Item 1.01 Entry into a Material Definitive Agreement.

As previously announced on July 19, 2012, Axiall Corporation (formerly known as Georgia Gulf Corporation), a Delaware corporation (the Company), and PPG Industries, Inc., a Pennsylvania corporation (PPG), entered into an Agreement and Plan of Merger (the Merger Agreement), dated as of July 18, 2012, by and among the Company, PPG, Eagle Spinco Inc., a Delaware corporation and a wholly-owned subsidiary of PPG (Splitco), and Grizzly Acquisition Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of Georgia Gulf (Merger Sub). In addition, PPG and Splitco entered into a Separation Agreement, dated as of July 18, 2012 (the Separation Agreement), which provided for the transfer by PPG to Splitco of the business and substantially all of the assets and liabilities of the business of PPG relating to the production of chlorine, caustic soda and related chemicals, including, among other things, PPG's 60% interest in Taiwan Chlorine Industries, Ltd., a joint venture between PPG and China Petrochemical Development Corporation (collectively, the PPG Chlor-alkali and Derivatives Business).

As previously disclosed, on December 27, 2012, PPG commenced an offer to PPG shareholders to exchange all or a portion of their shares of common stock, par value \$1.66 2/3 per share, of PPG (PPG common stock), for shares of common stock, par value \$0.001 per share, of Splitco (Splitco common stock), which shares of Splitco common stock would be automatically converted into shares of common stock, par value \$0.01 per share, of the Company (Company common stock) pursuant to the Merger Agreement, based on an exchange ratio of 3.2562 shares of Splitco common stock for each share of PPG common stock tendered. The exchange offer expired at 8:00 a.m. on January 28, 2013.

Immediately after the expiration and consummation of the exchange offer and the distribution by PPG of shares of Splitco common stock to holders of shares of PPG common stock (the Distribution), on January 28, 2013 (the Closing Date), Merger Sub merged with and into Splitco, whereby the separate corporate existence of Merger Sub ceased and Splitco continued as the surviving company and as a wholly-owned subsidiary of the Company (the Merger). In the Merger, each share of Splitco common stock was converted into the right to receive one share of Company common stock.

As consideration for Splitco's acquisition of the PPG Chlor-alkali and Derivatives Business in the Distribution, Splitco distributed (the Special Distribution) to PPG: (1) the cash proceeds of approximately \$279.0 million in new bank debt incurred by Splitco under a senior secured term loan facility (the Term Facility), which included \$67.0 million necessary to fund a net working capital adjustment under the Separation Agreement, and (2) \$688.0 million in aggregate principal amount of 4.625% senior notes due 2021 issued by Splitco (the Splitco Notes).

Senior Notes Offering

On the Closing Date, Splitco entered into an indenture (the Indenture) with the guarantors party thereto and U.S. Bank National Association, as trustee (the Trustee), pursuant to which Splitco issued \$688.0 million in aggregate principal amount of the Splitco Notes. The Splitco Notes were initially issued by Splitco to PPG as partial consideration for Splitco's acquisition of the PPG Chlor-alkali and Derivatives Business. PPG then transferred the Splitco Notes to certain financial institutions in satisfaction of existing debt obligations of PPG held by those financial institutions. It is expected that, pursuant to a purchase agreement, dated January 17, 2013, among Splitco, the financial institutions and the initial purchasers thereunder, on January 30, 2013, the initial purchasers will purchase the Splitco Notes held by the financial institutions referred to above and resell them to investors in the Splitco Notes offering. Splitco will not receive any net proceeds from the sale of the Splitco Notes. The Splitco Notes will be sold to qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act of 1933, as amended (the Securities Act). The Splitco Notes have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act.

Upon the consummation of the Merger, the Company and certain subsidiaries of the Company became guarantors of the Splitco Notes and executed a supplemental indenture to the Indenture (the First Supplemental Indenture) with Splitco and the Trustee. Pursuant to the Indenture and the First Supplemental Indenture, the

Splitco Notes are fully and unconditionally guaranteed, jointly and severally, on a senior unsecured basis by each of the existing and future domestic subsidiaries of each of Splitco and the Company and each of its existing and future domestic subsidiaries, other than certain excluded subsidiaries, that also guarantee the U.S. dollar obligations under the Credit Agreements (as defined below).

The Splitco Notes bear interest at a rate of 4.625% per annum, payable semi-annually in arrears on February 15 and August 15, commencing on August 15, 2013. Interest will accrue from January 30, 2013. The Splitco Notes will mature on February 15, 2021.

