We are pleased to take advantage of Securities and Exchange Commission rules that allow issuers to furnish proxy materials to their shareholders on the Internet. The Proxy Statement and Notice of Internet Availability of Proxy Materials contain instructions on how you can receive a paper copy of the Proxy Statement and Annual Report if you only received a Notice of Internet Availability of Proxy Materials by mail.

Whether or not you plan to attend the meeting in person, it is important that your shares be represented and voted. After reading the Notice of Annual Meeting of Shareholders and Proxy Statement, we urge you to cast your vote via the Internet or, if you received a proxy card, complete, sign, date and return the proxy card in the envelope provided, or follow the instructions for voting by telephone that may be included therein. If the address on the Notice of Internet Availability of Proxy Materials or the accompanying material is incorrect, please advise our Transfer Agent, American Stock Transfer & Trust Company, in writing at 6201 15th Avenue, Brooklyn, New York 11219.

ELECTION OF DIRECTORS

(Proposal 1)

All members of the Board of Directors stand for election on an annual basis, and at the Annual Meeting seven directors will be elected to hold office for a term expiring at the 2019 Annual Meeting of Shareholders. The Board of Directors, upon the recommendation of the Corporate Governance Committee, has nominated the individuals named below. Each director will be elected to serve until a successor is elected and qualified or until the director's earlier resignation or removal.

The Corporate Governance Committee is responsible for evaluating the size and composition of the Board of Directors relative to the evolving needs of the Company at any given time, and actively identifying qualified individuals to become new director nominees as needed. The Corporate Governance Committee has developed criteria, including certain personal and professional qualities, it uses to evaluate whether the potential nominee would be a qualified director candidate for service on Take-Two's Board of Directors. For further detail, please refer to the Board Committees' section.

Our seven nominees include six independent, outside directors who as a group have extensive and diverse management and subject matter experience and knowledge that is critical to the Company. The average director tenure is approximately 7.0 years, and the average age of the board members is 59.

At the Annual Meeting, the proxies given by shareholders will be voted individually for the election of the persons named herein as director nominees, unless a proxy card specifies that it is not to be voted in favor of any such nominee. If any of the nominees listed below shall be unable to serve, it is intended that the proxy will be voted for such other nominees as may be designated by the Board of Directors. Each of the persons named herein has indicated to the Board of Directors that he or she will be available to serve as a director of the Company. In an uncontested election, the seven persons receiving the highest number of FOR votes at the Annual Meeting will be elected. However, the Company's bylaws provide that any nominee for director who receives a greater number of votes withheld from the individual's election than votes for such election promptly shall tender the individual's resignation to the Corporate Governance Committee following certification of the shareholder vote. Table of Contents

Each director nominee for our Board of Directors is highly qualified and brings a diversity of skills and experiences to our boardroom. These skills are relevant to our business and enable the Board of Directors to provide strong oversight and effectively oversee management's execution of strategy.

Corporate Governance and Board Practices

Shareholder Engagement. The Board of Directors oversees and regularly participates, together with management, in an extensive, year-round shareholder engagement practice. In the months leading up to the filing of this Proxy Statement, we sought discussions with holders of more than 64% of our outstanding shares (percentage based on the Company's investors' most recent filings) and had discussions with a number of our top holders. Throughout these discussions, we sought shareholder feedback on a wide range of topics, including the ZelnickMedia management agreement, corporate governance and Board composition matters. Feedback from shareholders was generally positive on our compensation policies, corporate governance and Board composition matters, with some of our shareholders inquiring about the details of our new management agreement with ZelnickMedia, how we retain creative talent, and our policies on workplace diversity and sustainability.

Independent Directors. The Board of Directors has determined that Messrs. Dornemann, Moses, Sheresky and Viera and Ms. Srinivasan and Tolson are independent directors as defined under the rules of The NASDAQ Stock Market. During fiscal 2018, the independent directors met in executive session (outside the presence of management) on nine (9) occasions.

Board Structure. The Board of Directors is led by Mr. Zelnick in his role as Executive Chairman. Mr. Zelnick is also the Chief Executive Officer. The Board of Directors also has designated Mr. Dornemann as Lead Independent Director (as described below), a position that complements the Executive Chairman's role, and serves as the principal liaison between the independent directors and the Executive Chairman and Company management. Mr. Dornemann was also designated by the Board of Directors as the Chair of the Executive Committee.

The Board of Directors reviews its leadership structure annually. The Board of Directors has determined that in light of the Company's clear strategy and the strength of its overall governance practices, at this time a combined Chairman/CEO role will more effectively unify the Board of Directors and management around the specific initiatives necessary to support the Company's strategy. The Board of Directors continues to evaluate Mr. Zelnick annually in each of his roles and has retained the discretion to separate the Chairman/CEO roles at any time if the Board of Directors believes it would better serve the interests of the Company and its shareholders. The Board of Directors has also concluded that its Lead Independent Director position effectively balances any potential risk of concentration of authority that may exist with a combined Chairman/CEO position.

Table of Contents

Lead Independent Director. As Lead Independent Director, Mr. Dornemann serves as the principal liaison between the independent directors and the Executive Chairman.

