To Our Stockholders:

Nearly three years have passed since we re-launched Blackstone Mortgage Trust (BXMT) as the senior lending vehicle of the Blackstone Real Estate debt franchise. Since that time, we ve focused our efforts on growing the scale, liquidity and earnings power of the company, while simultaneously adhering to a strict discipline around conservative investment and accretive capital raising. I am proud of our accomplishments to date and the value we ve created for our stockholders. BXMT represents a unique value proposition, particularly in the current challenging market environment, with a healthy and stable recurring dividend generated by a portfolio of senior commercial real estate loans.

A Defining Year

Since the re-IPO in 2013, BXMT has invested in nearly \$15 billion of loans. In 2015 alone, our direct origination volume reached a record \$4 billion and we doubled the size of the company last June with our transformational acquisition of a \$5 billion portfolio from GE Capital. This acquisition was part of Blackstone s larger \$23 billion transaction with GE Capital and Wells Fargo, and is perhaps the best illustration of the unmatched benefits of Blackstone sponsorship. It immediately optimized the company s scale, meaningfully increased our number of client relationships and added complementary asset classes and geographies to our portfolio. The result was a 27% increase in our Core Earnings during the year and a 15% increase in our dividend, which reached an annualized \$2.48 per share at year-end.

A Market Leader

We ve established ourselves as a leading player in the commercial real estate finance market with a \$10 billion senior loan portfolio, supported by \$2.5 billion of equity capital and a low-cost, attractive liability structure. We ve continued to expand our global footprint and now manage 125 loans with nearly 90 different borrowers. More than half of our direct origination portfolio reflects loans with sponsors that have borrowed more than once from BXMT, which is the best validation of how we do business. The market recognizes us as a reliable, go-to partner with a reputation for fair dealing and we continue to attract repeat and new borrowers alike.

A Differentiated Investment Approach

Despite our size and scope of activity, we re not just broadly investing in a cross-section of the commercial real estate market. Our lending activities are concentrated in major markets and on assets we know well, where we can take advantage of Blackstone s deep investing experience. We draw upon this vast knowledge base to find relative value and confidently underwrite risk. In fact, that s what sets us apart our ability to effectively value real estate and understand our borrowers business plans.

Consistent Focus on Safety

Our focus on safety of principal and the basis of our collateral remains the hallmark of our approach. Our average LTV of approximately 64% has remained stable since our re-launch three years ago, and the credit quality of our portfolio remains sound. We've kept our underlying debt facilities term-, currency- and index-matched (or

Table of Contents

hedged). Equally important is what we haven't done. We haven't strayed into riskier loans or markets in search of yield, nor have we compromised our risk profile by upping asset specific or corporate leverage or easing terms. We haven't moved into ancillary businesses, preferring to maintain our emphasis on floating rate transitional loans. The recent turbulence in the credit and equity markets has clearly demonstrated the value of our simple, focused strategy.

Looking Forward

BXMT is well positioned to prosper and continue delivering exceptional risk-adjusted returns to our stockholders. The majority of our loan portfolio remains floating rate, so our earnings and dividend are positively correlated to LIBOR, which we believe must inevitably increase over time. Despite a volatile market backdrop for much of 2015, BXMT delivered terrific results and enters 2016 from a position of strength. And while I'm incredibly proud of the business we've built over the past three years, I'm most excited about what's in store for us in the years ahead.

On behalf of myself, Steve Plavin and the rest of the BXMT management team, as well as everyone at Blackstone, I thank you for your continued support.

Sincerely,

/s/ Michael B. Nash

PROXY STATEMENT FOR

2016 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON JUNE 16, 2016

This proxy statement is being furnished by and on behalf of the board of directors of Blackstone Mortgage Trust, Inc., a Maryland corporation, or the Company, BXMT, we, us or our, in connection with the solicitation of proxies to be voted at the 2016 annual meeting of stockholders, or the annual meeting. We are furnishing the proxy materials for the annual meeting electronically using the Internet through the mailing to our stockholders of a Notice of Internet Availability of Proxy Materials, or the Notice and Access Card. The Notice and Access Card furnishing this proxy statement and the enclosed proxy card and our 2015 annual report to stockholders will be first mailed to stockholders of record on or about April 25, 2016.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the proxy statement, we answer some common questions regarding our 2016 annual meeting and the voting of shares at the meeting.

Where and when will the annual meeting be held?

The meeting will be held at the offices of Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York 10017 at 10:00 a.m., Eastern Daylight Time, on Thursday, June 16, 2016.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?

The United States Securities and Exchange Commission, or the SEC, has approved Notice and Access rules relating to the delivery of proxy materials over the Internet. These rules permit us to furnish proxy materials, including this proxy statement and our annual report, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will not receive paper copies of the proxy materials unless they request them. Instead, the Notice and Access Card, which will be mailed to our stockholders, provides instructions regarding how you may access and review all of the proxy materials on the Internet. The Notice and Access Card also instructs you as to how you may authorize your proxy via the Internet or by telephone. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials printed on the Notice and Access Card.

Can I vote my shares by filling out and returning the Notice and Access Card?

No. The Notice and Access Card identifies the items to be voted on at the annual meeting, but you cannot vote by marking the Notice and Access Card and returning it. The Notice and Access Card provides instructions on how to authorize your proxy via the Internet or by telephone or vote in person at the annual meeting or to request a paper proxy card, which will contain instructions for authorizing a proxy by the Internet, by telephone or by returning a

signed paper proxy card.

Table of Contents

How do I vote my shares in person at the annual meeting?

First, you must satisfy the requirements for admission to the annual meeting (see below). Then, if you are a stockholder of record as of the close of business on April 14, 2016, and prefer to vote your shares at the annual meeting, you must bring *proof of identification along with your Notice and Access Card or proof of stock ownership*. You may vote shares held in street name at the annual meeting only if you obtain a signed proxy from the record holder (broker, bank or other nominee) giving you the right to vote the shares.

Even if you plan to attend the annual meeting, we encourage you to vote in advance by Internet, telephone or mail so that your vote will be counted even if you later decide not to attend the annual meeting.

Do I need a ticket to be admitted to the annual meeting?

You will need your *proof of identification along with either your Notice and Access Card or proof of stock ownership* to enter the annual meeting. If your shares are held beneficially in the name of a bank, broker or other holder of record and you wish to be admitted to attend the annual meeting, you must present proof of your stock ownership, such as a bank or brokerage account statement.

Do I also need to present identification to be admitted to the annual meeting?

Yes, all stockholders must present a form of personal identification in order to be admitted to the annual meeting.

NO CAMERAS, RECORDING EQUIPMENT, ELECTRONIC DEVICES, LARGE BAGS, BRIEFCASES OR PACKAGES WILL BE PERMITTED AT THE ANNUAL MEETING.

What am I voting on?

There are five proposals scheduled to be considered and voted on at the annual meeting:

Proposal 1: Election of eight director nominees listed herein;

Proposal 2: Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2016;

Proposal 3: Approval of the Blackstone Mortgage Trust, Inc. 2016 Stock Incentive Plan, or 2016 Stock Plan;

Proposal 4: Approval of the Blackstone Mortgage Trust, Inc. 2016 Manager Incentive Plan, or 2016 Manager Plan; and

Proposal 5: Non-binding vote on executive compensation of our named executive officers.

Who can vote?

You can vote your shares of class A common stock if our records show that you were the owner of the shares as of the close of business on April 14, 2016, the record date determining the stockholders who are entitled to vote at the annual meeting. As of April 14, 2016, there were a total of 93,912,409 shares of our class A common stock outstanding and entitled to vote at the annual meeting. You have one vote for each share of class A common stock that you own.

What constitutes a quorum?

We will convene the annual meeting if stockholders representing the required quorum of shares of class A common stock entitled to vote either sign and return their paper proxy cards, authorize a proxy to vote electronically or telephonically or attend the meeting. The presence in person or by proxy of stockholders entitled

Table of Contents

to cast a majority of all the votes entitled to be cast at such meeting on any matter will constitute a quorum. If you sign and return your paper proxy card or authorize a proxy to vote electronically or telephonically, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated in the proxy materials. Broker non-votes and abstentions will also be considered present for the purpose of determining whether we have a quorum.

What is the required vote for approval of each proposal?

Proposal 1: Election of eight director nominees listed herein. A plurality of all the votes cast on such election at the annual meeting is required for the election of each nominee for director. Plurality voting simply means that the number of candidates getting the highest number of affirmative votes cast at the annual meeting will be elected. Neither a properly executed proxy marked `withhold` nor `broker non-votes` will affect the outcome of this proposal.

Proposal 2: Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2016. A majority of the votes cast on the proposal at the annual meeting is required for the auditor ratification proposal. Abstentions and `broker non-votes`, if any, will not affect the outcome of this proposal. As described below, brokerage firms can vote your uninstructed shares on this proposal.

Proposal 3: Approval of the 2016 Stock Plan. A majority of the votes cast on the proposal at the annual meeting is required to approve the 2016 Stock Plan. Abstentions will have the same effect as a vote `against` this proposal and `broker non-votes` will not affect the outcome of this proposal.

Proposal 4: Approval of the 2016 Manager Plan. A majority of the votes cast on the proposal of the annual meeting is required to approve the 2016 Manager Plan. Abstentions will have the same effect as a vote `against` this proposal and `broker non-votes` will not affect the outcome of this proposal.

Proposal 5: Non-binding vote on executive compensation of our named executive officers. A majority of the votes cast on the proposal at the annual meeting is required to approve the non-binding vote on executive compensation. Neither abstentions nor `broker non-votes` will affect the outcome of this proposal.

What is a `broker non-vote` ?

A `broker non-vote` occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Your shares may be voted on Proposal 2 if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the New York Stock Exchange, or NYSE, rules to cast votes on certain `routine` matters if they do not receive instructions from their customers. The ratification of the appointment of Deloitte & Touche LLP as our independent auditors is considered a `routine` matter for which brokerage firms may vote shares for which they did not receive instructions from beneficial owners. All other items on this year's ballot are `non-routine` matters under the NYSE rules for which brokers may not vote absent voting instructions from the beneficial owner.

How do I authorize a proxy to vote my shares?

Follow the instructions on the Notice and Access Card to authorize a proxy to vote your shares electronically via the Internet or by telephone. If you requested a paper copy of our proxy materials, follow the instructions printed on the paper proxy card to authorize a proxy to vote via the Internet, by telephone or by completing and returning the paper proxy card. The individuals named and designated as proxies will vote your shares as you instruct. You have the

following choices in voting electronically, by telephone or by paper proxy card:

You may authorize a proxy to vote your shares on each proposal, in which case your shares will be voted in accordance with your choices.

Table of Contents

In voting on directors, you can either authorize a proxy to vote FOR each director nominee or withhold your vote on all or certain director nominees specified by you.

You may authorize a proxy to vote FOR , against or abstain on the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2016.

You may authorize a proxy to vote FOR , against or abstain regarding the proposal to approve the 2016 Stock Plan.

You may authorize a proxy to vote FOR , against or abstain regarding the proposal to approve the 2016 Manager Plan.

You may authorize a proxy to vote FOR , against or abstain regarding the non-binding vote on executive compensation of our named executive officers.

If you submit a signed proxy without indicating your vote on any matter, the designated proxies will vote to elect all eight nominees as directors, approve the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2016, approve the 2016 Stock Plan, approve the 2016 Manager Plan and approve the non-binding vote on executive compensation of our named executive officers.

How can I authorize a proxy to vote over the Internet or by telephone?

To authorize a proxy to vote electronically via the Internet, go to www.proxyvote.com and follow the instructions. Please have your Notice and Access Card in hand when accessing the website, as it contains a 16-digit control number required to vote.

If you have access to a touch-tone telephone, you may authorize your proxy by dialing (800) 690-6903 and following the recorded instructions. You will need the 16-digit control number included on your Notice and Access Card or your proxy card in order to vote by telephone.

If you requested a paper copy of our proxy materials, in order to authorize a proxy to vote by telephone or over the Internet, you must either call the toll-free number reflected on the paper proxy card or go to www.proxyvote.com and follow the instructions. Please have your paper proxy card in hand when calling the toll-free number or accessing the website, as it contains a 16-digit control number required to vote.

You can authorize a proxy to vote via the Internet or by telephone at any time prior to 11:59 p.m., Eastern Daylight Time, June 15, 2016, the day before the annual meeting.

What do I do if my shares are held in street name ?

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the beneficial owner of shares held in street name. The Notice and Access Card or proxy materials, if you elected to receive a hard copy, has been forwarded to you by your broker, bank or other holder of record who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by following their instructions for voting.

What if other matters come up at the annual meeting?

At the date this proxy statement went to press, we did not know of any matters to be properly presented at the annual meeting other than those referred to in this proxy statement. If other matters are properly presented at the meeting or any adjournment or postponement thereof for consideration, and you are a stockholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

Table of Contents

Can I change my vote or revoke my proxy after I authorize my proxy?

Yes. At any time before the vote on a proposal, you can change your vote either by:

executing or authorizing, dating and delivering to us a new proxy with a later date that is received no later than June 15, 2016;

voting again via the Internet or by telephone at a later time before the closing of those voting facilities at 11:59 p.m., Eastern Daylight Time, on June 15, 2016;

sending a written statement revoking your proxy card to our Corporate Secretary or any corporate officer of the Company, provided such statement is received no later than June 15, 2016; or

by attending the annual meeting, revoking your proxy and voting your shares in person.

Your attendance at the annual meeting will not, by itself, revoke a proxy previously authorized by you. We will honor the proxy card or authorization with the latest date.

Proxy revocation notices should be sent to Blackstone Mortgage Trust, Inc., 345 Park Avenue, 42nd Floor, New York, New York 10154, Attention: Secretary. New paper proxy cards should be sent to Vote Processing c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717.

Who will count the votes?

Representatives of Broadridge Financial Solutions, Inc. will count the votes and will serve as the independent inspector of election.

Who pays for this proxy solicitation?

We do. In addition to sending you these proxy materials, some of the employees of an affiliate of BXMT Advisors L.L.C., a Delaware limited liability company, or our Manager, may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this. We have engaged Innisfree M&A Incorporated, an outside proxy solicitation firm, to solicit votes and the cost to us of engaging such a firm is estimated to be \$10,000, plus reasonable out-of-pocket expenses.

Table of Contents**PROPOSAL 1 ELECTION OF DIRECTORS**

There are currently eight members of the board of directors. On April 20, 2016, the board of directors, upon recommendation of its corporate governance committee, unanimously nominated eight directors listed below for re-election to the board of directors at the annual meeting. VOTING RECOMMENDATION

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE DIRECTOR NOMINEES NAMED ABOVE.

Table of Contents

The Board of Directors; Committees

Our business is managed by our Manager, subject to the oversight and direction of our board of directors. Our board of directors has eight members and is currently comprised of Messrs. Nash, Plavin, Cotton, Dobrowski, Edelman, Nassau and Pollack, and Dr. Sagalyn.

Director Independence

Under our corporate governance guidelines and NYSE rules, the board of directors must be comprised of at least a majority of directors who qualify as independent directors. A director is not independent unless the board of directors affirmatively determines that he or she does not have a material relationship with us and the director must meet the bright-line test for independence set forth by the NYSE rules. Our corporate governance guidelines also require all members of the audit committee, the compensation committee and the corporate governance committee to be independent directors. Based upon its review, the board of directors has affirmatively determined that each of Messrs. Cotton, Dobrowski, Edelman and Nassau and Dr. Sagalyn is independent under all applicable criteria for independence set forth in the listing standards of the NYSE, including with respect to committee service.

In making its determination that Mr. Edelman is an independent director, the board of directors considered that he is of counsel to Paul Hastings LLP, a law firm that from time to time has served as counsel for the underwriters and placement agents in our public offering of securities and for certain lenders in our master repurchase facilities. We did not engage or directly compensate Paul Hastings LLP for any of the services that they provide to such underwriters, placement agents or lenders. In making the determination that Mr. Nassau is an independent director, the board of directors considered that he is a partner at Dechert LLP and will be assuming the position of CEO at Dechert LLP in July 2016, a law firm that from time to time has served as counsel for certain lenders in our master repurchase facilities. We did not engage or directly compensate Dechert LLP for any of the services that they provide to such lenders. Mr. Nassau and Mr. Edelman were not involved in any of the legal representations that their firms participated in described above, and any compensation that they received as a result of their firm's representation of underwriters, placement agents or lenders in connection with our public offerings and repurchase facilities were indirect and de *minimis*.

Board of Directors Composition

The board of directors seeks to ensure that it is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow it to satisfy its oversight responsibilities effectively. In that regard, the corporate governance committee is responsible for recommending candidates for all directorships to be filled by the board of directors or by the stockholders at an annual or special meeting. In identifying candidates, the corporate governance committee will review all nominees for director in accordance with the requirements and qualifications contained in the corporate governance guidelines and, subject to the requirements in the Purchase Agreement, recommend that the board of directors select those nominees whose attributes the corporate governance committee believes would be most beneficial to us. In identifying candidates for membership on the board of directors, the corporate governance committee takes into account (i) minimum individual qualifications, such as personal integrity and moral character, willingness to apply sound business judgment, industry knowledge or experience and an ability to work collegially with the other members of the board of directors and (ii) all other factors it considers appropriate. While our corporate governance guidelines do not include an express diversity policy, we note that Dr. Sagalyn, who has been one of our longest standing directors, was recruited in part with a gender diversity goal in mind. The corporate governance committee has previously utilized the services of professional search firms and has also sought referrals from other members of the board of directors, management, stockholders and other sources. Blackstone identified Mr. Pollack as a director nominee for appointment to the board of directors pursuant to

its rights under the Purchase Agreement.

Our board of directors currently has four standing committees: an audit committee, a compensation committee, a corporate governance committee and an investment risk management committee. The current

Audit Committee

The audit committee is currently comprised of Messrs. Cotton and Dobrowski and Dr. Sagalyn, with Dr. Sagalyn serving as the committee's chairperson. All audit committee members meet the independence criteria and have the qualifications set forth in the listing standards of the NYSE and Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or Exchange Act. Each of Messrs. Cotton and Dobrowski is qualified as an audit committee financial expert within the meaning of Item 407(d)(5) of Regulation S-K under the Exchange Act, and our board of directors has determined that they each have the accounting and related financial management expertise within the meaning of the listing standards of the NYSE. The SEC has determined that the audit committee financial expert designation does not impose on a person with that designation any duties, obligations or liability that are greater than the duties, obligations or liability imposed on such person as a member of the audit committee of the board of directors in the absence of such designation.

The audit committee's primary duties are described in the audit committee charter and include:

The audit committee has adopted procedures for the processing of complaints relating to accounting, internal control and auditing matters in accordance with Rule 10A-3 under the Exchange Act. The audit committee oversees the review and handling of any complaints submitted pursuant to the foregoing procedures and of any whistleblower complaints subject to Section 21F of the Exchange Act.

Compensation Committee

The compensation committee is currently comprised of Messrs. Cotton, Edelman and Nassau and Dr. Sagalyn, with Mr. Nassau serving as the committee's chairperson. All compensation committee members meet the independence criteria set forth in the listing standards of the NYSE.

We are externally managed by our Manager pursuant to the second amended and restated management agreement with our Manager, or the Management Agreement, and as of the date hereof we have no employees. Since December 19, 2012, our executive officers have not received any cash compensation from us or any of our subsidiaries for serving as executive officers. To the extent that we are responsible for paying the compensation and/or any other employee benefits of our executive officers and senior management, the compensation committee also oversees such compensation, including plans and programs relating to cash compensation, incentive compensation, equity-based awards and other benefits and perquisites, and administers any such plans or programs as required by the terms thereof.

In particular, the compensation committee's primary duties are described in the compensation committee charter and include:

to the extent that we are responsible for paying the compensation and/or any other employee benefits of our chief executive officer, reviewing and approving corporate goals and objectives relevant to the compensation of our chief executive officer, evaluating the performance of our chief executive officer in light of those goals and objectives, and either as a committee or together with the other independent directors (as directed by our board of directors) to determine and approve our chief executive officer's compensation level based on this evaluation;

determining the long-term incentive component, if any, of our chief executive officer's compensation that we are responsible for paying by considering, among other factors selected by the compensation committee, our performance and relative stockholder return, our chief executive officer's individual performance, including progress on strategic objectives, the value of similar incentive awards to chief executive officers at comparable companies, and the awards given to our chief executive officer in past years;

to the extent that we are responsible for paying incentive compensation and equity-based compensation to our employees or the employees of any external manager, considering the recommendations of our chief executive officer with respect to non-chief executive officer management and key employee compensation and determining and approving such compensation;

overseeing the preparation of the compensation discussion and analysis and related disclosures for inclusion in our annual report or proxy statement in accordance with the rules of the SEC;

preparing and approving any compensation committee report required to be included in our annual report or proxy statement in accordance with applicable SEC regulations;

to the extent that we are responsible for sponsoring or managing executive compensation programs, periodically reviewing, as and when determined appropriate, executive compensation programs and total compensation levels;

reviewing and making recommendations to our board of directors concerning compensation arrangements for members of our board of directors who are not employees of the Company, the Manager or any of its

affiliates;

in consultation with management, overseeing regulatory compliance with respect to compensation matters, including overseeing our policies on structuring compensation programs to preserve tax deductibility, and, as and when required or desired, establishing performance goals and confirming that performance goals have been attained for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code;

reviewing and approving any severance or similar termination payments proposed to be made by the Company to any of our current or former executive officers; and

performing any other duties or responsibilities expressly delegated to the compensation committee by our board of directors from time to time relating to our compensation programs.

The compensation committee shall have the resources and authority appropriate to discharge its duties and responsibilities, including the sole authority to retain, on terms it deems appropriate, legal counsel and other experts or consultants as it deems appropriate, without obtaining the approval of our board of directors or

management. The compensation committee shall have the sole authority to select and retain a compensation consultant to assist in the evaluation of chief executive officer compensation.

The compensation committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the committee. In particular, the committee may delegate the approval of certain transactions to a subcommittee consisting solely of members of the compensation committee who are (i) Non-Employee Directors for the purposes of Rule 16b-3 under the Exchange Act and (ii) outside directors for the purposes of Section 162(m) of the Code, or qualified subcommittee. The compensation committee has established a qualified subcommittee for the purpose of approving equity grants.

Compensation Committee Interlocks and Insider Participation

The compensation committee is currently comprised of Messrs. Cotton, Edelman and Nassau and Dr. Sagalyn, none of whom were officers or employees of the Company during the fiscal year ended December 31, 2015, and none of whom had any relationship requiring disclosure by the Company under Item 404 of Regulation S-K under the Exchange Act. None of our executive officers has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers who served as a member of our board of directors or our compensation committee during the fiscal year ended December 31, 2015.

Corporate Governance Committee

The corporate governance committee is currently comprised of Messrs. Dobrowski and Nassau and Dr. Sagalyn, with Mr. Nassau serving as the committee's chairperson. All corporate governance committee members meet the independence criteria set forth in the listing standards of the NYSE.

