Except for Notes sold to level-fee accounts, Notes offered to the public will be offered at the public offering price set forth in this Pricing Supplement. Agents purchasing Notes on an agency basis for non-level fee client accounts shall purchase Notes at the public offering price. Notes purchased by the Agents for their own account may be purchased at the public offering price less the applicable concession. Notes purchased by the Agents on behalf of

level-fee accounts may be sold to such accounts at the applicable concession to the public offering price, in which case, such Agents will not retain any portion of the sales price as compensation.

If the maturity date or an interest payment date for any note is not a business day (as defined in the prospectus supplement), principal, premium, if any, and interest for that note is paid on the next business day, and no interest will accrue from, and after, the maturity date or interest payment date.

The Verizon InterNotes® will be represented by a Master Note in fully registered form, without coupons. The Master Note will be deposited with, or on behalf of, DTC and registered in the name of a nominee of DTC, as depository, or another depository as may be named in a subsequent pricing supplement.

Recent Developments

On July 27, 2017, we announced our unaudited preliminary results for the second quarter 2017 and the six months ended June 30, 2017. For the second quarter 2017, we reported net income attributable to Verizon of \$4.4 billion, or \$1.07 per diluted share, compared with net income of \$702 million, or \$0.17 per diluted share, in the second quarter 2016.