Splitco may redeem some or all of the Splitco Notes at any time prior to February 15, 2018 at a price equal to 100% of the principal amount of the Splitco Notes redeemed plus accrued and unpaid interest, if any, and an applicable make-whole premium. On or after February 15, 2018, Splitco may redeem some or all of the Splitco Notes at redemption prices set forth in the Indenture. In addition, in certain circumstances, if the Company, including Splitco, experiences certain kinds of change of control triggering events, it must offer to purchase the Splitco Notes at 101% of their principal amount, plus accrued and unpaid interest (if any).

The Indenture contains covenants that, among other things, restrict the ability of Splitco, the Company and certain of their respective subsidiaries to: incur, assume or guarantee additional indebtedness; pay dividends or redeem or repurchase capital stock; limit the ability of subsidiaries to pay dividends; enter into certain transactions with affiliates; make investments; incur liens; and sell or otherwise dispose of certain assets or enter into or merge with or into other companies. These covenants are subject to a number of important exceptions and qualifications. Further, certain of these covenants will cease to apply at all times after the date on which the Splitco Notes receive investment grade ratings from both Moody's Investors Service, Inc. (Moody's) and Standard & Poor's Rating Service, a division of McGraw Hill, Inc. (Standard & Poor's), provided no default or event of default under the Indenture exists at that time. Such terminated covenants will not be reinstated if the Splitco Notes lose their investment grade ratings at any time thereafter.

The Indenture provides for customary events of default, including: failure to make required payments; failure to comply with certain agreements or covenants; failure to pay, or acceleration of, certain other material indebtedness; and certain events of bankruptcy and insolvency. An event of default under the Indenture will allow either the Trustee or the holders of at least 25% in aggregate principal amount of the then outstanding Splitco Notes to accelerate, or in certain cases, will automatically cause the acceleration of, the amounts due under the Splitco Notes.

In connection with the issuance of the Splitco Notes, Splitco will enter into a registration rights agreement on or about January 30, 2013 (the Registration Rights Agreement) relating to the Splitco Notes, pursuant to which Splitco will agree to use its commercially reasonable best efforts to file with the Securities and Exchange Commission (the SEC), and cause to become effective, a registration statement with respect to a registered offer to exchange the Splitco Notes for new, unrestricted notes with terms substantially identical in all material respects to the Splitco Notes.

The foregoing description of the Splitco Notes is qualified in its entirety by reference to the Indenture, the form of Splitco Notes and the First Supplemental Indenture, copies of which are filed as Exhibits 4.1, 4.2 and 4.3 hereto and are incorporated herein by reference.

Senior Secured Term Loan Facility

In connection with the Merger, on January 28, 2013, Splitco entered into a credit agreement (such agreement and any related documents, instruments and agreements executed in connection therewith, the Splitco Term Loan Agreement), with the financial institutions from time to time party thereto and Barclays Bank PLC, as administrative agent, in order to finance the cash portion of the Special Distribution and the net working capital adjustment as required by the Merger Agreement. The Company agreed to pay certain fees to Barclays Bank PLC and the financial institutions party to the Credit Agreement in connection with the Term Facility and agreed to indemnify them against certain liabilities. Upon consummation of the Merger, the Company and each of its existing domestic subsidiaries that guarantee any other indebtedness of the Company joined as guarantors under the Splitco Term Loan Agreement. Splitco has the option to repay amounts outstanding under the Term Facility within 45 days after the Closing Date, or at any time thereafter prior to its maturity date.

Borrowings under the Term Facility are expected to mature on the earlier of (1) the fourth anniversary of the Closing Date and (2) 91 days prior to the maturity of the Company's existing 9.0 percent senior secured notes due 2017 (the "9 percent notes") unless, at least 91 days prior to the maturity date of the 9 percent notes, the 9 percent notes are refinanced with notes having a maturity date at least six months after the fourth anniversary of the Closing Date.

Obligations under the Term Facility are unconditionally guaranteed by each of Splitco's existing and subsequently acquired or organized direct or indirect domestic subsidiaries, and by the Company and each of the Company's existing and subsequently acquired subsidiaries that guarantee any other indebtedness of the Company. The obligations under the Term Facility are secured by all assets of Splitco and the guarantors that secure the obligations in respect of the 9 percent notes. In addition, the obligations under the Term Facility rank pari passu with the obligations in respect of the 9 percent notes.