Among other things, the corporate governance committee identifies qualified individuals to become members of the board of directors, recommends to the board of directors individuals to be designated as nominees for election as directors at the annual meetings of stockholders, develops and recommends to the board of directors our corporate governance guidelines and oversees the annual review of the Management Agreement. More specifically, the corporate governance committee is responsible for reviewing, on an annual basis, the requisite skills and characteristics of individual members of the board of directors, as well as the composition of the board as a whole, in the context of our needs. The corporate governance committee will review all nominees for director, including those recommended by stockholders, in accordance with requirements and qualifications set forth in our corporate governance guidelines and will, subject to the requirements of the Purchase Agreement, recommend that the board of directors select those nominees whose attributes it believes would be most beneficial to us. This review involves an assessment of the personal qualities and characteristics, accomplishments and business reputation of director candidates. The corporate governance committee will assess candidates' qualifications based on the following minimum criteria, which may be modified from time to time by the corporate governance committee:

demonstrated personal integrity and moral character;

willingness to apply sound and independent business judgment for the long-term interests of stockholders;

relevant business or professional experience, technical expertise or specialized skills;

personality traits and background that appear to fit with those of the other directors to produce a collegial and cooperative board responsive to the Company's needs; and

ability to commit sufficient time to effectively carry out the substantial duties of a director.

Investment Risk Management Committee

The investment risk management committee is comprised of independent directors and currently consists of Messrs. Cotton, Dobrowski and Edelman, with Mr. Edelman serving as the committee's chairperson. The investment risk management committee is currently responsible for the supervision of our Manager's compliance with our investment guidelines and conducting periodic reviews of our loan and investment portfolio. In addition, any proposed investment (i) of more than 25% of our Equity (as defined in the Management Agreement) in any individual investment or (ii) in excess of \$250.0 million requires the approval of a majority of the members of the investment risk management committee.

Meetings

Directors are expected to attend board meetings and meetings of the committees on which they serve, to spend the time needed and to meet as frequently as necessary, in order to properly discharge their responsibilities. Our board of directors conducts its business through meetings of the board of directors, actions taken by written consent in lieu of meetings and by actions of its committees. During the fiscal year ended December 31, 2015, the board of directors held 13 meetings. During the fiscal year 2015, (i) the audit committee held five meetings, (ii) the compensation committee held four meetings, (iii) the corporate governance committee held two meetings, and (iv) the investment risk management committee held two meetings. Each director, with the exception of Mr. Schreiber, attended at least 75% of the combined number of meetings of the board of directors and meetings of committees on which he or she served during the period in 2015 in which he or she served as a director or member of such committee, as applicable. In 2015, Mr. Schreiber attended 73% of such meetings.

We do not have a formal policy regarding attendance by directors at our annual meeting of stockholders but invite and encourage all directors to attend. We make every effort to schedule our annual meeting of stockholders at a time and date to permit attendance by directors, taking into account the directors' schedules and the timing requirements of applicable law. Three of our directors attended our last annual stockholders meeting, which was held on June 16, 2015. The meeting was routine in nature.

Executive Sessions

In accordance with applicable NYSE listing requirements, our non-management directors periodically hold executive sessions at which management is not present. Our corporate governance guidelines provide that the chairperson of the corporate governance committee, or if he or she is not present, any non-management independent director shall serve as such presiding director.

Board Leadership Structure and Role in Risk Oversight

Michael B. Nash currently serves as executive chairman of the board of directors and Stephen D. Plavin serves as our chief executive officer and president and is also a member of the board of directors. In his capacity as executive chairman of the board of directors, Mr. Nash leads the investment strategy of the Company with Mr. Plavin, our chief executive officer and president, who is responsible for managing the day-to-day operations of the Company. We believe separating the executive chairman of the board of directors and the chief executive officer positions is appropriate as it helps the board of directors meet its responsibilities of overseeing management and setting our strategic direction as well as fostering long-term value of the Company.

As with every business, we confront and must manage various risks including financial and economic risks related to the performance of our portfolio and how our investments have been financed. Pursuant to our charter and bylaws and

the Maryland General Corporation Law, our business and affairs are managed under the direction of our board of directors. Our Manager is responsible for the day-to-day management of risks we face, while our board of directors, as a whole and through its committees, has responsibility for establishing broad corporate policies for our overall performance and for the direction and oversight of our risk management. Members of our

Table of Contents

board of directors keep informed of our business by participating in meetings of our board of directors and its committees, by reviewing analyses, reports and other materials provided to them by and through discussions with our Manager and our executive officers.

In connection with their oversight of risks to our business, our board of directors and the audit committee consider feedback from our Manager concerning the risks related to our business, operations and strategies. The audit committee also assists the board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and, in accordance with NYSE requirements, discusses policies with respect to risk assessment and risk management. The compensation committee and the corporate governance committee assist the board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs and risks associated with board organization, membership and structure, succession planning and corporate governance. Our board of directors reviewed with the compensation committee its compensation policies and practices applicable to our Manager that could affect our assessment of risk and risk management. Following such review, our board of directors determined that our compensation policies and practices, pursuant to which we pay no cash compensation to our Manager's officers and employees since they are compensated by our Manager or its affiliates, do not create risks that are reasonably likely to have a material adverse effect on us. Our board of directors also considered that while we may grant our officers, our Manager and affiliates of our Manager's employees equity awards, such grants align their interests with our interests and do not create risks that are reasonably likely to have a material adverse effect on us. The investment risk management committee exercises the authority of the board of directors to supervise our Manager's compliance with the investment guidelines approved by the board of directors and to approve any proposed investments in excess of the limits set forth in the investment guidelines described above.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Our Compensation Discussion and Analysis describes our compensation program, objectives and policies for our chief executive officer, chief financial officer and our other named executive officers, as such term is defined in Item 402(a) of Regulation S-K of the Exchange Act, or our Named Executive Officers, for our fiscal year ended December 31, 2015, or fiscal 2015.

Our Named Executive Officers for fiscal 2015 were:

Stephen D. Plavin, our chief executive officer, president and director;

Douglas N. Armer, our managing director, head of capital markets, and treasurer;

Paul D. Quinlan, our former chief financial officer and assistant secretary;

Randall S. Rothschild, our former managing director, head of legal and compliance, and secretary; and

Thomas C. Ruffing, our managing director, head of asset management.

Executive Management Changes

On January 8, 2016, the board of directors appointed Anthony F. Marone, Jr., the Company's principal accounting officer at the time, to serve as the Company's chief financial officer and assistant secretary, effective March 1, 2016. Mr. Marone's appointment coincided with the resignation, also effective March 1, 2016, of Paul D. Quinlan as the Company's chief financial officer and assistant secretary. Mr. Quinlan resigned in recognition of Mr. Marone's experience and strong qualifications for the position and in order to focus on his duties as global chief financial officer for the Blackstone Real Estate group.

On January 8, 2016, the board of directors also appointed Leon Volchyok to serve as the Company's head of legal and compliance and secretary, effective immediately. Mr. Volchyok's appointment coincided with the resignation of Randall S. Rothschild as the Company's secretary and managing director, head of legal and compliance. Mr. Rothschild resigned in recognition of Mr. Volchyok's experience and strong qualifications for the position and in order to focus on his duties as chief operating officer of BREDS. Mr. Rothschild subsequently resigned from his positions at BREDS and Blackstone.

Overview of Compensation Program and Philosophy

Since the consummation of the sale of our investment management and special servicing business on December 19, 2012, or the Investment Management Business Sale, we have been externally managed and advised by our Manager pursuant to the Management Agreement and, as a result, our executive officers no longer receive cash compensation from us.

Our Manager is a part of Blackstone's alternative asset management business, which includes the management of investment vehicles focused on private equity, real estate, public debt and equity, non-investment grade credit, real assets, and secondary funds, all on a global basis. Through its different businesses, Blackstone had total assets under management of approximately \$336 billion as of December 31, 2015. In connection with the performance of its duties, we believe our Manager benefits from the resources, relationships, and expertise of nearly 400 professionals in Blackstone's global real estate group, which is the largest private equity real estate manager in the world with approximately \$94 billion of investor capital under management as of December 31, 2015. This includes the BREDS business, of which our Manager is a part, which has more than 100 dedicated professionals, including more than 30 investment professionals, globally managing approximately \$11 billion of investor capital as of December 31, 2015. Our Manager's Investment Committee consists of, among others, Blackstone Real Estate's global head, chief investment officer and chief operating officer, as well as the global head and global chairman of BREDS.

Table of Contents

Our Manager provides the day-to-day management of the Company's operations. Our chief executive officer, chief financial officer, and other executive officers are senior Blackstone Real Estate professionals and we do not have any employees. Because our Management Agreement provides that our Manager is responsible for managing our affairs, our executive officers for fiscal year 2015 do not currently receive any cash compensation from us or any of our subsidiaries for serving as our executive officers. Additionally, the Management Agreement does not require our Named Executive Officers to dedicate a specific amount of time to fulfilling our Manager's obligations to us under the Management Agreement and does not require a specified amount or percentage of the fees paid to the Manager to be allocated to the Named Executive Officers. Accordingly, our Manager has informed us that it cannot identify the portion of the compensation awarded to our Named Executive Officers by our Manager that relates solely to their services to us, as our Manager does not compensate its employees specifically for such services. We do not have employment agreements with our Named Executive Officers, we do not provide pension or retirement benefits, perquisites or other personal benefits to our Named Executive Officers and we do not have arrangements to make payments to our Named Executive Officers upon their termination or in the event of a change in control of the Company.

We do not determine the cash compensation payable by our Manager to our Named Executive Officers. Our Manager and its affiliates determine the salaries, bonuses and other wages earned by our Named Executive Officers from our Manager and its affiliates. Our Manager and its affiliates also determine whether and to what extent our Named Executive Officers will be provided with employee benefit plans.

While we may not pay our Named Executive Officers any cash compensation, we pay our Manager the management and incentive fees described under the heading "Transactions With Related Persons, Promoters and Certain Control Persons Investment Management Business Sale and Related Matters" and, in the discretion of the compensation committee of our board of directors, we may also grant our Manager and our Named Executive Officers equity awards pursuant to our equity compensation plans. The management and incentive fees compensate our Manager for the services that it provides to the Company and the equity grants serve to further align the interests of our Manager and our Named Executive Officers with that of the Company and mitigate the possibility of excessive risk taking. As of December 31, 2015, our consolidated balance sheet included \$14.4 million of accrued management and incentive fees payable to our Manager. During the year ended December 31, 2015, we paid \$34.8 million of management and incentive fees to our Manager. In addition, during the year ended December 31, 2015, we reimbursed our Manager for \$311,000 of expenses incurred on our behalf.

The corporate governance committee evaluates the performance of our Manager on an annual basis, in light of the goals and objectives of the Company and the terms of the Management Agreement, and reports its views regarding the performance of our Manager to the board of directors. The board of directors reviews the Company's long-term strategic plan and the fundamental factors affecting the Company's successful operation of its business, including the management and performance of the Company's business in light of the goals and objectives of the Company and the terms of the Management Agreement during at least one meeting a year.

Equity-Based Compensation

The compensation committee may, from time to time pursuant to our Blackstone Mortgage Trust, Inc. 2013 Stock Incentive Plan, or the 2013 Stock Plan, grant our Named Executive Officers equity-based awards, including stock options, restricted shares of our class A common stock, restricted stock units, stock appreciation rights and other equity-based awards. These awards are designed to align the interests of our Named Executive Officers with those of our stockholders, by allowing our Named Executive Officers to share in the creation of value for our stockholders through capital appreciation and dividends. These equity awards are generally subject to vesting requirements over a number of years, and are designed to promote the retention of management and achievement of strong performance

for the Company. These awards provide a further benefit to us by enabling our Manager to attract, motivate and retain talented individuals to serve as our executive officers. The compensation committee reviews the recommendations of the Company's chief executive officer and outside compensation consultants in determining the appropriate size of the equity award for each executive officer.

Table of Contents

These recommendations take into account the financial performance of the Company during the prior fiscal year, current market conditions, the performance of each executive officer and the desire to continue to align the interests of each of our executive officers with our stockholders. In 2015, the Company granted 38,243 restricted shares of class A common stock to Mr. Plavin, 17,500 restricted shares of class A common stock to Mr. Armer, 9,000 restricted shares of class A common stock to Mr. Quinlan, 4,500 restricted shares of class A common stock to Mr. Rothschild, and 4,000 restricted shares of class A common stock to Mr. Ruffing, which vest ratably in quarterly installments over three years from the date of the grant with the first two installments vesting together on the six month anniversary of the date of the grant.

Role of Compensation Committee

Currently, we do not have any employees and our executive officers do not receive any cash compensation from us or any of our subsidiaries for serving as executive officers. Accordingly, our compensation committee does not currently make any recommendations regarding the base salaries and target bonus levels of our Named Executive Officers. Our compensation committee reviews and approves the equity based awards to be paid or made by us to our Named Executive Officers based on recommendations from the Company's chief executive officer and outside compensation consultants. The compensation committee also oversees risk when it considers granting equity awards to the Manager under the Management Agreement.

Role of Compensation Consultant

The compensation committee engaged the services of a compensation consultant, FPL Associates, L.P., or FPL, with respect to the 2013 Stock Plan and the Blackstone Mortgage Trust, Inc. 2013 Manager Incentive Plan, or the 2013 Manager Plan and to review and advise the compensation committee regarding the terms of the 2016 Stock Plan and 2016 Manager Plan. FPL has no other relationships with the Company and is considered an independent third party advisor. FPL was not engaged by the compensation committee to provide any services in 2015. In 2016, the compensation committee engaged FPL and reviewed FPL's independence. The compensation committee determined that FPL's work for the compensation committee did not raise any conflict of interest pursuant to the SEC and NYSE rules.

Role of Executive Officers

The compensation committee is responsible for approving compensation by us for our Named Executive Officers. Our chief executive officer annually reviews the financial performance of the Company, current market conditions and the performance of each executive officer of the Company and based on these reviews, provides a recommendation regarding the appropriate equity based grants, if any, to be presented to the compensation committee for approval.

Say-On-Pay Vote

At our 2015 annual meeting of stockholders, we provided our stockholders with the opportunity to vote to approve, on a non-binding advisory basis, our executive compensation. More than 99% of the votes cast at our 2015 annual meeting of stockholders voted to approve our executive compensation as described in our proxy statement for the 2015 annual meeting of stockholders. The compensation committee reviewed the results of this advisory say-on-pay vote and considered it in determining specific award amounts granted to our Named Executive Officers for 2015. The compensation committee will also carefully consider future stockholder votes on this matter, along with other expressions of stockholder views it receives on specific policies and desirable actions.

Narrative Supplement to Summary Compensation Table and Grants of Plan-Based Awards in 2015 Table

As part of our incentive compensation program, in the past we have also granted incentive awards to certain Named Executive Officers in two other forms that are described below. For a further discussion on these awards, see Notes 4, 11 and 13 to the consolidated financial statements in our 2015 Annual Report on Form 10-K that we filed with the SEC on February 16, 2016.

CT Legacy REIT Management Incentive Awards Plan

In conjunction with the restructuring of our debt obligations in March 2011, we created an employee pool for up to 6.75% (subject to certain caps and priority distributions) of the distributions paid to the common equity holders of CT Legacy REIT Mezzanine Borrower, Inc., or CT Legacy REIT, which was merged into CT Legacy Partners, LLC, or CT Legacy Partners, in July 2013. CT Legacy REIT was a majority-owned subsidiary formed in 2011 to which we contributed the legacy loan and securities portfolios of the Company, subject to attendant indebtedness.

On March 31, 2011, Messrs. Plavin, Ruffing and Armer were awarded 35%, 15% and 5%, respectively, of the employee pool subject to the following vesting schedule described below.

As of December 31, 2015, incentive awards for 91% of the pool have been granted and are outstanding, and the remainder was unallocated. If any rewards remain unallocated at the time distributions are paid, any amounts otherwise payable to the unallocated awards will be distributed pro rata to the plan participants then employed by an affiliate of our Manager.

Approximately 50% of the pool is 75% vested as of December 31, 2015, with the remainder contingent on continued employment with an affiliate of our Manager and our receipt of distributions from CT Legacy Partners. Of the remaining 50% of the pool, 27% is fully vested as a result of an acceleration event, and 23% vest only upon our receipt of distributions from CT Legacy Partners.

CTOPI Incentive Management Fee Grants

CT Opportunity Partners I, LP, or CTOPI, is a private investment fund that was previously under our management and is now managed by an affiliate of our Manager. While this affiliate of our Manager earns the

Table of Contents

base management fees from CTOPI, we continue to earn any incentive management fees. Incentive management fees are defined as 17.7% of CTOPI's profits after a 9.0% preferred return and a 100% return of capital to the CTOPI partners. We retained only our carried interest in CTOPI subsequent to the Investment Management Business Sale.

In January 2011, we created a pool for employees equal to 45% of the CTOPI incentive management fee and Messrs. Plavin, Ruffing and Armer were awarded 30%, 10% and 5%, respectively, of the employee pool subject to the vesting schedule described below. As of December 31, 2015, incentive awards for 92% of the pool have been granted and are outstanding, and the remainder was unallocated. If any awards remain unallocated at the time incentive management fees are received by us, any amounts otherwise payable to the unallocated awards will be distributed pro rata to the plan participants then employed by an affiliate of our Manager. Approximately 68% of the pool is two-thirds vested as of December 31, 2015, with the remainder contingent on continued employment with an affiliate of our Manager and upon our receipt of promote distributions from CTOPI. The remaining 32% of the pool is fully vested as a result of an acceleration event.

Both the CT Legacy Partners and the CTOPI awards contain provisions that accelerate vesting of the awards upon an involuntary termination (as defined in our 2007 Long-Term Incentive Plan and our 2011 Long-Term Incentive Plan) from continuous service by affiliates of our Manager. As of December 31, 2015, each of our Named Executive Officers was employed by affiliates of our Manager.

Non-Employee Director Compensation

During 2015, our non-employee directors, other than John G. Schreiber, earned (i) an annual cash retainer of \$50,000 and (ii) a \$75,000 annual award of the Company's deferred stock units, in each case payable in quarterly installments in arrears. The award is vested in full as of the date of grant and settled upon the non-employee directors' separation from service (as defined in Treas. Reg. 1.409A-1(h)) with the Company by delivering to the non-employee director one share of class A common stock for each deferred stock unit settled. For those directors who elected to receive stock units, the number of units was determined based upon the quarterly fee and the average stock price for the applicable quarter.

In addition, the chairperson of our audit committee receives \$12,000 per annum payable in four quarterly cash installments and members of the special committee established to review the acquisition of loans from General Electric Capital Corporation, or GE, and certain of its affiliates and joint venture partners in April 2015 received an additional fee for their services for reviewing the acquisition. All directors are also reimbursed for travel expenses incurred in attending board and committee meetings.

Messrs. Schreiber, Nash and Plavin did not receive compensation for their services as directors during 2015.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires executive officers and directors, a company's chief accounting officer and persons who beneficially own more than 10% of a company's common stock, to file reports of ownership and changes in ownership with the SEC and the NYSE. Executive officers, directors, the chief accounting officer and greater than 10% stockholders are required by regulation of the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of Forms 3, 4 and 5 and amendments thereto available to us and other information obtained from our directors, executive officers, chief accounting officer and certain 10% stockholders or otherwise available to us, we believe that no director, executive officer, chief accounting officer or beneficial owner of more than 10% of our class A common stock failed to file on a timely basis a report required pursuant to Section 16(a) of the Exchange Act with respect to 2015, with the exception of one Form 4 reporting one transaction for each of Messrs. Armer, Quinlan, Rothschild, Ruffing and Marone, which were not filed on a timely basis due to an administrative error.

Investment Management Business Sale and Related Matters

On December 19, 2012, pursuant to the Purchase Agreement, and an Assignment Agreement, dated as of December 19, 2012, by and among us, Huskies Acquisition and Blackstone Holdings III L.P., or Holdings III, an affiliate of Blackstone, we completed the sale of our investment management and special servicing business, including CT Investment Management Co., LLC, related private investment fund co-investments and 100% of the outstanding class A preferred stock of our CT Legacy Partners subsidiary. In accordance with the Purchase Agreement, two members of our board of directors were designated by Blackstone at such time.

We, CT Legacy Partners and CTOPI currently hold mortgage and mezzanine loans and other investments that were made or acquired prior to the sale of our investment management and special servicing business to Blackstone, in which Blackstone affiliates have interests in the collateral securing or backing such investments and CT Legacy Partners and CTOPI receive interest and other payments on such investments in accordance with their terms.

Pursuant to the terms of the Purchase Agreement, we also entered into a Registration Rights Agreement, dated December 19, 2012, with Holdings III. On May 6, 2013, we entered into an Amended and Restated Registration Rights Agreement, or Amended and Restated Registration Rights Agreement, with Holdings III and our Manager that amended and restated the existing Registration Rights Agreement. Pursuant to the terms of the Amended and Restated Registration Rights Agreement, on or after the earlier of (x) such date that we become eligible to use Form S-3 in connection with a public offering of our securities and (y) December 19, 2013, Holdings III or our Manager may require us to prepare and file a shelf registration statement relating to the resale of all shares of class A common stock currently held or later acquired by them or their permitted transferees and under certain circumstances they may require us to file up to four resale registration statements on demand and provide unlimited piggyback rights with respect to the resale of such shares (subject to certain cutback and other provisions).

Pursuant to the terms of the Purchase Agreement, we entered into the management agreement with our Manager (which was subsequently amended and superseded by the Management Agreement), pursuant to which we are externally managed by our Manager pursuant to the terms and conditions of the Management Agreement. The Management Agreement requires our Manager to manage our investments and our day-to-day business and affairs in conformity with our investment guidelines and other policies that are approved and monitored by our board of directors. The initial term of the management agreement expired on December 19, 2015, was automatically renewed for a one-year term on such date and will be automatically renewed for a one-year term each anniversary thereafter unless earlier terminated.

Pursuant to the terms of the Management Agreement, our Manager is entitled to receive from us a base management fee payable in cash quarterly in arrears with respect to each calendar quarter in an amount equal to the greater of (i) \$250,000 per annum and (ii) 1.50% per annum of our Equity (as defined in the Management Agreement), and, if earned, certain quarterly incentive compensation. We are also required to reimburse our Manager for certain expenses incurred on our behalf during any given year. So long as the Management Agreement remains in effect, we are required to continue to make quarterly payments of the base management fee and, if applicable, incentive compensation to the Manager and to reimburse the Manager for certain expenses. See Notes 11 and 15 to our consolidated financial statements in our 2015 Annual Report on Form 10-K filed with the SEC on February 16, 2016 for additional details.

As of December 31, 2015, our consolidated balance sheet included \$14.4 million of accrued management and incentive fees payable to our Manager. During the year ended December 31, 2015, we paid \$34.8 million of management and incentive fees to our Manager. In addition, during the year ended December 31, 2015, we reimbursed our Manager for \$311,000 of expenses incurred on our behalf. As of December 31, 2015, our consolidated balance sheet includes \$83,333 of preferred distributions payable by CT Legacy Partners to an affiliate of our Manager. During the year ended December 31, 2015, CT Legacy Partners made aggregate preferred distributions of \$1.3 million to such affiliate.

Other Transactions

On June 20, 2014, CTOPI, our previously consolidated CT CDO I subsidiary, and other affiliates of our Manager entered into a deed-in-lieu of foreclosure transaction which resulted in a restructuring of the loan interests held by each entity. The interests held by CT Legacy Partners and CT CDO I had a principal balance of \$8.0 million and \$27.0 million, respectively, and a carrying value of zero and \$27.0 million, respectively, at the time of the transaction. During the fourth quarter of 2014, we fully impaired our interests in CT CDO I resulting in a loss on deconsolidation of \$8.6 million. During the fourth quarter of 2015, the collateral property securing the interests held by these entities was sold, with no net proceeds to our investments in CT Legacy Partners and CT CDO I. As a result of the collateral sale transaction, an affiliate of our Manager earned a \$1.1 million special servicing fee, which fee was not paid by us.

