Item 1.01 Entry Into a Material Definitive Agreement.

In connection with the Merger (as defined in Item 2.01 below), Vidara Therapeutics International Public Limited Company, a public limited company incorporated under the laws of Ireland (now Horizon Pharma Public Limited Company) (the Company or Vidara), entered into the following agreements:

Temporary Escrow Agreement

The information set forth under Item 2.01 below concerning the entry into the Temporary Escrow Agreement (the Escrow Agreement) made and entered into as of September 19, 2014, by and among Vidara Therapeutics Holdings LLC, a Delaware limited liability company (Holdings), Horizon Pharma, Inc., a Delaware corporation (Horizon) and Citibank, National Association (Citibank), as escrow agent, is incorporated by reference in response to this item.

Indemnification Agreements

On September 19, 2014, the board of directors of the Company approved the form of indemnification agreement (the Company Indemnification Agreement) to be entered into on or after the effective time of the Merger between the Company and its directors and executive officers. The Company Indemnification Agreement requires the Company, under the circumstances and to the extent provided for therein, to indemnify such persons to the fullest extent permitted by applicable law against certain expenses and other amounts incurred by any such person as a result of such person being made a party to certain actions, suits and proceedings by reason of the fact that such person is or was a director or executive officer of the Company or was serving at the request of the Company as a director, executive officer, employee, agent or fiduciary of the Company s affiliated enterprises. The rights of each person who is a party to a Company Indemnification Agreement are in addition to any other rights such person may have under the Irish Companies Acts 1963 to 2013, the Company s Memorandum and Articles of Association and any resolutions adopted pursuant thereto. Due to more restrictive provisions of Irish law in relation to the indemnification of directors and officers, the Company s directors and executive officers have also entered into indemnification agreements with Horizon that are substantially similar to the Company Indemnification Agreement but are governed by Delaware law (the Horizon Indemnification Agreement). The foregoing is only a brief description of the forms of Company Indemnification Agreement and Horizon Indemnification Agreement, does not purport to be a complete description of the rights and obligations of the parties thereunder and is qualified in its entirety by reference to the form of Company Indemnification Agreement and form of Horizon Indemnification Agreement, copies of which are filed as Exhibit 10.1 and Exhibit 10.2, respectively, to this Current Report on Form 8-K.

First Supplemental Indenture

In connection with the Merger (as defined in Item 2.01 below), Horizon and the Company executed a supplemental indenture dated as of September 19, 2014 (the First Supplemental Indenture) with U.S Bank National Association (the Trustee) to the indenture dated as of November 22, 2013 between Horizon and the Trustee (the Original Indenture) relating to Horizon s 5.00% Convertible Senior Notes due 2018 (the Notes), as supplemented by the First Supplemental Indenture (the Indenture). Pursuant to the First Supplemental Indenture, Horizon remains the obligor of the Notes and the Company agreed to fully and unconditionally guaranty the obligations of Horizon under the Indenture (the Guaranty). The First Supplemental Indenture also provides that the conversion value of the Notes will be calculated by reference to the ordinary shares of the Company, rather than the common stock of Horizon, and any shares issuable upon conversion of the Notes will be settled in ordinary shares of the Company, rather than shares of the common stock of Horizon. In addition, the Company has assumed the disclosure obligations required by the Original Indenture.

Under the Guaranty, the Company has agreed to pay the principal of and interest on the Notes promptly and in full if Horizon fails to make such payment. The total amount of that obligation is currently \$150,000,000 (excluding accrued and unpaid interest). The Indenture provides for customary events of default which are applicable to the Guaranty.

Those customary events of default, which are set forth in Article 6 of the Indenture, include nonpayment of principal or interest, breach of covenants in the Indenture, payment defaults of other indebtedness, failure to pay certain judgments and certain events of bankruptcy. Generally, if an event of default occurs, the Trustee or holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare the Notes to be immediately due and payable.

The foregoing is only a brief description of the First Supplemental Indenture, does not purport to be a complete description of the rights and obligations of the parties thereunder and is qualified in its entirety by reference to the First Supplemental Indenture, a copy of which is filed as Exhibit 4.1 to this Current Report on Form 8-K.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On September 19, 2014, Hamilton Merger Sub, Inc., a Delaware corporation and an indirect wholly-owned subsidiary of Vidara (Merger Sub), merged with and into Horizon (the Merger), with Horizon continuing as the surviving corporation and as a wholly-owned subsidiary of Vidara. In connection with the consummation of the Merger, Vidara changed its name to Horizon Pharma Public Limited Company. Vidara also completed a reorganization of its capital structure (the Reorganization) prior to the closing of the Merger.

