company's net income and cash flow relative to targets. Participants in the Plan are the chairman of the board, the chief executive officer, the other officers of the Company and six other key subsidiary officers. Bonus awards under the Plan range from zero to 180% of salary based on position. Bonus awards are subject to the approval of the Compensation Committee. Bonus awards are based on a combination of the Company's financial performance and the individual performance of the officers. The Compensation Committee, in its discretion, may award bonuses even if the Plan's financial targets are not achieved.

On February 9, 2011, the Compensation Committee awarded performance stock units to the executive officers of the Company in the following target amounts:

Name	Position	Target No. of Performance Stock Units
Joseph P. Bellino	Vice President and Chief Financial Officer	4,000
James S. Heiser	Vice President, General Counsel and Secretary	4,000
Michael G. Pollack	Vice President, Sales and Marketing	3,000
Anthony J. Reardon	President and Chief Executive Officer	10,000
Rose F. Rogers	Vice President, Human Resources	3,000
Samuel D. Williams	Vice President, Controller and Assistant Treasurer	3,000

The performance stock units generally vest at the end of the three-year performance period from January 1, 2011 to December 31, 2013 (the "Performance Period") in amounts from 0% to 200% of the target units depending on the Company's performance relative to two performance metrics during the Performance Period. The performance metrics, which are equally weighted, are: (i) the cumulative diluted earnings per share of the Company during the Performance Period (subject to certain adjustments), and (ii) the relative total shareholder return of the Company's common stock compared to the SPADE Defense Index during the Performance Period. Upon vesting, one share of common stock of the Company will be issued for each vested performance stock unit. In the event that a change in control (as defined in the performance stock unit agreements) of the Company occurs, the target performance stock units will be deemed to have become fully vested immediately prior to the consummation of the change in control, provided, however, that the Compensation Committee of the Board of Directors may, in its discretion, increase (but not decrease) the number of performance stock units that are deemed to vest in the event of a change in control up to a maximum of 200% of the target performance stock units.

On February 9, 2011, the Compensation Committee awarded restricted stock units to the executive officers of the Company in the following amounts:

Name	Position	No. of Restricted Stock Units
Joseph P. Bellino	Vice President and Chief Financial Officer	2,000
James S. Heiser	Vice President, General Counsel and Secretary	2,000
Michael G. Pollack	Vice President, Sales and Marketing	1,500
Anthony J. Reardon	President and Chief Executive Officer	5,000
Rose F. Rogers	Vice President, Human Resources	1,500
Samuel D. Williams	Vice President, Controller and Assistant Treasurer	1,500

The restricted stock units generally vest one-third on each anniversary date of the grant so that they are fully vested on February 9, 2014. The restricted stock units also vest in the event of a change in control of the Company (as defined in the restricted stock unit agreements), or the death or permanent disability (as defined in the restricted stock unit agreements) of the executive officer.
