Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On April 21, 2011, AsiaInfo-Linkage, Inc. (the Company) held an annual meeting of its stockholders (the Annual Meeting). At the Annual Meeting, the Company's stockholders approved and adopted the Company's 2011 Stock Incentive Plan (the 2011 Plan). The 2011 Plan provides a means whereby employees, directors, officers, consultants, advisors and independent contractors of the Company may be granted restricted stock awards, performance stock awards, stock options, or other types of equity incentives. Subject to certain adjustments, the number of shares of Common Stock available for issuance under the 2011 Plan is 7,501,752 shares, plus any shares that are available for grant under the Company's 2008 Stock Incentive Plan (the Prior Plan), or would again become available for grant under the Prior Plan, in accordance with its terms.

The Compensation Committee of the Company's Board of Directors is the plan administrator of the 2011 Plan and has discretion over whether and to whom awards will be granted. Subject to the terms of the 2011 Plan and certain limitations on the exercise of its discretions required by Section 162(m) of the Internal Revenue Code, the plan administrator will determine the terms and conditions of awards granted under the 2011 Plan, including the vesting of restricted stock awards and the exercise price of any options granted under the 2011 Plan. The plan administrator must establish an exercise price for options, including incentive stock options, that is not less than the fair market value per share at the date of grant. Outstanding options having exercise prices greater than the then fair market value of a share of common stock may not be repriced, whether through amendment of the outstanding option or through cancellation and issuance of a substitute option, without stockholder approval. The 2011 Plan does not have a fixed expiration date. However, no option shall be exercisable after the expiration of ten years from the grant date of the option and the term of an ISO shall not exceed ten years.

The above description of the 2011 Plan does not purport to be complete and is qualified in its entirety by reference to the complete text of the 2011 Plan, which was attached as Annex I to the Company's Definitive Proxy Statement on Schedule 14A, filed with the Securities and Exchange Commission on February 28, 2011 (the 2011 Proxy Statement), and is incorporated by reference herein.
