Section 5 Corporate Governance and Management

Item 5.02(e). Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 19, 2012, the Board of Directors (the Board) of Amedisys, Inc. (the Company), upon the approval and recommendation of the Compensation Committee of the Board, approved amendments to the employment agreements for each of the Company's principal executive officer (William Borne Chairman and Chief Executive Officer) and principal financial officer (Ronald LaBorde Chief Financial Officer and President) and for Dr. Michael Fleming Chief Medical Officer (and a Company named executive officer). Messrs. Borne and LaBorde recused themselves from the votes taken by the Board regarding their respective employment agreement amendments.

The following is a summary of the material terms of the amendments. First, the amendments extend the terms of the respective employment agreements for each of the officers named above from December 31, 2013 to December 31, 2014. Second, the amendments amend the sections of the respective employment agreements describing payments to the officers named above if they are terminated by the Company without Cause or terminate their employment without Good Reason, in each case both before and after a Change in Control (as such capitalized terms are defined in the respective employment agreements). Previously, the respective employment agreements provided that the Company would subsidize the cost of continued participation by the officers and their eligible dependants in the Company's group health plans during the applicable period for continued participation in such plans as permitted by the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA). The amendments eliminate the COBRA subsidy and provide that the officers will receive a lump sum payment equal to \$2,500, which amount is intended to assist the officers with the purchase of health care coverage, but which amount may be used in any manner at the officers' discretion.