At the effective time of the Merger (the Effective Time), (i) each share of Horizon s common stock issued and outstanding was converted into one ordinary share of the Company; (ii) each equity plan of Horizon was assumed by the Company and each outstanding option under Horizon s equity plans was converted into an option to acquire the number of ordinary shares of the Company equal to the number of shares of common stock underlying such option immediately prior to the Effective Time at the same exercise price per share as such Horizon option, and each other stock award that was outstanding under Horizon s equity plans was converted into a right to receive, on substantially the same terms and conditions as were applicable to such equity award before the Effective Time, the number of ordinary shares of the Company equal to the number of shares of common stock of Horizon subject to such stock award immediately prior to the Effective Time; (iii) each warrant to acquire Horizon common stock outstanding immediately prior to the Effective Time and not terminated as of the Effective Time was converted into a warrant to acquire, on substantially the same terms and conditions as were applicable under such warrant before the Effective Time, the number of ordinary shares of the Company equal to the number of shares of common stock underlying such warrant immediately prior to the Effective Time; and (iv) the Notes remain outstanding and, pursuant to the First Supplemental Indenture, are convertible into the same number of ordinary shares of the Company at the same conversion rate in effect immediately prior to the Effective Time. After giving effect to the Reorganization, at the closing of the Merger, Holdings received a cash payment of \$210,871,490 and will retain 31,350,000 ordinary shares of the Company. Following the Merger, on a fully-diluted basis, the security holders of Horizon (excluding the holders of the convertible notes) own approximately 74% of the Company and Holdings owns approximately 26% of the Company. Immediately following the closing of the Merger, the Company had outstanding 106,130,396 ordinary shares.

The foregoing is only a brief description of the Merger, does not purport to be complete and is qualified in its entirety by reference to the Transaction Agreement and Plan of Merger, dated March 18, 2014, as amended (the Merger Agreement), by and among Vidara, Holdings, Horizon, Hamilton Holdings (USA), Inc., a Delaware corporation and an indirect wholly-owned subsidiary of Vidara (U.S. HoldCo), and Merger Sub, a copy of which is filed as Exhibit 2.1 to Horizon s Current Report on Form 8-K filed with the Securities and Exchange Commission (the Commission) on March 20, 2014, and to the description of the Merger Agreement included under the heading Transaction Agreement and Plan of Merger in Horizon s definitive proxy statement on Schedule 14A, filed with the Commission on August 7, 2014 (the Proxy Statement/Prospectus).

On September 19, 2014, in connection with the consummation of the Merger, Holdings, Horizon and Citibank entered into the Escrow Agreement, pursuant to which, among other things, \$2,750,000 of the cash consideration payable to Holdings at the closing of the Merger was deposited into an escrow account to be used to pay amounts payable to the Company, if any, as a result of post-closing adjustments to the consideration payable to Holdings. Citibank, as escrow agent, may disburse funds held within the escrow account only upon the receipt of joint written instruction executed by Holdings and Horizon. Subject to certain exceptions, the Escrow Agreement will terminate on the earliest to occur of the date that the escrow fund is fully distributed in accordance with the terms of the Escrow Agreement or the

delivery to the Escrow Agent of a written notice of termination executed by Horizon and Holdings. The foregoing is only a brief description of the Escrow Agreement, does not purport to be complete and is qualified in its entirety by reference to the Escrow Agreement, a copy of which is filed as Exhibit 10.3 to this Current Report on Form 8-K.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As previously announced, Horizon, as initial signatory, entered into a Credit Agreement (the *Credit Agreement*) with the lenders from time to time party thereto (each a *Lender* and collectively the *Lenders*), and Citibank, as administrative agent and collateral agent, and effective from and after the effective date of the Merger (the *Closing Date*), U.S. Holdco and the other borrowers from time to time party thereto (each a *Borrower* and collectively, the *Borrowers*), providing for (i) a five-year \$300,000,000 term loan facility (the *Term Loan Facility*), the proceeds of which were used in part to effect the Merger and to pay fees and expenses in connection therewith and will be used in part for general corporate purposes, (ii) an uncommitted accordion facility subject to the satisfaction of certain financial and other conditions, and (iii) one or more uncommitted refinancing loan facilities with respect to loans under the Credit Agreement. The Credit Agreement allows for the Company and other subsidiaries of the Company to become borrowers under the accordion facility. On September 19, 2014, U.S. HoldCo borrowed the entire \$300,000,000 available under the Term Loan Facility. Loans under the Term Loan Facility bear interest, at each Borrower's option, at a rate equal to either the LIBOR rate, plus an applicable margin of 8.00% per annum (subject to a 1.00% LIBOR floor), or the prime lending rate, plus an applicable margin equal to 7.00% per annum.

