At the effective time of the Merger (the Effective Time), each share of Class A common stock, par value \$0.01 per share, of IHS (the Common Stock) (other than shares of Common Stock held in treasury) was converted into the right to receive 3.5566 (the Exchange Ratio) fully paid and nonassessable common shares of the Combined Company (the Markit Common Shares).

In addition, at the Effective Time, each equity award of IHS outstanding immediately prior to the Effective Time was converted into equity awards of the Combined Company in accordance with the Merger Agreement.

The foregoing description of the effects of the Merger and the Merger Agreement, and the transactions contemplated thereby, does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Merger Agreement attached as Exhibit 2.1 to IHS's Current Report on Form 8-K filed with the Securities and Exchange Commission (SEC) on March 21, 2016, and is incorporated herein by reference.
