- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

**PART III NARRATIVE**

The principal reason that we cannot file our annual report on Form 10-K within the prescribed period without unreasonable effort is that we have not yet completed management's assessment of the effectiveness of our internal controls over financial reporting. The process was more time-consuming than anticipated, because of a reliance on many manual processes and the significant effort to document and test internal controls across the subsidiaries in Europe and Asia that were part of our ultra pure chemicals acquisition in May 2013. We expect that we will be able to complete the work necessary to file our Form 10-K for the fiscal year ended July 31, 2013 within the fifteen day extension period provided by Rule 12b-25.
