All other items of the Proxy Statement are incorporated herein by reference without change.

Appendix A

Nordstrom, Inc. 2010 Equity Incentive Plan, As Amended and Restated
February 16, 2017

This Plan is being amended to:

increase the number of shares of Common Stock available for issuance under the Plan by 6,200,000;

allow the Compensation Committee (the Committee) to delegate to one or more senior executive officers of the Company the authority to make equity-based awards under the Plan to individuals who are not officers or directors of the Company; and

implement a one-year minimum vesting period requirement on awards made under the Plan.

This summary is qualified in its entirety by reference to the provisions of the Plan, as amended, a marked copy of which is below for your ease of reference.

ARTICLE I Introduction

The purpose of the Plan is to promote the long-term success of the Company and its Subsidiaries. Specific objectives are intended to encourage the attraction and retention of Employees and Nonemployee Directors, focus such individuals' results on the Company's critical, long-range goals and align such individuals' interests with those of the Company's shareholders.

The Plan seeks to achieve this purpose by providing for Awards in the form of Options (which may constitute incentive stock options (ISOs) or nonqualified stock options (NSOs)), stock appreciation rights (SARs), Unrestricted Shares, Restricted Shares, Restricted Stock Units and Performance Share Units.

The Plan shall be governed by, and construed in accordance with, the laws of the State of Washington (except their choice of law provisions).

ARTICLE II Administration

2.1 **Committee Composition.** The Committee shall administer the Plan. The Committee shall consist exclusively of two (2) or more Directors of the Company, who shall be appointed by the Board.

2.2 **Committee Responsibilities.** The Committee, in its absolute and sole discretion, shall (a) select the Employees and Nonemployee Directors who are to receive Awards under the Plan, (b) determine the type, number, vesting requirements and other features and conditions of such Awards, (c) interpret the Plan and (d) make all other decisions relating to the operation of the Plan. The Committee may adopt such rules or guidelines as it deems

appropriate to implement the Plan. The Committee may delegate its authority hereunder to one or more Subcommittees or Company officers, to the extent permitted under Code section 162(m), the Treasury Regulations thereunder and any applicable exchange rules; actions taken by any Subcommittee or officers shall be subject to review by the full Committee. The Committee's determinations under the Plan shall be final and binding on all persons.

- 2.3 **Committee for Non-Officer/Non-Director Awards.** The Board may also appoint a secondary committee of the Board or one or more a senior executive officers of the Company to administer the Plan with respect to Employees who are not considered officers or Directors of the Company under Section 16 of the Exchange Act. That committee or senior executive officer may grant Awards under the Plan to such Employees and may determine all features and conditions of such Awards. Within the limitations of this Section 2.3, any reference in the Plan to the Committee shall include such secondary committee or senior executive officer, as the case may be.

- 2.4 **Leadership Benefits Powers and Duties.** Until such time as the Committee shall modify, revoke or rescind such authority, the Company's Leadership Benefits department, or such other Company department as the Committee shall designate, has the powers and duties set forth below. Determinations made by the Leadership Benefits department (or other department) under this Section 2.4 shall be final and binding on all persons, but may, in the Committee's absolute and sole discretion, be reviewed by the Committee. The powers and duties delegated by the Committee hereunder are to:
- (a) work with Plan service providers to ensure the effective administration of the Plan;
 - (b) determine whether a Participant's disability, as defined by a qualified medical professional acceptable to the Company's Leadership Benefits department (or other department), qualifies as Disability as defined under the Plan; and
 - (c) perform any and all tasks, duties, and responsibilities delegated by the Company or the Committee.
- The Company's Leadership Benefits department (or other department) has authority to interpret the terms of the Plan and any Award in carrying out the powers and duties as set forth above.