The Lead Independent Director is responsible for:

presiding at all Board of Directors meetings at which the Chairman of the Board is not present;

convening regular and special meetings of the independent directors;

developing the agenda for executive sessions of the independent directors and working with the Chairman to develop and approve the agenda for meetings of the full Board of Directors, including scheduling to ensure there is sufficient time for discussion;

coordinating feedback to the Chairman on behalf of the independent directors;

coordinating with the Company's General Counsel to respond to shareholders who have addressed a communication to the independent directors;

making himself available for shareholder communication, as appropriate (other independent directors may also participate in such communication at times); and

handling any matters concerning an actual or potential conflict of interest involving any other director.

The Lead Independent Director meets separately with one or more of the Chief Executive Officer, the President, the Chief Financial Officer and the General Counsel approximately bi-weekly to discuss the business strategy of the Company in greater detail and provide additional guidance to such members of management. These meetings enable the Lead Independent Director to gain a deeper understanding of any matters being handled by management which should be brought to the attention of the entire Board of Directors or a committee thereof, as well as an opportunity to obtain additional information on any matters which the Lead Independent Director believes may otherwise be of interest to the other directors and to provide advice to the other directors regarding such matters. The Lead Independent Director is a member of each committee of the Board of Directors.

Annual Evaluations. The Board of Directors and its committees conduct annual self-evaluations that include both the completion of a questionnaire as well as individual interviews of each director by outside counsel. These evaluations are utilized by the Board and each committee to improve communication, strategy and effectiveness, and to identify possible improvements that can be made to the performance and composition of the Board and each of its committees. The Corporate Governance Committee assists the Board of Directors in its review and reports to the full Board regarding its findings and recommendations, which are considered and implemented as appropriate. Furthermore, the Compensation Committee performs an annual performance review of the Chairman, CEO and other named executive

officers and reports its findings to the full Board.

Risk Oversight. The Board of Directors exercises direct oversight of strategic risks to the Company. The Audit Committee reviews the Company's policies for risk assessment and risk management relating to financial reporting and internal controls, as well as operational risk relating to digital and physical security, including security controls over customer data, and assesses steps management has taken to control such risks and exposures. The Compensation Committee oversees risks relating to compensation programs and policies. See Risk Assessment of Overall Compensation Program. The Governance Committee oversees operational risk relating to insurance. In each case, management periodically reports to our Board of Directors or to the relevant committee, which provides guidance on risk appetite, assessment, and mitigation. Each committee charged with risk oversight reports to our Board of Directors on those matters.

Meetings of Directors. The Board of Directors held eleven (11) meetings during fiscal 2018. Each of the incumbent directors attended at least 75% in the aggregate of all meetings of the Board of Directors and committees on which the individual served for the period of his or her service in the fiscal year, and Mr. Viera, who joined the Board of Directors in May 2018, has attended all of the meetings of the Board of Directors and

committee on which he serves since joining the Board of Directors. In addition, during fiscal 2018, the Board of Directors convened at an off-site strategic planning session, which included presentations and discussions with senior management, to review the Company's strategic, competitive and financial performance goals as well as to discuss the Company's long-term strategic plan.

Attendance at Shareholder Meetings. The Board of Directors has adopted a policy whereby director nominees are strongly encouraged to attend the Company's annual meeting of shareholders. All of our then incumbent director nominees attended the last annual meeting of the Company's shareholders in September 2017.

Policy on Majority Voting for Directors. In an uncontested election, any nominee for director who receives a greater number of votes withheld from the individual's election than votes for such election promptly shall tender the individual's resignation to the Corporate Governance Committee following certification of the shareholder vote. The Corporate Governance Committee promptly will consider the resignation offer and recommend to the Board of Directors the action to be taken with respect to such offered resignation. The Board of Directors will act on the Corporate Governance Committee's recommendation within 90 days following the date of the Annual Meeting. Thereafter, the Board of Directors will disclose promptly its decision whether to accept the director's resignation offer (and the reasons for rejecting the resignation offer, if applicable) in a Current Report on Form 8-K filed with the SEC. Any director tendering a resignation pursuant to this provision shall not participate in the Corporate Governance Committee recommendation or action of the Board of Directors regarding whether or not to accept the resignation offer. Abstentions and broker non-votes with respect to a director's election will not be counted as votes withheld for purposes of this policy.

Code of Business Conduct and Ethics. The Company has adopted a written Code of Business Conduct and Ethics that applies to directors, officers and employees of the Company, including the Company's principal executive officer, principal financial officer, principal accounting officer and controller and any person performing similar functions. A copy of the Code of Business Conduct and Ethics is posted on the Company's website at www.take2games.com and can be accessed by clicking on Corporate, then Corporate Governance, then Highlights.

Conflict of Interest Guidelines for Directors / Directors Code of Conduct. The Company has adopted a written Conflict of Interest Guidelines for Directors / Directors Code of Conduct that applies to directors of the Company. Table of Contents**Board Committees**

The Board of Directors has three standing committees entirely comprised of independent directors: a Compensation Committee, a Corporate Governance Committee and an Audit Committee. The Board of Directors also has a standing Executive Committee, currently comprised of Messrs. Dornemann (Chair), Sheresky and Zelnick. These four committees are governed by written charters. The charters and the Company's Code of Business Conduct and Ethics are posted on the Company's website at www.take2games.com and can be accessed by clicking on Corporate, then Corporate Governance, then Highlights.

