If you give instructions, your votes will be cast in accordance with your instructions. If you return your signed Proxy Card without instructions, your votes will be cast (i) **FOR** the election of the four Directors named in Proposal 1 and (ii) **FOR** the ratification of the selection of an independent registered public accounting firm for the Fund (Proposal 2). Your votes will be cast in the discretion of the Proxy holders on any other matter that may properly have come before the Meeting and any postponement or adjournment thereof, including, but not limited to, proposing and/or voting on the adjournment or postponement of the Meeting with respect to one or more Board proposals in the event that sufficient votes in favor of any Board proposal are not received. If you execute, date and submit a proxy card that is received by the Fund prior to the Meeting, you may revoke that proxy or change it by written notice to the Fund (Attention: Secretary) by submitting a subsequently executed and dated proxy card, by authorizing your proxy by telephone or Internet on a later date or by attending the Meeting and casting your vote in person. Attending the Meeting will not automatically revoke your prior proxy.

The close of business on February 26, 2015 has been fixed as the record date for the determination of Stockholders entitled to notice of, and to vote at, the Meeting and any adjournment or postponement thereof. On that date, the Fund had outstanding 15,344,384 shares of common stock, par value \$0.01 per share (the Common Stock), each share being entitled to one vote. For all matters to be voted upon, an abstention or broker non-vote will not be considered a vote cast. Abstentions and broker non-votes, if any, will be considered present for the purpose of determining the presence of a quorum. For purposes of the vote on the election of each nominee for Director (Proposal 1), abstentions and broker non-votes, if any, with respect to a Director will have the same effect as a vote against that Director. For purposes of the vote on ratification of the selection of an independent registered public accounting firm (Proposal 2), abstentions and broker non-votes, if any, will have no effect on the result of the vote.

The presence in person or by proxy of Stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall constitute a quorum. In the event that a quorum is not present at the Meeting or, even if a quorum is so present, in the event that sufficient votes in favor of any Board proposal (including the election of each of the Board

nominees for Director) are not received and tabulated prior to the time the Meeting is called to order, the chairman of the Meeting may adjourn the Meeting with no notice other than an announcement at the

Meeting and further solicitation may be made with respect to such Board proposal. If a vote to adjourn the Meeting with respect to one or more of the Board's proposals is called, the votes of Stockholders indicating a vote for, or not providing instructions with respect to, a Board proposal in their Proxies will be cast for adjournment with respect to that proposal and votes of Stockholders indicating a vote against such a Board proposal will be cast against adjournment with respect to that proposal.

Proposal 1

Election of Directors

The Fund's stockholders elect members of the Fund's Board of Directors (the Board) that oversee the Fund's operations. The Board is presently comprised of nine Directors. Under the current Board policy, members generally serve until the end of the calendar year in which he or she reaches either the mandatory retirement age established by the Board or the fifteenth anniversary of the first Board meeting they attended as a member of the Board. The Board is divided into three classes, each of which currently consists of three Directors. Members of each class hold office for a term of three years and until their successors are elected and qualify. The term of one class expires each year.

At the Meeting, four Directors are to be elected. Mr. William Hawkins, whose term will expire in 2017, and Meses. Kathleen Blatz, Pamela G. Carlton, and Alison Taunton-Rigby, each of whose current term will expire at the 2015 Meeting, have been unanimously recommended by the Board Governance Committee of the Board and the Board for election to their respective class until the expiration of their term, and when their successors are elected and qualify.

It is the intention of the persons named in the accompanying form of Proxy to nominate and to cast your votes for the election of each of Meses. Blatz, Carlton, and Taunton-Rigby and Mr. Hawkins. Meses. Blatz, Carlton, and Taunton-Rigby were last elected by Stockholders at the 2012 Annual Meeting. Mr. Hawkins was unanimously elected by the Board to serve as a member of the Board effective March 2, 2015, filling a seat vacated by Mr. Stephen R. Lewis, Jr. upon his retirement from the Board on January 1, 2015. Each nominee has agreed to serve if elected. There is no reason to believe that any of the nominees will become unavailable for

election as a Director of the Fund, but if that should occur before the Meeting, votes will be cast for the persons the Board Governance Committee and the Board recommend.

