Mylan Comments on Misleading Statements Made by Perrigo

HERTFORDSHIRE, England and PITTSBURGH, August 25, 2015 Mylan N.V. (NASDAQ: MYL) today commented on the misleading statements made by Perrigo Company plc (NYSE: PRGO; TASE) in relation to Mylan's offer to acquire Perrigo. Mylan also noted that the Irish Takeover Panel has issued a formal statement indicating that certain of Perrigo's recent statements may mislead shareholders and the market or may create uncertainty, in breach of the Irish Takeover Rules. The Panel's full statement is appended below.

Mylan's Executive Chairman Robert J. Coury commented, "Perrigo continues to make misleading comments with regard to Mylan's offer to acquire Perrigo" comments which have unfortunately been inaccurately repeated by other third parties. The Irish Takeover Panel today has issued a formal statement noting in detail the inaccuracies in Perrigo's public commentary. We are hopeful that today's statements will provide Mylan and Perrigo shareholders with even greater confidence in Mylan's previous statements with regard to the compelling nature of this transaction, our commitment to completing it, and our ability to realize the significant benefits from the combination, including the projected synergies, in order to create value for Mylan and Perrigo shareholders.

At Mylan, we believe the greatest evidence of commitment to shareholders is creating significant and sustainable value for the company, its shareholders and other stakeholders. Mylan's track record of delivering exceptional performance and for creating value through a decade of outstanding shareholders returns speaks for itself. We are confident that acquiring Perrigo is the next step in continuing to deliver on this stellar track record of performance and value creation, to the benefit of both Perrigo and Mylan shareholders and other stakeholders.

We are grateful for the support of the many Perrigo shareholders we have spoken to about this combination over the past several weeks, some of which already have publicly voiced their support. As previously stated, we intend to launch our offer to acquire Perrigo's ordinary shares after we receive the approval of Mylan shareholders at our upcoming extraordinary general meeting, and are confident that Perrigo shareholders will then support this transaction given the opportunities for value-creation presented by the combination.

Following is the full text of the statement issued by Irish Takeover Panel:

Irish Takeover Panel Announcement

Perrigo Company plc (Perrigo)

The Irish Takeover Panel (the Panel) is making this announcement in relation to certain statements referred to below which were contained in an announcement made by Perrigo on 13 August 2015 as the Panel ruled inter alia that such statements may mislead shareholders and the market or may create uncertainty contrary to Rule 19.3(a) of the Irish Takeover Panel Act 1997, Takeover Rules, 2013.

1. The Panel ruled that the statement Mylan already proposed a dilutive deal that substantially undervalues Perrigo breached Rule 19.3(a) as it was unclear that the term dilutive described the effect on Mylan shareholders as Mylan currently expects its proposed offer would be dilutive to its adjusted annual earnings per share for the first three years only following consummation of the offer and compulsory acquisition.
2. The Panel ruled that the statements today s announcement makes it even worse ; Under Irish law, this structure all but guarantees that the promised synergy realization will fail breached Rule 19.3(a) as merely dropping the acceptance condition to greater than 50% does not of itself mean that Mylan will not acquire 80% of the outstanding Perrigo shares pursuant to its offer without any consequential effects on Mylan s projected synergies.
3. The Panel ruled that the statement we are confident that there is no rational path to a full acquisition of Perrigo breached Rule 19.3(a) as the lowering of the acceptance condition to greater than 50% does not of itself mean that Mylan will not acquire 80% of the outstanding Perrigo shares pursuant to its offer.