In conjunction with our April 2015 class A common stock offering, affiliates of our Manager, including certain of our executive officers and directors, purchased 1,885,245 shares of our class A common stock at the same \$30.50 per share price offered to the public. We did not, however, pay the underwriters any fees for these affiliate share purchases. An affiliate of our Manager acted as co-manager of the offering, for which it was compensated \$761,000 on terms consistent with those for other non-affiliated underwriters.

In March 2015, we originated a \$320.0 million loan to a third party. In conjunction with the origination of our loan and repayment of the pre-existing financing, an affiliate of our Manager earned a modification fee of \$354,000.

On April 10, 2015, we entered into a Designation Agreement with GE and certain affiliates of our Manager to acquire a \$4.6 billion portfolio of commercial mortgage loans from GE. Pursuant to the terms of the Designation Agreement, we were designated as the purchaser of this loan portfolio by an affiliate of our Manager

Table of Contents

that entered into a purchase and sale agreement dated as of April 10, 2015 with GE to acquire the majority of GE's global real estate debt and equity business for an aggregate purchase price of approximately \$23.0 billion. Certain transaction-related expenses incurred by us in connection with the acquisition of this loan portfolio represent an allocation of transaction expenses paid by affiliates of our Manager in connection with the overall acquisition transaction with GE. In August 2015, we paid an aggregate \$53,000 to certain independent members of our board of directors for special committee services related to the GE portfolio acquisition.

On May 8, 2015, a joint venture of CT Legacy Partners, certain affiliates of our Manager, and other non-affiliated parties, or the Three-Pack JV, sold a hotel portfolio it owns to an investment vehicle managed by an affiliate of our Manager. We consented to the sale of the hotel portfolio by the Three-Pack JV, which will result in the ultimate liquidation of the Three-Pack JV and distribution of net sale proceeds to CT Legacy Partners in respect of its investment therein. An aggregate \$40.1 million of expected net sales proceeds is to be received by CT Legacy Partners, of which \$37.7 million has been received as of December 31, 2015. As a result of the sale transaction, employees of our Manager, including certain of our executive officers, will receive incentive compensation payments of an aggregate \$2.7 million under the CT Legacy Partners Management Incentive Awards Plan, of which \$2.5 million has already been paid.

In May 2015, we originated a \$590.0 million loan, the proceeds of which were used by the borrower to repay an existing loan owned by an affiliate of our Manager.

During the year ended December 31, 2015, we issued 334,758 shares of restricted Class A common stock to our Manager under the 2013 Manager Plan, which had a grant date fair value of \$9.3 million. The shares vest ratably in quarterly installments over three years from the date of issuance. During the year ended December 31, 2015, we recorded non-cash expense related to these shares of \$6.7 million.

During the year ended December 31, 2015, we incurred \$372,000 of expenses for various administrative and capital market data services to third-party service providers that are affiliates of our Manager.

Indemnification Agreements with Directors and Officers

We have entered into indemnification agreements with each of our directors and officers, including with Jonathan L. Pollack who entered into his agreement in January 2016 following his election to our board of directors. We refer to such indemnification agreements as Indemnification Agreements and our directors and officers party thereto as Indemnitees. The Indemnification Agreements provide that we will, subject to certain limitations and exceptions, indemnify, to the fullest extent permitted under Maryland law, and advance expenses to, each Indemnitee, in connection with (among other things) the Indemnitee's capacity as a director, officer, employee or agent of the Company. This obligation includes, subject to certain terms and conditions, indemnification for any expenses (including reasonable attorneys' fees), judgments, fines, penalties and settlement amounts actually and reasonably incurred by the Indemnitee in connection with any threatened or pending action, suit or proceeding. In certain instances, we may be required to advance such expenses, in which case the Indemnitee will be obligated to reimburse us for the amounts advanced if it is later determined that the Indemnitee is not entitled to indemnification for such expenses.

Related Party Transaction Policies

Our board of directors recognizes the fact that transactions with related persons may present risks of conflicts or the appearance of conflicts of interest. Our board of directors has adopted a written policy on transactions with related persons that is in conformity with the requirements upon issuers having publicly-held common stock that is listed on

the NYSE. Under the policy, a committee of our board of directors composed solely of independent directors who are disinterested or the disinterested members of our board of directors must review and approve or ratify any related person transaction (defined as any transaction that would be required to be disclosed by us under Item 404(a) of Regulation S-K in which we were or are to be a participant, other than

Table of Contents

an employment relationship or transaction involving an executive officer and any related compensation, and the amount involved exceeds \$120,000 and in which any related person (as defined as in paragraph (a) of Item 404 of Regulation S-K) had or will have a direct or indirect material interest) and all material facts with respect thereto. No related person transaction will be executed without the approval or ratification of a committee of our board of directors composed solely of independent directors who are disinterested or by the disinterested members of our board of directors.

In addition, the related person transaction policy provides that the committee or disinterested directors, as applicable, in connection with any approval or ratification of a related person transaction involving a non-employee director or director nominee, should consider whether such transaction would compromise the director or director nominee's status as an independent, outside, or non-employee director, as applicable, under the rules and regulations of the SEC, the NYSE, the Code and our code of business conduct and ethics.

Pursuant to our code of business conduct and ethics, our audit committee is required to review on a quarterly basis all material related party transactions involving the Manager and/or its affiliates.

Table of Contents**PROPOSAL 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The audit committee of the board of directors has appointed Deloitte & Touche LLP, or Deloitte, to be our independent public accounting firm for the fiscal year ending December 31, 2016 and has directed that the appointment of such independent registered public accounting firm be submitted for ratification by our stockholders at the annual meeting. Deloitte also serves as the independent registered public accounting firm of the parent of our Manager, Blackstone.

We have been advised by Deloitte that neither that firm nor any of its associates has any relationship with us or our subsidiaries other than the usual relationship that exists between an independent registered public accounting firm and its clients.

We expect that representatives of Deloitte will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. If the appointment of Deloitte is not ratified, our board of directors will reconsider the appointment.

Stockholder ratification of the appointment of Deloitte as our independent registered public accounting firm is not required by our charter or otherwise. However, our board of directors is submitting the appointment of Deloitte to the stockholders for ratification as a matter of what it considers to be good corporate practice. Even if the appointment is ratified, our audit committee, in its discretion, may direct the appointment of different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests.

Audit and Non-Audit Fees

Aggregate fees that we were billed for the fiscal years ended December 31, 2015 and 2014 by our independent registered public accounting firm, Deloitte, were as follows:

	Fiscal Year ended December 31, 2015	Fiscal Year ended December 31, 2014
Audit fees(a)	\$ 769,750	735,100
Audit-related fees(b)	45,000	
Total audit and audit-related fees		
Tax fees		
All other fees		
Total	\$ 814,750	\$ 735,100

(a) Audit fees include amounts billed to us related to annual financial statement audit work, quarterly financial statement reviews and comfort letters on and review of SEC registration statements.

(b) Audit-related fees consisted of a review of our XBRL taxonomy.

The audit committee of our board of directors was advised that there were no services provided by Deloitte that were unrelated to the audit of the annual fiscal year-end financial statements and the review of interim financial statements that could impair Deloitte from maintaining its independence as our independent auditor and concluded that it was.

Audit Committee Pre-Approval Policy

In accordance with our audit committee pre-approval policy, all audit and non-audit services performed for us by our independent registered public accounting firm were pre-approved by the audit committee of our board of directors, which concluded that the provision of such services by Deloitte was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

Table of Contents

The pre-approval policy provides for categorical pre-approval of specified audit and permissible non-audit services. Services to be provided by the independent registered public accounting firm that are not within the category of pre-approved services must be approved by the audit committee prior to engagement, regardless of the service being requested or the dollar amount involved.

Requests or applications for services that require specific separate approval by the audit committee are required to be submitted to the audit committee, and must include a description of the services to be provided and a statement by the independent registered public accounting firm and principal accounting officer of the Company confirming that the provision of the proposed services does not impair the independence of the independent registered public accounting firm.

The audit committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the audit committee at its next scheduled meeting. The audit committee does not delegate to management its responsibilities to pre-approve services to be performed by the independent registered public accounting firm.

VOTING RECOMMENDATION

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2016.

AUDIT COMMITTEE REPORT

Our board of directors' audit committee carries out oversight functions with respect to the preparation, review and audit of our financial statements, our system of internal controls and the qualifications, independence and performance of our internal auditor consultants and independent auditors, and operates under a written charter adopted by the board of directors. The charter can be viewed, together with any future changes that may occur, on our website at www.bxmt.com. The audit committee has the sole authority and responsibility to select, evaluate and, as appropriate, replace our independent auditors. The audit committee members are independent within the meaning of the applicable New York Stock Exchange listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Our management is responsible for the development, maintenance and evaluation of internal controls and procedures and our financial reporting system, the maintenance of appropriate accounting and financial reporting principles or policies and the preparation, presentation and integrity of our financial statements. Our independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with U.S. generally accepted auditing standards and expressing an opinion as to their conformity with U.S. generally accepted accounting principles. In addition, the independent registered public accounting firm is responsible for auditing and expressing an opinion on our internal controls over financial reporting. The audit committee's responsibility is to monitor and oversee the foregoing functions.

The audit committee reviews our financial reporting process on behalf of the board of directors. In performance of its oversight function, the audit committee has met and held discussions with management and our independent registered public accounting firm with respect to our audited consolidated financial statements for fiscal year 2015 and related matters. Management advised the audit committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles and the committee has reviewed and discussed the consolidated financial statements with management and our independent auditors, Deloitte & Touche LLP. Our independent auditors presented to and reviewed with the audit committee the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16 – Communication with Audit Committees. Our independent auditors also provided to the committee the written disclosures and the letter from the auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence and in connection therewith the committee discussed with the independent auditors their views as to their independence. The audit committee also reviewed, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, Deloitte & Touche LLP. The audit committee meetings regularly include executive sessions with our independent registered public accounting firm without the presence of our management.

In undertaking its oversight function, the audit committee relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent auditors included in their report on our financial statements. The audit committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance or professional opinion as to the sufficiency of the external or internal audits, whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or on the effectiveness of the system of internal control.

Based on the audit committee's considerations, discussions with management and discussion with the independent auditors as described above, the audit committee recommended to the board of directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2015 filed with the SEC.

PROPOSAL 3 APPROVAL OF THE BLACKSTONE MORTGAGE TRUST, INC. 2016 STOCK INCENTIVE PLAN

We are asking stockholders to approve the Blackstone Mortgage Trust, Inc. 2016 Stock Incentive Plan. Our board of directors adopted the 2016 Stock Plan on April 20, 2016, subject to the receipt of stockholder approval at the annual meeting. Below is a summary of the principal provisions of the 2016 Stock Plan and its operation. A copy of the 2016 Stock Plan is set forth in full in Annex A to this proxy statement. The following description of the 2016 Stock Plan is not complete and is qualified in its entirety by reference to Annex A.

The stockholders previously approved the 2013 Stock Plan. If the stockholders approve the 2016 Stock Plan, no additional awards may be granted under the 2013 Stock Plan. The 2016 Stock Plan includes several new features designed to protect stockholder interests and to reflect our compensation philosophy, including the following:

Includes a minimum vesting period of one-year from the date of grant, or the Minimum Vesting Period.

Eliminates the right to liberally recycle shares back into the pool available for issuance.

Clarifies that no repricing of options and SARs is permitted without further stockholder approval.

Prohibits automatic acceleration of the vesting of any awards upon a change in control.

Adds restrictions on the value of awards that may be made to non-executive directors in any year.

Approval by stockholders of the proposed 2016 Stock Plan will also constitute approval by stockholders of the permissible performance goals under which compensation may be paid for purposes of certain awards intended to qualify as performance-based compensation under Section 162(m) of the Code. Under Section 162(m) of the Code, the Company may not deduct certain compensation over \$1,000,000 in any year to the chief executive officer or any of the three other most highly compensated executive officers of the Company, other than the chief financial officer, unless, among other things, this compensation qualifies as performance-based compensation under Section 162(m) of the Code, and the material terms of the plan related to such compensation are approved by stockholders. For purposes of Section 162(m) of the Code, the material terms include (1) the employees eligible to receive compensation, (2) a description of the business criteria on which performance goals are based, and (3) the maximum amount of compensation that can be paid to an employee during a specified period. Each of these aspects is discussed below.

General.

The 2016 Stock Plan is intended to provide a means through which to attract and retain key personnel, motivate outstanding talent, and to provide a means whereby directors, officers, employees, consultants and advisors (and prospective directors, officers, employees, consultants and advisors) of us and our affiliates, as well as employees of our Manager and its affiliates who are providing services to us and our affiliates, can acquire and maintain an equity interest in us, or be paid incentive compensation.

Administration.

The 2016 Stock Plan will be administered by the compensation committee of our board of directors or a subcommittee thereof to which it has delegated power, or if no such committee or subcommittee thereof exists, the board of directors, or the board of directors acting in lieu of such committee or subcommittee, as applicable, the Committee. The Committee has the authority to make all decisions and determinations with respect to the administration of the 2016 Stock Plan, and is permitted, subject to applicable law or exchange rules and regulations, to delegate all or any part of its responsibilities and powers to any person or persons selected by it in accordance with the terms of the 2016 Stock Plan.

Table of Contents***Shares Subject to the 2016 Stock Plan.***

The 2016 Stock Plan provides that the total number of shares of class A common stock that may be issued under the 2016 Stock Plan shall be 2,400,000 shares of the class A common stock, less any shares of class A common stock issued or subject to awards granted under the Blackstone Mortgage Trust, Inc. 2016 Manager Incentive Plan, or the Stock Plan Share Limit. No more than the number of shares of class A common stock equal to the Stock Plan Share Limit may be delivered in the aggregate pursuant to the exercise of incentive stock options granted under the 2016 Stock Plan; the maximum number of shares for which options or stock appreciation rights may be granted to any individual participant during any single fiscal year is 537,500 shares of class A common stock; and the maximum number of shares for which performance compensation awards denominated in shares may be granted to any individual participant in respect of a single fiscal year is 537,500 shares of class A common stock (or if any such awards are settled in cash, the maximum amount may not exceed the fair market value of such shares on the last day of the performance period to which such award relates). The maximum shares of class A common stock granted during a single fiscal year to any non-executive director, taken together with any cash fees paid to such non-executive director during the fiscal year, shall not exceed \$500,000 in total value (calculating the value of any such awards based on the grant date fair value). Generally, to the extent that an award expires or is canceled, forfeited, terminated, or otherwise is settled without a delivery to the participant of the full number of shares of class A common stock to which the award related, the undelivered shares will be returned to the Stock Plan Share Limit and will again be available for grant under the 2016 Stock Plan. Shares of class A common stock will be deemed to have been issued in settlement of awards if the fair market value equivalent of such shares is paid in cash (other than with respect to the settlement of a stock appreciation right that only provides for settlement in, and settles in, cash). Shares tendered or withheld on the exercise of awards for the payment of the exercise or purchase price or withholding taxes, shares not issued upon the settlement of a stock appreciation right that settles (or could settle) in shares of class A common stock or shares purchased on the open market with cash proceeds from the exercise of options will be deemed to constitute shares delivered to the participant and will not again be available for awards under the 2016 Stock Plan. No award may be granted under the 2016 Stock Plan after the tenth anniversary of the effective date, but awards theretofore granted may extend beyond that date.

Persons Eligible to Participate.

Directors, officers, employees, consultants and advisors (and prospective directors, officers, employees, consultants and advisors) of us and our affiliates, as well as employees of our Manager and its affiliates who are providing services to us and our affiliates, are eligible to participate in the 2016 Stock Plan.

Types of Awards.

Options: The Committee may grant non-qualified stock options and incentive stock options under the 2016 Stock Plan with terms and conditions determined by the Committee that are consistent with the 2016 Stock Plan; *provided* that no award shall contain a vesting period less than the Minimum Vesting Period and, except as set forth below, the Committee shall not accelerate vesting of an Option; *provided further* that all stock options granted under the 2016 Stock Plan are required to have a per share exercise price that is not less than 100% of the fair market value of our class A common stock underlying such stock options on the date an option is granted (other than in the case of options granted in substitution of previously granted awards). The maximum term for stock options granted under the 2016 Stock Plan will generally be ten years from the initial date of grant, or with respect to any stock options intended to qualify as incentive stock options, such shorter period as prescribed by applicable law.

Stock Appreciation Rights: The Committee may grant stock appreciation rights, with terms and conditions determined by the Committee that are consistent with the 2016 Stock Plan; *provided* that no award shall contain a

vesting period less than the Minimum Vesting Period and, except as set forth below, the Committee shall not accelerate vesting of such stock appreciation right. Generally, each stock appreciation right will entitle the participant upon exercise to an amount (in cash, shares or a combination of cash and shares, as determined by the

Table of Contents

Committee) equal to the product of (i) the excess of (A) the fair market value on the exercise date of one share of class A common stock, over (B) the strike price per share, times (ii) the number of shares of class A common stock covered by the stock appreciation right. The strike price per share of a stock appreciation right will be determined by the Committee at the time of grant but in no event may such amount be less than the fair market value of a share of class A common stock on the date the stock appreciation right is granted (other than in the case of stock appreciation rights granted in substitution of previously granted awards).

Restricted Stock and Restricted Stock Units: The Committee may grant restricted shares of our class A common stock or restricted stock units, representing the right to receive, upon the expiration of the applicable restricted period, one share of class A common stock for each restricted stock unit, or, in the sole discretion of the Committee, the cash value thereof (or any combination thereof); *provided* that no award shall contain a vesting period less than the Minimum Vesting Period and, except as set forth below, the Committee shall not accelerate vesting of Restricted Stock or Restricted Stock Units. As to restricted shares of our class A common stock, subject to the other provisions of the 2016 Stock Plan, the holder will generally have the rights and privileges of a stockholder as to such restricted shares of class A common stock, including, without limitation, the right to vote such restricted shares of class A common stock (except, that if the lapsing of restrictions with respect to such restricted shares of class A common stock is contingent on satisfaction of performance conditions other than or in addition to the passage of time, any dividends payable on such restricted shares of class A common stock will be retained, and delivered without interest to the holder of such shares when the restrictions on such shares lapse). To the extent provided in the applicable award agreement, the holder of outstanding restricted stock units will be entitled to be credited with dividend equivalent payments (upon the payment by us of dividends on shares of class A common stock) either in cash or, at the sole discretion of the Committee, in shares of class A common stock having a value equal to the amount of such dividends (and interest may, at the sole discretion of the Committee, be credited on the amount of cash dividend equivalents at a rate and subject to such terms as determined by the Committee), which will be payable at the same time as the underlying restricted stock units are settled following the release of restrictions on such restricted stock units.

Other Stock-Based Awards: The Committee may issue unrestricted class A common stock, rights to receive grants of awards at a future date, or other awards denominated in shares of class A common stock (including, without limitation, performance shares or performance units), under the 2016 Stock Plan; *provided* that awards that may be settled in shares of class A common stock may not contain a vesting period less than the Minimum Vesting Period.

Performance Compensation Awards: The Committee may also designate any award as a performance compensation award intended to qualify as performance-based compensation under section 162(m) of the Code. The Committee has the sole discretion to select the length of any applicable performance periods, the types of performance compensation awards to be issued, the applicable performance criteria and performance goals and the kinds and/or levels of performance goals that are to apply. The performance criteria that will be used to establish the performance goals may be based on the attainment of specific levels of performance of the Company (and/or one or more affiliates, divisions or operational and/or business units, business segments, administrative departments, or any combination of the foregoing) and are limited to the following: (i) terms relative to a peer group or index; (ii) basic, diluted or adjusted earnings per share; (iii) sales or revenue; (iv) earnings before interest, taxes and other adjustments (in total or on a per share basis); (v) cash available for distribution; (vi) basic or adjusted net income; (vii) returns on equity, assets, capital, revenue or similar measure; (viii) level and growth of dividends; (ix) the price or increase in price of class A common stock; (x) total stockholder return; (xi) total assets; (xii) growth in assets, new originations of assets or financing of assets; (xiii) equity market capitalization; (xiv) reduction or other quantifiable goal with respect to general and/or specific expenses; (xv) equity capital raised; (xvi) mergers, acquisitions, increase in enterprise value of affiliates, subsidiaries, divisions or business units or sales of assets of affiliates, subsidiaries, divisions or business units or sales of assets; and (xvii) any combination of the foregoing.

Table of Contents***Effect of Certain Events on 2016 Stock Plan and Awards.***

In the event of certain events that affect our capitalization or our class A common stock, including extraordinary dividends, recapitalizations, stock splits, reverse stock splits, corporate transactions, and other unusual or nonrecurring events affecting us, the 2016 Stock Plan requires the Committee to make any adjustments in such manner as it may deem equitable, which may include, among other things, adjusting applicable share limits and the number of our shares of class A common stock or other securities that may be delivered in respect of awards or with respect to which awards may be granted and the terms of any outstanding award. In connection with a change in control, the Committee may, in its sole discretion, provide for one or more of the following: substitution or assumption of awards, acceleration of vesting to the extent the surviving entity is unwilling to permit substitution or assumption (based on actual performance through the date of such change in control and on a pro-rata basis with respect to performance-vested awards); or cancellation of any one or more outstanding awards and cause to be paid to the holders holding vested awards (including any awards that would vest as a result of the occurrence of such event but for such cancellation) the value of such awards, if any, as determined by the Committee (which, if applicable, may be based upon the price per share of class A common stock received or to be received by the stockholders of the Company in such event), including, without limitation, in the case of options and stock appreciation rights, a cash payment equal to the excess, if any, of the fair market value of the shares of class A common stock subject to the option or stock appreciation right over the aggregate exercise price thereof. No award agreement shall provide for automatic acceleration of the vesting of any award upon a change in control.

Nontransferability of Awards.

An award will not be transferable or assignable by a participant otherwise than by will or by the laws of descent and distribution. Any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance will be void and unenforceable against us or any affiliate (unless required by a domestic relations order or applicable law). However, the Committee may, in its sole discretion, permit awards (other than incentive stock options) to be transferred, including transferred to a participant's family members, any trust established solely for the benefit of participant or such participant's family members, any partnership or limited liability company of which participant, or participant and participant's family members, are the sole member(s), and a beneficiary to whom donations are eligible to be treated as charitable contributions for tax purposes.

Amendment and Termination.

The board of directors may amend, alter, suspend, discontinue or terminate the 2016 Stock Plan or any portion thereof at any time; *provided* that no such amendment, alteration, suspension, discontinuation or termination may be made without stockholder approval if (i) such stockholder approval is necessary to comply with any regulatory requirement applicable to the 2016 Stock Plan, (ii) it would materially increase the number of securities that may be issued under the 2016 Stock Plan (except for adjustments in connection with certain corporate events), or (iii) it would materially modify the requirements for participation in the 2016 Stock Plan; *provided, further*, that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any participant or any holder or beneficiary of any award shall not to that extent be effective without such individual's consent. The Committee may also, to the extent consistent with the terms of any applicable award agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any award granted or the associated award agreement, prospectively or retroactively, (i) subject to, other than with respect to an adjustment event, the consent of the affected participant if any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination would materially and adversely affect the rights of such participant with respect to such award and (ii) provided that such alteration or amendment does not accelerate the vesting of such Award, except as otherwise set forth in the 2016 Stock Plan; *provided, further*, that without stockholder approval,

except as otherwise permitted in the 2016 Stock Plan, (i) no amendment or modification may reduce the exercise price of any option or the strike price of any stock appreciation right, (ii) the Committee may not cancel any outstanding option or stock appreciation

right and replace it with a new option or stock appreciation right with a lower exercise price or strike price, as the case may be or other award or cash payment that is greater than the intrinsic value of the cancelled option or stock appreciation right, and (iii) the Committee may not take any other action which is considered a repricing for purposes of the stockholder approval rules of any securities exchange or inter-dealer quotation system on which our securities are listed or quoted.