The Borrowers' obligations under the Credit Agreement and any swap obligations entered into with a Lender are guaranteed by the Company and each of the Company's existing and subsequently acquired or organized direct and indirect subsidiaries (other than certain immaterial subsidiaries, subsidiaries whose guarantee would result in material adverse tax consequences and subsidiaries whose guarantee is prohibited by applicable law, collectively, the *Guarantors*). The Borrowers and the Guarantors are individually and collectively referred to in this Current Report on this Form 8-K as a *Loan Party* and the *Loan Parties*, as applicable.

The Borrowers' obligations under the Credit Agreement are secured, subject to customary permitted liens and other agreed upon exceptions, by a perfected security interest in (i) all tangible and intangible assets of the Loan Parties, except for certain customary excluded assets, and (ii) all of the capital stock owned by the Loan Parties (limited, in the case of the stock of certain non-U.S. subsidiaries of U.S. HoldCo, to 65% of the capital stock of such subsidiaries).

U.S. HoldCo is permitted to make voluntary prepayments of loans under the Term Loan Facility, except that (i) a specified make-whole amount would apply to any repayment or repricing prior to the second anniversary of the Closing Date, (ii) a 4% premium would apply to any repayment or a repricing on or prior to the third anniversary of the Closing Date, and (iii) a 2% premium would apply to any repayment or a repricing on or prior to the fourth anniversary of the Closing Date. U.S. HoldCo is required to make mandatory prepayments of loans under the Term Loan Facility (without payment of a premium) with (a) net cash proceeds from certain non-ordinary course asset sales (subject to reinvestment rights and other exceptions), (b) casualty proceeds and condemnation awards (subject to reinvestment rights and other exceptions), and (c) net cash proceeds from issuances of debt (other than certain permitted debt).

The Credit Agreement contains customary representations and warranties and customary affirmative and negative covenants applicable to the Loan Parties and their restricted subsidiaries, including, among other things, restrictions on indebtedness, liens, investments, mergers, dispositions, prepayment of other indebtedness and dividends and other distributions.

Events of default under the Credit Agreement include: (i) the failure by the Borrowers to timely make payments due under the Credit Agreement; (ii) material misrepresentations or misstatements in any representation or warranty by any Loan Party when made; (iii) failure by any Loan Party to comply with the covenants under the Credit Agreement and other related agreements; (iv) certain defaults under a specified amount of other indebtedness of the Company or its subsidiaries; (v) insolvency or bankruptcy-related events with respect to the Company or any of its material subsidiaries; (vi) certain undischarged judgments against the Company or any of its restricted subsidiaries; (vii) certain ERISA-related events reasonably expected to have a material adverse effect on the Company and its

subsidiaries taken as a whole; (viii) certain security interests or liens under the loan documents ceasing to be, or being asserted by the Company or its restricted subsidiaries not to be, in full force and effect; and

(ix) any loan document or material provision thereof ceasing to be, or any proceeding being instituted asserting that such loan document or material provision is not, in full force and effect. If one or more events of default occurs and continues beyond any applicable cure period, the administrative agent may, with the consent of the Lenders holding a majority of the loans and commitments under the facilities, or will, at the request of such Lenders, terminate the commitments of the Lenders to make further loans and declare all of the obligations of the Loan Parties under the Credit Agreement to be immediately due and payable.

The description of the Credit Agreement set forth in this Item 2.03 is qualified in its entirety by reference to the full text of the Credit Agreement, a copy of which is filed as Exhibit 99.2 to Horizon's Current Report on Form 8-K filed with the Commission on June 19, 2014.

The information set forth under Item 1.01 above concerning the entry into the First Supplemental Indenture is incorporated by reference in response to this item.

Item 3.03 Material Modification to Rights of Security Holders.

The Memorandum and Articles of Association for the Company were amended and restated as of September 19, 2014. The Memorandum and Articles of Association as amended and restated are filed as Exhibit 3.1 to this Current Report on Form 8-K.

As a consequence of the amendment and restatement of the Memorandum and Articles of Association, the rights of the holders of the ordinary shares of the Company, nominal value \$0.0001 per share, were modified. A description of the share capital of the Company, after giving effect to the amendment and restatement, and the resulting rights of the holders of ordinary shares, is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference herein.

The information set forth under Item 1.01 above concerning the entry into the First Supplemental Indenture is incorporated by reference in response to this item.

Item 4.01 Changes in Registrant's Certifying Accountant.