Compensation Committee members are Messrs. Sheresky (Chair), Dornemann and Moses, each of whom is an independent director under NASDAQ's Rule 5605, a non-employee director as defined under the SEC rules and an outside director as defined under Section 162(m) of the Internal Revenue Code (the *Code*). The Compensation Committee, among other roles, reviews the compensation policies and procedures of the Company, evaluates and approves executive officer compensation, and makes recommendations to the Board of Directors regarding executive compensation. During fiscal 2018, the Compensation Committee held seven (7) meetings.

Corporate Governance Committee members are Messrs. Moses (Chair), Dornemann and Sheresky and Ms. Srinivasan. This committee is responsible, among other things, for creating and maintaining overall corporate governance policies for the Company and identifying, screening and recruiting director candidates for the Board of Directors. The Corporate Governance Committee held six (6) meetings during fiscal 2018.

The Corporate Governance Committee will consider nominees recommended by shareholders, provided that the recommendation contains sufficient information for the committee to assess the suitability of the candidate and such nomination complies with the Company's bylaws. Candidates recommended by shareholders that comply with these procedures will receive the same consideration that candidates recommended by the committee receive.

When selecting directors, the Board of Directors reviews and considers many factors, including experience, business understanding, achievement, available time, diversity, skills and independence. It also will consider ethical standards, integrity and any conflict of interest. It considers recommendations primarily from shareholders of the Company and from members of the Board of Directors and management. The Corporate Governance Committee conducts interviews with candidates who meet the criteria of the Board of Directors, and has full discretion in considering its nominations to the Board of Directors. The Board of Directors adopted Corporate Governance Guidelines, which include criteria to

assess the suitability of candidates for the Board of Directors. These Corporate Governance Guidelines are posted on the Company's website at www.take2games.com and can be accessed by clicking on Corporate, then Corporate Governance, then Highlights.

In addition, the Audit Committee assists the Board of Directors in its review and oversight of the Company's key investment objectives, strategies and policies. The Board of Directors has determined that Ms. Tolson and Mr. Viera each qualify as an audit committee financial expert under federal securities laws. The Audit Committee held four (4) meetings during fiscal 2018.

Special Committees. From time to time, the Board of Directors may form a special committee for a particular purpose. Most recently in fiscal 2018, the Board of Directors appointed a special committee, comprised entirely of independent directors, to lead the negotiation of a new management agreement with ZelnickMedia, which is described under Certain Relationships and Related Transactions Management Agreement beginning on page 62.

Lainie Goldstein, age 50, was appointed Chief Financial Officer of the Company in June 2007, and is responsible for overseeing Finance, Investor Relations and Corporate Communications. Ms. Goldstein previously served as the Company's Senior Vice President of Finance from November 2003.

Ms. Goldstein is a CPA with over 20 years of financial and business experience in the software, entertainment, retail and apparel industries, with proven success in managing the finance function of publicly traded companies. **NON-BINDING ADVISORY VOTE TO APPROVE THE
COMPENSATION OF THE COMPANY'S
NAMED EXECUTIVE OFFICERS**

(Proposal 2)

In accordance with the SEC's proxy rules, we are seeking approval, on a non-binding advisory basis, of the compensation of the Company's named executive officers listed in the Summary Compensation Table (the *NEOs*) for fiscal 2018, as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables, and the related narrative disclosures. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our NEOs and the philosophy, policies and practices described in this Proxy Statement. This vote is commonly known as a say on pay advisory vote. Consistent with the approval by our shareholders, on an advisory basis, of an annual advisory vote on the compensation of the named executive officers, the Board of Directors has adopted a policy providing for annual say on pay advisory votes.

The compensation of our NEOs is described in detail in the Compensation Discussion and Analysis section of this Proxy Statement beginning on page 18, which we encourage you to read for additional details on our executive compensation programs and compensation of our NEOs for fiscal 2018.

Our executive compensation programs are based on three core principles that are designed to motivate our NEOs to achieve annual financial and strategic objectives to enhance the profitability of the Company and create long-term shareholder value. The fiscal 2018 compensation of our NEOs reflected these core principles:

A significant portion of our NEOs' compensation was based on the financial performance of the Company and therefore at risk ;

The majority of each NEO's total compensation was provided in the form of long-term equity, a significant portion of which was subject to total shareholder return (*TSR*) performance metrics, to further align the interest of our NEOs and shareholders; and

The target total direct compensation package for each NEO was consistent with market practices for executive talent and each NEO's individual experience, responsibilities and performance.

We believe that our compensation programs and policies for fiscal 2018 were consistent with our core compensation principles, provided an effective incentive for the achievement of positive results, aligned with shareholders' interests, supported by strong compensation governance practices and worthy of continued shareholder support. Accordingly, we ask for our shareholders to indicate their support for the compensation paid to our NEOs by voting **FOR** the following non-binding resolution at the Annual Meeting:

RESOLVED, that the Company's shareholders approve the compensation of the named executive officers for the fiscal year ended March 31, 2018, including the Compensation Discussion and Analysis, the compensation tables, and the related narrative disclosures as included in this Proxy Statement.

Because your vote is advisory, the result will not be binding upon the Company. Although not binding, the Board of Directors values the opinions of our shareholders and will carefully review and consider the outcome of the vote, along with other relevant factors, in evaluating its compensation program for our NEOs.

THE BOARD OF DIRECTORS BELIEVES THAT APPROVAL OF THE FOREGOING RESOLUTION ON THE COMPENSATION OF THE NEOS IS IN THE BEST INTERESTS OF THE COMPANY AND UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE APPROVAL OF THE COMPENSATION OF THE COMPANY S NEOS, AS STATED IN THE ABOVE NON-BINDING RESOLUTION.