Background information regarding Meses. Blatz, Carlton, and Taunton-Rigby and Mr. Hawkins, as well as the other Directors of the Fund, follows. Each member, except Mr. Truscott, currently oversees 132 portfolios in the Columbia Family of Funds managed by Columbia Management, including the Fund, with Mr. Truscott overseeing 189 portfolios.

Section 16(a) Beneficial Ownership Reporting Compliance

During the year ended 2014, as a result of an administrative error, fractional shares of Fund stock were sold in connection with the transfer of Ms. Catherine James Paglia's brokerage account from one firm to another. Because the sale of the fractional shares was not expressly authorized by Ms. Paglia, a late Form 4 was filed after she became aware of the transaction.

Responsibilities of Board with respect to Fund management

The Board is chaired by an independent Director who has significant additional responsibilities compared to the other Board members, including, among other things: setting the agenda for Board meetings, communicating and meeting regularly with Board members between Board and committee meetings on Fund-related matters with the Fund's Chief Compliance Officer (CCO), counsel to the independent Directors, and representatives of the Fund's service providers and overseeing Board Services Corporation.

The Board initially approves an Investment Management Services Agreement (the Management Agreement) and other contracts with the Manager and its affiliates, and other service providers. The Management Agreement was most recently re-approved by the Board at a meeting held in April 2014. Once the contracts are approved, the Board

monitors the level and quality of services including commitments of service providers to achieve expected levels of investment performance and stockholder services. Annually, the Board evaluates the services received under the contracts by reviewing, among other things, reports covering investment performance, stockholder services, marketing, and the Manager's profitability in order to determine whether to continue existing contracts or negotiate new contracts. The Manager is responsible for day-to-day management and administration of the Fund and management of the risks that arise from the Fund's investments and operations. The Board's oversight of the Manager and other service providers in the operation of the Fund includes oversight with respect to various risk management functions. The Fund is subject to a number of risks, including investment, compliance, operational, and valuation risks, among others. Day-to-day risk management functions are subsumed within the responsibilities of the Manager and other service providers (depending on the

nature of the risk) who carry out the Fund's investment management and business affairs. Each of the Manager and other service providers has its own, independent interest in risk management, and its policies and methods of carrying out risk management functions will depend, in part, on its analysis of the risks, functions and business models.

Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and committee activities. As part of its regular oversight of the Fund, the Board, directly or through a committee, interacts with and reviews reports from, among others, the Manager, the independent registered public accounting firm for the Fund, and internal auditors for the Manager or its affiliates, as appropriate, regarding risks faced by the Fund and relevant risk functions. The Board also meets periodically with the Fund's CCO, to receive reports regarding the compliance of the Fund and its principal service providers with the federal securities laws and their internal compliance policies and procedures. The Board, with the assistance of the Investment Review Committee, reviews investment policies in connection with its review of the Fund's performance, and meets periodically with the portfolio managers of the Fund to receive reports regarding the management of the Fund, including various investment risks. As part of the Board's periodic review of the Fund's advisory and other service provider agreements, the Board may consider risk management aspects of their operations and the functions for which they are responsible. In addition, the Board oversees processes that are in place to assure compliance with applicable rules, regulations and investment policies and addresses possible conflicts of interest. The Board of Directors met 8 times during the fiscal year ended December 31, 2014.

Committees of the Board

The Board has organized the following standing committees to facilitate its work: Board Governance Committee, Compliance Committee, Contracts Committee, Executive Committee, Investment Review Committee and Audit Committee. These committees are comprised solely of Directors who are not interested persons of the Fund as that term is defined in the Investment Company Act of 1940, as amended (the 1940 Act) (i.e., they are independent directors). The table above describing each Director also includes their respective committee memberships. The duties of these committees are described below.