Termination of a Participant.

In the event of a participant's termination of employment or service for any reason (other than death or disability) prior to vesting, all vesting with respect to such award(s) shall cease and the unvested portion of the award(s) shall be forfeited for no consideration, provided, the Committee may permit a participant to retain, vest or continue to vest in an award notwithstanding such participant's termination. In the event of a participant's termination of employment or service due to death or disability prior to vesting, all vesting with respect to such award(s) shall accelerate upon such death or disability.

Manager Termination Event.

Upon the termination of the management agreement (i) by action of the Company (other than as a result of the breach by the Manager) or by the Manager as a result of a breach by the Company of the management agreement, all unvested awards held by employees of the Manager or its affiliates shall vest in full and (ii) by action of the Manager (other than as a result of the breach by the Company) or by action of the Company as a result of the breach by the Manager of the Management Agreement, all unvested awards held by employees of the Manager or its affiliates shall be forfeited.

U.S. Federal Income Tax Consequences.

The tax consequences of awards granted under the 2016 Stock Plan are complex and may depend on the surrounding facts and circumstances. The following provides a brief summary of certain significant federal income tax consequences of the 2016 Stock Plan to a participant who is a citizen or resident of the United States under existing U.S. law as of the date hereof. This summary is not a complete statement of applicable law and is based upon the Code, the regulations promulgated thereunder, as well as administrative and judicial interpretations of the Code as in effect on the date of this description. If federal tax laws, or the interpretations of such laws, change in the future, the information provided in this section may no longer be accurate. This section does not discuss state, local, or foreign tax consequences and does not discuss the loss of deduction provisions of Section 280G of the Code, the excise tax provisions of Section 4999 of the Code, or the consequences of a failure to comply with Section 409A of the Code, each of which may be applicable in the circumstances described below. This section also does not discuss the effect of gift, estate, or inheritance taxes, nor any state, local, employment or foreign taxes which may be applicable.

Non-Qualified Options: A participant generally will not have taxable income on the grant of a non-qualified option. A participant will have taxable income upon the exercise of a non-qualified option equal to the excess of the fair market value of our class A common stock over the option price multiplied by the number of shares subject to exercise (referred to as the "option spread"), and we will generally be entitled to deduct that amount for federal income tax purposes. This taxable income will be taxed to a participant as ordinary compensation income.

Taxable income a participant recognizes from a participant's award is subject to federal and applicable state and local income tax withholding. Federal Insurance Contributions Act, or FICA, taxes comprised of Social Security and Medicare taxes must also be withheld on the taxable income recognized at exercise.

A participant may incur a tax liability on the subsequent disposal of shares acquired from a participant's option if these shares are sold at a gain. A participant will be responsible for paying any tax due and ensuring that

Table of Contents

any sale by a participant of the shares is reported to the tax authorities as required by applicable law. When a participant sells or otherwise disposes of shares, an amount equal to the difference between the sale or other disposition price of these shares and the cost basis of these shares will be treated as a capital gain or loss. The cost basis is equal to the amount previously taxed to a participant as compensation income plus the option price.

If the shares that a participant sells at a gain have been held for less than one year, a short-term capital gain will be recognized, which gain is subject to tax at ordinary income tax rates. For shares that a participant sells at a gain that have been held one year or longer, a long-term capital gain will be recognized, which is currently subject to tax at reduced rates. If a participant sells the shares at a loss because the cost basis of the shares exceeds the disposition price of the shares, the loss will be a capital loss, the use of which is limited on a participant's individual federal income tax return.

Incentive Stock Options: A participant will not have any taxable income upon the grant of an incentive stock option. In addition, when a participant exercises an incentive stock option, a participant generally will not recognize any taxable income on the option spread (there may, however, be alternative minimum tax consequences upon exercise as explained below). Instead, a participant will be subject to income taxation only when a participant disposes of the shares a participant acquired upon the exercise of an incentive stock option. If a participant disposes of the shares of class A common stock that a participant acquired upon exercise of an incentive stock option more than two years after the date of grant and more than one year after exercise, a participant will realize a long-term capital gain (or loss) based on the difference between the sale price of the incentive stock option shares and the exercise price of the incentive stock option. Otherwise, if a participant disposes of the incentive stock option shares before the expiration of two years from the date of the incentive stock option grant or one year from the date of incentive stock option exercise (also called a disqualified disposition), a participant will realize ordinary compensation income in the year a participant disposed of the incentive stock option shares in an amount equal to the excess (if any) of (A) the lesser of (1) the fair market value of such shares on the date of exercise and (2) the amount realized on the sale over (B) the option price, and the Company will be entitled to deduct that amount for federal income tax purposes. Any further gain (or loss) that a participant realize upon the disqualified disposition of the class A common stock will be taxed as short-term or long-term capital gain (or loss), depending on how long a participant held the shares, and such gains will not result in any further tax deduction for the Company.

Although a participant's exercise of an incentive stock option does not result in the recognition of regular taxable income, the option spread on an incentive stock option exercise is a preference item that is includible in the calculation of a participant's federal alternative minimum taxable income. Therefore, the exercise of an incentive stock option may cause an increase in a participant's federal income tax liability if the preference income from an incentive stock option exercise causes a participant's alternative minimum tax to exceed (or further exceed) a participant's regular federal income tax in the year of the exercise.

Stock Appreciation Rights: A participant generally will not be subject to tax in connection with the grant of a stock appreciation right. When a participant exercises a stock appreciation right, a participant will generally be required to include as ordinary income in the year of exercise an amount equal to the cash received and the fair market value of any unrestricted class A common stock received on the exercise. We will generally be entitled to a deduction for federal income tax purposes at the same time equal to the amount included in such a participant's income by reason of the exercise. If a participant receives class A common stock upon the exercise of a stock appreciation right, the post-exercise appreciation (or depreciation) will be treated in the same manner as discussed above with respect to non-qualified options.

Restricted Stock and Restricted Stock Units: A participant will generally not be subject to tax when a participant receives a restricted stock or restricted stock unit award unless, in the case of restricted stock, a participant makes an

election pursuant to Section 83(b) of the Code. Generally, a participant will recognize taxable income on the date an award of restricted stock becomes transferable or is no longer subject to a substantial risk of forfeiture (i.e., the vesting date) or when a restricted stock unit is settled in shares of class A

Table of Contents

common stock, as applicable, and we will generally be entitled to a deduction for federal income tax purposes in the same amount. The taxable income from a participant's award will be equal to the difference between the fair market value of the shares on such date and the amount paid for such shares, if any. This income is taxed in the same manner and at the same rates as other compensation income. If a participant does make an election under Section 83(b) of the Code, a participant will have taxable income at the time of grant equal to the difference between the fair market value of the shares on such date and the amount paid for such shares, if any.

Taxable income that a participant recognizes from a participant's award on the vesting date or date of settlement, as applicable, is subject to federal income tax withholding, as well as any applicable state and local income tax withholding. FICA taxes, which consist of Social Security and Medicare taxes, must be withheld on the value of any shares that vest for tax purposes.

A participant may incur a tax liability when a participant subsequently disposes of shares acquired from a participant's award if those shares are sold at a gain. A participant will be responsible for paying any tax due from that sale and ensuring that any sale by a participant of our class A common stock is reported to the appropriate tax authorities as required by applicable law. When a participant sells or otherwise disposes of any shares of stock, an amount equal to the difference between the sale or other disposition price of such shares and the cost basis of such shares will be treated as a capital gain or loss. The cost basis of the shares is equal to the amount previously taxed as compensation income plus any amounts paid for the shares. The holding period of such shares begins on the date such shares are vested (or, where an election is made under Section 83(b), on the date they were issued). If the shares a participant sells at a gain are held for less than one year, a short-term capital gain will result and a participant will be subject to tax at ordinary income tax rates. For shares a participant sells at a gain that are held one year or longer, a long-term capital gain will result. If the shares a participant sells are sold at a loss because the cost basis of the shares exceeds the disposition price of the shares, the loss will be a capital loss, the use of which is limited on a participant's individual federal income tax return.

Performance Compensation Awards: Performance compensation awards granted in the form of options, restricted stock or restricted stock units will be taxable in the same manner as described above with respect to any particular form of award. Generally, when a performance compensation award denominated in cash is granted, there are no income tax consequences to you. Upon payment of cash in respect of such award, a participant will recognize compensation equal to the amount of cash received, and we will generally be entitled to a deduction for federal income tax purposes in the same amount.

Taxable income a participant recognizes from a participant's performance compensation award is subject to federal income tax withholding, as well as any applicable state and local income tax withholding. FICA taxes, which consist of Social Security and Medicare taxes, must be withheld based on the amount of cash received.

Section 162(m): The compensation of persons who are covered employees of the Company is subject to the tax deduction limits of Section 162(m) of the Code. Awards that qualify as performance-based compensation are, however, exempt from the limitations of Section 162(m), and the Company would be allowed the full federal tax deduction otherwise permitted for such compensation. Options and stock appreciation rights that vest over time generally qualify as performance-based compensation for purposes of Section 162(m) of the Code, and performance compensation awards may be granted in a manner that could qualify as performance-based compensation. Nothing in this proposal, however, precludes the Company from making any grant of performance based compensation, restricted stock units and restricted stock awards that do not qualify for tax deductibility under Section 162(m) of the Code.

New Plan Benefits.

Subject to the limits set forth in the 2016 Stock Plan, the number and types of awards that will be granted to any individual or category of individuals under the 2016 Stock Plan are not determinable, as the Committee will make these determinations in its sole discretion.

Registration with the SEC.

The Company will file a Registration Statement on Form S-8 with the SEC with respect to the shares of the Company's class A common stock to be registered pursuant to the 2016 Stock Plan as soon as reasonably practicable upon stockholder approval and prior to the offering of any such shares.

Recommendation.

The board of directors believes strongly that approval of the adoption of the 2016 Stock Plan is essential to the Company's success. PROPOSAL 4 APPROVAL OF THE BLACKSTONE MORTGAGE TRUST, INC. 2016 MANAGER INCENTIVE PLAN

We are asking stockholders to approve the Blackstone Mortgage Trust, Inc. 2016 Manager Incentive Plan. Our board of directors adopted the 2016 Manager Plan on April 20, 2016, subject to the receipt of stockholder approval at the annual meeting. Below is a summary of the principal provisions of the 2016 Manager Plan and its operation. A copy of the 2016 Manager Plan is set forth in full in Annex B to this proxy statement. The following description of the 2016 Manager Plan is not complete and is qualified in its entirety by reference to Annex B.

The stockholders previously approved the 2013 Manager Plan. If the stockholders approve the 2016 Manager Plan, no additional awards may be granted under the 2013 Manager Plan. The 2016 Manager Plan includes several new features designed to protect stockholder interest and to reflect our compensation philosophy, including the following:

Includes a minimum vesting period of one-year from the date of grant, or the Minimum Vesting Period.

Eliminates the right to liberally recycle shares back into the pool available for issuance.

Clarifies that no repricing of options and SARs is permitted without further stockholder approval.

Prohibits automatic acceleration of the vesting of any awards upon a change of control.

Adds restrictions on the value of awards that may be made to non-executive directors in any year.

General.

The 2016 Manager Plan is intended to provide a means through which to attract and retain key personnel and to provide a means whereby our Manager and its affiliates can acquire and maintain an equity interest in us, thereby strengthening their commitment to the welfare of the Company and aligning their interests with those of the Company's stockholders.

Administration.

The 2016 Manager Plan will be administered by the compensation committee of our board of directors or a subcommittee thereof to which it has delegated power, or if no such committee or subcommittee thereof exists, the board of directors, or the board of directors acting in lieu of such committee or subcommittee, as applicable, the Committee. The Committee has the authority to make all decisions and determinations with respect to the administration of the 2016 Manager Plan, and is permitted, subject to applicable law or exchange rules and regulations, to delegate all or any part of its responsibilities and powers to any person or persons selected by it in accordance with the terms of the 2016 Manager Plan.

Shares Subject to the 2016 Manager Plan.

The 2016 Manager Plan provides that the total number of shares of class A common stock that may be issued under the 2016 Manager Plan shall be 2,400,000 shares of the class A common stock, less any shares of class A common stock issued or subject to awards granted under the 2016 Plan (the Absolute Share Limit) and that grants of awards in respect of no more than 930,000 of class A common stock may be made to any individual participant during any single fiscal year of the Company. Generally, to the extent that an award expires or is canceled, forfeited, terminated, or otherwise is settled without a delivery to the participant of the full number of shares of class A common stock to which the award related, the undelivered shares will be returned to the Manager Plan Share Limit and will again be available for grant under the 2016 Manager Plan. Shares of class A common stock will be deemed to have been issued in settlement of awards if the fair market value equivalent of such shares is paid in cash (other than with respect to the settlement of a stock appreciation right that only provides for settlement in, and settles in, cash). Shares tendered or withheld on the exercise of awards for the payment of the exercise or purchase price or withholding taxes, shares not issued upon the settlement of a stock

Table of Contents

appreciation right that settles (or could settle) in shares of class A common stock or shares purchased on the open market with cash proceeds from the exercise of options will be deemed to constitute shares delivered to the participant and will not again be available for awards under the 2016 Manager Plan. No award may be granted under the 2016 Manager Plan after the tenth anniversary of the effective date, but awards theretofore granted may extend beyond that date.

Persons Eligible to Participate.

Our Manager and its affiliates are eligible to participate in the 2016 Manager Plan.

Types of Awards.

Options: The Committee may grant stock options under the 2016 Manager Plan with terms and conditions determined by the Committee that are consistent with the 2016 Manager Plan; *provided* that no award shall contain a vesting period less than the Minimum Vesting Period and, except as set forth below, the Committee shall not accelerate vesting of an Option; *provided further* that all stock options granted under the 2016 Manager Plan are required to have a per share exercise price that is not less than 100% of the fair market value of our class A common stock underlying such stock options on the date an option is granted. The maximum term for stock options granted under the 2016 Manager Plan will generally be ten years from the initial date of grant.

Stock Appreciation Rights: The Committee may grant stock appreciation rights, with terms and conditions determined by the Committee that are consistent with the 2016 Manager Plan; *provided* that no award shall contain a vesting period less than the Minimum Vesting Period and, except as set forth below, the Committee shall not accelerate vesting of such stock appreciation right. Generally, each stock appreciation right will entitle the participant upon exercise to an amount (in cash, shares or a combination of cash and shares, as determined by the Committee) equal to the product of (i) the excess of (A) the fair market value on the exercise date of one share of class A common stock, over (B) the strike price per share, times (ii) the number of shares of class A common stock covered by the stock appreciation right. The strike price per share of a stock appreciation right will be determined by the Committee at the time of grant but in no event may such amount be less than the fair market value of a share of class A common stock on the date the stock appreciation right is granted (other than in the case of stock appreciation rights granted in substitution of previously granted awards).

Restricted Stock and Restricted Stock Units: The Committee may grant restricted shares of our class A common stock or restricted stock units, representing the right to receive, upon the expiration of the applicable restricted period, one share of class A common stock for each restricted stock unit, or, in the sole discretion of the Committee, the cash value thereof (or any combination thereof); *provided* that no award shall contain a vesting period less than the Minimum Vesting Period and, except as set forth below, the Committee shall not accelerate vesting of Restricted Stock or Restricted Stock Units. As to restricted shares of our class A common stock, subject to the other provisions of the 2016 Manager Plan, the holder will generally have the rights and privileges of a stockholder as to such restricted shares of class A common stock, including, without limitation, the right to vote such restricted shares of class A common stock (except, that if the lapsing of restrictions with respect to such restricted shares of class A common stock is contingent on satisfaction of performance conditions other than or in addition to the passage of time, any dividends payable on such restricted shares of class A common stock will be retained, and delivered without interest to the holder of such shares when the restrictions on such shares lapse). To the extent provided in the applicable award agreement, the holder of outstanding restricted stock units will be entitled to be credited with dividend equivalent payments (upon the payment by us of dividends on shares of class A common stock) either in cash or, at the sole discretion of the Committee, in shares of class A common stock having a value equal to the amount of such dividends (and interest may, at the sole discretion of the Committee, be credited on the amount of cash

dividend equivalents at a rate and subject to such terms as determined by the Committee), which will be payable at the same time as the underlying restricted stock units are settled following the release of restrictions on such restricted stock units.

Table of Contents

Other Stock-Based Awards: The Committee may issue unrestricted class A common stock, rights to receive grants of awards at a future date, or other awards denominated in shares of class A common stock (including, without limitation, performance shares or performance units), under the 2016 Manager Plan; *provided* that awards that may be settled in shares of class A common stock may not contain a vesting period less than the Minimum Vesting Period.

Effect of Certain Events on 2016 Manager Plan and Awards.

In the event of certain events that affect our capitalization or our class A common stock, including extraordinary dividends, recapitalizations, stock splits, reverse stock splits, corporate transactions, and other unusual or nonrecurring events affecting us, the 2016 Manager Plan requires the Committee to make any adjustments in such manner as it may deem equitable, which may include, among other things, adjusting applicable share limits and the number of our shares of class A common stock or other securities that may be delivered in respect of awards or with respect to which awards may be granted and the terms of any outstanding award. In connection with a change in control, the Committee may, in its sole discretion, provide for one or more of the following: substitution or assumption of awards, acceleration of vesting to the extent the surviving entity is unwilling to permit substitution or assumption (based on actual performance through the date of such change in control and on a pro-rata basis with respect to performance-vested awards); or cancellation of any one or more outstanding awards and cause to be paid to the holders holding vested awards (including any awards that would vest as a result of the occurrence of such event but for such cancellation) the value of such awards, if any, as determined by the Committee (which, if applicable, may be based upon the price per share of class A common stock received or to be received by the stockholders of the Company in such event), including, without limitation, in the case of options and stock appreciation rights, a cash payment equal to the excess, if any, of the fair market value of the shares of class A common stock subject to the option or stock appreciation right over the aggregate exercise price thereof. No award agreement shall provide for automatic acceleration of the vesting of any award upon a change in control.

Nontransferability of Awards.

An award will not be transferable or assignable by a participant. Any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance will be void and unenforceable against us or any affiliate. However, the Committee may, in its sole discretion, permit awards to be transferred by a participant to any other eligible person, without consideration, subject to any rules the Committee may adopt that are consistent with the applicable award agreement to preserve the purposes of the 2016 Manager Plan.

Amendment and Termination.

The board of directors may amend, alter, suspend, discontinue or terminate the 2016 Manager Plan or any portion thereof at any time; *provided* that no such amendment, alteration, suspension, discontinuation or termination may be made without stockholder approval if (i) such stockholder approval is necessary to comply with any regulatory requirement applicable to the 2016 Manager Plan, (ii) it would materially increase the number of securities that may be issued under the 2016 Manager Plan (except for adjustments in connection with certain corporate events), or (iii) it would materially modify the requirements for participation in the 2016 Manager Plan; *provided, further*, that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any participant or any holder of any award shall not to that extent be effective without such party's consent. The Committee may also, to the extent consistent with the terms of any applicable award agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any award granted or the associated award agreement, prospectively or retroactively, (i) subject to, other than with respect to an adjustment event, the consent of the affected participant if any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination would materially and adversely affect the rights of such participant with respect to such

award and (ii) provided that such alternation or amendment does not accelerate the vesting of such Award, except as otherwise set forth in the

Table of Contents

2016 Manager Plan; *provided, further*, that without stockholder approval, except as otherwise permitted in the 2016 Manager Plan, (i) no amendment or modification may reduce the exercise price of any option or the strike price of any stock appreciation right, (ii) the Committee may not cancel any outstanding option or stock appreciation right and replace it with a new option or stock appreciation right with a lower exercise price or strike price, as the case may be or other award or cash payment that is greater than the intrinsic value of the cancelled option or stock appreciation right, and (iii) the Committee may not take any other action which is considered a repricing for purposes of the stockholder approval rules of any securities exchange or inter-dealer quotation system on which our securities are listed or quoted.

Termination.

In the event of a termination of service (i) by action of the Company (other than as a result of the breach by the Manager) or by the Manager as a result of a breach by the Company of the Management Agreement, all unvested awards held by the Manager or its affiliates shall vest in full and (ii) for any other reason, including, by action of the Manager (other than as a result of the breach by the Company) or by action of the Company as a result of the breach by the Manager of the management agreement, all unvested awards held by the Manager or its affiliates shall be forfeited for no consideration, provided, the Committee may permit a participant to retain, vest or continue to vest in an award notwithstanding such participant's termination.

U.S. Federal Income Tax Consequences.

The tax consequences of awards granted under the 2016 Manager Plan are complex and may depend on the surrounding facts and circumstances. The following provides a brief summary of certain significant federal income tax consequences to a participant subject to taxation in the United States under existing U.S. law as of the date hereof. For purposes of this summary, it is assumed that participants are treated as pass-through entities for U.S. tax purposes. This summary is not a complete statement of applicable law and is based upon the Code, the regulations promulgated thereunder, as well as administrative and judicial interpretations of the Code as in effect on the date of this description. If federal tax laws, or the interpretations of such laws, change in the future, the information provided in this section may no longer be accurate. This section does not discuss state, local, or foreign tax consequences and does not discuss the loss of deduction provisions of Section 280G of the Code, the excise tax provisions of Section 4999 of the Code, or the consequences of a failure to comply with Section 409A of the Code, each of which may be applicable in the circumstances described below. This section also does not discuss the effect of gift, estate, or inheritance taxes, nor any state, local, employment or foreign taxes which may be applicable.

Options: A participant generally will not have taxable income on the grant of an option. A participant will have taxable income upon the exercise of an option equal to the excess of the fair market value of our class A common stock over the option price multiplied by the number of shares subject to exercise (referred to as the option spread), and we will generally be entitled to deduct that amount for federal income tax purposes. This taxable income will be taxed to a participant as ordinary compensation income.

A participant may incur a tax liability on the subsequent disposal of shares acquired from a participant's option if these shares are sold at a gain. A participant will be responsible for paying any tax due and ensuring that any sale by a participant of the shares is reported to the tax authorities as required by applicable law. When a participant sells or otherwise disposes of shares, an amount equal to the difference between the sale or other disposition price of these shares and the cost basis of these shares will be treated as a capital gain or loss. The cost basis is equal to the amount previously taxed to a participant as compensation income plus the option price.

If the shares that a participant sells at a gain have been held for less than one year, a short-term capital gain will be recognized, which gain is subject to tax at ordinary income tax rates. For shares that a participant sells at a gain that have been held one year or longer, a long-term capital gain will be recognized, which is currently subject to tax at reduced rates. If a participant sells the shares at a loss because the cost basis of the shares exceeds the disposition price of the shares, the loss will be a capital loss.

Table of Contents

Stock Appreciation Rights: A participant generally will not be subject to tax in connection with the grant of a stock appreciation right. When a participant exercises a stock appreciation right, a participant will generally be required to include as ordinary income in the year of exercise an amount equal to the cash received and the fair market value of any unrestricted class A common stock received on the exercise. We will generally be entitled to a deduction for federal income tax purposes at the same time equal to the amount included in such a participant's income by reason of the exercise. If a participant receives class A common stock upon the exercise of a stock appreciation right, the post-exercise appreciation (or depreciation) will be treated in the same manner as discussed above with respect to options.