Our strong financial performance in fiscal 2018 reflects the strategic steps management has taken over the past several years to strengthen our balance sheet, grow and diversify the Company's franchise portfolio, and reduce costs. The table below illustrates the Company's share price growth over the last three years (284%) as compared to other industry peers.

Share Price Growth: 3-Year Performance vs. Peers

Shareholder Outreach

As part of our regular governance practices, the Compensation Committee evaluates our compensation programs in light of market conditions, shareholder views, and governance considerations, and makes changes as appropriate for our business. We value the feedback of our shareholders, as expressed through votes and direct communications, and annually submit our executive compensation programs to a non-binding shareholder advisory "say-on-pay" vote. At our Annual Meeting held in September 2017, our executive compensation program was approved by shareholders representing 98.5% of the votes cast on the proposal.

To enhance our understanding of our shareholder's perspectives, we maintain a regular shareholder outreach program, including making Take-Two's management and Board of Directors available for discussions. In the months leading up to the filing of this Proxy Statement, we sought discussions with holders of more than 64% of our outstanding shares (percentage based on the Company's investors' most recent filings) and had discussions with a number of our top holders. Throughout these discussions, we sought shareholder feedback on a wide range of topics, including the ZelnickMedia management agreement, corporate governance and Board composition matters. Feedback from shareholders was generally positive on our compensation policies, corporate governance and Board composition matters, with some of our shareholders inquiring about the details of our new management agreement with ZelnickMedia, how we retain creative talent, and our policies on workplace diversity and sustainability.

The Company has shown a willingness to respond to investor concerns and evolving market practices in the past, including eliminating the Adjusted EBITDA "catchup" metric in performance-based awards and the adoption of a relative TSR metric in the long-term incentive plan.

The Committee also negotiated a number of changes in the ZelnickMedia Management Agreement in our fiscal year ended March 31, 2014 as a result of shareholder feedback, as detailed under "ZelnickMedia

Table of Contents

Management Agreement below. Based on the positive response from shareholders to these changes, we maintained them when we negotiated a new management agreement with ZelnickMedia in fiscal 2018, also as detailed under ZelnickMedia Management Agreement below.

ZelnickMedia Management Agreement

Executive Chairman and CEO Strauss Zelnick and President Karl Slatoff serve as executives of the Company under a management services agreement with ZelnickMedia, a partnership of private equity investors that focuses on the media and communications industry, of which they are partners. The Company first entered into a management services agreement with ZelnickMedia in 2007. On March 10, 2014, the Company and ZelnickMedia entered into a new management agreement (the *2014 Management Agreement*) that superseded the then existing management agreement.

On November 17, 2017, the Company and ZelnickMedia entered into a new management agreement (the *2017 Management Agreement*) that, effective on January 1, 2018, superseded the 2014 Management Agreement, under which ZelnickMedia will continue to provide management, consulting and executive level services to the Company through March 31, 2024. In response to feedback that the Board of Directors received from our shareholders, the 2017 Management Agreement includes a new operational metric based on recurrent consumer spending as one of the performance criteria for performance-based equity. The 2017 Management Agreement also maintains a number of changes that were made in the 2014 Management Agreement to address feedback from shareholders, including:

Increased disclosure. Enhanced disclosure to provide greater transparency, including the establishment of individual fee caps paid by ZelnickMedia to Messrs. Zelnick and Slatoff for their services to Take-Two.

Transitioned from a front-loaded equity grant to an annual grant structure. Previous ZelnickMedia management agreements included an up-front equity grant at the commencement of the agreement. The 2014 Management Agreement provided a smaller equity grant at the time of signing on April 1, 2014 and provided the Compensation Committee the ability to grant additional annual equity awards in subsequent years, although the Compensation Committee was under no obligation to do so. The 2017 Management Agreement maintains this annual equity grant structure, and granted an equity award to ZelnickMedia on April 13, 2018 and the option, in its discretion, for the Compensation Committee to grant additional annual equity awards in subsequent years. All annual equity awards to ZelnickMedia in 2016, 2017 and 2018, are described below.

Eliminated catch-up provision. In the 2014 Management Agreement, performance-based equity grants were based solely on relative TSR and IP performance and did not include any TSR catch-up opportunity. The 2017 Management Agreement also excluded any catch-up opportunity.

Lengthened the performance measurement period of performance-based equity. In the 2014 Management Agreement, the relative TSR performance measurement period was increased from a one-year period to a two-year period and this is the same in the 2017 Management Agreement.

Eliminated automatic annual fee increases. Just as with the 2014 Management Agreement, there is no automatic increase in the annual fee during the term of the 2017 Management Agreement.

IP and Recurrent Consumer Spending metrics continue to focus executives' attention on achieving key strategic goals. Under the 2017 Management Agreement, performance shares vest based on (i) TSR, (ii) recurrent consumer spending performance during the measurement period as compared to the base year and (iii) the performance of our interactive entertainment products, including our new products and our major and generally most profitable products.