At the election of Splitco, the Term Facility bears interest at a rate equal to: (1) the Base Rate (as defined in the Splitco Term Loan Agreement) plus 1.75% per annum; or (2) the reserve adjusted Eurodollar Rate (as defined in the Splitco Term Loan Agreement) plus 2.75% per annum; provided that at no time will the Base Rate be deemed to be less than 2.00% per annum or the reserve adjusted Eurodollar Rate be deemed to be less than 1.00% per annum.

Subject to certain conditions and exceptions, the Splitco Term Loan Agreement requires Splitco to prepay outstanding loans in certain circumstances, including (a) in an amount equal to 100% of the net cash proceeds from sales or dispositions of certain property or assets of the Company and its subsidiaries in excess of \$15.0 million per sale or disposition, or in excess of \$50.0 million in the aggregate for all sales or dispositions per fiscal year, in each case subject to customary reinvestment rights, (b) in an amount equal to 100% of the net cash proceeds from property insurance or condemnation awards, subject to customary reinvestment rights, (c) in an amount equal to 100% of the net cash proceeds from the incurrence of additional debt other than debt permitted under the Splitco Term Loan Agreement and (d) certain excess cash flow prepayments in a range of 0% to 50% depending on the Company's leverage ratio. The Splitco Term Loan Agreement also provides for voluntary prepayment of loans without premium or penalty, subject to certain conditions and exceptions.

The Splitco Term Loan Agreement contains customary affirmative covenants (subject to exceptions), including covenants related to: financial statements and other reports, existence, payment of taxes and claims, maintenance of properties, insurance, books and records, inspections, lenders' meetings, compliance with laws, environmental, subsidiaries, additional material real estate assets, additional collateral, further assurances, and maintenance of ratings (but no minimum rating requirement). The Splitco Term Loan Agreement also contains customary negative covenants (subject to exceptions) that may restrict the Company and its subsidiaries, including Splitco, in their activities, including covenants related to: indebtedness, liens, no further negative pledges, restricted junior payments, restrictions on subsidiary distributions, investments, fundamental changes, disposition of assets, acquisitions, capital expenditures, contingent obligations, sales and lease-backs, transactions with affiliates, conduct of business, amendments or waivers of organizational documents, amendments or waivers with respect to certain indebtedness, and fiscal year. In addition, the Company will be subject to a senior secured leverage ratio (as defined in the Splitco Term Loan Agreement) of 3.50 to 1.00.

The Splitco Term Loan Agreement provides for customary events of default, including failure to make payments when due, default under certain other agreements, breach of certain covenants, material breach of representations, other defaults under the Term Facility documentation, involuntary bankruptcy, voluntary bankruptcy, judgments and attachments, dissolution, employee benefit plans, change of control, guaranties, security documents, and failure of subordinated indebtedness to be subordinated, subject to customary qualifications and limitations for materiality.

The foregoing description of the Term Facility is qualified in its entirety by reference to Splitco Term Loan Agreement, a copy of which is filed as Exhibit 10.2 hereto and is incorporated herein by reference.

U.S. borrowing obligations under the New ABL Revolver will be unconditionally guaranteed by each of the Company's existing and subsequently acquired or organized direct or indirect domestic subsidiaries (other than certain excluded subsidiaries). On the Closing Date, Splitco and its subsidiaries became guarantors under the New ABL Revolver. Canadian borrowing obligations under the New ABL Revolver will be unconditionally guaranteed by each of the Company's existing and subsequently acquired or organized direct or indirect domestic and Canadian subsidiaries (other than certain excluded subsidiaries). In addition, the Company is required to pay a commitment fee in respect of the unutilized commitments thereunder, of 0.375% of the unutilized commitments, provided that if the Company has received a corporate family credit rating of at least Ba3 from Moody's and BB- from Standard & Poor's, the fee will be reduced to 0.25% if utilization is greater than or equal to 25%. The Company must also pay customary letter of credit fees equal to the applicable margin on LIBOR loans and agency fees.

If at any time the aggregate amount of outstanding loans, unreimbursed letter of credit drawings and undrawn letters of credit under the New ABL Revolver exceeds the lesser of (1) the commitment amount and (2) the borrowing base, the Company will be required to repay outstanding loans and cash collateralize letters of credit in an aggregate amount equal to such excess, with no reduction of the commitment amount. If the amount available under the New ABL Revolver is less than \$62.5 million for a period of five consecutive business days or any event of default shall have occurred, the Company will be required to deposit cash from its material deposit accounts