Restricted Stock and Restricted Stock Units: A participant will generally not be subject to tax when a participant receives a restricted stock or restricted stock unit award unless, in the case of restricted stock, a participant makes an election pursuant to Section 83(b) of the Code. Generally, a participant will recognize taxable income on the date an award of restricted stock becomes transferable or is no longer subject to a substantial risk of forfeiture (i.e., the vesting date) or when a restricted stock unit is settled in shares of class A common stock, as applicable, and we will generally be entitled to a deduction for federal income tax purposes in the same amount. The taxable income from a participant's award will be equal to the difference between the fair market value of the shares on such date and the amount paid for such shares, if any. This income is taxed in the same manner and at the same rates as other compensation income. If a participant does make an election under Section 83(b) of the Code, a participant will have taxable income at the time of grant equal to the difference between the fair market value of the shares on such date and the amount paid for such shares, if any.

A participant may incur a tax liability when a participant subsequently disposes of shares acquired from a participant's award if those shares are sold at a gain. A participant will be responsible for paying any tax due from that sale and ensuring that any sale by a participant of our class A common stock is reported to the appropriate tax authorities as required by applicable law. When a participant sells or otherwise disposes of any shares of stock, an amount equal to the difference between the sale or other disposition price of such shares and the cost basis of such shares will be treated as a capital gain or loss. The cost basis of the shares is equal to the amount previously taxed as compensation income plus any amounts paid for the shares. The holding period of such shares begins on the date such shares are vested (or, where an election is made under Section 83(b), on the date they were issued). If the shares a participant sells at a gain are held for less than one year, a short-term capital gain will result and a participant will be subject to tax at ordinary income tax rates. For shares a participant sells at a gain that are held one year or longer, a long-term capital gain will result. If the shares a participant sells are sold at a loss because the cost basis of the shares exceeds the disposition price of the shares, the loss will be a capital loss.

PROPOSAL 5 ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, we are providing stockholders with an opportunity to vote, on a non-binding advisory basis, on the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with SEC rules. The advisory vote on executive compensation described in this proposal is commonly referred to as a say-on-pay vote. Approximately 99% of the votes cast at the 2015 annual meeting voted to approve our executive compensation. At the 2013 annual meeting, we asked our stockholders to indicate if we should hold an advisory vote on the compensation of our Named Executive Officers every one, two or three years. Because at our 2013 annual meeting our stockholders voted in favor of an annual advisory vote, we again are asking our stockholders to approve the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with the SEC's rules.

As described under Executive Compensation Compensation Discussion and Analysis elsewhere in this proxy statement, we are externally managed and advised by our Manager pursuant to the Management Agreement. Our Named Executive Officers for fiscal 2015 currently serve as officers of our Manager and we have no employees. Because our Management Agreement provides that our Manager is responsible for managing our affairs, our Named Executive Officers for fiscal 2015 do not currently receive any cash compensation from us or any of our subsidiaries for serving as our executive officers. Additionally, we do not have any agreements with any of our Named Executive Officers with respect to their cash compensation and do not intend to directly pay any cash compensation to them. However, from time to time we may grant to our Named Executive Officers and our Manager equity-based awards pursuant to our equity incentive plans, which we believe serve to align the interests of our Named Executive Officers and our Manager with the interests of our stockholders in receiving attractive risk-adjusted dividends and growth.

We do not determine the cash compensation payable by the Manager to our Named Executive Officers. The Manager and its affiliates determine the salaries, bonuses and other wages earned by our Named Executive Officers from our Manager and its affiliates. The Manager and its affiliates also determine whether and to what extent our Named Executive Officers will be provided with employee benefit plans.

This proposal gives our stockholders the opportunity to express their views on the overall compensation of our Named Executive Officers provided by us and the philosophy, policies and practices described in this proxy statement. For the reasons discussed above, we are asking our stockholders to indicate their support for our Named Executive Officer compensation by voting **FOR** the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure includes the Compensation Discussion and Analysis, compensation tables and any related material disclosed in this proxy statement).

The say-on-pay vote is advisory only, and therefore it will not bind the Company or our board of directors. However, the board of directors and the compensation committee will consider the voting results as appropriate when making future decisions regarding executive compensation.

VOTING RECOMMENDATION

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE ADVISORY RESOLUTION RELATING TO THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

HOUSEHOLDING OF PROXY MATERIALS

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and notices with respect to two or more stockholders sharing the same address by delivering a single proxy statement or a single notice addressed to those stockholders. This process, which is commonly referred to as householding, provides cost savings for companies. Some brokers household proxy materials, delivering a single proxy statement or notice to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, or if you are receiving duplicate copies of these materials and wish to have householding apply, please notify your broker. You may also call (800) 542-1061 or write to: Household Department, 51 Mercedes Way, Edgewood, New York 11717, and include your name, the name of your broker or other nominee and your account number(s). You can also request prompt delivery of a copy of the proxy statement and annual report by contacting Blackstone Mortgage Trust Stockholders Relations Department, 345 Park Avenue, 42nd Floor, New York, New York 10154, (212) 655-0220.

(c) Except to the extent prohibited by applicable law or the applicable rules and regulations of any securities exchange or inter-dealer quotation system on which the securities of the Company are listed or traded, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any Person or Persons selected by it. Any such allocation or delegation may be revoked by the Committee at any time. Without limiting the generality of the foregoing, the Committee may delegate to one or more officers of the Company or any Subsidiary the authority to act on behalf of the Committee with respect to any matter, right, obligation, or election which is the responsibility of, or which is allocated to, the Committee herein, and which may be so delegated as a matter of law, except for grants of Awards to persons (i) who are Non-Employee Directors or otherwise are subject to Section 16 of the Exchange Act, or (ii) who are, or who are

reasonably expected to be, covered employees for purposes of Section 162(m) of the Code.

(d) Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan, any Award or any Award Agreement shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon all Persons, including, without limitation, the Company, any Affiliate, any Participant, any holder or beneficiary of any Award, and any stockholder of the Company.

(e) No member of the Board, the Committee or any employee or agent of the Company (each such Person, an Indemnifiable Person) shall be liable for any action taken or omitted to be taken or any determination made with respect to the Plan or any Award hereunder (unless constituting fraud or a willful criminal act or omission). Each Indemnifiable Person shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense (including attorneys' fees) that may be imposed upon or incurred by such Indemnifiable Person in connection with or resulting from any action, suit or proceeding to which such Indemnifiable Person may be a party or in which such Indemnifiable Person may be involved by reason of any action taken or omitted to be taken or determination made with respect to the Plan or any Award hereunder and against and from any and all amounts paid by such Indemnifiable Person with the Company's approval, in settlement thereof, or paid by such Indemnifiable Person in satisfaction of any judgment in any such action, suit or proceeding against such Indemnifiable Person, and the Company shall advance to such Indemnifiable Person any such expenses promptly upon written request (which request shall include an undertaking by the Indemnifiable Person to repay the amount of such advance if it shall ultimately be determined, as provided below, that the Indemnifiable Person is not entitled to be indemnified); *provided*, that the Company shall have the right, at its own expense, to assume and defend any such action, suit or proceeding and once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of the Company's choice. The foregoing right of indemnification shall not become available to an Indemnifiable Person to the extent that a final judgment or other final adjudication (in either case not subject to further appeal) binding upon such Indemnifiable Person determines that the acts, omissions or determinations of such Indemnifiable Person giving rise to the indemnification claim resulted from such Indemnifiable Person's fraud or willful criminal act or omission or that such right of indemnification is otherwise prohibited by law or by the Company's Charter or Bylaws. The foregoing right of indemnification shall not be exclusive of or otherwise supersede any other rights of indemnification to which such Indemnifiable Persons may be entitled under the Company's Charter or Bylaws, as a matter of law, under an individual indemnification agreement or contract or otherwise, or any other power that the Company may have to indemnify such Indemnifiable Persons or hold such Indemnifiable Persons harmless.

(f) Notwithstanding anything to the contrary contained in the Plan, the Board may, in its sole discretion, at any time and from time to time, grant Awards and administer the Plan with respect to such Awards. Any such actions by the Board shall be subject to the applicable rules of the NYSE or any other securities exchange or inter-dealer quotation system on which the Common Stock is listed or quoted. In any such case, the Board shall have all the authority granted to the Committee under the Plan.

5. Grant of Awards; Shares Subject to the Plan; Limitations.

(a) The Committee may, from time to time, grant Awards to one or more Eligible Persons.

(b) Awards granted under the Plan shall be subject to the following limitations: (i) subject to Section 12 of the Plan, no more than 2,400,000 shares of Common Stock, less any shares of Common Stock issued or subject to awards granted under the Blackstone Mortgage Trust, Inc. 2016 Manager Incentive Plan (the Absolute Share Limit) shall be available for Awards under the Plan; (ii) subject to Section 12 of the Plan, grants of Options or SARs under the Plan in respect of no more than 537,500 shares of Common Stock may be made to any individual Participant during any single fiscal year of the Company (for this purpose, if a SAR is granted in tandem with an Option (such that the SAR

expires with respect to the number of shares of Common Stock for which the Option is exercised), only the shares underlying the Option shall count against this limitation); (iii) subject to Section 12 of the Plan, no more than the number of shares of Common Stock equal to the Absolute Share Limit may be

issued in the aggregate pursuant to the exercise of Incentive Stock Options granted under the Plan; (iv) subject to Section 12 of the Plan, no more than 537,500 shares of Common Stock may be issued in respect of Performance Compensation Awards denominated in shares of Common Stock granted pursuant to Section 11 of the Plan to any individual Participant for a single fiscal year during a Performance Period (or with respect to each single fiscal year in the event a Performance Period extends beyond a single fiscal year), or in the event such share-denominated Performance Compensation Award is paid in cash, other securities, other Awards or other property, no more than the Fair Market Value of such shares of Common Stock on the last day of the Performance Period to which such Award relates; and (v) the maximum number of shares of Common Stock subject to Awards granted during a single fiscal year to any Non-Employee Director, taken together with any cash fees paid to such Non-Employee Director during the fiscal year, shall not exceed \$500,000 in total value (calculating the value of any such Awards based on the grant date fair value of such Awards for financial reporting purposes).

(c) Other than with respect to Substitute Awards, to the extent that an Award or Prior Plan Award expires or is canceled, forfeited or terminated without delivery to the Participant of the full number of shares of Common Stock to which the Award or Prior Plan Award, as applicable, related, the undelivered shares will be returned to the Absolute Share Limit and will again be available for grant under the Plan. Shares of Common Stock shall be deemed to have been issued in settlement of Awards or Prior Plan Awards, as applicable, if the Fair Market Value equivalent of such shares is paid in cash; *provided, however*, that no shares shall be deemed to have been issued in settlement of a SAR that only provides for settlement in cash and settles only in cash; *provided, further* that in no event shall such shares increase the number of shares of Common Stock that may be delivered pursuant to Incentive Stock Options granted under the Plan. In no event shall (i) shares tendered or withheld on the exercise of Options or other Award or Prior Plan Award, as applicable, for the payment of the exercise or purchase price or withholding taxes, (ii) shares not issued upon the settlement of a SAR that settles in shares of Common Stock (or could settle in shares of Common Stock), or (iii) shares purchased on the open market with cash proceeds from the exercise of Options, again become available for other Awards under the Plan.

(d) Shares of Common Stock issued by the Company in settlement of Awards may be authorized and unissued shares, shares held in the treasury of the Company, shares purchased on the open market or by private purchase or a combination of the foregoing.

(e) Awards may, in the sole discretion of the Committee, be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by an entity directly or indirectly acquired by the Company or with which the Company combines (Substitute Awards). Substitute Awards shall not be counted against the Absolute Share Limit; *provided*, that Substitute Awards issued in connection with the assumption of, or in substitution for, outstanding options intended to qualify as incentive stock options within the meaning of Section 422 of the Code shall be counted against the aggregate number of shares of Common Stock available for Awards of Incentive Stock Options under the Plan. Subject to applicable stock exchange requirements, available shares under a stockholder-approved plan of an entity directly or indirectly acquired by the Company or with which the Company combines (as appropriately adjusted to reflect the acquisition or combination transaction) may be used for Awards under the Plan and shall not reduce the number of shares of Common Stock available for issuance under the Plan.

6. Eligibility. Participation in the Plan shall be limited to Eligible Persons.

7. Options.

(a) General. Each Option granted under the Plan shall be evidenced by an Award Agreement, which agreement need not be the same for each Participant. Each Option so granted shall be subject to the conditions set forth in this Section 7, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award

Agreement. All Options granted under the Plan shall be Nonqualified Stock Options unless the applicable Award Agreement expressly states that the Option is intended to be an Incentive Stock Option. Incentive Stock Options shall be granted only to Eligible Persons who are employees of the Company and its Affiliates, and no Incentive Stock Option shall be granted to any Eligible Person who is ineligible to receive an

Table of Contents

Incentive Stock Option under the Code. No Option shall be treated as an Incentive Stock Option unless the Plan has been approved by the stockholders of the Company in a manner intended to comply with the stockholder approval requirements of Section 422(b)(1) of the Code, *provided* that any Option intended to be an Incentive Stock Option shall not fail to be effective solely on account of a failure to obtain such approval, but rather such Option shall be treated as a Nonqualified Stock Option unless and until such approval is obtained. In the case of an Incentive Stock Option, the terms and conditions of such grant shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code. If for any reason an Option intended to be an Incentive Stock Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such nonqualification, such Option or portion thereof shall be regarded as a Nonqualified Stock Option appropriately granted under the Plan.

(b) **Exercise Price.** Except as otherwise provided by the Committee in the case of Substitute Awards, the exercise price (Exercise Price) per share of Common Stock for each Option shall not be less than 100% of the Fair Market Value of such share (determined as of the Date of Grant); *provided, however*, that in the case of an Incentive Stock Option granted to an employee who, at the time of the grant of such Option, owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Affiliate, the Exercise Price per share shall be no less than 110% of the Fair Market Value per share on the Date of Grant.

(c) **Vesting and Expiration.** Options shall vest and become exercisable in such manner and on such date or dates or upon such event or events as determined by the Committee; *provided*, that no Award Agreement shall contain a vesting period of less duration than the Minimum Vesting Period. Except as set forth in Section 14(i) hereto, the Committee shall not accelerate vesting of an Option. Options shall expire after such period, as may be determined by the Committee, not to exceed ten (10) years from the Date of Grant (the Option Period); *provided*, that if the Option Period (other than in the case of an Incentive Stock Option) would expire at a time when trading in the shares of Common Stock is prohibited by the Company's insider trading policy (or Company-imposed blackout period), then the Option Period shall be automatically extended until the thirtieth (30th) day following the expiration of such prohibition. Notwithstanding the foregoing, in no event shall the Option Period exceed five (5) years from the Date of Grant in the case of an Incentive Stock Option granted to a Participant who on the Date of Grant owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Affiliate.

(d) **Method of Exercise and Form of Payment.** No shares of Common Stock shall be issued pursuant to any exercise of an Option until payment in full of the Exercise Price therefor is received by the Company and the Participant has paid to the Company an amount equal to any Federal, state, local and non-U.S. income, employment and any other applicable taxes required to be withheld. Options which have become exercisable may be exercised by delivery of written or electronic notice of exercise to the Company (or telephonic instructions to the extent provided by the Committee) in accordance with the terms of the Option accompanied by payment of the Exercise Price. The Exercise Price shall be payable: (i) in cash, check, cash equivalent and/or shares of Common Stock valued at the Fair Market Value at the time the Option is exercised (including, pursuant to procedures approved by the Committee, by means of attestation of ownership of a sufficient number of shares of Common Stock in lieu of actual delivery of such shares to the Company); *provided*, that such shares of Common Stock are not subject to any pledge or other security interest and have been held by the Participant for at least six (6) months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment applying generally accepted accounting principles (GAAP)); or (ii) by such other method as the Committee may permit, in its sole discretion, including, without limitation (A) in other property having a fair market value on the date of exercise equal to the Exercise Price; (B) if there is a public market for the shares of Common Stock at such time, by means of a broker-assisted cashless exercise pursuant to which the Company is delivered (including telephonically to the extent permitted by the Committee) a copy of irrevocable instructions to a stockbroker to sell the shares of Common Stock otherwise issuable upon the exercise of the Option and to deliver promptly to the Company an amount equal to the Exercise Price; or (C) a net exercise procedure effected by withholding the minimum number of shares of Common Stock otherwise issuable in

respect of an Option that are needed to pay the Exercise Price and all applicable required withholding taxes. Any fractional shares of Common Stock shall be settled in cash.

(e) Notification upon Disqualifying Disposition of an Incentive Stock Option. Each Participant awarded an Incentive Stock Option under the Plan shall notify the Company in writing immediately after the date the Participant makes a disqualifying disposition of any Common Stock acquired pursuant to the exercise of such Incentive Stock Option. A disqualifying disposition is any disposition (including, without limitation, any sale) of such Common Stock before the later of (i) the date that is two (2) years after the Date of Grant of the Incentive Stock Option, or (ii) the date that is one (1) year after the date of exercise of the Incentive Stock Option. The Company may, if determined by the Committee and in accordance with procedures established by the Committee, retain possession, as agent for the applicable Participant, of any Common Stock acquired pursuant to the exercise of an Incentive Stock Option until the end of the period described in the preceding sentence, subject to complying with any instructions from such Participant as to the sale of such Common Stock.

(f) Compliance With Laws, etc. Notwithstanding the foregoing, in no event shall a Participant be permitted to exercise an Option in a manner which the Committee determines would violate the Sarbanes-Oxley Act of 2002, as it may be amended from time to time, or any other applicable law or the applicable rules and regulations of the Securities and Exchange Commission or the applicable rules and regulations of any securities exchange or inter-dealer quotation system on which the securities of the Company are listed or traded.

8. Stock Appreciation Rights.

(a) General. Each SAR granted under the Plan shall be evidenced by an Award Agreement. Each SAR so granted shall be subject to the conditions set forth in this Section 8, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement. Any Option granted under the Plan may include tandem SARs. The Committee also may award SARs to Eligible Persons independent of any Option.

(b) Strike Price. Except as otherwise provided by the Committee in the case of Substitute Awards, the strike price (Strike Price) per share of Common Stock for each SAR shall not be less than 100% of the Fair Market Value of such share (determined as of the Date of Grant). Notwithstanding the foregoing, a SAR granted in tandem with (or in substitution for) an Option previously granted shall have a Strike Price equal to the Exercise Price of the corresponding Option.

(c) Vesting and Expiration. A SAR granted in connection with an Option shall become exercisable and shall expire according to the same vesting schedule and expiration provisions as the corresponding Option. Solely in the case of a SAR that may be settled in Common Stock, a SAR granted independent of an Option:

(i) shall vest and become exercisable in such manner and on such date or dates or upon such event or events as determined by the Committee; *provided*, that no Award Agreement shall contain a vesting period of less duration than the Minimum Vesting Period; and

(ii) shall expire in such manner and on such date or dates or upon such event or events as determined by the Committee and shall expire after such period, as may be determined by the Committee, not to exceed ten (10) years from the Date of Grant (the SAR Period); *provided* that if the SAR Period would expire at a time when trading in the shares of Common Stock is prohibited by the Company's insider trading policy (or Company-imposed blackout period), then the SAR Period shall be automatically extended until the 30th day following the expiration of such prohibition.

Solely in the case of a SAR that may be settled in Common Stock, except as set forth in Section 14(i) hereto, the Committee shall not accelerate vesting of any such SAR.

(d) Method of Exercise. SARs which have become exercisable may be exercised by delivery of written or electronic notice of exercise to the Company in accordance with the terms of the Award, specifying the number of SARs to be exercised and the date on which such SARs were awarded.

A-10

Table of Contents

(e) Payment. Upon the exercise of a SAR, the Company shall pay to the Participant an amount equal to the number of shares subject to the SAR that is being exercised multiplied by the excess, if any, of the Fair Market Value of one (1) share of Common Stock on the exercise date over the Strike Price, less an amount equal to any Federal, state, local and non-U.S. income, employment and any other applicable taxes required to be withheld. The Company shall pay such amount in cash, in shares of Common Stock valued at Fair Market Value, or any combination thereof, as determined by the Committee in its sole discretion. Any fractional shares of Common Stock shall be settled in cash.

(f) Substitution of SARs for Nonqualified Stock Options. The Committee shall have the power in its sole discretion to substitute, without the consent of the affected Participant or any holder or beneficiary of SARs, SARs settled in shares of Common Stock (or settled in shares or cash in the sole discretion of the Committee) for outstanding Nonqualified Stock Options, provided that (i) the substitution shall not otherwise result in a modification of the terms of any such Nonqualified Stock Option, (ii) the number of shares of Common Stock underlying the substituted SARs shall be the same as the number of shares of Common Stock underlying such Nonqualified Stock Options and (iii) the Strike Price of the substituted SARs shall be equal to the Exercise Price of such Nonqualified Stock Options; provided, however, that if, in the opinion of the Company's independent public auditors, the foregoing provision creates adverse accounting consequences for the Company, such provision shall be considered null and void.

9. Restricted Stock and Restricted Stock Units.

(a) General. Each grant of Restricted Stock and Restricted Stock Units shall be evidenced by an Award Agreement. Each Restricted Stock and Restricted Stock Unit so granted shall be subject to the conditions set forth in this Section 9, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement.

(b) Stock Certificates and Book-Entry; Escrow or Similar Arrangement. Upon the grant of Restricted Stock, the Committee shall cause a stock certificate registered in the name of the Participant to be issued or shall cause share(s) of Common Stock to be registered in the name of the Participant and held in book-entry form subject to the Company's directions and, if the Committee determines that the Restricted Stock shall be held by the Company or in escrow rather than issued to the Participant pending the release of the applicable restrictions, the Committee may require the Participant to additionally execute and deliver to the Company (i) an escrow agreement satisfactory to the Committee, if applicable; and (ii) the appropriate stock power (endorsed in blank) with respect to the Restricted Stock covered by such agreement. If a Participant shall fail to execute and deliver (in a manner permitted under Section 14(a) of the Plan or as otherwise determined by the Committee) an agreement evidencing an Award of Restricted Stock and, if applicable, an escrow agreement and blank stock power within the amount of time specified by the Committee, the Award shall be null and void. Subject to the restrictions set forth in this Section 9 and the applicable Award Agreement, a Participant generally shall have the rights and privileges of a stockholder as to shares of Restricted Stock, including, without limitation, the right to vote such Restricted Stock; *provided*, that if the lapsing of restrictions with respect to any grant of Restricted Stock is contingent on satisfaction of performance conditions (other than, or in addition to, the passage of time), any dividends payable on such shares of Restricted Stock shall be held by the Company and delivered (without interest) to the Participant within fifteen (15) days following the date on which the restrictions on such Restricted Stock lapse (and the right to any such accumulated dividends shall be forfeited upon the forfeiture of the Restricted Stock to which such dividends relate). To the extent shares of Restricted Stock are forfeited, any stock certificates issued to the Participant evidencing such shares shall be returned to the Company, and all rights of the Participant to such shares and as a stockholder with respect thereto shall terminate without further obligation on the part of the Company. A Participant shall have no rights or privileges as a stockholder as to Restricted Stock Units.

(c) Vesting. Restricted Stock and Restricted Stock Units shall vest, and any applicable Restricted Period shall lapse, in such manner and on such date or dates or upon such event or events as determined by the

A-11

Committee; *provided*, that no Award Agreement shall contain a vesting period of less duration than the Minimum Vesting Period. Except as set forth in Section 14(i) hereto, the Committee shall not accelerate vesting of Restricted Stock or Restricted Stock Units.

(d) Issuance of Restricted Stock and Settlement of Restricted Stock Units.