The Compensation Committee believes the Company's management structure and relationship with ZelnickMedia has been critical to building the Company's franchises, improving profitability and strengthening

Table of Contents

the balance sheet, and providing disciplined management. In 2007, the Company faced multiple investigations and significant litigation including shareholder lawsuits, as well as financial challenges, including limited cash (the Company ended fiscal 2007 with only \$78 million in cash) and significant operating losses. In March 2007, shareholders then holding approximately 46% of our outstanding shares of common stock negotiated the management agreement with ZelnickMedia on our behalf and, after their election at the 2007 annual meeting of shareholders, the Board of Directors of the Company approved the execution of the management agreement by the Company.

Since that time, the Company has been transformed from single franchise dependency into a diverse, financially strong, global interactive entertainment enterprise. The Company has launched 9 new brands since 2007 and has 11 franchises with individual titles that have sold-in to retail more than 5 million units each. The Company has also expanded geographically, in digital distribution and with new business models.

As part of its regular governance practices, the Board of Directors continuously reviews the relationship with ZelnickMedia to ensure that it remains the right management structure for the Company and our shareholders. At least annually, the Compensation Committee conducts interviews on a confidential basis with all direct reports to Messrs. Zelnick and Slatoff, and other members of management, to seek feedback on the performance of the ZelnickMedia executives and to evaluate the effectiveness of the ZelnickMedia relationship broadly. The Compensation Committee's feedback from these 360-degree interviews is then discussed at executive sessions of independent board members. This feedback was taken into consideration during the most recent ZelnickMedia management agreement negotiation. The Lead Independent Director also engages routinely with members of the executive team, including non-ZelnickMedia members of management, on an approximately bi-weekly basis.

NEO Compensation Structure and Pay-for-Performance Principles

The Compensation Committee has developed compensation programs and arrangements designed to place a significant portion of our executives' compensation at risk based on Company performance. Equity awards are a key element in the compensation of our executives, as well as creative talent throughout the organization. The Compensation Committee believes equity awards create strong linkage between our executives and the long-term performance of our Company as well as the interests of our shareholders.

Compensation of Mr. Zelnick and Mr. Slatoff

Mr. Zelnick and Mr. Slatoff serve in their executive roles at Take-Two under the Management Agreement with ZelnickMedia. Mr. Zelnick and Mr. Slatoff are compensated directly by ZelnickMedia and not Take-Two (except for \$1 received annually by each to provide them the opportunity to receive certain health and other plan benefits). To provide greater disclosure and fuller understanding of the compensation received by Messrs. Zelnick and Slatoff individually, both the 2014 Management Agreement and 2017 Management Agreement include a requirement that no more than 60 percent of the compensation the Company pays to ZelnickMedia shall be received by or conveyed to Mr. Zelnick (or other such employee of ZelnickMedia that serves as Executive Chairman and Chief Executive Officer of the Company), and no more than 40 percent of the compensation the Company pays to ZelnickMedia shall be received by or conveyed to Mr. Slatoff (or other such employee of ZelnickMedia that serves as President of the Company). See *Certain Relationships and Related Transactions Management Agreement* for additional detail.

Both the 2014 Management Agreement and the 2017 Management Agreement emphasize performance-based, at-risk compensation and equity with greater than one-year vesting, to ensure close alignment with the compensation of other Take-Two executives, the performance of the Company and the interests of our shareholders. Performance measures are designed to be challenging but achievable.

Our Compensation Committee establishes the annual cash incentive based solely on performance against a budgeted Adjusted EBITDA (a non-GAAP measure calculated by taking GAAP net income recorded for the

Table of Contents

Company, adding back or subtracting the net effect from deferral in net revenues and related costs of goods sold, impact of business reorganization, one-time gains or losses on long-term investments, and adding back stock based compensation, interest, depreciation, amortization and tax expenses) goal set at the beginning of each fiscal year. Refer to **Annex A** herein for a reconciliation of GAAP net income to the Adjusted EBITDA measure discussed above. There is no discretionary element to this goal, and the Compensation Committee uses the same Adjusted EBITDA goal in our internal executive pay program. We believe Adjusted EBITDA focuses our executives on operating growth and profitability. Both the 2014 Management Agreement and the 2017 Management Agreement provide for an absolute cap on the annual incentive opportunity. Adjusted EBITDA goals were met in each of the last six fiscal years.

Our Compensation Committee establishes the long-term incentive opportunity to motivate sustained performance over a multi-year period and to strengthen the alignment with long-term shareholder value creation. To that end, our long-term incentives in the 2014 Management Agreement included performance-based shares that vest based on TSR performance, New IP performance and Major IP performance as indicated in the table below. Relative TSR performance aligned the interests of ZelnickMedia and our executives with our shareholders generally. We sought to incentivize strong sales performance of New IP (new interactive entertainment products) to foster creation of additional successful franchises. The Major IP category was broader, including existing interactive entertainment products and products derived from existing products, as well as new products, as we sought to build on our major, most profitable franchises. For the long-term incentive RSUs granted under the 2014 Management Agreement that were eligible to vest in fiscal 2018, for the two (2)-year measurement period ended March 31, 2017, the maximum relative TSR and Major IP performance goals were met, but the New IP performance goal was not achieved.

The 2017 Management Agreement continues to include performance-based shares that vest based on TSR performance and IP performance and introduces a new metric Recurrent Consumer Spending performance. The Recurrent Consumer Spending metric incentivizes an increased focus on revenue from virtual currency, add-on content and in-game purchases.

While we believe the short-term and long-term incentives are balanced to help incentivize optimal performance, we also note that there is no duplication in use of performance metrics between short-term and long-term programs.