Mr. Carmichael, as Chair of the Board, acts as a point of contact between the independent Directors and the Manager between Board meetings in respect of general matters.

Board Governance Committee. Recommends to the Board the size, structure and composition of the Board and its committees; the compensation to be paid to members of the Board; and a process for evaluating the Board's performance. The committee also reviews candidates for Board membership, including candidates recommended by stockholders. The committee also makes recommendations to the Board regarding responsibilities and duties of the Board, oversees proxy voting and supports the work of the Board Chair in relation to furthering the interests of the Fund and other funds in the Columbia Family of Funds overseen by the Board and their shareholders on external matters

To be considered as a candidate for Director, recommendations must include a curriculum vitae and be mailed to the Chair of the Board, Columbia Family of Funds, 901 Marquette Avenue South, Suite 2810, Minneapolis, Minnesota 55402-3268. To be timely for consideration by the committee, the submission, including all required information, must be submitted in writing not less than 120 days before the date of the proxy statement for the previous year's annual meeting of stockholders. The committee will consider only one candidate submitted by such a stockholder or group for nomination for election at a meeting of stockholders. The committee will not consider self-nominated candidates or candidates nominated by members of a candidate's family, including such candidate's spouse, children, parents, uncles, aunts, grandparents, nieces and nephews. Stockholders who wish to submit a candidate for nomination directly to the Fund's stockholders must follow the procedures described in the Fund's Bylaws, as posted to the website www.columbiamanagement.com.

The committee will consider and evaluate candidates submitted by the nominating stockholder or group on the basis of the same criteria as those used to consider and evaluate candidates submitted from other sources. The committee may take into account a wide variety of factors in considering Director candidates, including (but not limited to): (i) the candidate's knowledge in matters relating to the investment company industry; (ii) any experience possessed by the candidate as a director or senior officer of other public or private companies; (iii) the candidate's educational background; (iv) the candidate's reputation for high ethical standards and personal and professional integrity; (v) any specific financial, technical or other expertise possessed by the candidate, and the extent to which such expertise would complement the Board's existing mix of skills and qualifications; (vi) the candidate's perceived ability to contribute to the ongoing functions of the Board, including the candidate's ability and commitment to attend meetings regularly, work collaboratively with other members of the Board and carry out his or her duties in the best interests of the Fund; (vii) the candidate's ability to qualify as an independent director; and (viii) such other criteria as the committee determines to be relevant in light of the existing composition of the Board and any anticipated vacancies or other factors.

Members of the committee (and/or the Board) also meet personally with each nominee to evaluate the candidate's ability to work effectively with other members of the Board, while also exercising independent judgment. Although the Board does not have a formal diversity policy, the Board endeavors to comprise itself of members with a broad mix of professional and personal backgrounds. Thus, the committee and the Board accorded particular weight to the individual professional background of each independent Director.

The Board believes that the Fund is well-served by a Board, the membership of which consists of persons that represent a broad mix of professional and personal backgrounds. In considering nominations, the committee takes the following matrix into account in assessing how a candidate's professional background (which is reflected in the biographical information included in the Directors' table above) would fit into the mix of experiences represented by the then-current independent Board.

With respect to the Board membership of Mr. Truscott, who is not an independent Director, the committee and the Board have concluded that having a senior member of the Manager serve on the Board can facilitate increased access to information regarding the Fund's Manager for the independent Directors, which is the Fund's most significant service provider. The committee held 6 meetings during the fiscal year ended December 31, 2014.

Compliance Committee. Supports the Fund's maintenance of a strong compliance program by providing a forum for independent Directors to consider compliance matters impacting the Fund or its key service providers; developing and implementing, in coordination with the CCO, a process for the review and consideration of compliance reports that are provided to the Board; and providing a designated forum for the Fund's CCO to meet with independent Directors on a

regular basis to discuss compliance matters. The committee held 5 meetings during the fiscal year ended December 31, 2014.

