Item 1.01 Entry into a Material Definitive Agreement.

Revolving Credit Facility of D.E MASTER BLENDEERS 1753 B.V.

On May 22, 2012, D.E MASTER BLENDEERS 1753 B.V. (DutchCo), a wholly owned subsidiary of Sara Lee Corporation (the Company), entered into a senior unsecured five-year revolving credit facility agreement (the DutchCo Revolving Facility Agreement) by and among Coöperatieve Centrale Raiffeisen-Boerenleenbank B.A. and Deutsche Bank AG, London Branch, as coordinators, Coöperatieve Centrale Raiffeisen-Boerenleenbank B.A., Deutsche Bank AG, London Branch, ING Bank N.V., J.P. Morgan Limited, Lloyds TSB Bank PLC, and The Royal Bank of Scotland N.V., as bookrunning mandated lead arrangers, Bank of Tokyo-Mitsubishi UFJ (Holland) N.V., National Australia Bank Limited and Goldman Sachs Bank USA, as mandated lead arrangers, Danske Bank A/S, as lead arranger, and Deutsche Bank Luxembourg S.A., as facility agent. The DutchCo Revolving Facility Agreement provides for a single facility with a borrowing capacity of 750 million (the DutchCo Revolving Facility).

The DutchCo Revolving Facility is being made available for general corporate purposes, but may not be used for refinancing any bridge financing related to the anticipated separation from the Company of DutchCo, DE US, Inc. (CoffeeCo), and certain other subsidiaries of the Company (the Separation) or backstopping any financial markets issuing program. Loans may be drawn from the date of the Separation until February 22, 2017, provided certain conditions precedent are met, which include the completion of the Separation and repayment of the related bridge financing in full. The term for each loan under the DutchCo Revolving Facility Agreement will be three or six months or any other period agreed by DutchCo and all the lenders party to the DutchCo Revolving Facility Agreement.

Interest on each loan under the DutchCo Revolving Facility is equal to the sum of (1) a margin ranging from 0.60% per annum to 1.05% per annum depending first on whether DutchCo has a credit rating and, upon DutchCo receiving a credit rating, the level of DutchCo s credit rating (the Margin), (2) the percentage rate per annum determined by the Banking Federation of the European Union, and (3) certain mandatory costs calculated in accordance with the terms of the DutchCo Revolving Facility Agreement. The DutchCo Revolving Facility is subject to a commitment fee equal to 35.00% of the Margin on undrawn commitments, and a utilization fee on outstanding loans, ranging from 0.125% per annum to 0.50% per annum depending on the amount of the DutchCo Revolving Facility outstanding on each day. Interest must be paid at the end of the term of each loan, unless the term is more than six months, in which case interest must be paid at six month intervals after the first day of the term.

The DutchCo Revolving Facility Agreement is unsecured and ranks, and will continue to rank, equally with any other senior unsecured indebtedness of DutchCo. The Company does not guarantee the obligations under the DutchCo Revolving Facility Agreement, but DE US, Inc., a wholly owned subsidiary of the Company, is presently the sole guarantor under the DutchCo Revolving Facility Agreement. Subject to certain conditions, other wholly owned subsidiaries of DutchCo can become guarantors, either at the request of DutchCo, or as required to maintain the ranking of the debt under the DutchCo Revolving Facility. Each guarantor guarantees the punctual performance of all of DutchCo s obligations under the DutchCo Revolving Facility Agreement and related finance documents.

Voluntary prepayments of loans and voluntary cancellation of undrawn commitments are permitted in whole or in part, at any time and without penalty, subject to certain conditions. Prepayment and cancellation are mandatory if it becomes unlawful for a lender to perform its obligations under the DutchCo Revolving Facility Agreement or any other finance document and that lender so requests, or if there is a change of control of DutchCo and a lender so requests.

The DutchCo Revolving Facility Agreement contains affirmative and negative covenants in relation to the following: financial reporting; informational reporting; maintenance of authorizations; compliance with laws and regulations; maintenance of pari passu ranking; insurance; maintaining a maximum debt to adjusted EBITDA ratio; financial indebtedness; limitations on liens; limitations on subsidiary indebtedness; limitations on disposals of assets; limitations on changing of business lines; and limitations on corporate changes.

The DutchCo Revolving Facility Agreement contains representations and warranties on the following matters: status; power and authority; validity of finance documents; no conflict; no default; authorizations; accuracy of financial statements; no material adverse change; no litigation; accuracy of information package; taxes; stamp duty; immunity; center of main interest; pari passu ranking; submission to jurisdiction; ERISA; and certain U.S. investment legislation.

The DutchCo Revolving Facility Agreement contains the following events of default: non-payment; breach of financial covenant; breach of other obligations; misrepresentation; cross-default; insolvency; creditors' process; unlawfulness; repudiation of financing document; ceasing to carry on business; invalidity of finance document; a guarantor ceasing to be a subsidiary of DutchCo following the Separation; and material adverse effect. Upon an event of default, the Company Revolving Facility terminates and all loans and all other amounts payable thereunder become immediately payable.

