PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON OCTOBER 31, 2012

INFORMATION CONCERNING SOLICITATION AND VOTING

The Board of Directors of Cardiovascular Systems, Inc. (the Company) is soliciting your proxy to vote at the Annual Meeting of Stockholders (the Annual Meeting) to be held at the Company's offices, located at 651 Campus Drive, St. Paul, Minnesota 55112, on Wednesday, October 31, 2012, at 10:00 a.m. (Central Time), including at any adjournments or postponements of the Annual Meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card if you received paper copies of the proxy materials, or follow the instructions below to submit your proxy over the telephone or the Internet.

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the SEC), we have elected to provide our beneficial owners and stockholders of record access to our proxy materials over the Internet. Beneficial owners are stockholders whose shares are held in the name of a broker, bank or other agent (i.e., in street name). Accordingly, a Notice of Internet Availability of Proxy Materials (the Notice) will be mailed on or about September 19, 2012 to our beneficial owners and stockholders of record who owned our common stock at the close of business on September 4, 2012. Beneficial owners and stockholders of record will have the ability to access the proxy materials on a website referred to in the Notice or request a printed set of the proxy materials be sent to them by following the instructions in the Notice. Beneficial owners and stockholders of record who have previously requested to receive paper copies of our proxy materials will receive paper copies of the proxy materials instead of a Notice.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why did I receive in the mail a Notice of Internet Availability of Proxy Materials this year instead of a full set of proxy materials?

We are pleased to take advantage of the SEC rule that allows companies to furnish their proxy materials over the Internet. Accordingly, we have sent to our beneficial owners and stockholders of record a Notice of Internet Availability of Proxy Materials. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the Notice. Our stockholders may request to receive proxy materials in printed form by mail or electronically on an ongoing basis. A stockholder's election to receive proxy materials by mail or electronically by email will remain in effect until the stockholder terminates its election.

Why did I receive a full set of proxy materials in the mail instead of a Notice of Internet Availability of Proxy Materials?

We are providing paper copies of the proxy materials instead of a Notice to beneficial owners or stockholders of record who have previously requested to receive paper copies of our proxy materials. If you are a beneficial owner or stockholder of record who received a paper copy of the proxy materials, and you would like to reduce the environmental impact and the costs incurred by us in mailing proxy materials, you may elect to receive all future proxy materials electronically via email or the Internet.

Table of Contents

You can choose to receive our future proxy materials electronically by visiting <http://www.proxyvote.com>. Your choice to receive proxy materials electronically will remain in effect until you instruct us otherwise by following the instructions contained in your Notice and visiting <http://www.proxyvote.com>, sending an electronic mail message to sendmaterial@proxyvote.com, or calling 1-800-579-1639.

The SEC has enacted rules that permit us to make available to stockholders electronic versions of the proxy materials even if the stockholder has not previously elected to receive the materials in this manner. We have chosen this option in connection with the Annual Meeting with respect to both our beneficial owners and stockholders of record.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on September 4, 2012 will be entitled to vote at the Annual Meeting. On the record date, there were 20,439,908 shares of common stock of the Company outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If, on September 4, 2012, your shares were registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to vote your shares by completing, signing, dating and mailing your proxy card in the envelope provided, if you received paper copies of the proxy materials, or vote by proxy over the telephone or the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If, on September 4, 2012, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting; however, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are three matters scheduled for a vote:

Election of the following three nominees recommended by the Board of Directors to be Class I directors and to hold office until the fiscal 2015 Annual Meeting of Stockholders: Edward Brown, Augustine Lawlor and Scott Bartos.

Ratification of the selection by the Audit Committee of the Company's Board of Directors of PricewaterhouseCoopers LLP as independent auditors of the Company for its fiscal year ending June 30, 2013.

Approval, on an advisory basis, of the compensation paid to the Company's Named Executive Officers.

How do I vote?

You may either vote For all the nominees to the Board of Directors or you may Withhold your vote for any nominee you specify. For the ratification of the Audit Committee's selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2013,

Table of Contents

you may vote For or Against or abstain from voting. For the advisory vote on Named Executive Officer compensation, you may vote For or Against or abstain from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy using the enclosed proxy card (if you received paper copies of the proxy materials), vote by proxy over the telephone, or vote by proxy over the Internet. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive. If you would like directions to our offices, please call 877-CSI-0360.

If you received paper copies of the proxy materials, to vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. Please have available the 12-Digit Control Number from the enclosed proxy card, if you received one, or from your Notice. Your vote must be received by 11:59 p.m. Eastern Time (10:59 p.m. Central Time) on October 30, 2012, to be counted.

To vote over the Internet, go to <http://www.proxyvote.com> to complete an electronic proxy card. Please have available the 12-Digit Control Number from the enclosed proxy card, if you received one, or from your Notice. Your vote must be received by 11:59 p.m. Eastern Time (10:59 p.m. Central Time) on October 30, 2012, to be counted.

We are providing Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you may have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is submitted to your broker or bank. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of September 4, 2012. There is no cumulative voting for election of directors.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For the election of the nominees for director, For the ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent auditors for the fiscal year ending June 30, 2013,

Table of Contents

and For the advisory vote on Named Executive Officer compensation. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. Our directors and employees may solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted.

Are proxy materials available on the Internet?

This proxy statement and our fiscal 2012 Annual Report to Stockholders are available at <http://www.csi360proxy.com>.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of four ways:

You may submit another properly completed proxy card with a later date.

You may submit a new vote by telephone or Internet.

You may send a timely written notice that you are revoking your proxy to our Secretary at 651 Campus Drive, St. Paul, Minnesota 55112.

You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy. If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and Withhold votes and broker non-votes for director elections; For and Against votes and abstentions for auditor selection ratification; For and Against votes and abstentions and broker non-votes for the advisory vote on Named Executive Officer compensation.

Abstentions will be counted towards the vote total for each proposal, and will have the same effect as Against votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are broker non-votes ?

Broker non-votes occur when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed non-routine. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or

Table of Contents

nominee can still vote the shares with respect to matters that are considered to be routine, but not with respect to non-routine matters. Under the rules and interpretations of the New York Stock Exchange, the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm is currently considered a routine matter. The election of directors and advisory vote on Named Executive Officer compensation are currently considered non-routine matters under the rules of the New York Stock Exchange.

How many votes are needed to approve each proposal?

