**Item 7.01. Regulation FD Disclosure.**

In connection with previously disclosed discussions to negotiate an agreement with respect to a potential recapitalization, business combination or other alternative strategic transaction with respect to Hercules Offshore, Inc. (the Company), the Company entered into confidentiality agreements (the Confidentiality Agreements) with certain holders of the Company's first lien indebtedness and certain stockholders of the Company. The Company is making the disclosure herein in accordance with the terms of the Confidentiality Agreements, which require, upon the occurrence of certain events as specified therein, the public disclosure of all material non-public information provided pursuant to the Confidentiality Agreements (the Cleansing Materials).

The inclusion of the Cleansing Materials in this Current Report on Form 8-K, including the information in Exhibit 99.1, should not be regarded as an indication that the Cleansing Materials reflect current estimates or expectations, beliefs and assumptions of management about prospects for the Company's business, changes in general business or economic conditions, or any other transaction or event that has occurred or may occur or that was not anticipated at the time the information was prepared. The Cleansing Materials likely do not reflect either current results or future performance. The Cleansing Materials were prepared for use in discussions with certain holders of debt and equity of the Company, and for other management decisions and are subjective in many respects. The Cleansing Materials are included herein only because they were provided under the Confidentiality Agreements and are contractually required to be disclosed by the Company. The Cleansing Materials were not prepared with a view toward public disclosure. The information included in Exhibit 99.1 was prepared for disclosure under the Confidentiality Agreements and does not reflect any subsequent events and adjustments, including adjustments customarily made in year-end balance sheets, including any asset impairments, debt reclassifications and other matters.

The information in the Cleansing Materials is dependent upon assumptions with respect to commodity prices, production, development capital, exploration capital, operating expenses, availability and cost of capital and performance as set forth in the Cleansing Materials. Any financial projections or forecasts included in the Cleansing Materials were not prepared with a view toward public disclosure or compliance with the published guidelines of the Securities and Exchange Commission (the SEC) or the guidelines established by the American Institute of Certified Public Accountants regarding projections or forecasts. The projections do not purport to present the Company's financial condition in accordance with accounting principles generally accepted in the United States. The Company's independent accountants have not examined, compiled or otherwise applied procedures to the projections and, accordingly, do not express an opinion or any other form of assurance with respect to the projections. The inclusion of the projections herein should not be regarded as an indication that the Company or its representatives consider the projections to be a reliable prediction of future events, and the projections should not be relied upon as such. Neither the Company nor any of its representatives has made or makes any representation to any person regarding the ultimate outcome of the Company's proposed restructuring compared to the projections, and none of them undertakes any obligation to publicly update the projections to reflect circumstances existing after the date when the projections were made or to reflect the occurrence of future events, even in the event that any or all of the assumptions underlying the projections are shown to be in error.

As previously disclosed by the Company on the Form 8-K filed on May 27, 2016, the Company and certain of its U.S. domestic direct and indirect subsidiaries (together with the Company, the Debtors) on May 26, 2016, entered into an agreement (the Restructuring Support Agreement) with an ad hoc group of lenders (each an Ad Hoc Group Member) representing approximately 99% of the obligations outstanding under the Credit Agreement entered into on November 6, 2015, among the Company and certain of its subsidiaries, as guarantors, and Jefferies Finance LLC, as administrative agent and collateral agent, and the lenders party thereto.

The Restructuring Support Agreement sets forth, subject to certain conditions, the commitment to and obligations of, on the one hand, the Debtors, and on the other hand, each of the Ad Hoc Group Members (and any successors or permitted assigns that become party thereto) in connection with a controlled wind down of the Debtors' operations pursuant to a pre-packaged plan (the Plan) to be filed under Chapter 11 of the United States Bankruptcy Code.
