On March 8, 2012, Robert P. King, Executive Vice President - Business Advancement and Support Services of CONSOL Energy Inc. (the Company), announced that he was terminating his employment with the Company. The effective date of his termination of employment is March 16, 2012.

Pursuant to the terms of a separation agreement between Mr. King and the Company, in consideration of certain covenants from Mr. King, including a release of claims, a confidentiality provision and a non-solicitation provision, the Company has agreed that the provisions applicable to a reduction in force included in the various equity award agreements relating to Mr. King's outstanding options, restricted stock units and performance share units will be applied to Mr. King's unvested equity awards. These provisions generally (subject to the other terms and conditions of the applicable equity award agreements) have the following effect: (i) with respect to performance share unit awards, such awards are retained and paid, to the extent earned as determined at the end of the applicable performance period and the terms of the program documents; (ii) with respect to option awards, the unvested portion of such awards will continue to vest in accordance with the applicable award's vesting schedule and, once vested, remain exercisable until the expiration of such option's term, and (iii) with respect to restricted stock unit awards, the unvested portion of such awards accelerates and vests.

As of March 8, 2012, Mr. King held unvested options to purchase 55,778 shares of the Company's common stock, 8,975 unvested restricted stock units and 12,007 performance share units that have not yet been earned.
