(e) On November 29, 2017, the Board of Directors (the Board) of Fiserv, Inc. (the Company), upon recommendation and approval by the Compensation Committee (the Committee) of the Board, approved the Fiserv, Inc. Nonqualified Deferred Compensation Plan, as amended and restated effective January 1, 2018 (the Plan), which permits Eligible Employees (as defined in the Plan) to participate in the Plan and defer such compensation as the Plan Administrator (as defined in the Plan) determines. The Employee Retirement Income Security Act of 1974 requires that participation in this type of Plan be limited to a select group of management or highly compensated employees. A participant may choose to have the participant's compensation that is deferred in respect of a given year paid in a lump sum or up to 15 annual installments at a future time as selected by the participant, which may include the participant's separation from service. A participant may also choose to change the time and form of payment of the participant's previously deferred amounts, subject to the rules prescribed in the Plan. The Plan also permits the Company to make employer contributions to the Plan in such amounts and subject to such terms and conditions as are approved by the Committee (for executive officers) or the Chief Executive Officer (for all other participants). The foregoing is a summary of the material terms of the Plan, does not purport to be complete and is qualified in its entirety by reference to the Plan filed herewith as Exhibit 10.1.
