REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors

Independence Realty Trust, Inc.

We have audited the accompanying statements of revenue and certain expenses (the Historical Summary) of a property commonly referred to as Centrepont Apartments (the Property) for the year ended December 31, 2010. This Historical Summary is the responsibility of the Property's management. Our responsibility is to express an opinion on the Historical Summary based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, as established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the Historical Summary, assessing the accounting principles used, and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1 to the Historical Summary, the accompanying Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and is not intended to be a complete presentation of the Property's revenue and expenses.

In our opinion, the Historical Summary referred to above presents fairly, in all material respects, the revenue and certain expenses for the year ended December 31, 2010 of the Property on the basis of accounting described in Note 1 to the Historical Summary.

NOTES TO STATEMENTS OF REVENUE AND CERTAIN EXPENSES

For the Nine Month Periods Ended September 30, 2011 and 2010 and

for the Year Ended December 31, 2010

NOTE 1: ORGANIZATION AND BASIS OF PRESENTATION

The accompanying statements of revenue and certain expenses (the Historical Summary) include the revenue and certain expenses of the following property (hereinafter referred to as the Property):

Property Name	Type	Units	Location	Date Acquired (1)
Centrepoint Apartments	Multi family	320	Tucson, AZ	July 23, 2010

(1) The Property was acquired by RAIT Financial Trust (RAIT) pursuant to a UCC sale as holder of the first mortgage on the Property. On December 16, 2011 a definitive agreement was entered into for the contribution of the Property to Independence Realty Trust, Inc. (IRT) for a purchase price equal to \$29.5 million.

The Historical Summary has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (SEC), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The Historical Summary includes the historical revenue and certain operating expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and the Historical Summary is not intended to be a complete presentation of the Property's revenue and expenses. Items excluded consist of interest on mortgages and depreciation for the property.

The Historical Summary presents the revenue and certain expenses of the Property during RAIT's ownership period and may not be comparable to future periods. Management is not aware of any material factors relating to the Property other than those already described above that would cause the reported financial information not to be necessarily indicative of future operating results. In the opinion of Management, all adjustments, consisting only of normal recurring adjustments, necessary to present fairly the interim periods results of operations are included. The results of operations for the interim periods presented are not necessarily indicative of the results for the full year.

In the preparation of the accompanying Historical Summary, subsequent events were evaluated through January 4, 2012, the date the financial statements were available to be issued.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Revenue Recognition

Rental income attributable to residential leases is recorded when due from residents, generally upon the first day of the month. Leases are for periods of up to one year, with rental payments due monthly. Other income results from fees for late payments, cleaning, damages, storage, parking, and laundry facilities and is recorded when earned.

b. Property Management Fees

The Property is managed by Jupiter Communities LLC (the Management Company) during RAIT's ownership period. The Management Company receives fees of 3% of the monthly gross receipts, or gross revenue as defined, of the Property. The Management Company also receives asset management fees in the amount of 5% of construction costs for projects in excess of certain thresholds. For the nine month periods ended September 30, 2011 and 2010, property and construction management fees were \$64,554 and \$57,954, respectively (unaudited). For the year ended December 31, 2010, property and construction management fees were \$76,899.

c. Bad Debt Expense

The Property recognizes bad debt expense for uncollectible receivables. Management's estimate of bad debt expense is based on expected and inherent risks of collectability for receivables from tenants. For the nine month periods ended September 30, 2011 and 2010, bad debt expenses were \$(8,110) and \$1,499, respectively (unaudited). For the year ended December 31, 2010, bad debt expenses were \$2,611.

d. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported periods. Actual results could differ from those estimates.

NOTE 3: MORTGAGE DEBT

The Property is encumbered by a first mortgage held by RAIT. A summary of the mortgage, as of September 30, 2011 and as of December 31, 2010, is as follows:

Property	Outstanding Principal	Current Interest Rate	Maturity Date	Interest Terms
Centrepont Apartments	\$ 29,150,000	5.00%	March 8, 2020	Floating rate; interest only is payable monthly at a rate of 400 basis points over LIBOR, subject to a 5.00% floor.

NOTE 4: COMMITMENTS AND CONTINGENCIES

Litigation

The Property may be subject to various claims and legal proceedings that arise in the ordinary course of its business activities. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the financial condition or results of operations of the Property.