(i) Upon the expiration of the Restricted Period with respect to any shares of Restricted Stock, the restrictions set forth in the applicable Award Agreement shall be of no further force or effect with respect to such shares, except as set forth in the applicable Award Agreement. If an escrow arrangement is used, upon such expiration, the Company shall issue to the Participant, or the Participant's beneficiary, without charge, the stock certificate (or, if applicable, a notice evidencing a book-entry notation) evidencing the shares of Restricted Stock which have not then been forfeited and with respect to which the Restricted Period has expired (rounded down to the nearest full share). Dividends, if any, that may have been withheld by the Committee and attributable to any particular share of Restricted Stock shall be distributed to the Participant in cash or, in the sole discretion of the Committee, in shares of Common Stock having a Fair Market Value (on the date of distribution) equal to the amount of such dividends, upon the release of restrictions on such share and, if such share is forfeited, the Participant shall have no right to such dividends.

(ii) Unless otherwise provided by the Committee in an Award Agreement or otherwise, upon the expiration of the Restricted Period with respect to any outstanding Restricted Stock Units, the Company shall issue to the Participant or the Participant's beneficiary, without charge, one (1) share of Common Stock (or other securities or other property, as applicable) for each such outstanding Restricted Stock Unit; *provided, however*, that the Committee may, in its sole discretion, elect to (A) pay cash or part cash and part shares of Common Stock in lieu of issuing only shares of Common Stock in respect of such Restricted Stock Units; or (B) defer the issuance of shares of Common Stock (or cash or part cash and part shares of Common Stock, as the case may be) beyond the expiration of the Restricted Period if such extension would not cause adverse tax consequences under Section 409A of the Code. If a cash payment is made in lieu of issuing shares of Common Stock in respect of such Restricted Stock Units, the amount of such payment shall be equal to the Fair Market Value per share of the Common Stock as of the date on which the Restricted Period lapsed with respect to such Restricted Stock Units. To the extent provided in an Award Agreement, the holder of outstanding Restricted Stock Units shall be entitled to be credited with dividend equivalent payments (upon the payment by the Company of dividends on shares of Common Stock) either in cash or, in the sole discretion of the Committee, in shares of Common Stock having a Fair Market Value equal to the amount of such dividends (and interest may, in the sole discretion of the Committee, be credited on the amount of cash dividend equivalents at a rate and subject to such terms as determined by the Committee), which accumulated dividend equivalents (and interest thereon, if applicable) shall be payable at the same time as the underlying Restricted Stock Units are settled following the date on which the Restricted Period lapses with respect to such Restricted Stock Units, and, if such Restricted Stock Units are forfeited, the Participant shall have no right to such dividend equivalent payments (or interest thereon, if applicable).

(e) Legends on Restricted Stock. Each certificate, if any, or book entry representing Restricted Stock awarded under the Plan, if any, shall bear a legend or book entry notation substantially in the form of the following, in addition to any other information the Company deems appropriate, until the lapse of all restrictions with respect to such shares of Common Stock:

TRANSFER OF THIS CERTIFICATE AND THE SHARES REPRESENTED HEREBY IS RESTRICTED PURSUANT TO THE TERMS OF THE BLACKSTONE MORTGAGE TRUST, INC. 2016 STOCK INCENTIVE PLAN AND A RESTRICTED STOCK AWARD AGREEMENT, BETWEEN BLACKSTONE MORTGAGE TRUST, INC. AND PARTICIPANT. A COPY OF SUCH PLAN AND AWARD AGREEMENT IS ON FILE AT THE PRINCIPAL EXECUTIVE OFFICES OF BLACKSTONE MORTGAGE TRUST, INC.

10. Other Stock-Based Awards. The Committee may issue unrestricted Common Stock, rights to receive grants of Awards at a future date, or other Awards denominated in Common Stock (including, without limitation, performance shares or performance units), under the Plan to Eligible Persons, alone or in tandem with other Awards, in such amounts and dependent on such conditions as the Committee shall from time to time in its sole discretion determine. Each Other Stock-Based Award granted under the Plan shall be evidenced by an Award Agreement. Each Other Stock-Based Award so granted shall be subject to such conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement or other form evidencing such Award, including, without limitation, those set forth in Section 14(a) of the Plan. Grants of Other Stock-Based Awards that may be settled in shares of Common Stock shall contain a vesting period of less duration than the Minimum Vesting Period. Except as set forth in Section 14(i) hereto, the Committee shall not accelerate vesting.

11. Performance Compensation Awards.

(a) **General.** The Committee shall have the authority, at or before the time of grant of any Award, to designate such Award as a Performance Compensation Award intended to qualify as performance-based compensation under Section 162(m) of the Code. Notwithstanding anything in the Plan to the contrary, if the Company determines that a Participant who has been granted an Award designated as a Performance Compensation Award is not (or is no longer) a covered employee (within the meaning of Section 162(m) of the Code), the terms and conditions of such Award may be modified without regard to any restrictions or limitations set forth in this Section 11 (but subject otherwise to the provisions of Section 13 of the Plan).

(b) **Discretion of Committee with Respect to Performance Compensation Awards.** With regard to a particular Performance Period, the Committee shall have sole discretion to select the length of such Performance Period, the type(s) of Performance Compensation Awards to be issued, the Performance Criteria that will be used to establish the Performance Goal(s), the kind(s) and/or level(s) of the Performance Goal(s) that is (are) to apply and the Performance Formula(e). Within the first ninety (90) days of a Performance Period (or, within any other maximum period allowed under Section 162(m) of the Code), the Committee shall, with regard to the Performance Compensation Awards to be issued for such Performance Period, exercise its discretion with respect to each of the matters enumerated in the immediately preceding sentence and record the same in writing.

(c) **Performance Criteria.** The Performance Criteria that will be used to establish the Performance Goal(s) may be based on the attainment of specific levels of performance of the Company (and/or one or more Affiliates, divisions or operational and/or business units, business segments, administrative departments, or any combination of the foregoing) and shall be limited to the following: (i) terms relative to a peer group or index; (ii) basic, diluted, or adjusted earnings per share; (iii) sales or revenue; (iv) earnings before interest, taxes, and other adjustments (in total or on a per share basis); (v) cash available for distribution; (vi) basic or adjusted net income; (vii) returns on equity, assets, capital, revenue or similar measure; (viii) level and growth of dividends; (ix) the price or increase in price of Common Stock; (x) total shareholder return; (xi) total assets; (xii) growth in assets, new originations of assets, or financing of assets; (xiii) equity market capitalization; (xiv) reduction or other quantifiable goal with respect to general and/or specific expenses; (xv) equity capital raised; (xvi) mergers, acquisitions, increase in enterprise value of Affiliates, subsidiaries, divisions or business units or sales of assets of Affiliates, Subsidiaries, divisions or business units or sales of assets; and (xvii) any combination of the foregoing. Any one or more of the Performance Criteria may be stated as a percentage of another Performance Criteria, or used on an absolute or relative basis to measure the performance of the Company and/or one or more Affiliates as a whole or any divisions or operational and/or business units, business segments, administrative departments of the Company and/or one or more Affiliates or any combination thereof, as the Committee may deem appropriate, or any of the above Performance Criteria may be compared to the performance of a selected group of comparison companies, or a published or special index that the Committee, in its sole discretion, deems appropriate, or as compared to various stock market indices. To the extent

required under Section 162(m) of the Code, the Committee shall, within the first ninety (90) days of a Performance Period (or, within any other maximum period allowed under Section 162(m) of the Code), define in an objective fashion the manner of calculating the Performance Criteria it selects to use for such Performance Period.

A-13

Table of Contents

(d) Modification of Performance Goal(s). In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Criteria without obtaining stockholder approval of such alterations, the Committee shall have sole discretion to make such alterations without obtaining stockholder approval. Unless otherwise determined by the Committee at the time a Performance Compensation Award is granted, the Committee shall, during the first ninety (90) days of a Performance Period (or, within any other maximum period allowed under Section 162(m) of the Code), or at any time thereafter to the extent the exercise of such authority at such time would not cause the Performance Compensation Awards granted to any Participant for such Performance Period to fail to qualify as performance-based compensation under Section 162(m) of the Code, specify adjustments or modifications to be made to the calculation of a Performance Goal for such Performance Period, based on and in order to appropriately reflect the following events: (i) asset write-downs; (ii) litigation or claim judgments or settlements; (iii) the effect of changes in tax laws, accounting principles, or other laws or regulatory rules affecting reported results; (iv) any reorganization and restructuring programs; (v) extraordinary nonrecurring items as described in Accounting Standards Codification Topic 225-20 (or any successor pronouncement thereto) and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; (vi) acquisitions or divestitures; (vii) any other specific, unusual or nonrecurring events, or objectively determinable category thereof; (viii) foreign exchange gains and losses; (ix) discontinued operations and nonrecurring charges; and (x) a change in the Company's fiscal year.

(e) Payment of Performance Compensation Awards.

(i) Condition to Receipt of Payment. Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company on the last day of a Performance Period to be eligible for payment in respect of a Performance Compensation Award for such Performance Period.

(ii) Limitation. Unless otherwise provided in the applicable Award Agreement, a Participant shall be eligible to receive payment in respect of a Performance Compensation Award only to the extent that: (A) the Performance Goals for such period are achieved; and (B) all or some portion of such Participant's Performance Compensation Award has been earned for the Performance Period based on the application of the Performance Formula to such achieved Performance Goals.

(iii) Certification. Following the completion of a Performance Period, the Committee shall review and certify in writing whether, and to what extent, the Performance Goals for the Performance Period have been achieved and, if so, calculate and certify in writing that amount of the Performance Compensation Awards earned for the period based upon the Performance Formula. The Committee shall then determine the amount of each Participant's Performance Compensation Award actually payable for the Performance Period.

(f) Timing of Award Payments. Unless otherwise provided in the applicable Award Agreement, Performance Compensation Awards granted for a Performance Period shall be paid to Participants as soon as administratively practicable following completion of the certifications required by this Section 11. Any Performance Compensation Award that has been deferred shall not (between the date as of which the Award is deferred and the payment date) increase (i) with respect to a Performance Compensation Award that is payable in cash, by a measuring factor for each fiscal year greater than a reasonable rate of interest set by the Committee; or (ii) with respect to a Performance Compensation Award that is payable in shares of Common Stock, by an amount greater than the appreciation of a share of Common Stock from the date such Award is deferred to the payment date. Any Performance Compensation Award that is deferred and is otherwise payable in shares of Common Stock shall be credited (during the period between the date as of which the Award is deferred and the payment date) with dividend equivalents (in a manner consistent with the methodology set forth in the last sentence of Section 9(d)(ii) of the Plan).

12. Changes in Capital Structure and Similar Events. Notwithstanding any other provision in this Plan to the contrary, the following provisions shall apply to all Awards granted hereunder:

(a) **General.** In the event of (i) any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, shares of Common Stock, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, split-off, spin-off, combination, repurchase or exchange of shares of Common Stock or other securities of the Company, issuance of warrants or other rights to acquire shares of Common Stock or other securities of the Company, or other similar corporate transaction or event that affects the shares of Common Stock (including, without limitation, a Change in Control); or (ii) unusual or nonrecurring events (including, without limitation, a Change in Control) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange or inter-dealer quotation system, accounting principles or law, such that in either case an adjustment is determined by the Committee in its sole discretion to be necessary or appropriate, then the Committee shall make any such proportionate substitution or adjustment, if any, as it deems equitable, including without limitation, adjusting any or all of (A) the Absolute Share Limit, or any other limit applicable under the Plan with respect to the number of Awards which may be granted hereunder; (B) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) which may be issued in respect of Awards or with respect to which Awards may be granted under the Plan (including, without limitation, adjusting any or all of the limitations under Section 5 of the Plan) or any Sub-Plan; and (C) the terms of any outstanding Award, including, without limitation, (I) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) subject to outstanding Awards or to which outstanding Awards relate; (II) the Exercise Price or Strike Price with respect to any Award; or (III) any applicable performance measures (including, without limitation, Performance Criteria and Performance Goals); *provided*, that in the case of any equity restructuring (within the meaning of the Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor pronouncement thereto)), the Committee shall make an equitable or proportionate adjustment to outstanding Awards to reflect such equity restructuring. Any adjustment under this Section 12 shall be conclusive and binding for all purposes.

(b) **Change in Control.** Without limiting the foregoing, in connection with any Change in Control, the Committee may, in its sole discretion, provide for any one or more of the following:

(i) substitution or assumption of Awards, or to the extent the surviving entity (or Affiliate thereof) is unwilling to permit substitution or assumption of the Awards, full acceleration of the vesting of any time-vested Awards, and acceleration of any performance-vested Awards (based on actual performance through the date of such Change in Control and on a pro-rata basis); or

(ii) cancellation of any one or more outstanding Awards and payment to the holders of such Awards that are vested as of such cancellation (including, without limitation, any Awards that would vest as a result of the occurrence of such event but for such cancellation), the value of such Awards, if any, as determined by the Committee (which value, if applicable, may be based upon the price per share of Common Stock received or to be received by other stockholders of the Company in such event), including, without limitation, in the case of an outstanding Option or SAR, a cash payment in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Committee) of the shares of Common Stock subject to such Option or SAR over the aggregate Exercise Price or Strike Price of such Option or SAR (it being understood that, in such event, any Option or SAR having a per share Exercise Price or Strike Price equal to, or in excess of, the Fair Market Value of a share of Common Stock subject thereto may be canceled and terminated without any payment or consideration therefor).

For purposes of clause (i) above, substitution of an Award may include conversion of the shares of Common Stock underlying such Award into shares of the buyer (or Affiliate thereof), or, subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code, into cash, property or other securities having an equivalent value as the Award (as determined consistent with clause (ii) above), which conversion

shall not affect any continued vesting requirements of the Award. For the avoidance of doubt, any such substitution of an Award shall not provide for the acceleration of any vesting requirements of the Award and no Awards shall vest solely as a result of such substitution. Payments to holders pursuant to clause (ii) above shall be made in cash or, in the sole discretion of the Committee, in the form of such other consideration necessary for a Participant to receive property, cash, or securities (or combination thereof) as such Participant would have been entitled to receive upon the occurrence of the transaction if the Participant had been, immediately prior to such transaction, the holder of the number of shares of Common Stock covered by the Award at such time (less any applicable Exercise Price or Strike Price).

(c) **No Automatic Acceleration.** No Award Agreement shall provide for automatic acceleration of the vesting of any time-vested Awards or performance-vested Awards upon a Change in Control.

(d) **Other Requirements.** Prior to any payment or adjustment contemplated under this Section 12, the Committee may require a Participant to (i) represent and warrant as to the unencumbered title to the Participant's Awards; (ii) bear such Participant's pro rata share of any post-closing indemnity obligations, and be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the other holders of Common Stock, subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code; and (iii) deliver customary transfer documentation as reasonably determined by the Committee.

(e) **Fractional Shares.** Any adjustment provided under this Section 12 may provide for the elimination of any fractional share that might otherwise become subject to an Award.

13. Amendments and Termination.

(a) **Amendment and Termination of the Plan.** The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; *provided*, that no such amendment, alteration, suspension, discontinuance or termination shall be made without stockholder approval if (i) such stockholder approval is necessary to comply with any regulatory requirement applicable to the Plan (including, without limitation, as necessary to comply with any rules or regulations of any securities exchange or inter-dealer quotation system on which the securities of the Company may be listed or quoted) or for changes in GAAP to new accounting standards; (ii) it would materially increase the number of securities which may be issued under the Plan (except for increases pursuant to Section 5 or 12 of the Plan); or (iii) it would materially modify the requirements for participation in the Plan; *provided, further*, that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary. Notwithstanding the foregoing, no amendment shall be made to Section 13(c) of the Plan without stockholder approval.

(b) **Amendment of Award Agreements.** The Committee may, to the extent consistent with the Plan and the terms of any applicable Award Agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted or the associated Award Agreement, prospectively or retroactively (including after a Participant's Termination); *provided*, that, other than pursuant to Section 12 or the terms of an Award Agreement, any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any Participant with respect to any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant; *provided, further*, that, except as set forth in Section 14(i) hereto, the Committee shall not alter or amend any Award in a manner that would accelerate the vesting of such Award.

(c) No Repricing. Notwithstanding anything in the Plan to the contrary, without stockholder approval, except as otherwise permitted under Section 12 of the Plan or the terms of an Award Agreement, (i) no amendment or modification may reduce the Exercise Price of any Option or the Strike Price of any SAR; (ii) the

A-16

Committee may not cancel any outstanding Option or SAR (including such Awards with an Exercise Price or Strike Price, as applicable, with a value above the current Fair Market Value of such Award) and replace it with a new Option or SAR (with a lower Exercise Price or Strike Price, as the case may be) or other Award or cash payment that is greater than the intrinsic value (if any) of the cancelled Option or SAR; and (iii) the Committee may not take any other action which is considered a repricing for purposes of the stockholder approval rules of any securities exchange or inter-dealer quotation system on which the securities of the Company are listed or quoted.

14. General.

(a) Award Agreements. Each Award under the Plan shall be evidenced by an Award Agreement, which shall be delivered to the Participant to whom such Award was granted and shall specify the terms and conditions of the Award and any rules applicable thereto, including, without limitation, the effect on such Award of the death, Disability or Termination of a Participant, or of such other events as may be determined by the Committee. For purposes of the Plan, an Award Agreement may be in any such form (written or electronic) as determined by the Committee (including, without limitation, a Board or Committee resolution, an employment agreement, a notice, a certificate or a letter) evidencing the Award. The Committee need not require an Award Agreement to be signed by the Participant or a duly authorized representative of the Company.

(b) Nontransferability.

(i) Each Award shall be exercisable only by such Participant to whom such Award was granted during the Participant's lifetime, or, if permissible under applicable law, by the Participant's legal guardian or representative. No Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant (unless such transfer is specifically required pursuant to a domestic relations order or by applicable law) other than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or its Affiliates; *provided*, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(ii) Notwithstanding the foregoing, the Committee may, in its sole discretion, permit Awards (other than Incentive Stock Options) to be transferred by a Participant, without consideration, subject to such rules as the Committee may adopt consistent with any applicable Award Agreement to preserve the purposes of the Plan, to: (A) any person who is a family member of the Participant, as such term is used in the instructions to Form S-8 under the Securities Act or any successor form of registration statement promulgated by the Securities and Exchange Commission (collectively, the Immediate Family Members); (B) a trust solely for the benefit of the Participant and the Participant's Immediate Family Members; (C) a partnership or limited liability company whose only partners or stockholders are the Participant and the Participant's Immediate Family Members; or (D) a beneficiary to whom donations are eligible to be treated as charitable contributions for federal income tax purposes (each transferee described in clauses (A), (B), (C) and (D) above is hereinafter referred to as a Permitted Transferee); *provided*, that the Participant gives the Committee advance written notice describing the terms and conditions of the proposed transfer and the Committee notifies the Participant in writing that such a transfer would comply with the requirements of the Plan.

(iii) The terms of any Award transferred in accordance with clause (ii) above shall apply to the Permitted Transferee and any reference in the Plan, or in any applicable Award Agreement, to a Participant shall be deemed to refer to the Permitted Transferee, except that (A) Permitted Transferees shall not be entitled to transfer any Award, other than by will or the laws of descent and distribution; (B) Permitted Transferees shall not be entitled to exercise any transferred Option unless there shall be in effect a registration statement on an appropriate form covering the shares of Common Stock to be acquired pursuant to the exercise of such Option if the Committee determines, consistent with any applicable Award Agreement, that such a registration statement is necessary or appropriate; (C) neither the Committee

nor the

Company shall be required to provide any notice to a Permitted Transferee, whether or not such notice is or would otherwise have been required to be given to the Participant under the Plan or otherwise; and (D) the consequences of a Participant's Termination under the terms of the Plan and the applicable Award Agreement shall continue to be applied with respect to the Participant, including, without limitation, that an Option shall be exercisable by the Permitted Transferee only to the extent, and for the periods, specified in the Plan and the applicable Award Agreement.

(c) Dividends and Dividend Equivalents. The Committee may, in its sole discretion, provide a Participant as part of an Award with dividends, dividend equivalents, or similar payments in respect of Awards, payable in cash, shares of Common Stock, other securities, other Awards or other property, on a current or deferred basis, on such terms and conditions as may be determined by the Committee in its sole discretion, including, without limitation, payment directly to the Participant, withholding of such amounts by the Company subject to vesting of the Award or reinvestment in additional shares of Common Stock, Restricted Stock or other Awards; *provided*, that no dividends, dividend equivalents or other similar payments shall be payable in respect of outstanding (i) Options or SARs; or (ii) unearned Performance Compensation Awards or other unearned Awards subject to performance conditions (other than, or in addition to, the passage of time) (although dividends, dividend equivalents or other similar payments may be accumulated in respect of unearned Awards and paid within fifteen (15) days after such Awards are earned and become payable or distributable).

(d) Tax Withholding.

(i) As a condition to the grant of any Award, it shall be required that a Participant satisfy, when such taxes are otherwise due with respect to such Award, through a cash payment by the Participant, or in the discretion of the Committee, through deduction or withholding from any payment of any kind otherwise due to the Participant, or through such other arrangements as are satisfactory to the Committee, the amount of all federal, state, and local income and other applicable taxes of any kind required or permitted to be withheld in connection with such Award.

(ii) Without limiting the generality of clause (i) above, the Committee may (but is not obligated to), in its sole discretion, permit a Participant to satisfy, in whole or in part, the foregoing withholding liability by (A) the delivery of shares of Common Stock (which are not subject to any pledge or other security interest) that have been held by the Participant for at least six (6) months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment applying GAAP) having a Fair Market Value equal to such withholding liability; or (B) having the Company withhold from the number of shares of Common Stock otherwise issuable or deliverable pursuant to the exercise or settlement of the Award a number of shares with a Fair Market Value equal to such withholding liability, provided that with respect to shares withheld pursuant to clause (B), the number of such shares may not have a Fair Market Value greater than the minimum required statutory withholding liability unless determined by the Committee not to result in adverse accounting consequences.

(e) Data Protection. By participating in the Plan or accepting any rights granted under it, each Participant consents to the collection and processing of personal data relating to the Participant so that the Company and its Affiliates can fulfill their obligations and exercise their rights under the Plan and generally administer and manage the Plan. This data will include, but may not be limited to, data about participation in the Plan and shares offered or received, purchased, or sold under the Plan from time to time and other appropriate financial and other data (such as the date on which the Awards were granted) about the Participant and the Participant's participation in the Plan.

(f) No Claim to Awards; No Rights to Continued Employment; Waiver. No employee of the Company or its Affiliates, or other Person, shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. There is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the

Committee's determinations and interpretations with respect thereto need not be the same with

respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ or service of the Company or its Affiliates, nor shall it be construed as giving any Participant any rights to continued service on the Board. The Company or any of its Affiliates may at any time dismiss a Participant from employment or discontinue any consulting relationship, free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or any Award Agreement. By accepting an Award under the Plan, a Participant shall thereby be deemed to have waived any claim to continued exercise or vesting of an Award or to damages or severance entitlement related to non-continuation of the Award beyond the period provided under the Plan or any Award Agreement, except to the extent of any provision to the contrary in any written employment contract or other agreement between the Company and its Affiliates and the Participant, whether any such agreement is executed before, on or after the Date of Grant.

(g) **International Participants.** With respect to Participants who reside or work outside of the United States of America and who are not (and who are not expected to be) covered employees within the meaning of Section 162(m) of the Code, the Committee may, in its sole discretion, amend the terms of the Plan and create or amend Sub-Plans or amend outstanding Awards with respect to such Participants in order to conform such terms with the requirements of local law or to obtain more favorable tax or other treatment for a Participant the Company or its Affiliates.