2014 Management Agreement

The following table summarizes the compensation components of the 2014 Management Agreement for compensation in fiscal 2018 (except for the annual base fee and annual incentive compensation for the period from January 1, 2018 to March 31, 2018, which were determined under the new 2017 Management Agreement):

Compensation	% Linked to		
Component	Performance	Delivery Form	Performance Link
Annual Base Fee		Cash

Table of Contents

- (1) The annual incentive is based solely on a financial performance metric; there is no individual performance element. The table below describes the payout schedule for the annual incentive opportunity based on achievement of Adjusted EBITDA (with payouts being prorated on a straight-line basis between the amounts listed below based on the actual percentage of Adjusted EBITDA target obtained):

Percentage of Adjusted

EBITDA Target Obtained	Amount of Annual Bonus
80% or less	\$0
90%	\$ 1,188,000
100%	\$ 2,376,000
110%	\$ 2,885,143
120%	\$ 3,394,286
130%	\$ 3,846,857
140%	\$ 4,299,429
150%	\$ 4,752,000
Above 150%	\$ 4,752,000

- (2) Time-based awards will vest on April 4, 2019 for the grant made on May 25, 2017, provided that the 2017 Management Agreement has not been terminated prior to such date.
- (3) Relative TSR performance-based vesting is a function of the Company's total shareholder return during the performance period, as compared to the total shareholder return generated by the Company's peer group, which consists of the companies that comprise the NASDAQ Composite Index on the first day of the performance period. We use the NASDAQ Composite Index for this purpose, rather than a narrow peer group, given the small size of our public company peer group and the stock price volatility of those peers. The table below describes the vesting schedule for the performance-based equity based on achievement of relative TSR over a two-year performance period:

TSR Percentile Rank	TSR Vesting Percentage
Less than 40 th Percentile	0% of target shares
40 th Percentile	50% of target shares
50 th Percentile	100% of target shares
75 th Percentile	200% of target shares

- (4) New IP performance-based vesting is a function of the revenue generated by sales performance or the number of units sold-in (sell-in performance) with respect to certain releases of New IP during the performance period. New IP consists of new interactive entertainment products that are commercially released on or after April 1, 2014. This metric underscores and promotes our long-term strategy of creating additional strong franchises. Whether vesting is based on sales performance or sell-in performance depends on whether the New IP that is released constitutes a regular price, reduced price, or other type of interactive entertainment product. In any case, the vesting percentage applicable to the New IP performance-based shares will be determined by comparing the Company's performance against the pre-determined performance criteria set out in the Restricted Unit Agreements (as defined below under "Certain Relationships and Related Transactions" Management Agreement).
- (5)

Major IP performance-based vesting is a function of the sales performance or the sell-in performance with respect to certain releases of Major IP during the performance period. Major IP consists of New IP, existing interactive entertainment products that were commercially released prior to April 1, 2014, and products that are derived from such existing products, in any case that are released on or after April 1, 2014. This metric underscores and promotes our long-term strategy of building game franchises through game sequels. Whether vesting is based on sales performance or sell-in performance depends on whether the Major IP that is released constitutes a regular price, reduced price, or other type of interactive entertainment product. In any case, the vesting percentage applicable to the Major IP performance-based shares will be determined by comparing the Company's performance against the pre-determined performance criteria set out in the Restricted Unit Agreements.

Compensation Component	% Linked to Performance	Delivery Form	Performance Link

- (3) Relative TSR performance-based vesting under the 2017 Management Agreement is the same as under the 2014 Management Agreement, as described above.
- (4) Recurrent Consumer Spending performance-based vesting is determined by comparing the following two measurements and using the measurement that results in the greatest number of RSUs vesting: (i) the percentage change between the Recurrent Consumer Spending for fiscal 2018 and the two-year average Recurrent Consumer Spending for fiscal 2019 and the fiscal year ending March 31, 2020 (*fiscal 2020*) and (ii) the two-year average Recurrent Consumer Spending for fiscal 2019 and fiscal 2020 as a percentage of the two-year average total net bookings for the same period. Recurrent Consumer Spending consists of the consolidated net bookings generated by the Company from the sale of virtual currency, add-on content, in-game purchases and similar items that are supplemental to the sale of any full game release. The vesting percentage applicable to the Recurrent Consumer Spending performance-based shares will be determined by comparing the Company's performance against the pre-determined performance criteria set out in the Restricted Unit Agreements.

Table of Contents

- (5) IP performance-based vesting is a function of the number of units sold-in (sell-in performance) with respect to certain releases of IP during the performance period. IP consists of any commercially-released interactive entertainment products, and products that are derived from such existing products. This metric underscores and promotes our long-term strategy of creating additional strong franchises and building game franchises through game sequels. The vesting percentage applicable to the IP performance-based shares will be determined by comparing the Company's performance against the pre-determined performance criteria set out in the Restricted Unit Agreements.

Compensation of Other Named Executive Officers

Our other NEOs in fiscal 2018, who were Ms. Goldstein and Mr. Emerson, were compensated through three primary components: base salary, annual incentive and long-term incentives. The majority of Ms. Goldstein's and Mr. Emerson's compensation was performance-based and weighted toward long-term incentives.