PRO FORMA CONSOLIDATED FINANCIAL INFORMATION

AS OF SEPTEMBER 30, 2011

The following sets forth our unaudited pro forma consolidated balance sheet as of September 30, 2011 and our unaudited pro forma consolidated statements of income for the nine month period ended September 30, 2011 and for the year ended December 31, 2010. The unaudited pro forma consolidated balance sheet is presented as if we acquired Centrepoint Apartments (the Property) as of September 30, 2011 for balance sheet purposes and as of the beginning of the respective periods for income statement purposes.

Although pro forma financial information is not a measurement of performance, we believe that pro forma financial information is important because it gives effect to the acquisition of the Property as if it had become effective at the beginning of the period presented. The manner in which we calculate pro forma financial information may differ from similarly titled measures reported by other companies.

The unaudited pro forma consolidated financial statements included in this registration statement are presented for informational purposes only. This information includes various estimates and may not necessarily be indicative of the financial condition or results of operations that would have occurred if the acquisition of the Property had been completed on the date or at the beginning of the period indicated or which may be obtained in the future. The unaudited pro forma consolidated balance sheet and income statements and accompanying notes should be read in conjunction with our historical consolidated financial statements included in our registration statement on Form S-11, which was declared effective by the Securities and Exchange Commission (SEC) on June 10, 2011.

The statements contained in this filing may include forward-looking statements within the meaning of the U.S. federal securities laws. Although we believe that the expectations reflected in such forward-looking statements are based on reasonable assumptions, it can give no assurance that our expectations will be achieved. As forward-looking statements, these statements involve risks and uncertainties that could cause actual results to differ materially from the expected results. These risks and uncertainties include, but are not limited to, uncertainties affecting real estate businesses generally, risks relating to acquisition activities and risks relating to leasing and re-leasing activities.

NOTES TO UNAUDITED PRO FORMA FINANCIAL INFORMATION

(Dollars in thousands, except per share and unit data)

The following notes discuss the pro forma adjustments to our unaudited pro forma consolidated balance sheet as of September 30, 2011 associated with our acquisition of the Property.

- (A) Represents our historical consolidated financial information as previously filed on Form 10-Q as of September 30, 2011.
- (B) Represents the historical cost basis of the Property as of September 30, 2011. The acquisition of properties from RAIT Financial Trust (the sponsor) will be recorded at our sponsor's historical cost as our sponsor owns all of our outstanding common shares and all of our operating partnership's limited partnership units.

The following table summarizes our sponsor's historical cost of the Property as of September 30, 2011:

	Historical Cost
Land	\$ 5,620
Building	22,480
Furniture, fixtures and equipment	230
Total investment in real estate	28,330
Accumulated depreciation	(883)
Investments in real estate, net	\$ 27,447

- (C) Represents the net cash effect from our acquisition of the Property from our sponsor. In connection with the acquisition, we issued 38,200 additional limited partnership units to a subsidiary of our sponsor in exchange for \$382 in cash. Upon closing of the acquisition, we used \$58 in cash to fund required escrows, costs to complete the acquisition and related financing totaling \$252, funded prepaid expenses totaling \$205, and we received net proration items for rent and operating expenses totaling \$133. Of the costs we incurred, \$68 will be expensed as acquisition expenses and \$184 will be capitalized as deferred financing costs in accordance with accounting principles generally accepted in the United States. In connection with the acquisition of Crestmont Apartments, Cumberland Glen Apartments, Copper Mill Apartments, Heritage Trace Apartments, Belle Creek Apartments, and Tresa at Arrowhead (the Initial Portfolio), initially acquired on April 29, 2011, we incurred \$667 in costs to complete the acquisition and financing, which \$404 was expensed as acquisition expenses and \$263 was capitalized as deferred financing costs in accordance with accounting principles generally accepted in the United States.
- (D) In connection with the acquisition of the Property, a subsidiary of our operating partnership obtained a mortgage note payable of \$17,600,000 from a third party lender. The mortgage has a maturity of January 2019 and an interest rate of 3.71%.
- (E) In consideration for contributing the property to us, our sponsor received cash and limited partnership interests in our operating partnership based on the difference between the agreed-upon contribution value of the Property, including any escrows received, liabilities assumed, and closing items charged to earnings at settlement. This computation is as follows:

Contribution value	\$ 29,500
--------------------	-----------

Edgar Filing: INDEPENDENCE REALTY TRUST, INC - Form 8-K/A

Less: Cash received	(17,600)
Value of Limited Partnership Units issued	\$ 11,900
Per unit value	\$ 10.00
Number of Limited Partnership Units issued	1,190,000

Edgar Filing: INDEPENDENCE REALTY TRUST, INC - Form 8-K/A

The issuance of limited partnership units will be treated as non-controlling interests in our consolidated financial statements equal to the value of the units issued. However, as the acquisition of the Property will be accounted for at our sponsor's historical cost, the value of the 1,190,000 limited partnership units issued to our sponsor will be less than the value determined in the preceding table because the carrying amount of the Property by our sponsor is less than the contribution value indicated above.

The adjustment to our non-controlling interest as a result of the acquisition of the Property can be calculated as follows:

Limited partner units issued for the Property	\$ 11,900
Limited partner units issued for cash	382
Difference between contribution value and carry-over basis:	
Carrying value of the Property by our sponsor	\$ 27,447
Contribution value	29,500
Difference	(2,053)
Closing items that are charged to earnings at closing (see (c) above):	
Acquisition expenses	\$ (68)
Revenue and expense pro-rations at closing	133
Net closing items	65
Pro forma Adjustment to non-controlling interest from the contribution of the Property	\$ 10,294

The following notes discuss the pro forma adjustments to our unaudited pro forma consolidated statements of income for the nine month period ended September 30, 2011 and for the year ended December 31, 2010 associated with our acquisition of the Property.

(F) Represents our historical consolidated financial information as previously filed on Form 10-Q for the nine month period ended September 30, 2011.

(G) Reflects the operations and pro forma adjustments of the Initial Portfolio, for the period from January 1, 2011 through the acquisition date of April 29, 2011. The Initial Portfolio results of operations for the three month period ended March 31, 2011 and pro forma adjustments are based upon our registration statement on Form S-11, which was declared effective by the SEC on June 10, 2011. The calculation is as follows:

	Initial Portfolio for the three month period ended March 31, 2011	Initial Portfolio for the period April 1, 2011 through April 28, 2011	Initial Portfolio from January 1, 2011 to April 28, 2011

Total revenue	3,098	964	4,062
EXPENSES:			
Property operating expenses	1,673	521	2,194

Edgar Filing: INDEPENDENCE REALTY TRUST, INC - Form 8-K/A

- (H) Reflects the operations of the Property for the nine month period ended September 30, 2011 as presented in Item 9(a) of this Current Report on Form 8-K/A.
- (I) Reflects asset management fees payable to our advisor as a result of the acquisition of the Property. Generally, asset management fees are payable to our advisor based at a rate of 0.75% of our average assets. As part of the acquisition of the Initial Portfolio on April 29, 2011, our Advisor agreed to waive any asset management fees on the Initial Portfolio for the first two years of our ownership. As part of the acquisition of the Property, our advisor did not waive the related asset management fees and as such, asset management fees of approximately \$206 is due annually based on assets of the Property of \$27,445.
- (J) Reflects the estimated depreciation expense on the Property and the Initial Portfolio based on a 40 year useful life for buildings and a 5 year useful life for furniture, fixtures and equipment.
- (K) Reflects interest expense on the mortgage notes payable assumed in the acquisitions of the Initial Portfolio and the mortgage note payable obtained in the acquisition of the Property as follows for the nine months ended September 30, 2011:

			Pro Forma Adjustments	
			For the Nine- Month Period Ended September 30, 2011	For the Year Ended December 31, 2010

Total/Weighted Average	\$ 82,175	3.79%	\$ 1,302	\$ 3,115

- (1) The Initial Portfolio was acquired on April 29, 2011. As such, interest expense from April 29, 2011 through September 30, 2011 is included in our historical operating results. The pro forma interest expense adjustment, therefore, represents the period from January 1, 2011 to April 29, 2011.
- (L) Represents the allocation of our net income to non-controlling interests, or limited partnership units of our operating partnership. This adjustment is computed by summing the operations of the Property as well as all adjustments contemplated above and multiplying the result by the percentage of our operating partnership owned by others. Our sponsor owns 99.62% of our operating partnership units after the contribution of the Property.
- (M) Represents our historical consolidated financial information as previously filed on Form 10-K as of and for the year ended December 31, 2010.