For Proposal 1, the election of Class I directors, who are elected by a plurality, the three nominees receiving the most For votes (from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors) will be elected. Only votes For or Withheld will affect the outcome.

To be approved, Proposal 2, ratification of the selection of PricewaterhouseCoopers LLP as our independent auditors for the fiscal year ending June 30, 2013, must receive a For vote from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote.

Proposal 3, regarding Named Executive Officer compensation, is an advisory vote, which means that the vote is not binding on the Company, our Board of Directors or the Human Resources and Compensation Committee of the Board of Directors. To the extent there is any significant vote against our Named Executive Officer compensation as disclosed in this proxy statement, the Human Resources and Compensation Committee will evaluate whether any actions are necessary to address the concerns of stockholders.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares are present at the meeting in person or represented by proxy. On the record date, there were 20,439,908 shares outstanding and entitled to vote. Thus, the holders of 10,219,955 shares must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy, or the chairman of the meeting, may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file within three business days of the meeting.

When are stockholder proposals due for the Fiscal 2013 Annual Meeting?

Any appropriate proposal submitted by a stockholder and intended to be presented at the fiscal 2013 Annual Meeting must be submitted in writing to our Secretary at 651 Campus Drive, St. Paul, Minnesota 55112, and received no later than May 22, 2013, to be includable in the Company's proxy statement and related proxy for the fiscal 2013 Annual Meeting. A stockholder proposal will need to comply with the SEC regulations under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act), regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Although our Board of Directors will consider stockholder proposals, we reserve the right to omit from our proxy statement, or to vote against, stockholder proposals that we are not required to include under the Exchange Act, including Rule 14a-8. Additionally, pursuant to the advance notice provisions of the Company's Bylaws, as authorized by applicable state law, in order for stockholders to present director nominations or other business at the fiscal 2013 Annual Meeting, a

Table of Contents

stockholder's notice of such nomination or other business must be received by our Secretary at the same address no earlier than the close of business on July 3, 2013, and no later than the close of business on August 2, 2013, and must be in a form that complies with the requirements set forth in the Company's Bylaws. You are advised to review the Company's Bylaws for these requirements.

EXPLANATORY NOTE

We were incorporated as Replidyne, Inc. in Delaware in 2000. On February 25, 2009, Replidyne, Inc. ("Replidyne") completed its business combination with Cardiovascular Systems, Inc., a Minnesota corporation ("CSI-MN"), in accordance with the terms of the Agreement and Plan of Merger and Reorganization, dated as of November 3, 2008, by and among Replidyne, Responder Merger Sub, Inc., a wholly-owned subsidiary of Replidyne ("Merger Sub"), and CSI-MN (the "Merger Agreement"). Pursuant to the Merger Agreement, Merger Sub merged with and into CSI-MN, with CSI-MN continuing after the merger as the surviving corporation and a wholly-owned subsidiary of Replidyne. At the effective time of the merger, Replidyne changed its name to Cardiovascular Systems, Inc. ("CSI") and CSI-MN changed its name to CSI Minnesota, Inc. Following the merger of Merger Sub with CSI-MN, CSI-MN merged with and into CSI, with CSI continuing after the merger as the surviving corporation. These transactions are referred to herein as the "merger." Immediately following the effective time of the merger, former CSI-MN stockholders owned approximately 80.2% of the outstanding common stock of CSI, and Replidyne stockholders owned approximately 19.8% of the outstanding common stock of CSI. Unless the context otherwise requires or as otherwise stated herein, all references herein to the "Company," "CSI," "we," "us" and "our" refer to CSI-MN prior to the completion of the merger and to CSI following the completion of the merger and the name change, and all references to "Replidyne" refer to Replidyne prior to the completion of the merger and the name change.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors is divided into three classes, with each class serving staggered three-year terms. Vacancies on the Board of Directors may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board of Directors to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is elected and qualified.

The term of office of the Class I directors expires at the Annual Meeting. The Governance/Nominating Committee recommended to the Board, and the Board has set the number of Class I directors at three and has nominated Edward Brown, Augustine Lawlor and Scott Bartos for election at the Annual Meeting. Messrs. Brown and Lawlor have been members of CSI's Board of Directors since 2009, and Mr. Bartos has never been a member of the Company's Board of Directors. If elected at the Annual Meeting, each of these nominees would serve until the fiscal 2015 annual meeting and until his successor is elected and has qualified, or, if sooner, until the director's death, resignation or removal.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors at the annual meeting at which a quorum is present. The three nominees receiving the most "For" votes (among votes properly cast in person or by proxy) will be elected. If no contrary indication is made, shares represented by executed proxies will be voted "For" the election of the three nominees named above or, if any nominee becomes unavailable for election as a result of an unexpected occurrence, "For" the election of a substitute nominee designated by our Board of Directors. Each nominee has agreed to serve as a director if elected, and we have no reason to believe that any nominee will be unable to serve.

Dr. Nelson has previously served in the past five years on the board of directors of The Travelers Companies, Inc., DexCom, Inc. and Angiotech Pharmaceuticals, Inc., all of which were publicly-held companies when Dr. Nelson was on their boards. INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under the Nasdaq Stock Market (Nasdaq) listing standards, a majority of the members of a listed company's Board of Directors must qualify as independent, as affirmatively determined by the Board of Directors. The Board of Directors consults with the Company's counsel to ensure that the Board of Directors' determinations are consistent with relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, nominee, or any of his or her family members, and the Company, its senior management and its independent registered public accounting firm, the Board of Directors, following the determination of the Governance/Nominating Committee, has affirmatively determined that the following directors and nominees are independent within the meaning of the applicable Nasdaq listing standards: Messrs. Blackey, Brown, Friedman, Bartos and Lawlor, Ms. Trigg and Dr. Nelson. In making this determination, the Board of Directors found that none of these directors or nominees for director had a material or other disqualifying relationship with the Company. Mr. Martin, the Company's President and Chief Executive Officer, is not an independent director by virtue of his employment with the Company.

BOARD LEADERSHIP STRUCTURE

We have separate individuals serving as Chairman of the Board and as President and Chief Executive Officer because we believe independent directors and management have different perspectives and roles in strategy development. The President and CEO is responsible for setting the strategic direction of the Company and managing the day-to-day leadership and performance of the Company, while the Chairman provides guidance to the President and CEO, sets the agenda for meetings of the Board and presides over meetings of the full Board. We believe this structure promotes active participation of the independent directors and strengthens the role of the Board in fulfilling its oversight responsibility and fiduciary duties to our stockholders while recognizing the day-to-day management direction of the Company by the President and CEO.

