- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.02 Termination of a Material Definitive Agreement.

The information set forth in Item 2.01 below is incorporated by reference into this Item 1.02.

Item 2.01 Completion of Acquisition or Disposition of Assets.

As previously reported, on October 1, 2015, BioMarin Pharmaceutical Inc. (BioMarin or the Company) entered into a Termination and Transition Agreement with Ares Trading, S.A., a corporation organized under the laws of Switzerland (Merck Serono), as amended and restated on December 23, 2015 (the A&R Kuvan Agreement), to terminate the Development, License and Commercialization Agreement, dated May 13, 2005, as amended (the License Agreement), between BioMarin and Merck Serono, including the license granted in the License Agreement from BioMarin to Merck Serono related to the approved pharmaceutical product referred to as Kuvan®. Also on October 1, 2015, BioMarin and Merck Serono entered into a Termination Agreement (the Pegvaliase Agreement) to terminate the license granted in the License Agreement from BioMarin to Merck Serono related to the investigational medicinal product referred to as pegvaliase. On January 1, 2016, pursuant to the A&R Kuvan Agreement and the Pegvaliase Agreement, the Company completed the acquisition from Merck Serono and its affiliates of certain rights and other assets, and the assumption from Merck Serono and its affiliates of certain liabilities, in each case with respect to Kuvan and pegvaliase. As a result, BioMarin and Merck Serono have no further rights or obligations under the License Agreement with respect to pegvaliase. The License Agreement will continue in effect in order to complete the transfer of certain assets related to Kuvan on a country-by-country basis upon the transfer of certain regulatory approvals to BioMarin, but in no event later than December 31, 2016.

Pursuant to the A&R Kuvan Agreement, BioMarin paid Merck Serono 340,000,000, in cash, and may pay Merck Serono up to a maximum of 60,000,000, in cash, if future sales milestones are met. Pursuant to the Pegvaliase Agreement, BioMarin will pay Merck Serono up to a maximum of 125,000,000, in cash, if future development milestones are met. Merck Serono will transfer certain inventory, regulatory materials and approvals, and intellectual property rights to BioMarin and perform certain transition services for BioMarin.

The foregoing is a summary description of the terms of the A&R Kuvan Agreement and the Pegvaliase Agreement does not purport to be complete, and it is qualified in its entirety by reference to the full text of the A&R Kuvan Agreement and the Pegvaliase Agreement, copies of which are filed as Exhibit 2.1 and Exhibit 2.2, respectively, with confidential terms redacted.

Item 9.01 Financial Statements and Exhibits.

(a) Financial Statements of Business Acquired

Any financial statements to be filed in response to this Item 9.01(a) with respect to the transactions described in Item 2.01 herein will be filed by amendment to this Current Report on Form 8-K not later than 71 calendar days after the date on which this Current Report on Form 8-K is required to be filed.

(b) Pro Forma Financial Information

Any pro forma financial information to be filed in response to this Item 9.01(b) with respect to the transactions described in Item 2.01 herein will be filed by amendment to this Current Report on Form 8-K not later than 71 calendar days after the date on which this Current Report on Form 8-K is required to be filed.
