Completion of the Acquisition; Amended and Restated Purchase Agreement

On April 30, 2018 (the Closing Date), Owens & Minor, Inc. (the Company) completed the previously announced acquisition of substantially all of Halyard Health, Inc. s (Halyard) Surgical and Infection Prevention (S&IP) business, the name Halyard Health (and all variations of that name and related intellectual property rights) and Halyard s IT system (collectively, the Acquisition), contemplated by the Amended and Restated Purchase Agreement (as defined below), in exchange for \$708.5 million, subject to certain adjustments as provided in the Amended and Restated Purchase Agreement based on the cash, indebtedness and net working capital transferred to the Company and its affiliates at the closing. In connection with funding the purchase price for the Acquisition and related transaction expenses, the Company borrowed \$750 million under its existing revolver and new term loan facilities. As previously disclosed in the Company s Current Report on Form 8-K/A filed with the Securities and Exchange Commission (the SEC) on November 1, 2017, the Company will separately acquire substantially all of the S&IP business located in India for a purchase price of \$1.5 million, which acquisition is expected to occur in the third quarter of 2018.

On the Closing Date, the Company entered into an Amended and Restated Purchase Agreement (the Amended and Restated Purchase Agreement) by and among the Company, Halyard and certain affiliates of Halyard. The Amended and Restated Purchase Agreement amended and restated the previously reported Purchase Agreement, dated as of October 31, 2017 (the Original Agreement), by and among the Company, Halyard and certain affiliates of Halyard as was described in the Company s Current Report on Form 8-K/A filed with the SEC on November 1, 2017 and filed as Exhibit 2.1 thereto. The Amended and Restated Purchase Agreement has substantially the same material terms and conditions as the Original Agreement, but provides for, among other things, the delayed transfer of the S&IP assets and liabilities in Brazil in exchange for the later payment of \$400,000, as well as the delayed transfer, for no additional consideration, of certain other assets (and related liabilities) of the S&IP business required for Halyard and its affiliates to provide transitional services on behalf of the Company and its affiliates for a period of time following the closing of the Acquisition. The Company expects the acquisition of the Brazilian assets and liabilities to occur during the second quarter of 2018, and the transfer of the remaining assets and liabilities to occur at various times over the next 18 months.

In connection with the completion of the Acquisition, on the Closing Date the Company and Halyard entered into transition services agreements pursuant to which the Company, Halyard and each party s respective affiliates will provide to each other various transitional services, including, but not limited to, facilities, product supply, financial and business services, procurement, human resources, research and development, regulatory affairs and quality assurance, sales and marketing, information technology and other support services. On the Closing Date, certain affiliates of the Company also entered into transitional distribution agreements with affiliates of Halyard under which the Halyard affiliates will serve as limited risk distributors for the Company s international customer orders on a transitional basis. The services under the transition services agreements and distribution agreements generally will commence on the Closing Date and terminate within 18 months thereafter.

The Amended and Restated Purchase Agreement contains various representations and warranties made by the parties solely for the benefit of the other parties to the Amended and Restated Purchase Agreement. Such representations and warranties (a) have been made only for purposes of the Amended and Restated Purchase Agreement, (b) have been qualified by confidential disclosures made to the other parties in connection with the Amended and Restated Purchase Agreement, (c) are subject to materiality qualifications contained in the Amended and Restated Purchase Agreement that may differ from what

may be viewed as material by investors, (d) were made only as of the date of the Original Agreement or such other date as is specified in the Amended and Restated Purchase Agreement, and (e) have been included in the Amended and Restated Purchase Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as facts. Accordingly, the Amended and Restated Purchase Agreement is included with this filing only to provide investors with information regarding the terms of the Amended and Restated Purchase Agreement, and not to provide investors with any other factual information regarding either party or its business. Investors should not rely on the representations or warranties or any descriptions thereof as characterizations of the actual state of facts or condition of the S&IP business, the Company, or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date such representations were made, which subsequent information may or may not be reflected in the Company's public disclosures. The Amended and Restated Purchase Agreement and the foregoing description of it and the Acquisition should not be read alone, but should instead be read in conjunction with the other information regarding the Company that is or will be contained in, or incorporated by reference into, the Form 10-K, Form 10-Q and other documents that the Company files or has filed with the SEC.