OVERSIGHT OF RISK MANAGEMENT

The Board has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each, and the Board receives regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal, regulatory, strategic and reputational risks. The Human Resources and Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. While the Human Resources and Compensation Committee addresses risk by setting compensation within the range of what the Company can manage and what is competitive, the Human Resources and Compensation Committee did not formally undertake a risk assessment. The Audit Committee oversees our internal controls and regularly assesses financial and accounting processes and risks. The Governance/Nominating Committee manages risks associated with the independence of the Board and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks and has overall risk management oversight responsibility.

CODE OF ETHICS AND BUSINESS CONDUCT

The Company has adopted the Cardiovascular Systems, Inc. Code of Ethics and Business Conduct that applies to all officers, directors and employees, which was last amended on February 6, 2012. DIRECTOR ATTENDANCE AT ANNUAL MEETINGS OF STOCKHOLDERS

Directors' attendance at annual meetings of our stockholders can provide stockholders with an opportunity to communicate with directors about issues affecting the Company. We encourage, but do not require, our directors and nominees for director to attend annual meetings of stockholders. All of our directors attended our last annual meeting of stockholders on October 25, 2011.

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors met five times during the fiscal year ended June 30, 2012. All directors attended at least 75% of the aggregate of the meetings of the Board of Directors and of the committees on which they served and which were held during the period for which they were directors or committee members. In addition, the directors often communicate informally to discuss the affairs of the Company and, when appropriate, take formal action by written consent, in accordance with the Company's charter and bylaws and Delaware law.

Audit Committee

The Audit Committee of the Board of Directors was established by the Board of Directors in accordance with Section 3(a)(58)(A) of the Exchange Act to oversee the Company's corporate accounting and financial reporting processes and audits of its financial statements. The Audit Committee of the Board of Directors is composed of Brent G. Blackey, Chair, Glen D. Nelson, M.D. and Augustine Lawlor. The Board of Directors has adopted an Audit Committee Charter, which was last amended on April 18, 2012 and is available on our website at <http://www.csi360.com> in the Investors section. The functions of this Audit Committee include, among other things:

communicating directly with the independent auditors, the financial and senior management, the internal auditing department, and the Board of Directors regarding the matters related to the committee's responsibilities and duties.

Our independent registered public accounting firm, outside legal counsel and management periodically meet privately with our Audit Committee.

Each Audit Committee member is a non-employee director of our Board. The Board of Directors reviews the Nasdaq listing standards definition of independence for Audit Committee members on an annual basis and has determined that all current members of the Company's Audit

Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards and Rule 10A-3(b)(1) under the Exchange Act).

Audit Committee Financial Expert

The Board has determined that Mr. Blackey is the audit committee financial expert, as defined in Item 407(d)(5)(ii) of Regulation S-K, as amended. As noted above, Mr. Blackey is independent within the meaning of Nasdaq's listing standards. A description of Mr. Blackey's experience is set forth above under Directors Continuing in Office Until the Fiscal 2013 Annual Meeting. The designation of Mr. Blackey as the audit committee financial expert does not impose on Mr. Blackey any duties, obligations or liability that are greater than the duties, obligations and liability imposed on Mr. Blackey as a member of the Audit Committee and the Board of Directors in the absence of such designation or identification.

Report of the Audit Committee of the Board of Directors

In accordance with its written charter, the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management and the independent auditors;
- (2) discussed with the independent auditors the material required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, with and without management present; and
- (3) received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and discussed with the independent accountant the independent accountant's independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2012, as filed with the Securities and Exchange Commission.

The Board of Directors has adopted a Human Resources and Compensation Committee Charter, which was last amended on September 5, 2012, and is available on our website at <http://www.csi360.com> in the Investors section. The functions of the Compensation Committee include, among other things:

overseeing the preparation and authorizing the filing of the Human Resources and Compensation Committee Report required to be included in the annual proxy statement.

In fiscal 2012, the Compensation Committee retained Lyons, Benenson & Company Inc. (LB&Co.), a third-party compensation consulting firm, to help the Compensation Committee determine competitive compensation levels for our executive officers, including base salary, incentive compensation, stock options and restricted stock awards. LB&Co. generated a report which contained a compensation survey of the most comparable publicly held medical device and pharmaceutical companies. LB&Co. performs no other work for the Company and receives no payment other than for its work on behalf of the Compensation Committee.

Our Chief Executive Officer may not be present during any Compensation Committee voting or deliberations with respect to his compensation. Our Chief Executive Officer may, however, be present during any other voting or deliberations regarding compensation of our other executive officers, but may not vote on such items of business. In fiscal 2012, the Compensation Committee met without the Chief Executive Officer present to review and determine the compensation of the Chief Executive Officer, with input from him and the Compensation Committee's third-party compensation consultant on his annual salary, equity award compensation and cash incentive compensation for the year. For all other executive officers in fiscal 2012, the Compensation Committee met with the Chief Executive Officer to consider and determine executive compensation, based on recommendations by the Chief Executive Officer and the Compensation Committee's third-party compensation consultant.

Compensation Committee Interlocks and Insider Participation

Governance/Nominating Committee

Our Governance/Nominating Committee consists of three directors: Mr. Brown, as the chairperson, and Dr. Nelson and Ms. Trigg. under the Exchange Act, and independent, as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards.

The Board of Directors has adopted a Governance/Nominating Committee Charter, which was last amended on February 25, 2009, and is available on our website at <http://www.csi360.com> in the Investors section. The functions of the Governance/Nominating Committee include, among other things:

developing, reviewing and revising as appropriate, for adoption by the Board, the Principles of Corporate Governance by which the Company and the Board shall be governed;

developing, reviewing and revising as appropriate, for adoption by the Board, the codes of ethical conduct and legal compliance by which the Company and its directors, officers, employees and agents will be governed;

developing and recommending to the Board policies and processes designed to provide for effective and efficient governance, including but not limited to: policies for evaluation of the Board and the chairperson; the director nomination process, including Board membership criteria, minimum qualifications for directors, and stockholder nomination of directors; stockholder-director communications; stockholder communication regarding stockholder proposals; director attendance at annual meetings; and succession planning for the Chief Executive Officer, the Board chairperson and other Board leaders;

annually reviewing the composition of the Board against a matrix of skills and characteristics focused on the governance and business needs and requirements of the Company, and reporting to the Board regarding suggested changes in Board composition which will guide the committee in the selection, recruitment and recommendation of directors;

meeting as necessary to consider the nomination and screening of Board member candidates and evaluating the performance of the Board and its members; and

overseeing organization, membership and evaluation of Board committees and committee members, and making appropriate recommendations to the Board with respect to such matters.