The compensation structure for NEOs in fiscal 2018 was as follows:

Compensation	% Linked to		
Component	Performance	Delivery Form	Performance Link
Annual Base Salary		Cash	
Annual Incentive	100%	Cash	Adjusted EBITDA
Long-Term Incentive (RSUs)	66.7% at target	Time-Based Awards(1)	
		Performance-Based	
	80% at maximum	Awards(2)	Relative TSR

- (1) Time-based awards will vest, subject to continued employment, in three (3) equal annual installments commencing in the year following the year in which such grants were made on a date determined by the Compensation Committee at the time of grant.
- (2) Performance-based awards that are earned (based on relative TSR performance over a two-year performance period, determined in the same manner as under the 2017 Management Agreement, as described above) will vest in two (2) equal annual installments commencing in the second year following the year in which such grants were made on a date determined by the Compensation Committee at the time of grant. For example, the performance-based portion of the restricted stock units (RSUs) granted to Ms. Goldstein on June 1, 2017 will vest, if at all, 50% on June 1, 2019 and 50% on June 1, 2020.

Structural Pay and Performance Alignment for All NEOs

Our NEOs receive a mix of compensation that is appropriately weighted towards at-risk pay in the form of annual incentives and long-term incentives. The Compensation Committee believes this creates strong alignment with the Company's stated compensation philosophy of providing compensation commensurate with individual and corporate performance. The majority of incentive compensation is also delivered in the form of equity, which provides strong alignment between executives' incentives and the interests of our shareholders. ZelnickMedia's compensation under the 2017 Management Agreement is also weighted towards at-risk compensation, as ZelnickMedia's compensation consists of: (1) RSUs, of which 55% vest subject to the satisfaction of performance criteria, and (2) cash compensation, with over 70% of the maximum aggregate cash compensation in the form of an annual incentive based

upon the Company's performance.

The following chart illustrates the fiscal 2018 compensation mix, based on maximum compensation opportunities, for ZelnickMedia and for our current NEOs.

Fiscal 2018 Variable Compensation Targets and Performance Achievement

Annual and long-term incentives for ZelnickMedia and our NEOs (other than Messrs. Zelnick and Slatoff) are based on measurable financial and share price performance metrics. The following table summarizes the Company-wide targets and actual results for both ZelnickMedia and NEO performance-based cash compensation paid and equity compensation granted in fiscal 2018.

DETAILED DISCUSSION AND ANALYSIS

The main body of this Compensation Discussion and Analysis provides details on the principles and objectives of our executive compensation program and the Compensation Committee's key fiscal 2018 compensation-related decisions. This section is organized into the following categories:

I. Objectives and Philosophy of Executive Compensation

II. Compensation to Executive Chairman and CEO and President

III. Other NEO Compensation

IV. Competitive Market Positioning

V. Principal Elements of Executive Compensation

VI. Operation of the Compensation Committee

VII. Compensation Governance Practices

I. Objectives and Philosophy of Executive Compensation

Our executive compensation program is designed to drive Take-Two's mission of producing strong financial results for its shareholders by pursuing a strategy of capitalizing on the widespread popularity of interactive entertainment. We focus on publishing a select number of high quality titles for which we can create sequels and build successful franchises. To achieve this, it is critical that we have the resources available to attract and retain executives who are committed to creativity, efficiency and innovation.

Accordingly, the Compensation Committee has established a compensation plan for our NEOs that is designed to:

Enhance the profitability of the Company and drive shareholder value creation;

Link a significant portion of compensation to the Company's long-term financial and stock price performance, thereby creating long-term shareholder value;

Attract, motivate, and retain highly qualified individuals;

Reward each NEO's contribution to the Company's profitability and growth; individual initiative, leadership and achievements; and management of risks; and

Motivate NEOs to build a career at the Company and to contribute to our future success.

The Company seeks to provide competitive compensation that is commensurate with performance and integrates individual efforts, Company and business unit results, and financial rewards. Accordingly, a significant portion of the total compensation paid to NEOs is placed at risk through annual and long-term incentives, which combination of incentives is designed to align the performance of NEOs and the Company's annual operating objectives and earnings performance with long-term shareholder value creation.

Our compensation program's design, and in particular the use of equity awards as a key incentive element, establishes strong links between our creative teams and long-term value creation for shareholders. Our compensation program reflects the importance of creative talent to our business and enables us to retain and incentivize these groups. As a result of the importance we place on equity incentives, Take-Two may have higher equity usage for share plans than some of our peers. The Board of Directors periodically authorizes share repurchases when such actions are in the best interests of the shareholders; these repurchases directly reduce the number of the Company's outstanding shares.

II. Compensation to Executive Chairman and CEO and President

Take-Two has had a long-standing management relationship with ZelnickMedia, under which ZelnickMedia provides executive management and other services to Take-Two. This relationship was first established in 2007 and has been maintained, with several amendments and restatements, since that time. Our Executive Chairman and CEO, Strauss Zelnick, and our President, Karl Slatoff, serve in their current roles pursuant to the 2017 Management Agreement with ZelnickMedia. Mr. Zelnick has been our Executive Chairman since 2008 and our CEO since 2011. Mr. Slatoff has been our President since May 2013 and previously served in other executive roles at the Company.

On November 17, 2017, the Company and ZelnickMedia entered into the 2017 Management Agreement, effective January 1, 2018 which superseded the prior 2014 Management Agreement. Like the 2014 Management Agreement, the 2017 Management Agreement emphasizes performance-based, at-risk compensation and equity with greater than one-year vesting, to ensure it is closely aligned with the compensation of other Take-Two executives, the performance of the Company and the interests of our shareholders. Fees and incentives paid to ZelnickMedia during fiscal 2018 are detailed below under **Fiscal 2018 Fees and Incentives to ZelnickMedia**.