(h) **Designation and Change of Beneficiary.** Each Participant may file with the Committee a written designation of one or more Persons as the beneficiary(ies) who shall be entitled to receive the amounts payable with respect to an Award, if any, due under the Plan upon the Participant's death. A Participant may, from time to time, revoke or change the Participant's beneficiary designation without the consent of any prior beneficiary by filing a new designation with the Committee. The last such designation received by the Committee shall be controlling; *provided, however*, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall it be effective as of a date prior to such receipt. If no beneficiary designation is filed by a Participant, the beneficiary shall be deemed to be the Participant's spouse or, if the Participant is unmarried at the time of death, the Participant's estate.

(i) **Termination of a Participant.** In the event of a Participant's Termination for any reason (other than due to death or Disability) prior to the time an Award has vested, (A) all vesting with respect to such Participant's Award shall cease; and (B) any Award shall be forfeited to the Company by the Participant for no consideration as of the date of such Termination; *provided*, that, notwithstanding anything contained in the Plan to the contrary, in connection with any Termination other than for cause (as reasonably defined and determined by the Committee), the Committee shall reasonably determine whether or not to permit a Participant to retain, vest or continue to vest in an Award notwithstanding such Participant's Termination. In the event of a Participant's Termination due to death or Disability prior to the time an Award has vested, all such unvested Awards held by such Participant shall vest in full upon such death or Disability of the Participant. Except as otherwise provided in an Award Agreement, unless determined otherwise by the Committee at any point following such event: (i) neither a temporary absence from employment or service due to illness, vacation or leave of absence (including, without limitation, a call to active duty for military service through a Reserve or National Guard unit) nor a transfer from employment or service with one Service Recipient to employment or service with another Service Recipient (or vice-versa) shall be considered a Termination; and (ii) if a Participant undergoes a Termination, but such Participant continues to provide services to the Company and its Affiliates in a non-employee or non-officer capacity, such change in status shall not be considered a Termination for purposes of the Plan. Further, unless otherwise determined by the Committee, in the event that any Service Recipient ceases to be an Affiliate of the Company (by reason of sale, divestiture, spin-off or other similar transaction), unless a Participant's employment or service is transferred to another entity that would constitute a Service Recipient immediately following such transaction, such Participant shall be deemed to have suffered a Termination hereunder as of the date of the consummation of such transaction.

(j) Manager Termination Event. Upon any Manager Termination Event, and notwithstanding any provision of the Plan to the contrary (i) if such event occurs by action of the Company (other than as a result of the breach by the Manager of the Management Agreement) or by action of the Manager as a result of the breach by the Company of the Management Agreement, all unvested Awards held by Manager Employees shall vest in full as of such Manager Termination Event; and (ii) if such event occurs by action of the Manager (other than as a result of the breach by the Company of the Management Agreement) or by action of the Company as a result of the breach by the Manager of the Management Agreement, all unvested Awards held by Manager Employees shall be forfeited as of such Manager Termination Event.

(k) No Rights as a Stockholder. Except as otherwise specifically provided in the Plan or any Award Agreement, no Person shall be entitled to the privileges of ownership in respect of shares of Common Stock which are subject to Awards hereunder until such shares have been issued or delivered to such Person.

(l) Government and Other Regulations.

(i) The obligation of the Company to settle Awards in shares of Common Stock or other consideration shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any shares of Common Stock pursuant to an Award unless such shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel (if the Company has requested such an opinion), satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale under the Securities Act any of the shares of Common Stock to be offered or sold under the Plan. The Committee shall have the authority to provide that all shares of Common Stock or other securities of the Company or any Affiliate issued under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award Agreement, the Federal securities laws, or the rules, regulations and other requirements of the Securities and Exchange Commission, any securities exchange or inter-dealer quotation system on which the securities of the Company are listed or quoted and any other applicable Federal, state, local or non-U.S. laws, rules, regulations and other requirements, and, without limiting the generality of Section 9 of the Plan, the Committee may cause a legend or legends to be put on certificates representing shares of Common Stock or other securities of the Company or any Affiliate issued under the Plan to make appropriate reference to such restrictions or may cause such Common Stock or other securities of the Company or any Affiliate issued under the Plan in book-entry form to be held subject to the Company's instructions or subject to appropriate stop-transfer orders. Notwithstanding any provision in the Plan to the contrary, the Committee reserves the right to add any additional terms or provisions to any Award granted under the Plan that the Committee, in its sole discretion, deems necessary or advisable in order that such Award complies with the legal requirements of any governmental entity to whose jurisdiction the Award is subject.

(ii) The Committee may cancel an Award or any portion thereof if it determines, in its sole discretion, that legal or contractual restrictions and/or blockage and/or other market considerations would make the Company's acquisition of shares of Common Stock from the public markets, the Company's issuance of Common Stock to the Participant, the Participant's acquisition of Common Stock from the Company and/or the Participant's sale of Common Stock to the public markets, illegal, impracticable or inadvisable. If the Committee determines to cancel all or any portion of an Award in accordance with the foregoing, the Company shall, subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code, (A) pay to the Participant an amount equal to the excess of (I) the aggregate Fair Market Value of the shares of Common Stock subject to such Award or portion thereof canceled (determined as of the applicable exercise date, or the date that the shares would have been vested or issued, as

applicable); over (II) the aggregate Exercise Price or Strike Price (in the case of an Option or SAR, respectively) or any

amount payable as a condition of issuance of shares of Common Stock (in the case of any other Award). Such amount shall be delivered to the Participant as soon as practicable following the cancellation of such Award or portion thereof, or (B) in the case of Restricted Stock, Restricted Stock Units or Other Stock-Based Awards, provide the Participant with a cash payment or equity subject to deferred vesting and delivery consistent with the vesting restrictions applicable to such Restricted Stock, Restricted Stock Units or Other Stock-Based Awards, or the underlying shares in respect thereof.

(m) No Section 83(b) Elections Without Consent of the Committee. No election under Section 83(b) of the Code or under a similar provision of law may be made unless expressly permitted by the terms of the applicable Award Agreement or by action of the Committee in writing prior to the making of such election. If a Participant, in connection with the acquisition of shares of Common Stock under the Plan or otherwise, is expressly permitted to make such election and the Participant makes the election, the Participant shall notify the Company of such election within ten (10) days of filing notice of the election with the Internal Revenue Service or other governmental authority, in addition to any filing and notification required pursuant to Section 83(b) of the Code or other applicable provision.

(n) Payments to Persons Other Than Participants. If the Committee shall find that any Person to whom any amount is payable under the Plan is unable to care for the Participant's affairs because of illness or accident, or is a minor, or has died, then any payment due to such Person or the Participant's estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to the Participant's spouse, child, relative, an institution maintaining or having custody of such Person, or any other Person deemed by the Committee to be a proper recipient on behalf of such Person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(o) Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of equity-based awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

(p) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate, on the one hand, and a Participant or other Person, on the other hand. No provision of the Plan or any Award shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company be obligated to maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other service providers under general law.

(q) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in acting or failing to act, as the case may be, and shall not be liable for having so acted or failed to act in good faith, in reliance upon any information, opinion, report, or statement, including any financial statement or other financial data, prepared or presented by any officer or employee of the Company whom the Committee reasonably believes to be reliable and competent in the matters presented; a lawyer, certified public accountant, or other person, as to a matter which the Committee reasonably believes to be within the person's professional or expert competence; another committee of the Board on which a Committee member does not serve, as to matters within its designated authority, if the Committee reasonably believes such committee to merit confidence; and/or any other information furnished in

connection with the Plan by any agent of the Company or the Committee or the Board, other than himself or herself.

(r) Relationship to Other Benefits. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance or other benefit plan of the Company except as otherwise specifically provided in such other plan or as required by applicable law.

(s) Governing Law. The Plan shall be governed by and construed in accordance with the internal laws of the State of Maryland applicable to contracts made and performed wholly within the State of Maryland, without giving effect to the conflict of laws provisions thereof.

(t) Severability. If any provision of the Plan or any Award or Award Agreement is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(u) Obligations Binding on Successors. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

(v) Section 409A of the Code.

(i) Notwithstanding any provision of the Plan to the contrary, it is intended that the provisions of the Plan comply with Section 409A of the Code, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code. Each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or in respect of such Participant in connection with the Plan or any other plan maintained by the Company (including any taxes and penalties under Section 409A of the Code), and neither the Company nor any Affiliate shall have any obligation to indemnify or otherwise hold such Participant (or any beneficiary) harmless from any or all of such taxes or penalties. With respect to any Award that is considered deferred compensation subject to Section 409A of the Code, references in the Plan to termination of employment (and substantially similar phrases) shall mean separation from service within the meaning of Section 409A of the Code. For purposes of Section 409A of the Code, each of the payments that may be made in respect of any Award granted under the Plan is designated as separate payments.

(ii) Notwithstanding anything in the Plan to the contrary, if a Participant is a specified employee within the meaning of Section 409A(a)(2)(B)(i) of the Code, no payments in respect of any Awards that are deferred compensation subject to Section 409A of the Code and which would otherwise be payable upon the Participant's separation from service (as defined in Section 409A of the Code) shall be made to such Participant prior to the date that is six (6) months after the date of such Participant's separation from service or, if earlier, the date of the Participant's death. Following any applicable six (6) month delay, all such delayed payments will be paid in a single lump sum on the earliest date permitted under Section 409A of the Code that is also a business day.

(iii) Unless otherwise provided by the Committee in an Award Agreement or otherwise, in the event that the timing of payments in respect of any Award (that would otherwise be considered deferred compensation subject to Section 409A of the Code) would be accelerated upon the occurrence of (A) a Change in Control, no such acceleration shall be permitted unless the event giving rise to the Change in Control satisfies the definition of a change in the ownership or effective control of a corporation, or a change in the ownership of a substantial portion of the assets of a

corporation pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder; or (B) a Disability, no such acceleration shall be permitted unless the Disability also satisfies the definition of Disability pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder.

(w) Clawback/Forfeiture. Notwithstanding anything to the contrary contained herein, an Award agreement may provide that the Committee may in its sole discretion cancel such Award if the Participant has engaged in or engages in detrimental activity that is in conflict with or adverse to the interest of the Company or any Affiliate, including, without limitation, fraud or conduct contributing to any financial restatements or irregularities, as determined by the Committee in its sole discretion. The Committee may also provide in an Award Agreement that if the Participant otherwise has engaged in or engages in any activity referred to in the preceding sentence, all of the Participant's outstanding awards will be cancelled and/or the Participant will forfeit any gain realized on the vesting or exercise of such Award, and must repay the gain to the Company. The Committee may also provide in an Award agreement that if the Participant receives any amount in excess of what the Participant should have received under the terms of the Award for any reason (including without limitation by reason of a financial restatement, mistake in calculations or other administrative error), then the Participant shall be required to repay any such excess amount to the Company. Without limiting the foregoing, all Awards shall be subject to reduction, cancellation, forfeiture or recoupment to the extent necessary to comply with applicable law.

(x) Code Section 162(m) Re-approval. If so determined by the Committee, the provisions of the Plan regarding Performance Compensation Awards shall be submitted for re-approval by the stockholders of the Company no later than the first stockholder meeting that occurs in the fifth year following the year in which stockholders previously approved such provisions, in each case for purposes of exempting certain Awards granted after such time from the deduction limitations of Section 162(m) of the Code. Nothing in this subsection, however, shall affect the validity of Awards granted after such time if such stockholder approval has not been obtained.

(y) Expenses; Gender; Titles and Headings. The expenses of administering the Plan shall be borne by the Company and its Affiliates. Masculine pronouns and other words of masculine gender shall refer to both men and women. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

and other amounts payable with respect to an Award shall be deferred either automatically or at the election of the Participant or of the Committee; (vii) interpret, administer, reconcile any inconsistency in, correct any defect in and/or supply any omission in the Plan and any instrument or agreement relating to, or Award granted under, the Plan; (viii) establish, amend, suspend, or waive any rules and regulations and appoint such agents as the Committee shall deem appropriate for the proper administration of the Plan; and (ix) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan.

(c) Except to the extent prohibited by applicable law or the applicable rules and regulations of any securities exchange or inter-dealer quotation system on which the securities of the Company are listed or traded, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any Person or Persons selected by it. Any such allocation or delegation may be revoked by the Committee at any time. Without limiting the generality of the foregoing, the Committee may delegate to one or more officers of the Company or any Subsidiary the authority to act on behalf of the Committee with respect to any matter, right, obligation, or election which is the responsibility of, or which is allocated to, the Committee herein, and which may be so delegated as a matter of law.

(d) Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan, any Award or any Award Agreement shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon all Persons, including, without limitation, the Company, any Affiliate, any Participant, any holder or beneficiary of any Award, and any stockholder of the Company.

(e) No member of the Board, the Committee or any employee or agent of the Company (each such Person, an Indemnifiable Person) shall be liable for any action taken or omitted to be taken or any determination made with respect to the Plan or any Award hereunder (unless constituting fraud or a willful criminal act or omission). Each Indemnifiable Person shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense (including attorneys' fees) that may be imposed upon or incurred by such Indemnifiable Person in connection with or resulting from any action, suit or proceeding to which such Indemnifiable Person may be a party or in which such Indemnifiable Person may be involved by reason of any action taken or omitted to be taken or determination made with respect to the Plan or any Award hereunder and against and from any and all amounts paid by such Indemnifiable Person with the Company's approval, in settlement thereof, or paid by such Indemnifiable Person in satisfaction of any judgment in any such action, suit or proceeding against such Indemnifiable Person, and the Company shall advance to such Indemnifiable Person any such expenses promptly upon written request (which request shall include an undertaking by the Indemnifiable Person to repay the amount of such advance if it shall ultimately be determined, as provided below, that the Indemnifiable Person is not entitled to be indemnified); *provided*, that the Company shall have the right, at its own expense, to assume and defend any such action, suit or proceeding and once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of the Company's choice. The foregoing right of indemnification shall not become available to an Indemnifiable Person to the extent that a final judgment or other final adjudication (in either case not subject to further appeal) binding upon such Indemnifiable Person determines that the acts, omissions or determinations of such Indemnifiable Person giving rise to the indemnification claim resulted from such Indemnifiable Person's fraud or willful criminal act or omission or that such right of indemnification is otherwise prohibited by law or by the Company's Charter or Bylaws. The foregoing right of indemnification shall not be exclusive of or otherwise supersede any other rights of indemnification to which such Indemnifiable Persons may be entitled under the Company's Charter or Bylaws, as a matter of law, under an individual indemnification agreement or contract or otherwise, or any other power that the Company may have to indemnify such Indemnifiable Persons or hold such Indemnifiable Persons harmless.

(f) Notwithstanding anything to the contrary contained in the Plan, the Board may, in its sole discretion, at any time and from time to time, grant Awards and administer the Plan with respect to such Awards. Any such actions by the Board shall be subject to the applicable rules of the NYSE or any other securities exchange or inter-dealer quotation system on which the Common Stock is listed or quoted. In any such case, the Board shall have all the authority granted to the Committee under the Plan.

5. Grant of Awards; Shares Subject to the Plan; Limitations.

(a) The Committee may, from time to time, grant Awards to one or more Eligible Persons.

(b) Awards granted under the Plan shall be subject to the following limitations: (i) subject to Section 12 of the Plan, no more than 2,400,000 shares of Common Stock, less any shares of Common Stock issued or subject to awards granted under the Blackstone Mortgage Trust, Inc. 2016 Stock Incentive Plan (the Absolute Share Limit) shall be available for Awards under the Plan and (ii) subject to Section 12 of the Plan, grants of Awards in respect of no more than 930,000 shares of Common Stock may be made to any individual Participant during any single fiscal year of the Company.

(c) To the extent that an Award expires or is canceled, forfeited or terminated without delivery to the Participant of the full number of shares of Common Stock to which the Award, related, the undelivered shares will be returned to the Absolute Share Limit and will again be available for grant under the Plan. Shares of Common Stock shall be deemed to have been issued in settlement of Awards, if the Fair Market Value equivalent of such shares is paid in cash; provided, however, that no shares shall be deemed to have been issued in settlement of a SAR that only provides for settlement in cash and settles only in cash. In no event shall (i) shares tendered or withheld on the exercise of Options or other Award, for the payment of the exercise or purchase price or withholding taxes, (ii) shares not issued upon the settlement of a SAR that settles in shares of Common Stock (or could settle in shares of Common Stock), or (iii) shares purchased on the open market with cash proceeds from the exercise of Options, again become available for other Awards under the Plan.

(d) Shares of Common Stock issued by the Company in settlement of Awards may be authorized and unissued shares, shares held in the treasury of the Company, shares purchased on the open market or by private purchase or a combination of the foregoing.

6. Eligibility. Participation in the Plan shall be limited to Eligible Persons.

7. Options.

(a) General. Each Option granted under the Plan shall be evidenced by an Award Agreement, which agreement need not be the same for each Participant. Each Option so granted shall be subject to the conditions set forth in this Section 7, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement.

(b) Exercise Price. The exercise price (Exercise Price) per share of Common Stock for each Option shall not be less than 100% of the Fair Market Value of such share (determined as of the Date of Grant).

(c) Vesting and Expiration. Options shall vest and become exercisable in such manner and on such date or dates or upon such event or events as determined by the Committee; *provided*, that no Award Agreement shall contain a vesting period of less duration than the Minimum Vesting Period. Except as set forth in Section 13(g) hereto, the Committee shall not accelerate vesting of an Option. Options shall expire after such period, as may be determined by

the Committee, not to exceed ten (10) years from the Date of Grant (the Option Period); *provided*, that if the Option Period would expire at a time when trading in the shares of Common Stock is prohibited by the Company's insider trading policy (or Company-imposed blackout period), then the Option Period shall be automatically extended until the thirtieth (30th) day following the expiration of such prohibition.

(d) **Method of Exercise and Form of Payment.** No shares of Common Stock shall be issued pursuant to any exercise of an Option until payment in full of the Exercise Price therefor is received by the Company and the Participant has paid to the Company an amount equal to any Federal, state, local and non-U.S. income and any other applicable taxes required to be withheld. Options which have become exercisable may be exercised by delivery of written or electronic notice of exercise to the Company (or telephonic instructions to the extent provided by the Committee) in accordance with the terms of the Option accompanied by payment of the Exercise Price. The Exercise Price shall be payable: (i) in cash, check, cash equivalent and/or shares of Common Stock valued at the Fair Market Value at the time the Option is exercised (including, pursuant to procedures approved by the Committee, by means of attestation of ownership of a sufficient number of shares of Common Stock in lieu of actual delivery of such shares to the Company); *provided*, that such shares of Common Stock are not subject to any pledge or other security interest and have been held by the Participant for at least six (6) months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment applying generally accepted accounting principles (GAAP)); or (ii) by such other method as the Committee may permit, in its sole discretion, including, without limitation (A) in other property having a fair market value on the date of exercise equal to the Exercise Price; (B) if there is a public market for the shares of Common Stock at such time, by means of a broker-assisted cashless exercise pursuant to which the Company is delivered (including telephonically to the extent permitted by the Committee) a copy of irrevocable instructions to a stockbroker to sell the shares of Common Stock otherwise issuable upon the exercise of the Option and to deliver promptly to the Company an amount equal to the Exercise Price; or (C) a net exercise procedure effected by withholding the minimum number of shares of Common Stock otherwise issuable in respect of an Option that are needed to pay the Exercise Price and all applicable required withholding taxes. Any fractional shares of Common Stock shall be settled in cash.

(e) **Compliance With Laws, etc.** Notwithstanding the foregoing, in no event shall a Participant be permitted to exercise an Option in a manner which the Committee determines would violate the Sarbanes-Oxley Act of 2002, as it may be amended from time to time, or any other applicable law or the applicable rules and regulations of the Securities and Exchange Commission or the applicable rules and regulations of any securities exchange or inter-dealer quotation system on which the securities of the Company are listed or traded.

8. Stock Appreciation Rights.

(a) **General.** Each SAR granted under the Plan shall be evidenced by an Award Agreement. Each SAR so granted shall be subject to the conditions set forth in this Section 8, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement. Any Option granted under the Plan may include tandem SARs. The Committee also may award SARs to Eligible Persons independent of any Option.

(b) **Strike Price.** The strike price (Strike Price) per share of Common Stock for each SAR shall not be less than 100% of the Fair Market Value of such share (determined as of the Date of Grant). Notwithstanding the foregoing, a SAR granted in tandem with (or in substitution for) an Option previously granted shall have a Strike Price equal to the Exercise Price of the corresponding Option.

(c) **Vesting and Expiration.** A SAR granted in connection with an Option shall become exercisable and shall expire according to the same vesting schedule and expiration provisions as the corresponding Option. Solely in the case of a SAR that may be settled in Common Stock, a SAR granted independent of an Option:

(i) shall vest and become exercisable in such manner and on such date or dates or upon such event or events as determined by the Committee; *provided*, that no Award Agreement shall contain a vesting period of less duration than the Minimum Vesting Period; and

(ii) shall expire in such manner and on such date or dates or upon such event or events as determined by the Committee and shall expire after such period, as may be determined by the Committee, not to exceed ten (10) years from the Date of Grant (the SAR Period); *provided*, that if the SAR Period would expire at

B-7

Table of Contents

a time when trading in the shares of Common Stock is prohibited by the Company's insider trading policy (or Company-imposed blackout period), then the SAR Period shall be automatically extended until the 30th day following the expiration of such prohibition.

Solely in the case of a SAR that may be settled in Common Stock, except as set forth in Section 13(g) hereto, the Committee shall not accelerate vesting of any such SAR.

(d) **Method of Exercise.** SARs which have become exercisable may be exercised by delivery of written or electronic notice of exercise to the Company in accordance with the terms of the Award, specifying the number of SARs to be exercised and the date on which such SARs were awarded.

(e) **Payment.** Upon the exercise of a SAR, the Company shall pay to the Participant an amount equal to the number of shares subject to the SAR that is being exercised multiplied by the excess, if any, of the Fair Market Value of one (1) share of Common Stock on the exercise date over the Strike Price, less an amount equal to any Federal, state, local and non-U.S. income and any other applicable taxes required to be withheld. The Company shall pay such amount in cash, in shares of Common Stock valued at Fair Market Value, or any combination thereof, as determined by the Committee in its sole discretion. Any fractional shares of Common Stock shall be settled in cash.

(f) **Substitution of SARs for Options.** The Committee shall have the power in its sole discretion to substitute, without the consent of the affected Participant or any holder or beneficiary of SARs, SARs settled in shares of Common Stock (or settled in shares or cash in the sole discretion of the Committee) for outstanding Options, provided that (i) the substitution shall not otherwise result in a modification of the terms of any such Option, (ii) the number of shares of Common Stock underlying the substituted SARs shall be the same as the number of shares of Common Stock underlying such Options and (iii) the Strike Price of the substituted SARs shall be equal to the Exercise Price of such Options; provided, however, that if, in the opinion of the Company's independent public auditors, the foregoing provision creates adverse accounting consequences for the Company, such provision shall be considered null and void.

9. Restricted Stock and Restricted Stock Units.

(a) **General.** Each grant of Restricted Stock and Restricted Stock Units shall be evidenced by an Award Agreement. Each Restricted Stock and Restricted Stock Unit so granted shall be subject to the conditions set forth in this Section 9, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement.