ARTICLE III Shares Available for Awards

- 3.1 **Basic Limitation.** Shares issued pursuant to the Plan shall be authorized but unissued shares. The aggregate number of Shares available for Awards of Options, SARs, Unrestricted Shares, Restricted Shares, Restricted Stock Units or Performance Share Units granted under the Plan shall not exceed (a) 29,556,446~~35,756,446~~ Shares plus (b) the additional shares of Common Stock described in Section 3.3. The limitations of this Section 3.1 and Sections 3.2 and 3.3 shall be subject to adjustment pursuant to Article 12. The aggregate number of Shares available for issuance as Plan Awards shall be reduced by 1.6 (one point six) Shares for each Share delivered in settlement of any Award of Unrestricted Shares, Restricted Shares, Restricted Stock Units or Performance Share Units, and by 1 (one) Share for each Share delivered in settlement of any Option Award or SAR. Awards that are required to be settled in cash will not reduce the number of Shares available for delivery under the Plan.
- 3.2 **Additional Shares.** If any Shares covered by an Award of Options, SARs, Restricted Shares, Restricted Stock Units or Performance Share Units terminate, lapse or are forfeited or cancelled, or such Award is otherwise settled without the delivery of the full number of Shares underlying the Award, then the Shares covered by such Award, or to which such Award relates, to the extent of any such forfeiture, termination, lapse, cancellation, etc., shall again be, or shall become, available for issuance under the Plan; provided, however, that Shares (a) delivered in payment of the exercise price of an Award, (b) not issued upon the net settlement or net exercise of SARs, or (c) delivered to or withheld by the Company to pay withholding taxes related to an Award, shall not become available again for issuance under this Plan. Shares that again become available for issuance under the Plan pursuant to this Section 3.2 shall be added to the number of Shares available under Section 3.1 in the same ratios as applied to them at the time they were originally granted (e.g., 1.6 (one point six) Shares for each Share attributable to previously granted Awards of Restricted Shares, Restricted Stock

Units or Performance Share Units and 1 (one) Share for each Share attributable to previously granted Option Awards or SARs).

- 3.3 **Additional Shares from Prior Plan.** Shares available for issuance under the Plan shall be increased by any shares of Common Stock subject to outstanding awards under the Prior Plan on the effective date of the Plan, May 18, 2010, that later cease to be subject to such awards for any reason other than the exercise or vesting of such awards (as the case may be), including any amounts withheld from such awards by the Company for taxes on the awards, which Shares shall, as of the date such Shares cease to be subject to such awards, cease to be available for grant and issuance under the Prior Plan, but shall be available for issuance under the Plan under Section 3.1. However, this Section 3.3 specifically excludes Common Stock subject to outstanding awards granted as Incentive Stock Options under the Prior Plan; no shares of Common Stock subject to such Prior Plan Incentive Stock Option awards shall again become available for issuance under the Plan.

ARTICLE IV Eligibility

- 4.1 **Awards.** Employees and Nonemployee Directors shall be eligible for the grant of Awards of NSOs, SARs, Unrestricted Shares, Restricted Shares, Restricted Stock Units or Performance Share Units.
- 4.2 **Incentive Stock Options.** Only Employees who are common-law employees of the Company or a Subsidiary shall be eligible for the grant of ISOs. In addition, an Employee who owns more than ten percent (10%) of the total combined voting power of all classes of outstanding stock of the Company or any of its Subsidiaries shall not be eligible for the grant of an ISO unless the requirements set forth in section 422(c)(6) of the Code are satisfied.

ARTICLE V Options

Options granted under the Plan are subject to the following terms and conditions:

- 5.1 **Stock Option Agreement.** Each grant of an Option under the Plan shall be evidenced by a Stock Option Agreement between the Optionee and the Company. Such Option shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The Stock Option Agreement shall specify whether the Option is an NSO or an ISO. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical.
- 5.2 **Number of Shares.** Each Stock Option Agreement shall specify the number of shares of Common Stock subject to the Option, which shall be subject to adjustment in accordance with Article 12. Options granted to any Employee in a single fiscal year of the Company shall not cover more than 500,000 shares of Common Stock. Prior to exercise, holders of Options shall have no right to dividend equivalents. The limitation set forth in the preceding sentence shall be subject to adjustment in accordance with Article 12.
- 5.3 **Exercise Price.** Each Stock Option Agreement shall specify the Exercise Price; provided that the Exercise Price under an Option shall in no event be less than one hundred percent (100%) of the Fair Market Value of a share of Common Stock on the date of grant.
- 5.4 **Exercisability and Term.** Each Stock Option Agreement shall specify the date or event when all or any installment of the Option is to become exercisable, provided that no Option shall become exercisable in less than one (1) year from the date of grant. The Stock Option Agreement shall also specify the term of the Option; provided that the term shall in no event exceed ten (10) years from the date of grant. A Stock Option Agreement may provide for accelerated exercisability in the event of the Optionee's Disability, death or Retirement and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's Service. Options may be granted in combination with SARs, and such an Award may provide that

the Options will not be exercisable unless the related SARs are forfeited.

