SAIC, Inc. (Company) previously scheduled an Investor Conference for July 17 and 18, 2013, to present the capabilities and certain financial information regarding Leidos and New SAIC, the two companies that will result from the Company's expected separation transaction. The Company initially set the Investor Conference for mid-July in anticipation that the separation transaction would occur as early as August 2013. The Company continues to make progress working through details of the separation transaction and continues to expect the spin-off to occur during the second half of the Company's fiscal year, subject to the final approval of the Board of Directors. The Company currently intends to reschedule the Investor Conference and to notify analysts and institutional investors of the new date once the conference details become available.
