On September 11, 2017, TTM Technologies, Inc. (the Company) issued a press release announcing its intention to offer, subject to market and other customary conditions, \$375 million in aggregate principal amount of senior notes due 2025 (the Notes) in a private offering that is exempt from registration under the Securities Act of 1933, as amended. The Notes will be the senior unsecured obligations of the Company and will be guaranteed by certain of the Company's subsidiaries. A copy of this press release is furnished with this report as Exhibit 99.1 and is incorporated herein by reference.