- 5.5 **Effect of Change in Control.** In the event that the Optionee experiences a Qualifying Termination within twelve (12) months following a Change in Control then, unless (i) the Committee shall have previously made provision for a cash payment in settlement of, or for the assumption, substitution or exchange of any or all of such Option for the cash, securities or property deliverable to the holder of any or all outstanding share-based awards, based upon, to the extent relevant under the circumstances, the distribution or consideration payable to holders of the Company's Common Stock in connection with the Change in Control, or (ii) the Option would otherwise continue in accordance with its terms notwithstanding the occurrence of the Change in Control, such Option shall automatically become fully vested and exercisable. However, in the case of an ISO, the acceleration of exercisability shall not occur without the Optionee's written consent. In addition, acceleration of exercisability may be required pursuant to Article 12.

ARTICLE VI Payment for Option Shares

- 6.1 **General Rule.** The entire Exercise Price of shares of Common Stock issued upon exercise of Options shall be payable in cash or cash equivalents at the time when such shares of Common Stock are purchased, except as follows:
- (a) In the case of an ISO granted under the Plan, payment shall be made only pursuant to the express provisions of the applicable Stock Option Agreement. The Stock Option Agreement may specify that payment may be made in any form(s) described in this Article 6.
 - (b) In the case of an NSO, the Committee may at any time accept payment in any form(s) described in this Article 6.
- 6.2 **Stock Swap.** To the extent specifically provided in an Option Agreement, all or any part of the Exercise Price may be paid by surrendering, or attesting to the ownership of, shares of Common Stock that are already owned by the Optionee. Such shares of Common Stock shall be valued at their Fair Market Value on the date when the new shares of Common Stock are purchased under the Plan.
- 6.3 **Exercise/Sale.** To the extent that this Section 6.3 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (in a form prescribed by the Company) an irrevocable direction to a securities broker approved by the Company to sell all or part of the shares of Common Stock being purchased under the Plan and to deliver all or part of the sales proceeds to the Company.
- 6.4 **Exercise/Pledge.** To the extent that this Section 6.4 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (in a form prescribed by the Company) an irrevocable direction to pledge all or part of the shares of Common Stock being purchased under the Plan to a securities broker or lender approved by the Company, as security for a loan, and to deliver all or part of the loan proceeds to the Company.

ARTICLE VII Stock Appreciation Rights

SARs granted under the Plan are subject to the following terms and conditions:

- 7.1 **SAR Agreement.** Each SAR granted under the Plan shall be evidenced by an SAR Agreement between the Participant and the Company. Such SAR shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various SAR Agreements entered into under the Plan need not be identical.

- 7.2 **Number of Shares.** Each SAR Agreement shall specify the number of shares of Common Stock to which the SAR pertains and shall provide for the adjustment of such number in accordance with Article 12. SARs granted to any Participant in a single calendar year shall in no event pertain to more than 500,000 shares of Common Stock. The limitation set forth in the preceding sentence shall be subject to adjustment in accordance with Article 12.
- 7.3 **Exercise Price.** Each SAR Agreement shall specify the Exercise Price; provided that the Exercise Price under an SAR shall in no event be less than one hundred percent (100%) of the Fair Market Value of a share of Common Stock on the date of grant.
- 7.4 **Exercisability and Term.** Each SAR Agreement shall specify the date when all or any installment of the SAR is to become exercisable, provided that no SAR shall become exercisable in less than one (1) year from the date of grant. The SAR Agreement shall also specify the term of the SAR; provided, however, that the term shall in no event exceed ten (10) years from the date of grant. An SAR Agreement may provide for accelerated exercisability in the event of the ~~Optionee- s Participant~~ s Disability, death or Retirement and may provide for expiration prior to the end of its term in the event of the termination of the ~~Optionee- s Participant~~ s Service. SARs may be granted in combination with Options, and such an SAR Agreement may provide that the SARs will not be exercisable unless the related Options are forfeited.

- 7.5 **Effect of Change in Control.** In the event that the Participant experiences a Qualifying Termination within twelve (12) months following a Change in Control then, unless (i) the Committee shall have previously made provision for a cash payment in settlement of, or for the assumption, substitution or exchange of any or all of such SAR for the cash, securities or property deliverable to the holder of any or all outstanding share-based awards, based upon, to the extent relevant under the circumstances, the distribution or consideration payable to holders of the Company's Common Stock in connection with the Change in Control, or (ii) the SAR would otherwise continue in accordance with its terms notwithstanding the occurrence of the Change in Control, such SAR shall automatically become fully vested and exercisable. In addition, acceleration of exercisability may be required pursuant to Article 12.
- 7.6 **Exercise of SARs.** Upon exercise of an SAR, the Participant (or any person having the right to exercise the SAR after his or her death) shall receive from the Company (a) shares of Common Stock, (b) cash or (c) a combination of shares of Common Stock and cash, as the Committee shall determine. The amount of cash and/or the Fair Market Value of shares of Common Stock received upon exercise of SARs shall, in the aggregate, be equal to the amount by which the Fair Market Value (on the date of surrender) of the shares of Common Stock subject to the SARs exceeds the Exercise Price.

