**Item 1.01. Entry into a Material Definitive Agreement.**

On May 4, 2013, VNU International B.V., a company incorporated under the laws of the Netherlands ( the Seller ) and an indirect subsidiary of Nielsen Holdings N.V. and The Nielsen Company B.V. (collectively, the Registrants ), and Expo Event Transco Inc., a Delaware corporation (the Buyer ), an affiliate of Onex Corporation, entered into a Stock Purchase Agreement (the Purchase Agreement ).

Pursuant to the terms of the Purchase Agreement, subject to the satisfaction or waiver of certain conditions set forth in the Purchase Agreement, on the closing date, Seller shall sell to Buyer all of the issued and outstanding shares of common stock, par value \$0.001 per share, of Nielsen Business Media Holding Company, a Delaware corporation and wholly-owned subsidiary of the Seller ( Nielsen Business Media ), for cash consideration of \$950.0 million (the Transaction ). The purchase price is subject to adjustment based upon working capital and indebtedness of Nielsen Business Media at closing.

The board of directors of Nielsen Holdings N.V. has approved the Transaction.

The Purchase Agreement includes customary representations, warranties, covenants and indemnifications by the parties. The Seller has agreed to, among other things, cause Nielsen Business Media and certain of its subsidiaries to operate their business in the ordinary course until the closing date. The Seller has also agreed to certain non-competition, non-solicitation and exclusivity restrictions. In addition, certain covenants require each of the parties to use reasonable best efforts to cause the Transaction to be consummated.

The closing of the Transaction is subject to various customary closing conditions, including, (i) filings made pursuant to the Hart-Scott Rodino Antitrust Improvements Act of 1976, as amended, having been made and the applicable waiting period and any extensions thereof having expired or been terminated; (ii) the absence of any order, judgment or ruling enjoining or prohibiting the Transaction, (iii) the accuracy of the representations and warranties made by the parties, except where the failure to be true and correct would not result in a material adverse effect and (iv) the performance by the parties in all material respects of their covenants, obligations and agreements under the Purchase Agreement.

The Purchase Agreement contains certain termination rights and provides that upon termination of the Purchase Agreement by the Seller upon specified conditions, including a termination by the Seller upon a Terminating Breach (as defined in the Purchase Agreement) on the part of Buyer or Buyer's failure to close under certain circumstances when all conditions to closing have been satisfied or waived, Buyer will be required to pay the Seller a termination fee of \$61.75 million. In addition, subject to certain exceptions and limitations, either party may terminate the Purchase Agreement if the Transaction is not consummated by August 16, 2013 (as such date may be extended under certain circumstances).