The Governance/Nominating Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Governance/Nominating Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. Candidates for director nominees are reviewed in the context of the current composition of the Board of Directors, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Governance/Nominating Committee considers diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board of Directors and the Company, to maintain a balance of knowledge, experience and capability. The Governance/Nominating Committee does not have a formal diversity policy and does not follow any ratio or formula with respect to diversity in order to determine the appropriate composition of the Board. In the case of incumbent directors whose terms of office are set to expire, the Governance/Nominating Committee reviews these directors overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair the directors' independence. In the case of new director candidates, the Governance/Nominating Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Governance/Nominating Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board of Directors. The Governance/Nominating Committee meets to discuss and consider the candidates' qualifications and then selects a nominee by majority vote.

Table of Contents

The Governance/Nominating Committee will consider director candidates recommended by stockholders. The Governance/Nominating Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. To nominate a director for the fiscal 2013 Annual Meeting, stockholders must submit such nomination in writing to our Secretary at 651 Campus Drive, St. Paul, Minnesota 55112 not later than the close of business on August 2, 2013, nor earlier than the close of business on July 3, 2013; provided, however, that in the event that the date of the fiscal 2013 annual meeting changes more than 30 days from October 31, 2013, the written proposal must be delivered not earlier than the close of business on the 120th day prior to the date of the fiscal 2013 Annual Meeting and not later than the close of business on the later of the 90th day prior to the date of the fiscal 2013 Annual Meeting or the 10th day following the day on which public announcement of the date of the fiscal 2013 Annual Meeting is first made by the Company. You are advised to review the Company's Bylaws for requirements relating to director nominees.

VOTE REQUIRED

The Board recommends that you vote **FOR** each of the nominees to the Board set forth in this Proposal 1. Under applicable Delaware law, the election of each nominee requires the affirmative vote by a plurality of the voting power of the shares present and entitled to vote on the election of directors at the Annual Meeting at which a quorum is present.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee has selected PricewaterhouseCoopers LLP as the Company's independent auditors for the fiscal year ending June 30, 2013, and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. PricewaterhouseCoopers LLP also served as the Company's independent auditors for the fiscal year ended June 30, 2012. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent auditors. However, the Audit Committee of the Board of Directors is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board of Directors in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of PricewaterhouseCoopers LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes.

In connection with the audit of the fiscal 2012 financial statements, the Company entered into an engagement agreement with PricewaterhouseCoopers LLP which sets forth the terms by which PricewaterhouseCoopers LLP will perform audit services for the Company.

PRE-APPROVAL POLICIES AND PROCEDURES

Pursuant to its written charter, the Audit Committee is required to pre-approve the audit and non-audit services performed by our independent auditors. The Audit Committee may not approve non-audit services prohibited by applicable regulations of the Securities and Exchange Commission if such services are to be provided contemporaneously while serving as independent auditors. The Audit Committee has delegated authority to the Chairman of the Audit Committee to approve the commencement of permissible non-audit related services to be performed by the independent auditors and the fees payable for such services, provided that the full Audit Committee subsequently ratifies and approves all such services. The Audit Committee has determined that the rendering of the services other than audit services by PricewaterhouseCoopers LLP is compatible with maintaining the principal accountant's independence.

VOTE REQUIRED

The Board recommends that you vote **FOR** the ratification of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2013. Ratification of PricewaterhouseCoopers LLP requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis describes the material elements of compensation awarded to each of the following executive officers (the Named Executive Officers) for fiscal 2012:

David L. Martin	President and Chief Executive Officer
Laurence L. Betterley	Chief Financial Officer
Robert J. Thatcher	Executive Vice President
James E. Flaherty	Chief Administrative Officer and Secretary
Kevin J. Kenny	Executive Vice President of Sales and Marketing

Executive Summary

For the fiscal 2012 full year, revenues increased to \$82.5 million, up five percent from the prior fiscal year. This increase was primarily attributable to a \$3.7 million, or 5.4%, increase in sales of PAD Systems, our primary products, during the year ended June 30, 2012 compared to the year ended June 30, 2011. In addition, we achieved a number of operational milestones:

The successful conversion of customers to the next-generation Stealth 360° electric-drive orbital atherectomy system without burdening the Company with returns of old inventory.

Achieving enrollment of 328 cumulative patients in our ORBIT II trial evaluating the safety and effectiveness of our orbital technology in treating severely calcified coronary arteries.

Unconditional approval from the FDA to implement use of the new electric coronary device (similar to Stealth 360° technology used in PAD and customized specifically for the coronary application) in the ORBIT II trial.

Raising approximately \$15 million of net proceeds in a public offering of common stock and increasing debt outstanding to \$17 million, resulting in a cash and cash equivalent balance of \$35.5 million at fiscal year end.

Completing staffing and organizational changes to strengthen the sales and marketing team.

We are committed to attracting, hiring and retaining an experienced management team that can successfully manufacture and sell our existing medical devices and develop new products. The Human Resources and Compensation Committee (the Compensation Committee) believes that the most effective compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Company, and which aligns executives' interests with those of the stockholders by rewarding performance above established goals, with the ultimate objective of improving stockholder value. The Compensation Committee evaluates both performance and compensation to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies. Accordingly, the Compensation Committee believes executive compensation packages that we provide to our executives should include both cash and stock-based compensation that reward performance as measured against established goals.

2011 Say on Pay Results

Edgar Filing: Cardiovascular Systems Inc - Form DEF 14A

At our Annual Meeting held October 25, 2011, our stockholders had the opportunity to cast a non-binding advisory vote on the compensation of the Named Executive Officers. More than 94% of the shares voted at the meeting approved the Named Executive Officers' compensation. The Compensation Committee welcomed this feedback and intends to continue its practice of linking Company performance with executive compensation decisions.

Table of Contents

We also asked stockholders to select the frequency with which to hold future advisory votes on the compensation of the Named Executive Officers. More than 61% of the shares voted at the meeting selected an annual vote. We have determined to hold annual advisory votes on the compensation of the Named Executive Officers.