ARTICLE VIII Unrestricted Shares

Unrestricted Shares granted under the Plan are subject to the following terms and conditions:

- 8.1 **Unrestricted Shares.** The Committee may grant up to 5% of the total shares approved for issuance under the Plan, as shares of Common Stock that have no restrictions. Such Unrestricted Shares shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. In no event shall the number of Unrestricted Shares that are granted to any Participant in a single fiscal year exceed 100,000 ~~shares of Common Stock~~ Shares, subject to adjustment in accordance with Article 12. ~~For purposes of this Section 8.1, each Unrestricted Share granted under Section 3.1 shall reduce the foregoing limit by one (1) Share.~~
- 8.2 **Payment for Awards.** Unrestricted Shares may be granted under the Plan for such consideration consisting of any tangible or intangible property or benefit to the Company as the Committee may determine, including cash, promissory notes, services performed and contracts for services to be performed.

ARTICLE IX Restricted Shares

Restricted Shares granted under the Plan are subject to the following terms and conditions:

- 9.1 **Restricted Share Agreement.** Each grant of Restricted Shares under the Plan shall be evidenced by a Restricted Share Agreement between the recipient and the Company. Such Restricted Shares shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent

with the Plan. The provisions of the various Restricted Share Agreements entered into under the Plan need not be identical. In no event shall the number of Restricted Shares which are granted to any Participant in a single fiscal year exceed 500,000 shares of Common Stock, subject to adjustment in accordance with Article 12.

- 9.2 **Payment for Awards.** Restricted Shares may be granted under the Plan for such consideration consisting of any tangible or intangible property or benefit to the Company as the Committee may determine, including cash, promissory notes, services performed and contracts for services to be performed.
- 9.3 **Vesting Conditions.** Each Award of Restricted Shares shall be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Restricted Share Agreement. If the only restriction on an Award of Restricted Shares is vesting based on the lapse of time, the minimum period for full vesting shall be ~~three (3) years~~ one (1) year. The Committee may include among such conditions the requirement that the performance of the Company or a business unit of the Company for a Performance Cycle equal or exceed a target determined in advance by the Committee. Such target shall be based on any one or combination of the Performance Criteria.

With respect to Restricted Shares that are subject to performance-based vesting conditions and are intended to meet the qualified performance-based compensation requirements of Code Section 162(m):

- (a) The Committee shall identify such conditions not later than the ninetieth (90th) day following the commencement of the applicable Performance Cycle and before twenty-five percent (25%) of such Performance Cycle has elapsed; and
- (b) The Committee shall certify in writing prior to payout that such conditions and any other material terms were in fact satisfied. Approved minutes of a meeting of the Committee may be treated as such written certification. ~~In no event shall the number of Restricted Shares which are subject to performance-based vesting conditions and which are granted to any Participant in a single fiscal year exceed 500,000 Shares, subject to adjustment in accordance with Article 12.~~

If the Participant's employment with the Company or Subsidiary is terminated before the end of a Performance Cycle for any reason other than Disability, death or Retirement, the Participant shall forfeit all rights with respect to any Restricted Shares that were being earned during the Performance Cycle. The Committee, in its absolute and sole discretion, may establish guidelines providing that if a Participant's employment is terminated before the end of a Performance Cycle by reason of Disability, death or Retirement, the Participant shall be entitled to a prorated payment with respect to any Restricted Shares that were being earned during the Performance Cycle, as determined at the end of such Performance Cycle. A Restricted Share Agreement may provide for accelerated service-based vesting in the event of the Participant's Disability, death or Retirement (provided that, with respect to accelerated vesting in the event of Retirement, such Restricted Share Agreement shall include specific provisions regarding any tax withholding requirements, as required). Notwithstanding the foregoing, in the event that the Participant experiences a Qualifying Termination within twelve (12) months following a Change in Control, then unless (i) the Committee shall have previously made provision for a cash payment in settlement of, or for the assumption, substitution or exchange of any or all of such Restricted Shares for the cash, securities, or property deliverable to the holder of any or all outstanding share-based awards, based upon, to the extent relevant under the circumstances, the distribution or consideration payable to holders of the Company's Common Stock in connection with the Change in Control; (ii) the Restricted Share Agreement would otherwise continue in accordance with its terms notwithstanding the occurrence of the Change in Control; or (iii) the Restricted Shares are subject to performance-based vesting criteria and the acceleration of vesting of such Restricted Shares would be prohibited under the provisions of Code section 162(m) and the Treasury Regulations promulgated thereunder, such Restricted Shares shall automatically vest and any restrictions thereon shall lapse at the time of such Change in Control.