(b) **Stock Certificates and Book-Entry; Escrow or Similar Arrangement.** Upon the grant of Restricted Stock, the Committee shall cause a stock certificate registered in the name of the Participant to be issued or shall cause share(s) of Common Stock to be registered in the name of the Participant and held in book-entry form subject to the Company's directions and, if the Committee determines that the Restricted Stock shall be held by the Company or in escrow rather than issued to the Participant pending the release of the applicable restrictions, the Committee may require the Participant to additionally execute and deliver to the Company (i) an escrow agreement satisfactory to the Committee, if applicable; and (ii) the appropriate stock power (endorsed in blank) with respect to the Restricted Stock covered by such agreement. If a Participant shall fail to execute and deliver (in a manner permitted under Section 13(a) of the Plan or as otherwise determined by the Committee) an agreement evidencing an Award of Restricted Stock and, if applicable, an escrow agreement and blank stock power within the amount of time specified by the Committee, the Award shall be null and void. Subject to the restrictions set forth in this Section 9 and the applicable Award Agreement, a Participant generally shall have the rights and privileges of a stockholder as to shares of Restricted Stock, including, without limitation, the right to vote such Restricted Stock; *provided*, that if the lapsing of restrictions

with respect to any grant of Restricted Stock is contingent on satisfaction of performance conditions (other than, or in addition to, the passage of time), any dividends payable on such shares of Restricted Stock shall be held by the Company and delivered (without

B-8

interest) to the Participant within fifteen (15) days following the date on which the restrictions on such Restricted Stock lapse (and the right to any such accumulated dividends shall be forfeited upon the forfeiture of the Restricted Stock to which such dividends relate). To the extent shares of Restricted Stock are forfeited, any stock certificates issued to the Participant evidencing such shares shall be returned to the Company, and all rights of the Participant to such shares and as a stockholder with respect thereto shall terminate without further obligation on the part of the Company. A Participant shall have no rights or privileges as a stockholder as to Restricted Stock Units.

(c) Vesting. Restricted Stock and Restricted Stock Units shall vest, and any applicable Restricted Period shall lapse, in such manner and on such date or dates or upon such event or events as determined by the Committee; *provided*, that no Award Agreement shall contain a vesting period of less duration than the Minimum Vesting Period. Except as set forth in Section 13(g) hereto, the Committee shall not accelerate vesting of Restricted Stock or Restricted Stock Units.

(d) Issuance of Restricted Stock and Settlement of Restricted Stock Units.

(i) Upon the expiration of the Restricted Period with respect to any shares of Restricted Stock, the restrictions set forth in the applicable Award Agreement shall be of no further force or effect with respect to such shares, except as set forth in the applicable Award Agreement. If an escrow arrangement is used, upon such expiration, the Company shall issue to the Participant, or the Participant's beneficiary, without charge, the stock certificate (or, if applicable, a notice evidencing a book-entry notation) evidencing the shares of Restricted Stock which have not then been forfeited and with respect to which the Restricted Period has expired (rounded down to the nearest full share). Dividends, if any, that may have been withheld by the Committee and attributable to any particular share of Restricted Stock shall be distributed to the Participant in cash or, in the sole discretion of the Committee, in shares of Common Stock having a Fair Market Value (on the date of distribution) equal to the amount of such dividends, upon the release of restrictions on such share and, if such share is forfeited, the Participant shall have no right to such dividends.

(ii) Unless otherwise provided by the Committee in an Award Agreement or otherwise, upon the expiration of the Restricted Period with respect to any outstanding Restricted Stock Units, the Company shall issue to the Participant or the Participant's beneficiary, without charge, one (1) share of Common Stock (or other securities or other property, as applicable) for each such outstanding Restricted Stock Unit; *provided, however*, that the Committee may, in its sole discretion, elect to (A) pay cash or part cash and part shares of Common Stock in lieu of issuing only shares of Common Stock in respect of such Restricted Stock Units; or (B) defer the issuance of shares of Common Stock (or cash or part cash and part shares of Common Stock, as the case may be) beyond the expiration of the Restricted Period if such extension would not cause adverse tax consequences under Section 409A of the Code. If a cash payment is made in lieu of issuing shares of Common Stock in respect of such Restricted Stock Units, the amount of such payment shall be equal to the Fair Market Value per share of the Common Stock as of the date on which the Restricted Period lapsed with respect to such Restricted Stock Units. To the extent provided in an Award Agreement, the holder of outstanding Restricted Stock Units shall be entitled to be credited with dividend equivalent payments (upon the payment by the Company of dividends on shares of Common Stock) either in cash or, in the sole discretion of the Committee, in shares of Common Stock having a Fair Market Value equal to the amount of such dividends (and interest may, in the sole discretion of the Committee, be credited on the amount of cash dividend equivalents at a rate and subject to such terms as determined by the Committee), which accumulated dividend equivalents (and interest thereon, if applicable) shall be payable at the same time as the underlying Restricted Stock Units are settled following the date on which the Restricted Period lapses with respect to such Restricted Stock Units, and, if such Restricted Stock Units are forfeited, the Participant shall have no right to such dividend equivalent payments (or interest thereon, if applicable).

10. Other Stock-Based Awards. The Committee may issue unrestricted Common Stock, rights to receive grants of Awards at a future date, or other Awards denominated in Common Stock (including, without limitation, performance shares or performance units), under the Plan to Eligible Persons, alone or in tandem with other Awards, in such amounts and dependent on such conditions as the Committee shall from time to time in its sole discretion determine. Each Other Stock-Based Award granted under the Plan shall be evidenced by an Award Agreement. Each Other Stock-Based Award so granted shall be subject to such conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement or other form evidencing such Award, including, without limitation, those set forth in Section 13(a) of the Plan. Grants of Other Stock-Based Awards that may be settled in shares of Common Stock shall contain a vesting period of less duration than the Minimum Vesting Period. Except as set forth in Section 13(g) hereto, the Committee shall not accelerate vesting.

11. Changes in Capital Structure and Similar Events. Notwithstanding any other provision in this Plan to the contrary, the following provisions shall apply to all Awards granted hereunder:

(a) General. In the event of (i) any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, shares of Common Stock, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, split-off, spin-off, combination, repurchase or exchange of shares of Common Stock or other securities of the Company, issuance of warrants or other rights to acquire shares of Common Stock or other securities of the Company, or other similar corporate transaction or event that affects the shares of Common Stock (including, without limitation, a Change in Control); or (ii) unusual or nonrecurring events (including, without limitation, a Change in Control) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange or inter-dealer quotation system, accounting principles or law, such that in either case an adjustment is determined by the Committee in its sole discretion to be necessary or appropriate, then the Committee shall make any such proportionate substitution or adjustment, if any, as it deems equitable, including without limitation, adjusting any or all of (A) the Absolute Share Limit, or any other limit applicable under the Plan with respect to the number of Awards which may be granted hereunder; (B) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) which may be issued in respect of Awards or with respect to which Awards may be granted under the Plan (including, without limitation, adjusting any or all of the limitations under Section 5 of the Plan) and (C) the terms of any outstanding Award, including, without limitation, (I) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) subject to outstanding Awards or to which outstanding Awards relate; (II) the Exercise Price or Strike Price with respect to any Award; or (III) any applicable performance measures; *provided*, that in the case of any equity restructuring (within the meaning of the Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor pronouncement thereto)), the Committee shall make an equitable or proportionate adjustment to outstanding Awards to reflect such equity restructuring. Any adjustment under this Section 12 shall be conclusive and binding for all purposes.

(b) **Change in Control.** Without limiting the foregoing, in connection with any Change in Control, the Committee may, in its sole discretion, provide for any one or more of the following:

(i) substitution or assumption of Awards, or to the extent the surviving entity (or Affiliate thereof) is unwilling to permit substitution or assumption of the Awards, full acceleration of the vesting of any time-vested Awards, and acceleration of any performance-vested Awards (based on actual performance through the date of such Change in Control and on a pro-rata basis); or

(ii) cancellation of any one or more outstanding Awards and payment to the holders of such Awards that are vested as of such cancellation (including, without limitation, any Awards that would vest as a result of the occurrence of such event but for such cancellation), the value of such Awards, if any, as determined by the Committee (which value, if applicable, may be based upon the price per share of Common Stock received or to be received by other stockholders of the Company in such event), including, without limitation, in the case of an outstanding Option or SAR, a cash payment in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Committee) of the shares of Common Stock subject to such Option or SAR over the aggregate Exercise Price or Strike Price of such Option or SAR (it being understood that, in such event, any Option or SAR having a per share Exercise Price or Strike Price equal to, or in excess of, the Fair Market Value of a share of Common Stock subject thereto may be canceled and terminated without any payment or consideration therefor).

For purposes of clause (i) above, substitution of an Award may include conversion of the shares of Common Stock underlying such Award into shares of the buyer (or Affiliate thereof), or, subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code, into cash, property or other securities having an equivalent value as the Award (as determined consistent with clause (ii) above), which conversion shall not affect any continued vesting requirements of the Award. For the avoidance of doubt, any such substitution of an Award shall not provide for the acceleration of any vesting requirements of the Award and no Awards shall vest solely as a result of such substitution. Payments to holders pursuant to clause (ii) above shall be made in cash or, in the sole discretion of the Committee, in the form of such other consideration necessary for a Participant to receive property, cash, or securities (or combination thereof) as such Participant would have been entitled to receive upon the occurrence of the transaction if the Participant had been, immediately prior to such transaction, the holder of the number of shares of Common Stock covered by the Award at such time (less any applicable Exercise Price or Strike Price).

(c) **No Automatic Acceleration.** No Award Agreement shall provide for automatic acceleration of the vesting of any time-vested Awards or performance-vested Awards upon a Change in Control.

(d) **Other Requirements.** Prior to any payment or adjustment contemplated under this Section 12, the Committee may require a Participant to (i) represent and warrant as to the unencumbered title to the Participant's Awards; (ii) bear such Participant's pro rata share of any post-closing indemnity obligations, and be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the other holders of Common Stock, subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code; and (iii) deliver customary transfer documentation as reasonably determined by the Committee.

(e) **Fractional Shares.** Any adjustment provided under this Section 12 may provide for the elimination of any fractional share that might otherwise become subject to an Award.

12. Amendments and Termination.

(a) **Amendment and Termination of the Plan.** The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; *provided*, that no such amendment, alteration, suspension, discontinuance or

termination shall be made without stockholder approval if (i) such stockholder approval is necessary to comply with any regulatory requirement applicable to the Plan (including, without limitation, as

B-11

necessary to comply with any rules or regulations of any securities exchange or inter-dealer quotation system on which the securities of the Company may be listed or quoted) or for changes in GAAP to new accounting standards; (ii) it would materially increase the number of securities which may be issued under the Plan (except for increases pursuant to Section 5 or 12 of the Plan); or (iii) it would materially modify the requirements for participation in the Plan; *provided, further*, that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary. Notwithstanding the foregoing, no amendment shall be made to Section 12(c) of the Plan without stockholder approval.

(b) Amendment of Award Agreements. The Committee may, to the extent consistent with the Plan and the terms of any applicable Award Agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted or the associated Award Agreement, prospectively or retroactively (including after a Termination); *provided*, that, other than pursuant to Section 12 or the terms of an Award Agreement, any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any Participant with respect to any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant; *provided, further*, that, except as set forth in Section 13(g) hereto, the Committee shall not alter or amend any Award in a manner that would accelerate the vesting of such Award.

(c) No Repricing. Notwithstanding anything in the Plan to the contrary, without stockholder approval, except as otherwise permitted under Section 12 of the Plan or the terms of an Award Agreement, (i) no amendment or modification may reduce the Exercise Price of any Option or the Strike Price of any SAR; (ii) the Committee may not cancel any outstanding Option or SAR (including such Awards with an Exercise Price or Strike Price, as applicable, with a value above the current Fair Market Value of such Award) and replace it with a new Option or SAR (with a lower Exercise Price or Strike Price, as the case may be) or other Award or cash payment that is greater than the intrinsic value (if any) of the cancelled Option or SAR; and (iii) the Committee may not take any other action which is considered a repricing for purposes of the stockholder approval rules of any securities exchange or inter-dealer quotation system on which the securities of the Company are listed or quoted.

13. General.

(a) Award Agreements. Each Award under the Plan shall be evidenced by an Award Agreement, which shall be delivered to the Participant to whom such Award was granted and shall specify the terms and conditions of the Award and any rules applicable thereto, including, without limitation, the effect on such Award upon a Termination, or of such other events as may be determined by the Committee. For purposes of the Plan, an Award Agreement may be in any such form (written or electronic) as determined by the Committee (including, without limitation, a Board or Committee resolution, a notice, a certificate or a letter) evidencing the Award. The Committee need not require an Award Agreement to be signed by the Participant or a duly authorized representative of the Company.

(b) Nontransferability.

(i) Each Award shall be exercisable only by such Participant to whom such Award was granted. No Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or its Affiliates.

(ii) Notwithstanding the foregoing, the Committee may, in its sole discretion, permit Awards to be transferred by a Participant, without consideration, subject to such rules as the Committee may adopt consistent with any applicable Award Agreement to preserve the purposes of the Plan, to any other Eligible Person.

B-12

(c) **Dividends and Dividend Equivalents.** The Committee may, in its sole discretion, provide a Participant as part of an Award with dividends, dividend equivalents, or similar payments in respect of Awards, payable in cash, shares of Common Stock, other securities, other Awards or other property, on a current or deferred basis, on such terms and conditions as may be determined by the Committee in its sole discretion, including, without limitation, payment directly to the Participant, withholding of such amounts by the Company subject to vesting of the Award or reinvestment in additional shares of Common Stock, Restricted Stock or other Awards; *provided*, that no dividends, dividend equivalents or other similar payments shall be payable in respect of outstanding (i) Options or SARs; or (ii) unearned Performance Compensation Awards or other unearned Awards subject to performance conditions (other than, or in addition to, the passage of time) (although dividends, dividend equivalents or other similar payments may be accumulated in respect of unearned Awards and paid within fifteen (15) days after such Awards are earned and become payable or distributable).

(d) **Tax Withholding.**

(i) As a condition to the grant of any Award, it shall be required that a Participant satisfy, when such taxes are otherwise due with respect to such Award, through a cash payment by the Participant, or in the discretion of the Committee, through deduction or withholding from any payment of any kind otherwise due to the Participant, or through such other arrangements as are satisfactory to the Committee, the amount of all federal, state, and local income and other applicable taxes of any kind required or permitted to be withheld in connection with such Award.

(ii) Without limiting the generality of clause (i) above, the Committee may (but is not obligated to), in its sole discretion, permit a Participant to satisfy, in whole or in part, the foregoing withholding liability by (A) the delivery of shares of Common Stock (which are not subject to any pledge or other security interest) that have been held by the Participant for at least six (6) months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment applying GAAP) having a Fair Market Value equal to such withholding liability; or (B) having the Company withhold from the number of shares of Common Stock otherwise issuable or deliverable pursuant to the exercise or settlement of the Award a number of shares with a Fair Market Value equal to such withholding liability, provided that with respect to shares withheld pursuant to clause (B), the number of such shares may not have a Fair Market Value greater than the minimum required statutory withholding liability unless determined by the Committee not to result in adverse accounting consequences.

(e) **Data Protection.** By participating in the Plan or accepting any rights granted under it, each Participant consents to the collection and processing of data relating to the Participant so that the Company and its Affiliates can fulfill their obligations and exercise their rights under the Plan and generally administer and manage the Plan. This data will include, but may not be limited to, data about participation in the Plan and shares offered or received, purchased, or sold under the Plan from time to time and other appropriate financial and other data (such as the date on which the Awards were granted) about the Participant and the Participant's participation in the Plan.

(f) **No Claim to Awards; No Rights to Continued Service; Waiver.** No Eligible Person shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. There is no obligation for uniformity of treatment of Participants or holders of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the service of the Company or its Affiliates, nor shall it be construed as giving any Participant any rights to continued service on the Board.

(g) Termination. In the event of a Termination, and notwithstanding any provision of the Plan to the contrary, (i) if such Termination occurs by action of the Company (other than as a result of the breach by the Manager of the Management Agreement) or by action of the Manager as a result of the breach by the Company

B-13

Table of Contents

of the Management Agreement, all unvested Awards held by the Participant(s) shall vest in full as of such Termination; and (ii) if such Termination occurs for any other reason, including by action of the Manager (other than as a result of the breach by the Company of the Management Agreement) or by action of the Company as a result of the breach by the Manager of the Management Agreement, (A) all vesting with respect to such Participant's Award shall cease; and (B) any unvested Award shall be forfeited to the Company by the Participant for no consideration as of the date of such Termination; *provided*, that, notwithstanding anything contained in the Plan to the contrary, in connection with any Termination, the Committee shall reasonably determine whether or not to permit a Participant to retain, vest or continue to vest in an Award notwithstanding such Participant's Termination.

(h) No Rights as a Stockholder. Except as otherwise specifically provided in the Plan or any Award Agreement, no Person shall be entitled to the privileges of ownership in respect of shares of Common Stock which are subject to Awards hereunder until such shares have been issued or delivered to such Person.

(i) Government and Other Regulations.

(i) The obligation of the Company to settle Awards in shares of Common Stock or other consideration shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any shares of Common Stock pursuant to an Award unless such shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel (if the Company has requested such an opinion), satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale under the Securities Act any of the shares of Common Stock to be offered or sold under the Plan. The Committee shall have the authority to provide that all shares of Common Stock or other securities of the Company or any Affiliate issued under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award Agreement, the Federal securities laws, or the rules, regulations and other requirements of the Securities and Exchange Commission, any securities exchange or inter-dealer quotation system on which the securities of the Company are listed or quoted and any other applicable Federal, state, local or non-U.S. laws, rules, regulations and other requirements, and, without limiting the generality of Section 9 of the Plan, the Committee may cause a legend or legends to be put on certificates representing shares of Common Stock or other securities of the Company or any Affiliate issued under the Plan to make appropriate reference to such restrictions or may cause such Common Stock or other securities of the Company or any Affiliate issued under the Plan in book-entry form to be held subject to the Company's instructions or subject to appropriate stop-transfer orders. Notwithstanding any provision in the Plan to the contrary, the Committee reserves the right to add any additional terms or provisions to any Award granted under the Plan that the Committee, in its sole discretion, deems necessary or advisable in order that such Award complies with the legal requirements of any governmental entity to whose jurisdiction the Award is subject.

(ii) The Committee may cancel an Award or any portion thereof if it determines, in its sole discretion, that legal or contractual restrictions and/or blockage and/or other market considerations would make the Company's acquisition of shares of Common Stock from the public markets, the Company's issuance of Common Stock to the Participant, the Participant's acquisition of Common Stock from the Company and/or the Participant's sale of Common Stock to the public markets, illegal, impracticable or inadvisable. If the Committee determines to cancel all or any portion of an Award in accordance with the foregoing, the Company shall, subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code, (A) pay to the Participant an amount equal to the excess of (I) the aggregate Fair Market Value of the shares of Common Stock subject to such Award or portion thereof canceled (determined as of the applicable exercise date, or the date that the shares would have been vested or issued, as

applicable); over

B-14

Table of Contents

(II) the aggregate Exercise Price or Strike Price (in the case of an Option or SAR, respectively) or any amount payable as a condition of issuance of shares of Common Stock (in the case of any other Award). Such amount shall be delivered to the Participant as soon as practicable following the cancellation of such Award or portion thereof, or (B) in the case of Restricted Stock, Restricted Stock Units or Other Stock-Based Awards, provide the Participant with a cash payment or equity subject to deferred vesting and delivery consistent with the vesting restrictions applicable to such Restricted Stock, Restricted Stock Units or Other Stock-Based Awards, or the underlying shares in respect thereof.

(j) Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of equity-based awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

(k) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate, on the one hand, and a Participant or other Person, on the other hand. No provision of the Plan or any Award shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company be obligated to maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other service providers under general law.

(l) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in acting or failing to act, as the case may be, and shall not be liable for having so acted or failed to act in good faith, in reliance upon any information, opinion, report, or statement, including any financial statement or other financial data, prepared or presented by any officer or employee of the Company whom the Committee reasonably believes to be reliable and competent in the matters presented; a lawyer, certified public accountant, or other person, as to a matter which the Committee reasonably believes to be within the person's professional or expert competence; another committee of the Board on which a Committee member does not serve, as to matters within its designated authority, if the Committee reasonably believes such committee to merit confidence; and/or any other information furnished in connection with the Plan by any agent of the Company or the Committee or the Board, other than himself or herself.

(m) Governing Law. The Plan shall be governed by and construed in accordance with the internal laws of the State of Maryland applicable to contracts made and performed wholly within the State of Maryland, without giving effect to the conflict of laws provisions thereof.

(n) Severability. If any provision of the Plan or any Award or Award Agreement is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(o) Obligations Binding on Successors. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

(p) Section 409A of the Code.

(i) Notwithstanding any provision of the Plan to the contrary, it is intended that the provisions of the Plan comply with Section 409A of the Code, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code. Each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or in respect of such Participant in connection with the Plan or any other plan maintained by the Company (including any taxes and penalties under Section 409A of the Code), and neither the Company nor any Affiliate shall have any obligation to indemnify or otherwise hold such Participant (or any beneficiary) harmless from any or all of such taxes or penalties. With respect to any Award that is considered deferred compensation subject to Section 409A of the Code, references in the Plan to termination of employment (and substantially similar phrases) shall mean separation from service within the meaning of Section 409A of the Code. For purposes of Section 409A of the Code, each of the payments that may be made in respect of any Award granted under the Plan is designated as separate payments.

(ii) Notwithstanding anything in the Plan to the contrary, if a Participant is a specified employee within the meaning of Section 409A(a)(2)(B)(i) of the Code, no payments in respect of any Awards that are deferred compensation subject to Section 409A of the Code and which would otherwise be payable upon the Participant's separation from service (as defined in Section 409A of the Code) shall be made to such Participant prior to the date that is six (6) months after the date of such Participant's separation from service or, if earlier, the date of the Participant's death. Following any applicable six (6) month delay, all such delayed payments will be paid in a single lump sum on the earliest date permitted under Section 409A of the Code that is also a business day.

(iii) Unless otherwise provided by the Committee in an Award Agreement or otherwise, in the event that the timing of payments in respect of any Award (that would otherwise be considered deferred compensation subject to Section 409A of the Code) would be accelerated upon the occurrence of a Change in Control, no such acceleration shall be permitted unless the event giving rise to the Change in Control satisfies the definition of a change in the ownership or effective control of a corporation, or a change in the ownership of a substantial portion of the assets of a corporation pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder.

(q) Clawback/Forfeiture. Notwithstanding anything to the contrary contained herein, an Award agreement may provide that the Committee may in its sole discretion cancel such Award if the Participant has engaged in or engages in detrimental activity that is in conflict with or adverse to the interest of the Company or any Affiliate, including, without limitation, fraud or conduct contributing to any financial restatements or irregularities, as determined by the Committee in its sole discretion. The Committee may also provide in an Award Agreement that if the Participant otherwise has engaged in or engages in any activity referred to in the preceding sentence, all of the Participant's outstanding awards will be cancelled and/or the Participant will forfeit any gain realized on the vesting or exercise of such Award, and must repay the gain to the Company. The Committee may also provide in an Award agreement that if the Participant receives any amount in excess of what the Participant should have received under the terms of the Award for any reason (including without limitation by reason of a financial restatement, mistake in calculations or other administrative error), then the Participant shall be required to repay any such excess amount to the Company. Without limiting the foregoing, all Awards shall be subject to reduction, cancellation, forfeiture or recoupment to the extent necessary to comply with applicable law.

(r) Expenses; Gender; Titles and Headings. The expenses of administering the Plan shall be borne by the Company and its Affiliates. Masculine pronouns and other words of masculine gender shall refer to both men and women. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.