Contracts Committee. Reviews and oversees the contractual relationships with service providers. - (c) Mr. Hawkins became a Director of the Fund on March 2, 2015. Prior to such date and currently he serves on the boards of directors/trustees of other funds in the Columbia Family of Funds.

No compensation is paid by the Fund or other funds in the Columbia Family of Funds to Directors or officers of the Fund or other funds in the Columbia Family of Funds, as applicable, who are employees or officers of the Manager or its affiliates.

The independent Board members determine the amount of compensation that they receive, including the amount paid to the Chairman of the Board. In determining compensation for the independent Board members, the independent Board members take into account a variety of factors including, among other things, their collective significant work experience (e.g., in business and finance, government or academia). The independent Board members also recognize that these individuals' advice and counsel are in demand by other organizations, that these individuals may reject other opportunities because of the demands of their duties as independent Board members, and that they undertake significant legal responsibilities. The independent Board members also consider the compensation paid to independent board members of other fund complexes of comparable size and, in doing so, they seek to set their compensation from the Columbia fund complex at a level that approximates or is lower than the median level of compensation paid by such other comparable complexes. In determining the compensation paid to the Chairman, the independent Board members take into account, among other things, the Chairman's significant additional responsibilities (e.g., setting the agenda for Board meetings, communicating or meeting regularly with the Fund's CCO, counsel to the independent Board members, and the Fund's service providers), which result in a significantly greater time commitment required of the Chairman. The Chairman's compensation, therefore, has generally been set at a level higher than the other independent Board members.

The independent Board members, other than the Board Chairman, are paid an annual retainer of \$190,000 with respect to all funds in the Columbia Family of Funds overseen by them, \$10,000 of which is allocated from the Fund and one other closed-end fund (collectively, the Closed-End Funds) based, in part, on the relative assets of the Closed-End Funds. The Independent Trustees also receive the following compensation from funds in the Columbia Family of Funds other than the Closed-End Funds: committee Chairs each receive an additional annual retainer of \$20,000 and sub-committee chairs each receive an additional annual retainer of \$5,000. In addition, independent Board members are paid the following fees for attending Board and committee meetings: \$5,000 per day for in-person Board meetings and \$2,500 per day for in-person committee or sub-committee meetings (if such meetings are not held on the same day as a Board meeting). Independent Board members are not paid for special meetings conducted by telephone. The Board's Chairman will receive total annual cash compensation of \$410,000, of which \$10,000 is allocated from the Closed-End Funds.

The independent Board members may elect to defer payment of up to 100% of the compensation they receive in accordance with a Deferred Compensation Plan (the Deferred Plan). Under the Deferred Plan, a Board member may elect to have his or her deferred compensation treated as if it had been invested in shares of one or more of the funds in the Columbia Family of Funds, and the amount paid to the Board member under the Deferred Plan will be determined based on the performance of such investments. Distributions may be taken in a lump sum or over a period of years. The Deferred Plan will remain unfunded for federal income tax purposes under the Internal Revenue Code of 1986, as amended. It is anticipated that deferral of Board member compensation in accordance with the Deferred Plan will have, at most, a negligible impact on the Fund's assets and liabilities.

The Fund's Bylaws require each Director to be elected by the affirmative vote of the holders of a majority of the votes entitled to be cast in the election of a Director.

Proposal 2

Ratification of Selection of Independent Registered Public Accounting Firm

On January 28, 2015, the Audit Committee of the Board of Directors recommended and the Board of Directors, including a majority of those members who are not interested persons of the Fund (as defined in the 1940 Act), approved PricewaterhouseCoopers LLP (PwC) as the independent registered public accounting firm to serve as auditors of the Fund for 2015. PwC began service as the Fund's independent registered public accounting firm effective in the third quarter of 2012.

