**Item 2.01. Completion of Acquisition or Disposition of Assets**

As previously disclosed, on February 5, 2015, RadioShack Corporation (the Company) and its direct and indirect domestic subsidiaries (together with the Company, the Debtors) filed voluntary petitions for relief (the Chapter 11 Cases) under chapter 11 of title 11 of the United States Code (the Bankruptcy Code) in the United States Bankruptcy Court for the District of Delaware (the Bankruptcy Court). The Debtors are continuing in possession of their properties and are managing their businesses, as debtors in possession, in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court. The Chapter 11 Cases are being jointly administered by the Bankruptcy Court under *In re RADIOSHACK CORPORATION, et al.* (Case No. 15-10197).

On April 1, 2015, the Company completed the previously announced sale (the Sale) of 1,743 Company-owned stores and inventory to General Wireless Inc. (General Wireless) and Sprint Solutions, Inc. (Sprint) pursuant to the previously disclosed Asset Purchase Agreement, dated February 5, 2015 (as amended, the Asset Purchase Agreement), between, *inter alia*, the Company, General Wireless and Sprint. The Sale was conducted under the provisions of Section 363 of the Bankruptcy Code and approved by the Bankruptcy Court on March 31, 2015 following the completion of an auction process in which General Wireless and Sprint were declared the winning bidders.

The aggregate consideration received by the Company in the Sale was approximately \$160.7 million, consisting of approximately \$47.6 million in cash and approximately \$113.0 million in the form of a credit bid of certain secured claims held by, or subject to participations in favor of, General Wireless or its affiliates under the Credit Agreement, dated as of December 10, 2013 (as amended, the ABL Credit Agreement), among the Company, as borrower, certain subsidiaries of the Company, as guarantors, the lenders party thereto (the ABL Lenders) and Cantor Fitzgerald Securities (as successor to General Electric Capital Corporation (GE Capital)), as administrative agent for the ABL Lenders, and the Amended and Restated Debtor-In-Possession Credit Agreement, dated as of March 12, 2015 (the DIP Credit Agreement), among the Company, as borrower, certain subsidiaries of the Company, as guarantors, the lenders party thereto (the DIP Lenders) and Cantor Fitzgerald Securities, as administrative agent for the DIP Lenders.

General Wireless is an affiliate of Standard General L.P. General Retail Holdings L.P. and General Retail Funding LLC, each of which is also an affiliate of Standard General L.P., are ABL Lenders and DIP Lenders.

Prior to the Sale, Sprint and its affiliates were vendors and service providers to the Company. Sprint's prior relationship with the Company did not affect the formula or principal followed in determining the amount of consideration paid in the Sale.

See the Company's Current Report on Form 8-K filed on February 11, 2015 for more information about the Asset Purchase Agreement and the Chapter 11 Cases.

**Item 2.05. Costs Associated with Exit or Disposal Activities**

The disclosures under Item 2.01 of this Current Report on Form 8-K are incorporated herein by reference.

The Company is currently unable in good faith to make a determination of an estimate of the amount or range of amounts expected to be incurred in connection with the Sale and the Chapter 11 Cases, both with respect to each major type of cost associated therewith and with respect to the total cost, or an estimate of the amount or range of amounts that will result in future cash expenditures for such transactions.

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On April 1, 2015, Joseph C. Magnacca, Chief Executive Officer and a director of the Company, stepped down from all positions with the Company. Mr. Magnacca's resignation was effective immediately.

**Item 7.01. Regulation FD Disclosure**

On March 30, 2015, the Debtors filed their monthly operating report for the period of February 6, 2015 through February 28, 2015 (the Monthly Operating Report) with the Bankruptcy Court. The Monthly Operating Report is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The information contained in this Item 7.01, including Exhibit 99.1 attached hereto, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

**Item 8.01. Other Events**

Pursuant to interim orders entered by the Bankruptcy Court on February 6, 2015 and February 9, 2015, respectively, and the final order entered by the Bankruptcy Court on February 20, 2015, the Company is in the process of closing and/or liquidating all of its stores not included in the Sale. On March 23, 2015, the Company and certain of its subsidiaries entered into a Purchase Agreement (the Mexico Purchase Agreement) with Office Depot de México, S.A. de C.V. (Office Depot Mexico) for the sale (the Mexico Sale) of the Company's Mexican subsidiaries and certain trademarks and domain names used by them in the operation of their businesses. The purchase price for these assets is \$31.9 million in cash. The Mexico Purchase Agreement is subject to Bankruptcy Court approval and completion of the Mexico Sale is subject to customary closing conditions, including receipt of required regulatory approvals. The Company currently expects that all of its stores that have not been acquired by General Wireless in the Sale and that will not be acquired by Office Depot Mexico in the Mexico Sale will be closed by April 30, 2015.

The Company has also entered into separate asset purchase agreements under which it has agreed to sell certain intellectual property rights in Latin America and South America, certain intellectual property rights in the Middle East and Africa and a facility in West Burlington, Iowa and related assets to three other purchasers. The gross cash consideration anticipated to be received in these transactions, which are subject to Bankruptcy Court approval, is approximately \$7 million. The Company expects that its remaining assets, which include the Company's intellectual property, owned real estate and certain other assets, will be liquidated in the Chapter 11 Cases.

Holders of the Company's common stock have no interest in General Wireless or the stores and related assets acquired by General Wireless in the Sale. As previously stated, the Company believes that there will be no value for common stockholders of the Company following the Sale and completion of the bankruptcy liquidation process. Equity holders of a company in Chapter 11 bankruptcy generally receive value only if all claims of the company's secured and unsecured creditors are fully satisfied. The Company believes that the claims of its secured and unsecured creditors will not be fully satisfied following completion of the Sale, the other transactions discussed herein and the liquidation of the Company's remaining assets.