Overview of Compensation and Process

The Compensation Committee has worked with management and with Lyons, Benenson & Company Inc. (LB&Co.), a third-party compensation consulting firm, to design the current executive compensation programs, following the belief that compensation should reflect the value created for the stockholders while furthering the company s strategic goals. In doing so, we instituted our compensation programs to achieve the following goals:

align the interests of management with those of stockholders;

provide fair and competitive compensation;

integrate compensation with our business plans;

reward both business and individual performance; and

attract and retain key executives that are critical to our success.

These objectives emphasize pay for performance by providing an incentive opportunity for at or above average performance. The compensation package for each executive officer is comprised of three elements: (i) base salary that reflects individual performance and is designed primarily to be competitive with salary levels in the industry; (ii) bonus payments contingent upon specific corporate and management by objective goals; and (iii) long-term stock-based incentive awards that strengthen the mutuality of interests between the executive officers and our stockholders. There is no pre-established formula or target for the allocation between either cash and non-cash or short-term and long-term incentive compensation.

Our Compensation Committee, in consultation with LB&Co., administers the Company s compensation program for the Named Executive Officers. LB&Co. prepared a report (Report) which contained a compensation survey of the most comparable publicly held medical device and pharmaceutical companies, which consisted of the following companies (the Compensation Peer Group):

ABIOMED, Inc.	Emisphere Technologies, Inc.	Natus Medical Incorporated
ArthroCare Corporation	Geron Corporation	Spectranetics Corporation
CardioNet, Inc.	Hansen Medical, Inc.	TranS1 Inc.
Conceptus, Inc.	Insulet Corporation	Vascular Solutions, Inc.
Cytokinetics, Incorporated	Lexicon Pharmaceuticals, Inc.	Volcano Corporation

LB&Co. submitted the Report to the Compensation Committee for review and the Compensation Committee used it to assist in determining base salaries for 2012, determining incentive compensation under the Fiscal 2012 Executive Officer Bonus Plan, and reviewing previously granted equity awards and recommendations for future awards.

In making compensation decisions, the Compensation Committee compares certain elements of total compensation against the companies in the Compensation Peer Group. The Compensation Committee reviews the compensation paid to executives in the Compensation Peer Group and

performance evaluations presented by management in determining the appropriate aggregate and individual compensation levels for the performance year. In conducting its review, the Compensation Committee considers quantitative performance results of the Company and the overall need of the Company to attract, retain and motivate the executive team.

Base Salaries

Base salary is an important element of our executive compensation program as it provides executives with a competitive fixed, non-contingent earnings stream to support annual living and other expenses. As a component of total compensation, we generally set base salaries at levels believed to attract and retain an experienced management team that will successfully grow our business and create stockholder value. Base salaries also reward individual performance and contributions to our overall business objectives, but seek to do so in a manner that does not detract from the executives' incentive to realize additional compensation through our performance-based compensation programs, stock options and restricted stock awards.

The Compensation Committee reviews the Chief Executive Officer's salary annually at the end of each fiscal year. The Compensation Committee may recommend adjustments to the Chief Executive Officer's base salary based upon the Compensation Committee's review of his current base salary, incentive cash compensation and equity-based compensation, as well as his performance and comparative market data. The Compensation Committee reviews other executives' salaries throughout the year, with input from the Chief Executive Officer. The Compensation Committee may recommend adjustments to other executives' base salary based upon the Chief Executive Officer's recommendation and the reviewed executive's responsibilities, experience and performance, as well as comparative market data.

In utilizing comparative data, the Compensation Committee seeks to recommend salaries for each executive at a level that is appropriate after giving consideration to experience for the relevant position and the executive's performance. The Compensation Committee reviews performance for both our company (based upon achievement of strategic initiatives) and each individual executive. Based upon these factors, the Compensation Committee may recommend adjustments to base salaries to better align individual compensation with comparative market compensation, to provide merit-based increases based upon individual or company achievement, or to account for changes in roles and responsibilities.

For fiscal 2012, the Named Executive Officers received base salary increases ranging from 5% to 10% (excluding Kevin J. Kenny, who joined the Company in May 2011). The Compensation Committee approved the following base salaries for each of the Named Executive Officers for the fiscal years ended 2012 and 2011:

Name	2012 Base Salary	2011 Base Salary	Percentage Increase
David L. Martin	\$ 467,500	\$ 425,000	10%
Laurence L. Betterley	\$ 305,800	\$ 278,000	10%
Robert J. Thatcher	\$ 288,750	\$ 275,000	5%
James E. Flaherty	\$ 273,000	\$ 260,000	5%
Kevin J. Kenny(1)	\$ 275,000	\$ 275,000	0%

(1) Mr. Kenny joined the Company in May 2011 and received a pro-rata portion of his base salary for fiscal 2011.

Annual Incentive Bonus

The Compensation Committee structures the Company's annual incentive bonus program to reward its Named Executive Officers based on the Company's fiscal year performance. Each year, after the Company's annual financial planning process, the Compensation Committee and the Board of Directors establish the financial objectives that need to be achieved by the Company for the Named Executive Officers to earn the portion of the target bonus that relates to financial objectives. These financial objectives vary from year to year, depending on the Company's business goals. For fiscal 2012, the Compensation Committee established the goals to provide an incentive to achieve significant revenue growth over fiscal 2011 and adjusted EBITDA goals. The revenue target was set to pay out 100% of the revenue portion of the target bonus amount if revenue grew 15% from the prior year, with lesser bonuses if revenue growth was less than 15% and greater bonuses if the revenue growth was greater than 15%. The annual cash incentive plan for fiscal 2012 was adopted in the second quarter of fiscal 2012, due to uncertainties regarding the timing of planned financing events and the effect of limited resources on our financial plan.

Table of Contents

Each Named Executive Officer has a target bonus that is a fixed percentage of his or her salary. In fiscal 2012, target bonus levels as a percentage of base salary were 75% for the President and Chief Executive Officer and 50% for the other Named Executive Officers.

