Section 1 Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement

On September 23, 2013, Continental Wind, LLC (the Issuer) (an indirect subsidiary of Exelon Corporation and Exelon Generation Company, LLC), the Issuer's direct parent, Continental Wind Holding, LLC (Holding) and the Issuer's subsidiaries (collectively, with Holding, the CW Entities) entered into a purchase agreement (the Purchase Agreement) with RBS Securities Inc., Barclays Capital Inc. and Citigroup Global Markets Inc., as representatives of the several initial purchasers named in Schedule I thereto (collectively, the Initial Purchasers), relating to the sale by the Issuer to the Initial Purchasers of \$613.0 million aggregate principal amount of the Issuer's 6.000% Senior Secured Notes due 2033 (the Notes). The Issuer's obligations under the Notes will be, jointly and severally, fully and unconditionally guaranteed, on a senior basis, by the CW Entities (collectively, the Guarantors). The net proceeds from the Notes offering are estimated to be approximately \$591.0 million, after deducting the initial purchasers discount and estimated costs, fees and expenses incurred in connection with the offering and the transactions contemplated thereby. The Issuer expects to distribute the net proceeds from the offering to Exelon Generation Company, LLC for its general corporate purposes. The Purchase Agreement contains customary representations, warranties and indemnities by the Issuer and Guarantors in favor of the Initial Purchasers. The sale of the Notes to the Initial Purchasers pursuant to the Purchase Agreement is expected to close on September 30, 2013. The closing is subject to the satisfaction or waiver of customary conditions.

The Notes will be offered and sold to the Initial Purchasers pursuant to an exemption from the registration requirements under the Securities Act of 1933, as amended (the Securities Act). The Initial Purchasers intend to resell the Notes in private sales exempt from registration under the Securities Act (i) within the United States to qualified institutional buyers, as defined in Rule 144A under the Securities Act (Rule 144A), in accordance with Rule 144A and (ii) to other eligible purchasers pursuant to offers and sales that occur outside the United States in accordance with Regulation S under the Securities Act. The Notes have not been registered under the Securities Act or applicable state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.