The description set forth above is qualified in its entirety by the DutchCo Revolving Facility Agreement, which is incorporated herein by reference and is filed herewith as Exhibit 10.1.

On May 24, 2012, the Company entered into a senior unsecured five-year revolving credit facility agreement (the "Company Revolving Facility Agreement") by and among the lenders thereto, Bank of America, N.A., as administrative agent, JPMorgan Chase Bank, N.A., as syndication agent, Wells Fargo Bank, N.A., and U.S. Bank, N.A., as co-documentation agents, and Goldman Sachs Bank USA, Lloyds Securities Inc., Morgan Stanley Bank, N.A., Coöperatieve Centrale Raiffeisen-Boerenleenbank B.A., Rabobank Nederland, New York Branch, RBS Citizens, N.A., Royal Bank of Canada, and The Bank of Tokyo-Mitsubishi UFJ, Ltd., as co-agents. The Company Revolving Facility Agreement provides for a single facility

with a borrowing capacity of \$750 million (the Company Revolving Facility), which includes swingline loans up to an aggregate maximum of \$75 million and letters of credit up to an aggregate maximum of \$100 million. The Company Revolving Facility also contains an expansion feature where the Company can request to increase the Company Revolving Facility by an aggregate amount of up to \$300 million, without the consent of the lenders not participating in such increase.

The Company Revolving Facility is being made available for general corporate purposes. Loans may be drawn from the date of the Separation, provided certain conditions precedent are met, which include the completion of the Separation. The Company Revolving Facility will remain available until the earlier of (1) five years after the completion of the conditions precedent, or (2) August 15, 2012, if the conditions precedent have not been met by such date.

Interest on each alternate base rate (ABR) loan under the Company Revolving Facility is equal to the sum of (1) a margin ranging from 0.00% per annum to 0.50% per annum depending upon the level of the Company's credit rating and (2) the ABR, equal to the highest of (i) the prime rate of Bank of America, N.A., (ii) the Federal Funds Effective Rate plus 0.50% per annum, or (iii) LIBOR for a one month interest period plus 1.00% per annum. Interest on swingline loans is equal to the ABR. Interest on Eurodollar loans under the Company Revolving Facility is equal to the sum of (1) LIBOR and (2) a margin ranging from 1.00% per annum to 1.50% per annum depending upon the level of the Company's credit rating. Letters of credit are subject to a fee ranging from 1.00% per annum to 1.50% per annum depending upon the level of the Company's credit rating. The Company Revolving Facility is subject to a facility fee ranging from 0.10% per annum to 0.25% per annum of the aggregate used and unused amount of the Company Revolving Facility, depending upon the level of the Company's credit rating.

The term for each Eurodollar loan will be one, two, three or six (or nine or twelve, if available to all lenders) months. Interest must be paid at the end of each quarter for ABR loans and monthly for Eurodollar loans.

The Company Revolving Facility Agreement is unsecured and ranks equally with any other senior unsecured indebtedness of the Company.

Voluntary prepayments of ABR loans and voluntary cancellation of undrawn commitments are permitted in whole or in part, at any time and without penalty, subject to certain conditions. Prepayments during LIBOR interest periods will be subject to breakage costs.

The Company Revolving Facility Agreement contains affirmative and negative covenants in relation to the following: financial reporting; informational reporting; maintenance of books and records; payment of taxes and other obligations; insurance; maintaining a maximum debt to adjusted EBITDA ratio; maintaining a maximum ratio of EBIT to consolidated net interest expense; limitations on liens; limitations on subsidiary indebtedness; limitations on disposals of assets; limitations on changing of business lines; and limitations on corporate changes.

The Company Revolving Facility Agreement contains representations and warranties on the following matters: valid organization; power and authority; validity of finance documents; no conflict; no default; accuracy of financial statements; no material adverse change; no litigation; accuracy of information package; taxes; pari passu ranking; ERISA; and certain U.S. investment legislation.

The Company Revolving Facility Agreement contains the following events of default: non-payment; material inaccuracy of representations and warranties; breach of covenants; non-compliance with the terms of the Company Revolving Facility Agreement; cross-default; bankruptcy; certain ERISA events; aggregate judgments in excess of \$75 million; or change of control. Upon a bankruptcy or insolvency event of default, the Company Revolving Facility terminates and all loans and all other amounts payable thereunder become immediately payable. Upon any other event of default, the administrative agent, Bank of America, N.A., may declare the Company Revolving Facility terminated and all loans and all other amounts payable thereunder immediately payable.

The description set forth above is qualified in its entirety by the Company Revolving Facility Agreement, which is incorporated herein by reference and is filed herewith as Exhibit 10.2.