As in fiscal 2011, receipt of cash incentive compensation for fiscal 2012 was based on the Company's achievement of revenue and adjusted EBITDA financial goals. Adjusted EBITDA is defined as EBITDA with stock compensation added back into the calculation. Target bonus amounts were split evenly between these two goals. The fiscal 2012 revenue goal ranged from \$38.1 million for the first six months and \$83.0 million for the full year (payout at 50% of the revenue portion of target bonus) to \$42.1 million for the first six months and \$100.0 million for the full year (payout at 175% of the revenue portion of target bonus), with 100% of the revenue portion payout at \$39.8 million for the first six months and \$90.6 million for the full year. The adjusted EBITDA target ranged from \$(3.4 million) for the first six months and \$(2.0 million) for the full year (payout at 50% of the adjusted EBITDA portion of target bonus) to \$(1.4 million) for the first six months and \$4.5 million for the full year (payout at 175% of the adjusted EBITDA portion of target bonus), with 100% of the adjusted EBITDA portion payout at \$(2.4 million) for the first six months and \$1.3 million for the full year. In the event of extraordinary revenue or adjusted EBITDA performance above the goals set by the Board, the participants could receive incentive payments greater than 175% of their targets for the revenue or adjusted EBITDA goal based upon a formula established by the Board, with no maximum payout set under the plan. The plan criteria are the same for all of the executive officers. The plan also provided management by objective (MBO) targets related to certain predetermined clinical trial enrollment and average devices sold per account milestones for the first six months and last six months of fiscal 2012. Achievement of the MBO targets could result in additional cash bonuses to executive officers for each target achieved of 3.75% of their semi-annual base salaries for each of the periods. In addition, the Compensation Committee had discretion under the plan to award a discretionary bonus of up to 20% of each Named Executive Officer's base salary under the plan, and a 25% discretionary bonus in the event of a profitable quarter during fiscal 2012.

For the first six months of fiscal 2012, the Company met the performance threshold revenue goal of \$38.1 million (achieving six-month revenues of \$38.4 million), and the MBO target for clinical trial enrollment was met. The performance threshold related to adjusted EBITDA and the MBO target related to sales milestones were not met. The achievement of the goals resulted in an award of 29.4% (for performance) and 3.75% (for MBO) of each Named Executive Officer's semi-annual base salary for the six-month period. For the full year of fiscal 2012, the Company did not achieve either its revenue or its adjusted EBITDA goals, and thus no payout was earned for the financial performance objectives. The Company also did not meet either MBO target for the last six months of fiscal 2012. Despite the failure to meet the financial or MBO objectives under the plan, the Compensation Committee believed that the Named Executive Officers and the Company had achieved important operational milestones in fiscal 2012, including (i) the successful conversion of customers to the next-generation Stealth 360° electric-drive orbital atherectomy system, (ii) achieving enrollment of 328 cumulative patients in our ORBIT II trial, (iii) unconditional approval from the FDA for our Stealth 360° system to be included in our ORBIT II trial, (iv) raising approximately \$15 million of net proceeds in a public offering of common stock and increasing debt outstanding to \$17 million, and (v) completing staffing and organizational changes to strengthen the sales and marketing team. In view of these achievements, the Compensation Committee exercised its discretion to award a bonus of 20% of the target bonus under the plan to each Named Executive Officer, which amount was less than the maximum discretionary award permitted under the plan of 20% of the base salary of each Named Executive Officer.

In addition to the above, Mr. Kenny's employment agreement provides that he is eligible to receive target variable incentive compensation on a quarterly basis of \$75,000. Of this amount, \$50,000 is a commission based on quarterly revenue and related goals established by the CEO, and \$25,000 is based on quarterly MBO goals determined by the CEO and Mr. Kenny. For fiscal 2012, the commission-based goals were based on quarterly target revenue goals ranging from \$21.0 million to \$24.1 million. The MBO targets related to Stealth 360° penetration in certain accounts and sales productivity for the Company's district sales managers, among others. Mr. Kenny is eligible to receive quarterly variable compensation below or above target amounts based on

Table of Contents

performance against such goals. In the event of performance above the goals set for Mr. Kenny, Mr. Kenny would receive payments greater than the target amounts, with no maximum amount set under the plan.

For fiscal 2012, Mr. Kenny achieved 92.1% of the amount to which he was eligible to receive, based on achievement of the quarterly commission-based goals, as follows: 83.6% achievement for the first quarter; 81.8% achievement for the second quarter; 101.0% achievement for the third quarter; and 101.8% achievement for the fourth quarter. Mr. Kenny also achieved 91.7% of the MBO amount that he was eligible to receive based on achievement of MBO targets.

Bonus amounts based on performance and MBO-based incentives of Named Executive Officers (and including quarterly variable incentive compensation plan amounts for Mr. Kenny) for 2012 versus 2011 were as follows:

	2012		2011	
	Total \$ Incentive Compensation (1)	As a % of Base Salary	Total \$ Incentive Compensation	As a % of Base Salary
David L. Martin	\$ 60,236	12.9%	\$ 348,403	82.0%
Laurence L. Betterley	\$ 28,179	9.2%	153,669	55.3%
Robert J. Thatcher	\$ 26,608	9.2%	152,010	55.3%
James E. Flaherty	\$ 25,157	9.2%	143,780	55.3%
Kevin J. Kenny	\$ 301,129(2)	109.5%	N/A	N/A

- (1) In addition to the incentive compensation amounts, the Compensation Committee exercised its discretion to award a bonus of 20% of the target bonus under the plan to each Named Executive Officer. Discretionary bonuses were awarded in the following amounts: Mr. Martin - \$70,125; Mr. Betterley - \$30,580; Mr. Thatcher - \$28,875; Mr. Flaherty - \$27,300; and Mr. Kenny - \$27,500.
- (2) The amount for Mr. Kenny includes \$25,341 paid under our cash incentive plan for fiscal 2012 and \$275,788 paid under the quarterly variable incentive compensation plan for Mr. Kenny.

Long-Term Incentives

We provide long-term incentives to the Named Executive Officers through the grant of restricted stock. Under our 2007 Equity Incentive Plan, we may make grants of restricted stock awards, stock options, restricted stock units, performance share awards, performance unit awards and stock appreciation rights to officers and other employees. We adopted this plan to give us flexibility in the types of awards that we could grant to our executive officers and other employees. For the foreseeable future, we plan to continue using restricted stock as our principal equity incentive vehicle for our executive officers, as restricted stock is less dilutive than stock options. We believe that restricted stock has been effective in retaining and motivating our executive officers. While the vesting of our restricted stock grants has been time-based, we are shifting to the use of performance-based vesting for at least a portion of the restricted stock grants beginning with the 2013 fiscal year. The general policy of the Company is to grant restricted stock to executives at the first Board of Directors meeting of the fiscal year, with the effective date of the grant being the third business day following the Company's fiscal year-end earnings release. The number of shares granted is based on a formula that sets an incentive compensation amount as a percentage of base salary for each executive officer, divided by the closing price of our common stock on the third business day following the Company's fiscal year-end earnings release.

