Identiv, Inc. (the Company) is filing this Form 12b-25 with respect to its quarterly report on Form 10-Q for the period ended June 30, 2015. As reported on a Form 12b-25 filed on May 1, 2015 and another filed on May 18, 2015 with respect to its quarterly report on Form 10-Q for the period ended March 31, 2015, the Company needs additional time to complete the information called for by Item III of its Annual Report on Form 10-K, including the executive compensation information (the Part III Information) which the Company was not able to complete by the prescribed due date for the inclusion of the Part III information in such report without unreasonable effort or expense due to the circumstances described below.

The Company has been served with a complaint (the Complaint) from a former employee alleging, among other things, certain expense reimbursement issues with respect to certain executive officers and certain other employees of the Company. The Board of Directors of the Company has formed a special committee (the Committee) to investigate the allegations contained in the Complaint and related matters with the assistance of independent counsel. The investigation is ongoing and the Company does not plan to file an amendment to its Annual Report on Form 10-K to include the required Part III information or file its quarterly reports on Form 10-Q for the quarters ended March 31, 2015 and June 30, 2015 until it has additional information from such investigation.

The Company is currently unable to predict when it will be in a position to file its Annual Report on Form 10-K/A to include the Part III Information and its quarterly reports on Form 10-Q for the quarters ended March 31, 2015 and June 30, 2015.

If the answer is no, identify report(s). Yes No

As noted above, the Company has not yet filed an amendment to its Annual Report on Form 10-K/A to include the required Part III Information or its quarterly report on Form 10-Q for the period ended March 31, 2015.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

On August 13, 2015 the Company filed a report on Form 8-K with respect to its financial results for the quarter ended June 30, 2015, which filing includes results for such period and discussion of variances from the corresponding period of the last fiscal year.

This Form 12b-25 contains forward-looking statements, including the statements regarding the timing of filing the Company's Annual Report on Form 10-K/A, the timing of filing the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2015 and June 30, 2015; and the timing required for the Committee to complete its investigation. The forward-looking statements in this document involve risks and uncertainties that could cause the Company's actual results to differ materially from that anticipated in these forward-looking statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include, but are not limited to, factors discussed in our public company reports, including our Annual Report on Form 10-K for the year ended December 31, 2014 and subsequent reports filed with the U.S. Securities and Exchange Commission.
