**Item 1.01 Entry into a Material Definitive Agreement.**

On March 6, 2013, KAR Auction Services, Inc. (the Company) priced an underwritten public offering (the Offering) of 13,000,000 shares (the Firm Shares) of its common stock, par value \$0.01 per share (Common Stock), at \$19.25 per share, pursuant to an underwriting agreement (the Underwriting Agreement), dated March 6, 2013, among the Company, KAR Holdings II, LLC (KAR LLC) and Credit Suisse Securities (USA) LLC, Goldman Sachs & Co. and J.P. Morgan Securities LLC, as representatives of the several underwriters named therein (collectively, the Underwriters). KAR LLC granted the Underwriters a 30-day option to purchase up to 1,950,000 additional shares of Common Stock (together with the Firm Shares, the Shares), which was exercised in full on March 8, 2013. The Shares will be sold by KAR LLC to the Underwriters at a price of \$18.48 per share. The Company will not receive any proceeds from the sale of the Shares. Subject to customary closing conditions, the Offering is expected to close on March 12, 2013.

Following the closing of the Offering, affiliates of Goldman, Sachs & Co., one of the Underwriters, will beneficially own through their investment in KAR LLC approximately 14.2% of the Company's Common Stock. Pursuant to a director designation agreement of KAR LLC, such affiliates have the right to designate a specified number of individuals to serve on the board of directors of KAR LLC. In the ordinary course of business, certain of the Underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking, commercial banking and other services for the Company and its affiliates, for which they received or will receive customary fees and expenses.

See the Certain Related Party Relationships section of the proxy statement for the Company's annual meeting of stockholders held on May 17, 2012, which was filed with the Securities and Exchange Commission (the Commission) on April 13, 2012, for a description of the director designation agreement and other material relationships between the Company and KAR LLC and its affiliates.

The offering of the Shares is being made pursuant to the Company's existing effective shelf registration statement on Form S-3 (File No. 333-174038) filed with the Commission and the related prospectus supplement and accompanying prospectus. The above description of the Underwriting Agreement is not complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, a copy of which is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated herein by reference.

**Item 8.01 Other Events.**

On March 4, 2013, the Company delivered to the holders of its Floating Rate Senior Notes due 2014 (the Notes) a notice of conditional redemption (the Notice of Conditional Redemption), notifying such holders of the Company's intent, subject to the satisfaction of the Financing Condition described below and in accordance with the indenture governing the Notes (as supplemented to date, the Indenture), to redeem on April 3, 2013 (the Redemption Date) all of the outstanding aggregate principal amount of the Notes at a redemption price of 100.000% of the outstanding aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but not including, the Redemption Date (the Redemption Price).

The redemption of the Notes and the payment of the Redemption Price on the Redemption Date are conditioned upon the amendment of the Company's credit agreement, dated as of May 19, 2011 and as thereafter amended, in order for the Company to obtain additional term loan commitments, upon the terms and conditions set forth in such amendment (the Financing Condition). In the Company's sole discretion, the Redemption Date may be delayed until such time as the Financing Condition has been satisfied to the extent permitted by the Indenture. The redemption of the Notes may not occur and the Notice of Conditional Redemption may be rescinded in the event that the Financing Condition has not been satisfied by the Redemption Date.