The 2007 Equity Incentive Plan includes a renewal provision that allows for the number of shares reserved for the plan to be increased on the first day of each fiscal year beginning July 1, 2008, and ending July 1, 2017, by the lesser of (i) 970,500 shares, (ii) 5% of the outstanding common shares on such date, or (iii) a lesser amount determined by the Board. Although in past years the Board has increased the number of shares available for grant by the maximum amount allowable under the 2007 Plan's renewal provision, effective on July 1, 2012 the Board limited the increase to 450,000 shares, which was only 2.2% of the outstanding common shares on such date.

Table of Contents

In fiscal 2012, the Compensation Committee reviewed and recommended to the Board of Directors for approval restricted stock awards to the Named Executive Officers. On August 4, 2011 the Board of Directors approved an aggregate dollar amount for restricted stock awards for each Named Executive Officer, which awards were granted in the following share amounts based on the grant date closing price of our common stock on August 8, 2011:

Name	2012 Restricted Stock Award (# of Shares)
David L. Martin	67,242
Laurence L. Betterley	32,988
Robert J. Thatcher	15,574
James E. Flaherty	23,560
Kevin J. Kenny(1)	14,833

(1) Mr. Kenny also received an additional restricted stock award of 25,000 shares on October 25, 2011 pursuant to his employment agreement. Forfeiture restrictions on each restricted stock award lapse 1/3 at each one-year anniversary of the date of the grant. The restricted stock award is further conditioned on continued employment with the Company. In the event that an executive officer's employment is terminated for any reason (other than change of control), including death or disability, prior to restrictions lapsing, all of the executive officer's rights to all of the shares subject to forfeiture are immediately and irrevocably forfeited.

Although we do not have any detailed stock retention or ownership guidelines, the Board and Compensation Committee generally encourage our executives to have a financial stake in our company in order to align the interests of our stockholders and management, and view our equity incentive awards as a means of furthering this goal. We will continue to evaluate whether to implement a stock ownership policy for our executive officers and directors.

Limited Perquisites; Other Benefits

It is generally our policy not to extend significant perquisites to our executives beyond the benefits that are available to our employees generally, such as our 401(k) plan and health, dental and life insurance benefits. We have given a car allowance to one executive officer as well as moving allowances for executive officers who have relocated. We also pay our Chief Executive Officer's commuting expenses from his home state to our headquarters in Minnesota and his housing, automobile and related expenses in Minnesota. We offered these perquisites to our Chief Executive Officer as part of a package of compensation sufficient to induce him to join the Company.

Compensation Consultant

In fiscal 2012, the Compensation Committee retained LB&Co., a third-party compensation consulting firm, to determine competitive compensation levels for our executive officers, including base salary, incentive compensation, stock options and restricted stock awards. LB&Co. reports exclusively to the Compensation Committee.

Termination or Change of Control Plans and Agreements***Stock Options and Other Equity Awards***

The majority of our equity incentive agreements provide that in the event of a change of control (defined in such agreements as, among other events, the sale by us of substantially all of our assets, or a merger, exchange or change in the composition of a majority of the Board), the vesting of all equity grants will accelerate. Options become immediately exercisable and our restricted stock becomes vested as of the effective date of the change of control.

Employment Agreements

Under the terms of the employment agreements with Messrs. Martin, Betterley and Kenny, we will pay such officers an amount equal to 12 months of each officer's then current base salary and 12 months of our share of health insurance costs if the officer is terminated by us without cause, or if the officer terminates his employment for good reason, as defined in the agreement. Good reason is generally defined as the assignment of job responsibilities to the officer that are not comparable in status or responsibility to those job responsibilities set forth in the agreement, a reduction in the officer's base salary without his consent, or our failure to provide the officer the benefits promised under his employment agreement. As a condition to receiving his severance benefits, each officer is required to execute a release of claims agreement in favor of us. In the event of termination without cause, Messrs. Martin and Betterley would receive the severance benefits to which they are entitled under the Executive Officer Severance Plan described below rather than under their respective employment agreements, as that Plan provides severance benefits in excess of those provided under their respective employment agreements.

We agreed to the payment of severance benefits in the employment agreements with Messrs. Martin, Betterley and Kenny because they each requested these severance benefits, and we believed it was necessary to provide such benefits in order to obtain the agreements with them. We believe that other medical device manufacturers provide substantially similar severance benefits to their senior officers and that providing severance benefits to our Chief Executive Officer, Chief Financial Officer, and Executive Vice President of Sales and Marketing is therefore consistent with market practices. We believe that such benefits are reasonable to protect the Chief Executive Officer, Chief Financial Officer and Executive Vice President of Sales and Marketing against the risk of having no compensation while they seek alternative employment following a termination of their employment with us.

Executive Officer Severance Plan

Effective June 28, 2010, we adopted the Cardiovascular Systems, Inc. Executive Officer Severance Plan (the Severance Plan). Each of our Named Executive Officers is covered by this Severance Plan. Under the Severance Plan, if we terminate an executive officer other than for cause, as defined in the plan, the executive will receive certain severance benefits during the severance period. The severance period is 18 months for the Chief Executive Officer, 15 months for the Chief Financial Officer, and 12 months for all other executive officers. For purposes of the Severance Plan, cause is generally defined as the executive's (i) failure to perform his material duties; (ii) willful or deliberate misconduct; (iii) false or materially misleading representation made to the Board; or (iv) commission of any felony. The severance benefits generally consist of the continued payment of (i) the executive's then-current base salary; and (ii) our share of the costs of the executive's coverage under our medical, dental, and life insurance plans. As a condition to receiving these severance benefits, the executive is required to execute a release of claims agreement in favor of us. The executive is not entitled to severance benefits if his termination is due to death or disability; if the executive is on military leave, sick leave, or another bona fide leave of absence generally not exceeding six months; or if the executive continues to provide services to us in excess of 20% of the average level of services he performed over the immediately preceding 36-month period.

The Severance Plan does not affect any other rights our executives may have to severance benefits in their employment agreements. However, an executive will be eligible for severance benefits under the Severance Plan only to the extent the severance is not duplicative of the benefits received by the executive under his employment agreement. The executive will receive benefits under his employment agreement first, and then will be eligible for severance benefits under the Severance Plan; provided, however, that the combined benefit will not exceed the maximum benefit available under the Severance Plan.

