Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Amended and Restated Investors Rights Agreement

The Reporting Persons and certain other stockholders (collectively, the *Holder*s) of the Issuer have entered into the Fifth Amended and Restated Investors Rights Agreement dated March 26, 2010 (the *Investors Rights Agreement*) with the Issuer. Subject to the terms of the Investors Rights Agreement, holders of shares having registration rights (*Registrable Securities*) can demand that the Issuer file a registration statement or request that their shares be covered by a registration statement that the Issuer is otherwise filing.

Demand Registration Rights

Beginning 180 days after the completion of the Issuer's IPO, the holders of at least 30% of the outstanding Registrable Securities can, on not more than two occasions, request that the Issuer file a registration statement under the Securities Act in order to register all or any part of the Registrable Securities, subject to certain conditions and limitations. The aggregate Registrable Securities requested to be registered pursuant to such request must represent at least 30% of the Registrable Securities then outstanding and must have an anticipated aggregate public offering price, net of underwriting discounts and commissions, of at least five million dollars.

If the Issuer's board of directors believes in good faith that it would be seriously detrimental to the Issuer and its stockholders to proceed with a registration at the time the demand is made, the Issuer may delay the registration once in any 12-month period for a period not to exceed 90 days. Also, if the holders of Registrable Securities requesting registration request that the shares be offered for distribution through an underwriting, the Issuer may reduce the number of Registrable Securities to be registered upon the advice of the underwriters for the offering. If shares of the Issuer's stock requested to be included in a registration must be excluded pursuant to the underwriters' advice, the Issuer will generally register a pro rata portion of the shares requested to be registered.

Piggyback Registration Rights

Subject to certain limitations, the Holders have unlimited rights to request that their Registrable Securities be included in any registration of our common stock that the Issuer initiates. However, the Holders have no registration rights with respect to registrations relating solely to employee benefit plans or registrations on certain registration statement forms.

Form S-3 Registration Rights

After the Issuer has qualified for registration on Form S-3, any Holder may request in writing that the Issuer effect registration of its shares on Form S-3, provided that the offering proceeds of the shares proposed to be registered on behalf of such Holder, net of underwriting discounts and commissions, in each registration is at least \$3,000,000.

If the Issuer's board of directors believes in good faith that it would be seriously detrimental to the Issuer and its stockholders to proceed with an S-3 registration at the time the demand is made, the Issuer may delay the registration once in any 12-month period for a period not to exceed 90 days. In addition, the Issuer is not required to make any registration on Form S-3 under the Investors Rights Agreement if the Issuer has effected another registration pursuant to the Form S-3 registration rights on behalf of the Holders within 12 months prior to the request.

Transferability

The registration rights are generally transferable to any transferee of a Holder who acquires at least 250,000 shares of Registrable Securities from the transferor.

CUSIP No. 374396109

Registration Expenses

Generally, the Issuer is required to bear all registration and selling expenses incurred in connection with the demand, piggyback and Form S-3 registrations described above, other than underwriting discounts and commissions. The Issuer is also required to bear the reasonable fees and expenses, not to exceed \$30,000, of one counsel for the selling stockholders in each registration.

Expiration of Registration Rights

The registration rights described above will generally expire seven years after completion of the Issuer's IPO.

The foregoing description is qualified in its entirety by reference to the Investors' Rights Agreement, a copy of which is filed as an exhibit hereto as Exhibit 99.2 and is incorporated herein by reference.

Other than as described in this Statement, to the best of the Reporting Persons' knowledge, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer.

Item 7. Material to be Filed as Exhibits.

The following documents are filed as Exhibits to this statement:

Exhibit Number	Exhibit Description
99.1	Joint Filing Agreement.
99.2	Fifth Amended and Restated Investors' Rights Agreement, dated March 26, 2011, among the Issuer, the California Institute of Technology and certain of the Issuer's investors listed therein (Incorporated by reference to Exhibit 4.2 of the Issuer's Registration Statement on Form S-1 (File No. 333-168792), filed with the Securities and Exchange Commission (the " <u>SEC</u> ") on August 12, 2010).