9.4 **Voting and Dividend Rights.** The holders of Restricted Shares granted under the Plan shall have the voting, dividend and other rights as set forth in their Restricted Share Agreement, and may have the same voting, dividend and other rights as the Company's other shareholders. Any dividends paid on Restricted Shares shall be paid at the dividend payment date, in cash or in shares of unrestricted Common Stock having a Fair Market Value equal to the amount of such dividends. Common Stock distributed in connection with a stock split or stock dividend, and distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Shares with respect to which such Common Stock has been distributed.

ARTICLE X Restricted Stock Units

Restricted Stock Units granted under the Plan are subject to the following terms and conditions:

- 10.1 **Restricted Stock Units.** Restricted Stock Units are designated in shares of Common Stock.

- 10.2 **Restricted Stock Unit Agreement.** Each grant of Restricted Stock Units under the Plan shall be evidenced by a Restricted Stock Unit Agreement between the recipient and the Company. Such Restricted Stock Units shall be subject to all applicable terms of the Plan and may be subject to any other terms of the applicable Restricted Stock Unit Agreement that are not inconsistent with the Plan. The provisions of the various Restricted Stock Unit Agreements entered into under the Plan need not be identical. In no event shall the number of Restricted Stock Units which are granted to any Participant in a single fiscal year

pertain to more than 500,000 shares of Common Stock, subject to adjustment in accordance with Article 12.

10.3 **Payment for Awards.** To the extent that an Award is granted in the form of Restricted Stock Units, no cash consideration shall be required of the Award recipients.

10.4 **Vesting Conditions.** Each Award of Restricted Stock Units shall be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Restricted Stock Unit Agreement. If the only restriction on an Award of Restricted Stock Units is vesting based on the lapse of time, the minimum period for full vesting shall be ~~three (3)~~ one (1) years. The Committee may include among such conditions the requirement that the performance of the Company or a business unit of the Company for a Performance Cycle equal or exceed a target determined in advance by the Committee. Such target shall be based on any one or combination of the Performance Criteria.

With respect to Restricted Stock Units that are subject to performance-based vesting conditions and are intended to meet the qualified performance-based compensation requirements of Code Section 162(m) and are granted to Participants who ~~are~~ Covered Employees under Code Section 162(m):

- (a) The Committee shall identify such conditions not later than the ninetieth (90th) day following the commencement of the applicable Performance Cycle, and before twenty-five percent (25%) of such Performance Cycle has elapsed; and
- (b) The Committee shall certify in writing prior to payout that such conditions and any other material terms were in fact satisfied. Approved minutes of a meeting of the Committee may be treated as such written certification.

~~In no event shall the number of Restricted Stock Units which are subject to performance-based vesting conditions and which are granted to any Participant in a single fiscal year exceed 500,000, subject to adjustment in accordance with Article 12.~~

If the Participant's employment with the Company or Subsidiary is terminated before the end of a Performance Cycle for any reason other than Disability, death or Retirement, the Participant shall forfeit all rights with respect to any Restricted Stock Units that were being earned during that Performance Cycle. The Committee, in its absolute and sole discretion, may establish guidelines providing that if a Participant's employment is terminated before the end of a Performance Cycle by reason of Disability, death or Retirement, the Participant shall be entitled to a prorated payment with respect to any shares of Restricted Stock Units that were being earned during the Performance Cycle, as determined at the end of such Performance Cycle. A Restricted Stock Unit Agreement may provide for accelerated service-based vesting in the event of the Participant's Disability, death or Retirement (provided that, with respect to accelerated vesting in the event of Retirement, such Restricted Stock Unit Agreement's accelerated vesting provisions shall comply with the requirements of Code Section 409A). Notwithstanding anything to the contrary contained in the foregoing, in the event that the Participant experiences a Qualifying Termination within twelve (12) months following a Change in Control then unless (i) the Committee shall have previously made provision for a cash payment in settlement of, or for the assumption, substitution or exchange of any or all of such Restricted Stock Units for the cash, securities, or property deliverable to the holder of any or all outstanding share-based awards, based upon, to the extent relevant under the circumstances, the distribution or consideration payable to holders of the Company's Common Stock in connection with the Change in Control; (ii) the award of Restricted Stock Units would otherwise continue in accordance with its terms notwithstanding the occurrence of the Change in Control; or (iii) the Restricted Stock Units are subject to performance-based vesting criteria and the acceleration of vesting of such Restricted Stock Units would

be prohibited under the provisions of Code section 162(m) and the Treasury Regulations promulgated thereunder, such Restricted Stock Units shall automatically vest and any restrictions thereon shall lapse at the time of such Change in Control.