Although we have the right to amend or terminate the Severance Plan, we may not do so in any manner that diminishes the severance benefits (i) within 12 months of a change of control (the sale by us of substantially all of our assets and the consequent discontinuance of our business; a merger, exchange, liquidation or certain acquisitions; certain changes in the composition of the Board; or a definitive agreement relating to any of these); (ii) if such amendment or termination was requested by a party other than the Board, that had previously taken

Table of Contents

other steps reasonably calculated to result in a change of control and that ultimately resulted in a change of control; or (iii) if such amendment or termination arose in connection with or in anticipation of a change of control that ultimately occurs.

Compliance with Internal Revenue Code Section 162(m)

As a result of Section 162(m) of the Internal Revenue Code of 1986, as amended, we will not be allowed a federal income tax deduction for compensation paid to certain executive officers to the extent that compensation exceeds \$1 million per officer in any one year. This limitation will apply to all compensation paid to the Named Executive Officers that is not considered to be performance-based. Compensation which does qualify as performance-based compensation will not have to be taken into account for purposes of this limitation.

Section 162(m) did not affect the deductibility of compensation paid to our Named Executive Officers in fiscal 2012 and is not anticipated to materially affect the deductibility of such compensation expected to be paid. The Compensation Committee will continue to monitor this matter and may propose additional changes to the executive compensation program if the Compensation Committee determines it to be warranted and in line with our compensation objectives.

Human Resources and Compensation Committee Report

The Human Resources and Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based upon this review and discussion, the Human Resources and Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and in our Annual Report on Form 10-K for the fiscal year ended June 30, 2012.

Employment Agreements of the Named Executive Officers

David L. Martin

We entered into an employment agreement with Mr. Martin on December 19, 2006. The agreement provided for an initial base salary of \$370,000 and provided that the Board would review and increase or decrease such base salary annually beginning in 2008. The agreement also provides for certain perquisites and for employee benefits as generally available to Company employees and that Mr. Martin is eligible to receive medical and life insurance coverage available under plans adopted for the benefit of Company senior executives, to the extent the Company adopts such plans. The agreement is terminable by either party at any time, for any or no reason, provided that Mr. Martin must give 30 days written notice of termination to the Company. Under the terms of the agreement, we will pay Mr. Martin an amount equal to 12 months of his then current base salary and 12 months of our share of health insurance costs if he is terminated by us without cause, or if Mr. Martin terminates his employment for good reason, as defined in the agreement. In the event of termination without cause, Mr. Martin would receive the severance benefits to which he is entitled under the Executive Officer Severance Plan described above rather than under his employment agreement, as that Plan provides severance benefits in excess of those provided under his employment agreement. As a condition to receiving his severance benefits, Mr. Martin is required to execute a release of claims agreement in favor of us. The agreement also contains confidentiality, noncompetition, nonsolicitation and assignment of inventions provisions.

Laurence L. Betterley

The agreement provided for an initial base salary of \$225,000 and provided that Mr. Betterley would be eligible for a performance and salary review beginning approximately one year after the entry into the agreement. The agreement also provides for Mr. Betterley's participation in the annual management bonus plan and for employee benefits as generally available to Company employees. The agreement is terminable by either party at any time for any reason. Under the terms of the agreement, we will pay Mr. Betterley an amount equal to 12 months of his then current base salary and 12 months of our share of health insurance costs if he is terminated by us without cause, or if Mr. Betterley terminates his employment for good reason, as defined in the agreement. In the event of termination without cause, Mr. Betterley would receive the severance benefits to which he is entitled under the Executive Officer Severance Plan described above rather than under his employment agreement, as that Plan provides severance benefits in excess of those provided under his employment agreement. As a condition to receiving his severance benefits, Mr. Betterley is required to execute a release of claims agreement in favor of us. The agreement also contains confidentiality, noncompetition and assignment of inventions provisions.

Kevin J. Kenny

The agreement provided for an initial base salary of \$275,000 and provided that Mr. Kenny would be eligible for a performance and salary review beginning approximately one year after the entry into the agreement. The agreement also provides for quarterly variable compensation of \$75,000 (\$50,000 of which is commission-based and \$25,000 of which is based on certain MBOs) and annual variable compensation of 50% of base salary, with objectives approved by the Board. The agreement also provides for an initial restricted stock grant of 50,000 shares, a restricted stock grant of 25,000 shares after six months of employment, and an annual restricted stock grant equal to 65% of base salary as approved by the Board. The agreement also provides for certain perquisites and for employee benefits as generally available to Company employees. The agreement is terminable by either party at any time for any reason. Under the terms of the agreement, we will pay Mr. Kenny an amount equal to 12 months of his then current base salary and 12 months of our share of health insurance costs if he is terminated by us without cause, or if Mr. Kenny terminates his employment for good reason, as defined in the agreement. As a condition to receiving his severance benefits, Mr. Kenny is required to execute a release of claims agreement in favor of us. PROPOSAL 3**ADVISORY VOTE ON EXECUTIVE COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Exchange Act require that we provide our stockholders with the opportunity to vote on a nonbinding, advisory basis regarding the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. In accordance with the preference of our stockholders, as expressed in a non-binding advisory vote on the frequency of advisory votes on executive compensation at last year's annual stockholder meeting, the Company has determined to hold annual advisory votes on the compensation of the Named Executive Officers.

We seek to closely align the interests of our Named Executive Officers with the interests of our stockholders. We designed our compensation program to reward our Named Executive Officers for their individual performance and contributions to our overall business objectives, and for achieving and surpassing the financial goals set by our Human Resources and Compensation Committee and our Board of Directors.

Table of Contents

The vote on this resolution is not intended to address any specific element of compensation. Instead, the vote relates to the overall compensation of our Named Executive Officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC.

Accordingly, we ask our stockholders to vote on the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2012 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the 2012 Summary Compensation Table and the other related tables and disclosure.

While the Board of Directors and especially the Human Resources and Compensation Committee intend to carefully consider the results of the voting on this proposal when making future decisions regarding executive compensation, the vote is not binding on the Company or the Board and is advisory in nature. To the extent there is any significant vote against the compensation of our Named Executive Officers in this Proposal 3, the Human Resources and Compensation Committee will evaluate what actions may be necessary to address our stockholders' concerns.