For accounting purposes, the Merger described in Item 2.01 of this Current Report on Form 8-K is treated as a reverse acquisition of Vidara by Horizon, which is considered the accounting acquirer. As a result of the transaction being a reverse acquisition, the Horizon financial statements became the historical financial statements of the Company, and the Company's future filings with the Commission will reflect Horizon's historical financial condition and results of operations shown for comparative purposes. Prior to consummation of the Merger, Horizon's historical financial statements were audited by PricewaterhouseCoopers LLP (United States) (PwC United States), and Vidara's historical financial statements were audited by Habif, Arogeti & Wynne LLP (HAW).

Dismissal of Independent Registered Public Accounting Firm

The Company decided to engage PwC United States as the Company's independent registered public accountants to audit the financial statements of the Company and its consolidated subsidiaries. As an Irish company, the Company's statutory auditor is required under the Irish Companies Act 1963 to 2013 to be based in Ireland. Accordingly, the Company decided to engage PricewaterhouseCoopers LLP (Ireland) (PwC Ireland) as the Company's statutory auditor. In order to implement this decision, on September 19, 2014, in connection with but prior to consummation of the Merger, the board of directors of Vidara, in consultation with the Audit Committee of the board of directors of Horizon, approved (i) the engagement of PwC United States as the Company's independent registered public

accountants to audit the financial statements of the Company and its consolidated subsidiaries, and (ii) the engagement of PwC Ireland as the Company's statutory auditor, each such engagement to be effective upon consummation of the Merger. As a consequence of the Merger and such engagement, HAW will no longer audit Vidara's financial statements.

HAW audited Vidara's financial statements for the fiscal years ended December 31, 2012 and 2013. For the fiscal years ended December 31, 2012 and 2013, no report by HAW on Vidara's financial statements contained an adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2012 and 2013 and the subsequent interim period through September 19, 2014, (i) there have been no disagreements with HAW on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to HAW's satisfaction, would have caused HAW to make reference to the subject matter of the disagreement in connection with its report, and (ii) there were no reportable events of the type described in Item 304(a)(1)(v) of Regulation S-K.

The Company has provided HAW with a copy of the disclosures contained in this Item 4.01 and requested that HAW furnish a letter addressed to the Commission stating whether it agreed with those disclosures. A copy of such letter, dated September 19, 2014, is filed as Exhibit 16.1 to this Current Report on Form 8-K.

Engagement of a New Independent Registered Public Accounting Firm

As noted above, in order to implement the Company's decision to engage PwC United States as its independent registered public accountants and PwC Ireland as its statutory auditor, on September 19, 2014, in connection with but prior to consummation of the Merger, the Vidara board of directors, in consultation with the Audit Committee of the board of directors of Horizon, approved the engagement of PwC United States as the Company's independent registered public accountants to audit the financial statements of the Company and its consolidated subsidiaries and PwC Ireland as the Company's statutory auditor, each such engagement to be effective upon consummation of the Merger.

During the fiscal years ended December 31, 2011 and 2012, and during the subsequent interim period through September 19, 2014, neither Horizon (as accounting acquirer and predecessor of the Company) nor anyone acting on its behalf consulted PwC United States or PwC Ireland regarding any matters identified within Items 304(a)(2)(i) and (ii) of Regulation S-K.

Item 8.01 Other Events.*Registration Rights Agreement*

On September 1, 2014, the Company, Holdings, and certain members of Holdings (Holdings and such members of Holdings collectively, the Rights Parties) entered into a registration rights agreement (the Registration Rights Agreement). Pursuant to the Registration Rights Agreement, the Company agreed to register for resale under the Securities Act of 1933, as amended (the Securities Act), the ordinary shares of the Company held by the Rights Parties (or their permitted transferees) on the date of the closing of the Merger, immediately after giving effect to such closing (such shares, the Registrable Shares). Under the Registration Rights Agreement, the Company agreed to file a registration statement with the Commission covering the resale of all of the Registrable Shares and to use its reasonable best efforts to cause such registration statement to become effective under the Securities Act as soon as reasonably practicable after the closing of the Merger and to keep such registration statement continuously effective until the earlier of such time as all of the Registrable Shares have been publicly sold by the Rights Parties or the registration rights of the Rights Parties expire under the Registration Rights Agreement. Under the Registration Rights Agreement, holders of Registrable Shares will be entitled to sell Registrable Shares in underwritten public offerings, provided that the aggregate amount of Registrable Shares to be offered and sold in the underwritten public offering is reasonably expected to result in aggregate gross proceeds of not less than \$25 million, subject to the Company's ability to defer facilitating such an underwritten public offering under certain circumstances.