10.5 **Dividend Rights.** Shares underlying an Award of Restricted Stock Units shall not be entitled to dividends or dividend equivalents with respect to such Restricted Stock Units except to the extent otherwise provided under a Restricted Stock Unit Agreement. If a Restricted Stock Unit Agreement includes rights to dividends or dividend equivalents, an amount equal to the dividends that would have been paid if the Restricted Stock Units had been issued and outstanding shares of Common Stock as of the record date for the

dividends shall be paid to the holder of such Restricted Stock Units in cash, subject to applicable withholding taxes unless otherwise determined by the Committee. Any dividend equivalents payable pursuant to this Section 10.5 shall be paid no later than March 1 of the calendar year after the calendar year in which the applicable dividend record date occurs, except as otherwise provided in the applicable Restricted Stock Unit Agreement.

- 10.6 **Form and Time of Settlement of Restricted Stock Unit Awards.** Settlement of vested Restricted Stock Units may be made in the form of (a) cash, (b) shares of Common Stock or (c) any combination of both, as determined by the Committee. For the avoidance of doubt, settlement of vested Restricted Stock Units in shares of Common Stock shall not be considered an Award of Unrestricted Shares under Article 8. Methods of converting Restricted Stock Units into cash may include (without limitation) a method based on the average Fair Market Value of shares of Common Stock over a series of trading days. Vested Restricted Stock Units shall be settled in a lump sum before the later of (i) two and one half (2^{1/2}) months after the end of the Company's fiscal year during which all vesting conditions applicable to the Restricted Stock Units have been satisfied or have lapsed or (ii) March 15 following the calendar year in which all vesting conditions applicable to the Restricted Stock Units have been satisfied or have lapsed. Until an Award of Restricted Stock Units is settled, the number of such Restricted Stock Units shall be subject to adjustment pursuant to Article 12.
- 10.7 **Creditors' Rights.** A holder of Restricted Stock Units shall have no rights other than those of a general creditor of the Company. Restricted Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Restricted Stock Unit Agreement.

ARTICLE XI Performance Share Units

Performance Share Units granted under the Plan are subject to the following terms and conditions:

- 11.1 **Performance Share Units.** Performance Share Units are designated in shares of Common Stock.
- 11.2 **Agreement.** Each grant of Performance Share Units under the Plan shall be evidenced by an Agreement between the recipient and the Company, shall be subject to all applicable terms of the Plan, and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Performance Share Unit Agreements entered into under the Plan need not be identical. Performance Share Units may be granted in consideration of a reduction in the recipient's other compensation.
- 11.3 **Payment for Awards.** To the extent that an Award is granted in the form of Performance Share Units, no cash consideration shall be required of the Award recipients.
- 11.4 **Vesting Conditions.** Each Award of Performance Share Units shall be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Performance Share Unit Agreement. The Committee may include among such conditions the requirement that the performance of the Company or a business unit of the Company for a Performance Cycle equal or exceed a target determined in

advance by the Committee. Such target shall be based on any one or combination of the Performance Criteria. Under no circumstances shall the Performance Cycle for an Award of Performance Share Units be less than one (1) year.

With respect to Performance Share Units that are subject to performance-based vesting conditions and are intended to meet the qualified performance-based compensation requirements of Code Section 162(m) and are granted to Participants who are Covered Employees under Code Section 162(m):

- (a) The Committee shall identify such conditions not later than the ninetieth (90th) day following the commencement of the Performance Cycle, and before twenty-five percent (25%) of the Performance Cycle has elapsed; and
- (b) The Committee shall certify in writing prior to payout that such conditions and any other material terms were in fact satisfied. Approved minutes of a meeting of the Committee may be treated as such written certification.

In no event shall the number of Performance Share Units which are subject to performance-based vesting conditions and which are granted to any Participant in a single fiscal year exceed 500,000, subject to adjustment in accordance with Article 12.