Neither the Fund's Charter nor its Bylaws require that the stockholders ratify the selection of PwC as the Fund's independent registered public accounting firm. The Board of Directors is submitting this matter to the stockholders as a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain PwC, but may determine to nonetheless retain such independent registered public accounting firm. Even if the selection is ratified, the Audit Committee and the Board in their discretion may change the selection at any time during the year if they determine that such change would be in the best interests of the Fund. It is intended that the persons named in the accompanying form of proxy will vote FOR the ratification of the selection of PwC. A representative of PwC will be in attendance at the Meeting and will have the opportunity to make a statement and to respond to appropriate questions.

PwC, in accordance with Public Company Accounting Oversight Board Rule 3526, has confirmed to the Audit Committee that they are independent accountants with respect to the Fund.

PwC has audited the 2014 annual financial statements of the Fund and provided tax and other non-audit services to the Fund. PwC has also rendered audit and non-audit services to the Manager, and other entities controlling, controlled by, or under common control with the Manager (together, the Affiliated Service Providers).

In making its recommendation, the Audit Committee considered whether the provision by PwC to the Fund of non-audit services or of professional services to the Affiliated Service Providers is compatible with maintaining the accountants' independence and has discussed the accountants' independence with them.

Principal Accountant Fees and Services

Unless otherwise indicated, aggregate fees billed to the Fund for professional services provided to the Fund for 2014 and 2013 by PwC were as follows:

	2014	2013
AUDIT FEES*	\$ 25,000	\$ 25,000
AUDIT-RELATED FEES*	400	400
TAX FEES*	5,710	5,710
ALL OTHER FEES*		

* 100% of the services performed during 2014 and 2013 were pre-approved by the Audit Committee. Audit fees include amounts related to the audit of the Fund's annual financial statements and services normally provided by the independent registered public accounting firm in connection with statutory and

regulatory filings or engagements. Audit-related fees are for audit-related services related to the Fund's semi-annual financial statements. Tax fees include amounts related to tax compliance services rendered for the Fund.

The Audit Committee is required to pre-approve audit and non-audit services performed for the Fund by PwC. The Audit Committee also is required to pre-approve certain non-audit services performed for Columbia Management or any entity controlling, controlled by, or under common control with Columbia Management that provide services to the Fund and such services are directly related to the operations and financial reporting of the Fund. Amounts pre-approved for such services were \$210,000 in 2014 and \$110,000 in 2013 for audit related services that primarily consist of internal controls reviews. The Audit Committee pre-approves permitted services at each regularly scheduled meeting, as needed. In instances where a permitted service requires pre-approval prior to a regularly scheduled meeting, pre-approval authority is delegated to Ms. Carlton (the Committee Chair). Any such pre-approval decision is reported to the Audit Committee at its next scheduled meeting. Notwithstanding the foregoing, under certain circumstances, preapproval of non-audit services of de minimis amount is not required.

The affirmative vote of a majority of the votes cast at the Meeting is required to ratify the selection of PwC as independent registered public accounting firm for the Fund.

APPENDIX 1

COLUMBIA SELIGMAN PREMIUM TECHNOLOGY GROWTH FUND, INC.

AUDIT COMMITTEE REPORT

The Audit Committee operates pursuant to a written charter that was last amended by the Fund's Board of Directors (Board) at a November 2014 meeting. The purposes of the Audit Committee are 1) (i) to oversee the accounting and financial reporting processes of the Fund and its internal control over financial reporting; (ii) to oversee or assist Board oversight of the quality and integrity of the Fund's financial statements and the independent audits thereof; (iii) to oversee or assist Board oversight of the Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal control over financial reporting and independent audits; (iv) to approve the engagement of the Fund's independent auditors and to review and evaluate the qualifications, independence and performance of the independent auditors; and (v) to act as liaison between the independent auditors and the full Board; and 2) to prepare this report. Management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, the Fund's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors of the Fund. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Fund's independent auditors to the Manager and to any entity controlling, controlled by or under common control with the Manager that provides ongoing services to the Fund is compatible with maintaining the auditors' independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding independence, and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact independent.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above, the Audit Committee recommends the inclusion of the audited financial statements of the Fund in the Fund's annual report to Stockholders for the most recent fiscal period.
