Item 1.01 Entry into a Material Definitive Agreement.

On May 26, 2012, Colfax Corporation (Colfax) entered into a Share Purchase Agreement (the Agreement) with Inversiones Breca S.A. (Inversiones Breca), pursuant to which Colfax will acquire an approximately 91% interest in Soldex S.A. (Soldex), a corporation organized under the laws of Peru that supplies welding products from its plants located in Peru and Colombia. The transaction values Soldex at \$235 million, including the assumption of debt. Colfax s 91% interest will consist of 147,005,547 Soldex common shares and 55,810,902 Soldex investment shares. The purchase price of \$183,351,461 for the 91% interest in Soldex is subject to adjustment based upon changes in Soldex s net equity, defined as the difference between total assets and total liabilities, between February 29, 2012 and the date of the closing of the transactions contemplated by the Agreement.

The obligation of the parties to consummate the transactions contemplated by the Agreement is subject to certain conditions, including the accuracy of the other party s representations and warranties (subject to certain materiality qualifications) and compliance by the other party with its covenants under the Agreement. Inversiones Breca s obligation to consummate the transactions is also subject to Colfax obtaining the approval of the Superintendencia de Industria y Comercio (the SIC) of the Republic of Colombia, which is the primary antitrust regulator of Colombia, to indirectly acquire two Soldex subsidiaries that are located in Colombia.

The Agreement provides that the closing of the transactions will take place on the last day of the month in which the SIC s approval is received or, if such approval is received within the last five business days of a month, on the last day of the following month. After the closing of the transactions, Colfax will commence a tender offer under Peruvian law for all voting shares held by Soldex s minority shareholders.

The foregoing description of the Agreement is qualified in its entirety by reference to the full text of the Agreement, which is attached as Exhibit 2.1 to this report.