If the Participant's employment with the Company or Subsidiary is terminated before the date that Performance Share Units vest, the participant shall forfeit all rights with respect to any unvested Performance Share Units. However, with respect to Performance Share Units subject to performance-based vesting conditions, the Committee, in its absolute and sole discretion at the time an Award of Performance Share Units is made, may establish guidelines providing that if a Participant's employment is terminated before the end of a Performance Cycle by reason of Disability, death or Retirement, the Participant shall be entitled to a prorated payment with respect to any Performance Share Units that were being earned during the Performance Cycle, as determined at the end of such Performance Cycle. A Performance Share Unit Agreement may provide for accelerated service-based vesting in the event of a Participant's Disability, death or Retirement (provided, in the case of Retirement, that such Performance Share Unit Agreement's accelerated vesting provisions shall comply with the requirements of Code Section 409A). Notwithstanding anything to the contrary contained in the foregoing, in the event that the Participant experiences a Qualifying Termination within twelve (12) months following a Change in Control then unless (i) the Committee shall have previously made provision for a cash payment in settlement of, or for the assumption, substitution or exchange of any or all of such Performance Share Units for the cash, securities, or property deliverable to the holder of any or all outstanding share-based awards, based upon, to the extent relevant under the circumstances, the distribution or consideration payable to holders of the Company's Common Stock in connection with the Change in Control; (ii) the award of Performance Share Units would otherwise continue in accordance with its terms notwithstanding the occurrence of the Change in Control; or (iii) the acceleration of vesting of such Performance Share Units would be prohibited under the provisions of Code section 162(m) and the Treasury Regulations promulgated thereunder, such Performance Share Units shall automatically vest and any restrictions thereon shall lapse at the time of such Change in Control. In addition, acceleration of vesting may be required pursuant to Article 12.

11.5 Form and Time of Settlement of Units. Settlement of vested Performance Share Units may be made in the form of (a) cash, (b) shares of Common Stock or (c) any combination of both, as determined by the Committee. For the avoidance of doubt, settlement of vested Performance Share Units in shares of Common Stock shall not be considered an Award of Unrestricted Shares under Article 8. Methods of converting Performance Share Units into cash may include (without limitation) a method based on the average Fair Market Value of shares of Common Stock over a series of trading days. Vested Performance Share Units shall be settled in a lump sum by the last day of the calendar year in which all vesting conditions applicable to the Performance Share Units have been satisfied or have lapsed. Until an Award of Performance Share Units is settled, the number of such Share Units shall be subject to adjustment pursuant to Article 12.

11.6 Creditors Rights. A holder of Performance Share Units shall have no rights other than those of a general creditor of the Company. Performance Share Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Performance Share Unit Agreement.

ARTICLE XII Protection Against Dilution

12.1

Modification or Assumption of Awards. Except in connection with a corporate transaction involving the Company (a Strategic Transaction which shall include, without limitation any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares or the sale of all or substantially all of the Company's assets), the terms of outstanding Awards may not be amended to reduce any exercise price associated with such Awards or to cancel any outstanding Awards in exchange for cash, other Awards or other securities with an exercise price that is less than the exercise price of the original Awards without shareholder approval. The foregoing and the provisions of this Article 12 notwithstanding, no modification of an Award shall, without the consent of the Award recipient, alter or impair his or her rights or obligations under such Award.

12.2 **Adjustments.** Upon or in contemplation of any Strategic Transaction, the Committee shall, in such manner, to such extent (if any) and at such time as it deems appropriate and equitable in the circumstances:

- (a) proportionately adjust any or all of (i) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of Awards (including the specific share limits, maximums and numbers of shares set forth elsewhere in this Plan), (ii) the number, amount and type of shares of Common Stock (or other securities or property) subject to any or all outstanding Awards, (iii) the grant, purchase, or exercise price of any or all outstanding Awards, (iv) the securities, cash or other property deliverable upon exercise of any or all outstanding Awards, or (v) the performance standards appropriate to any or all outstanding Awards, or
- (b) make provision for a cash payment or for the assumption, substitution or exchange of any or all outstanding share-based Awards or the cash, securities or property deliverable to the holder of any or all outstanding share-based Awards, based upon the distribution or consideration payable to holders of the outstanding shares of Common Stock upon or in respect of such event.

For the avoidance of doubt, this Article 12 does not apply to normal cash dividends with respect to Company Stock other than extraordinary dividends or to stock issued in lieu of such dividends. The Committee may adopt such valuation methodologies for outstanding Awards as it deems reasonable in the event of a cash or property settlement and, in the case of Options, SARs or similar rights, but without limitation on other methodologies, may base such settlement solely upon the excess, if any, of the per share amount payable upon or in respect of such event over the grant price of the Award, unless otherwise provided in, or by authorized amendment to, the Award or provided in another applicable agreement with the Participant. With respect to any ISO, in the absolute and sole discretion of the Committee, the adjustment may be made in a manner that would cause the Option to cease to qualify as an ISO.

12.3 **Dissolution or Liquidation.** To the extent not previously exercised, settled or assumed, Options, SARs, and Performance Share Units shall terminate immediately prior to the dissolution or liquidation of the Company.

ARTICLE XIII Awards Under Other Plans

The Company may grant awards under other equity plans or programs. Such awards may be settled in the form of shares of Common Stock issued under this Plan.

ARTICLE XIV Limitation on Rights

14.1 **Retention Rights.** Neither the Plan nor any Award granted under the Plan shall be deemed to give any individual a right to remain an Employee or Nonemployee Director. The Company and its Subsidiaries reserve the right to terminate the Service of any Employee or Nonemployee Director at any time, with or without cause, subject to applicable laws, the Company's Restated Articles of Incorporation and Bylaws and a written employment agreement (if any).

- 14.2 **Shareholders Rights.** Unless otherwise provided in this Plan or in any Award, a Participant shall have no dividend rights, voting rights or other rights as a shareholder with respect to any shares of Common Stock covered by his or her Award prior to the time when a stock certificate for such shares of Common Stock is issued or, if applicable, the time when he or she becomes entitled to receive such shares of Common Stock by filing any required notice of exercise and paying any required Exercise Price. No adjustment shall be made for normal cash dividends or other rights for which the record date is prior to such time, except as expressly provided in the Plan.
- 14.3 **Regulatory Requirements.** Any other provision of the Plan notwithstanding, the obligation of the Company to issue shares of Common Stock under the Plan shall be subject to all applicable laws, rules and regulations and such approval by any regulatory body as may be required. The Company reserves the right to restrict, in whole or in part, the delivery of shares of Common Stock pursuant to any Award prior to

the satisfaction of all legal requirements relating to the issuance of such shares of Common Stock related to their registration, qualification or listing or to an exemption from registration, qualification or listing.

- 14.4 **Compliance with Code Section 409A.** Awards under the Plan are intended to comply with Code Section 409A and all Awards shall be interpreted in a manner that results in compliance with Section 409A, Department of Treasury regulations, and other interpretive guidance under Section 409A. Notwithstanding any provision of the Plan or an Award to the contrary, if the Committee determines that any Award does not comply with Code Section 409A, the Company may adopt such amendments to the Plan and the affected Award (without consent of the Participant) or adopt other policies or procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Committee determines are necessary and appropriate to (a) exempt the Plan and the Award from application of Code Section 409A and/or preserve the intended tax treatment of amounts payable with respect to the Award, or (b) comply with the requirements of Code Section 409A.

ARTICLE XV Withholding Taxes

- 15.1 **General.** To the extent required by applicable federal, state, local or foreign law, a Participant or his or her successor shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise in connection with the Plan. The Company shall not be required to issue any shares of Common Stock or make any cash payment under the Plan until such obligations are satisfied.
- 15.2 **Share Withholding.** To the extent that applicable law subjects a Participant to tax withholding obligations, the Committee may permit such Participant to satisfy all or part of such obligations by having the Company withhold all or a portion of any shares of Common Stock that otherwise would be issued to him or her or by surrendering all or a portion of any shares of Common Stock that he or she previously acquired. Such shares of Common Stock shall be valued at their Fair Market Value on the date when they are withheld or surrendered, and shall be deemed to have been issued for purposes of identifying any shares which may become available for grant pursuant to Section 3.3 above.

ARTICLE XVI Future of the Plan

- 16.1 **Term of the Plan.** The Plan, as set forth herein, became effective on the date of shareholder approval, May 18, 2010, and shall remain in effect for a period of ten (10) years unless earlier terminated under Section 16.2.
- 16.2 **Amendment or Termination.** The Board may, at any time and for any reason, amend, alter or terminate the Plan. Notwithstanding the foregoing and except as provided in Section 14.4, no amendment, alteration or termination shall be made that would impair the rights of a Participant under any Award theretofore granted without such Participant's express written consent. An amendment of the Plan shall be subject to the approval of the Company's shareholders for any amendment that would (a) require shareholder approval in order to

satisfy the applicable requirements of Code Section 162(m), Code section 422, or other applicable laws, regulations or rules, including but not limited to any stock exchange rules; (b) increase amounts payable under the Plan to Participants (provided that shareholder approval shall not be required for increases that are not material and do not require such approval under applicable law or stock exchange rules); (c) increase the number of shares of Common Stock authorized to be issued under the Plan; (d) permit the repurchase by the Company of any outstanding Awards with an Exercise Price greater than the then-current Fair Market Value of Common Stock; or (e) modify the Plan's eligibility provisions. No Awards shall be granted under the Plan after the termination thereof.