The target compensation opportunity for ZelnickMedia under the 2017 Management Agreement considered the Company's need for a senior leadership team that can provide financial and technology acumen as well as management of creative talent. This is a unique combination of skills that creates a limited pool of candidates, and has resulted in the Board of Directors' decision to provide a competitive compensation opportunity for ZelnickMedia. However, this compensation opportunity is contingent on achieving superior performance.

Services Provided by ZelnickMedia

The provisions of the 2017 Management Agreement establish the payments and benefits to which ZelnickMedia is entitled as consideration for providing certain valuable and unique services. These services include:

Executive management and leadership delivered through the services of Executive Chairman and CEO Strauss Zelnick and President Karl Slatoff.

Resources of other ZelnickMedia partners that may provide services and advice to the Company on an as-needed basis.

First access to certain deal opportunities as they are identified by ZelnickMedia.

Elevated market positioning due to the industry relationships of ZelnickMedia.

The Board of Directors and Compensation Committee believe that the services provided by ZelnickMedia, inclusive of the services of Mr. Zelnick and Mr. Slatoff, are a competitive advantage to Take-Two. The Board of Directors and the Compensation Committee regularly evaluate the relationship with ZelnickMedia to ensure it is still the appropriate management structure for the Company. To facilitate this review:

At least annually, the Compensation Committee interviews a broad spectrum of Company management to seek feedback on the performance of Mr. Zelnick and Mr. Slatoff and the relationship with ZelnickMedia, generally.

Feedback from Company management is discussed in executive sessions of the Board of Directors.

The Lead Independent Director meets with members of the senior management team on an approximately bi-weekly basis to discuss the business strategy of the Company in greater detail and provide additional guidance to such members of management.

Table of Contents***Fiscal 2018 Fees and Incentives to ZelnickMedia***

During fiscal 2018, ZelnickMedia received an annual management fee, had the opportunity to receive an annual performance-based incentive, the payment of which is linked solely to an objective company performance measure, and received a long-term incentive equity grant in a combination of time-based vesting RSUs and performance-based vesting RSUs. The annual management fee and annual performance-based incentive were received in accordance with the 2014 Management Agreement for the period from April 1, 2017 to December 31, 2017 and in accordance with the 2017 Management Agreement for the period from January 1, 2018 to March 31, 2018, and the long-term incentive equity grant was received in accordance with the 2014 Management Agreement.

Compensation to ZelnickMedia in fiscal 2018 under the 2014 Management Agreement and the 2017 Management Agreement, as applicable, is summarized below:

Annual Management Fee	Annual Incentive Compensation	Performance- Based RSUs	Time-Based RSUs	Total Compensation
\$3,002,500(1)	\$5,424,000(2)	\$4,750,000(3)	\$3,850,000	\$17,026,500

- (1) Represents the aggregate of the fixed annual fee of \$2,970,000 per the 2014 Management Agreement, pro-rated for nine months, and the fixed annual fee of \$3,100,000 per the 2017 Management Agreement, pro-rated for three months.
- (2) Adjusted EBITDA achieved was greater than 150% of budgeted target. As a result, ZelnickMedia earned the maximum annual incentive. Represents the aggregate of the maximum annual incentive amount per the 2014 Management Agreement, pro-rated for nine months, and the maximum annual incentive amount per the 2017 Management Agreement, pro-rated for three months.
- (3) Grant made on May 25, 2017 and amount assumes that the target TSR performance and sales performance in connection with releases of New IP and Major IP vesting criteria for the performance-based RSUs are met, resulting in the vesting of 81,580 RSUs. If the maximum TSR performance and sales performance in connection with releases of New IP and Major IP vesting criteria for the performance-based RSUs are met, 163,160 RSUs would vest.

2017 ZelnickMedia Management Agreement

As previously noted, on November 17, 2017, the Company and ZelnickMedia entered into the 2017 Management Agreement, effective January 1, 2018, which superseded the prior 2014 Management Agreement. For a full description of the 2017 Management Agreement, refer to **Certain Relationships and Related Transactions** Management Agreement.

Compensation of Mr. Zelnick and Mr. Slatoff

Under the 2017 Management Agreement, as was the case under the 2014 Management Agreement, Mr. Zelnick may not receive more than 60% of the aggregate compensation paid to ZelnickMedia and Mr. Slatoff may not receive more than 40% of the aggregate compensation paid to ZelnickMedia. These individual caps continue to provide greater transparency with respect to the maximum compensation payable to Messrs. Zelnick and Slatoff. Beyond this provision, the allocation of any revenues of ZelnickMedia among its principals is not set forth in the 2017 Management Agreement or determined by means of any process in which the Company participates. In connection

with their provision of services to the Company pursuant to the 2017 Management Agreement, and subject to the limitations above, the actual amount of compensation received by Messrs. Zelnick and Slatoff is determined in the sole discretion of ZelnickMedia.

Mr. Zelnick and Mr. Slatoff continue to both receive \$1 annually in compensation from the Company, to provide them the opportunity to receive certain health and other plan benefits, the value of which is described in the Summary Compensation Table below. Mr. Slatoff receives his \$1 of annual compensation pursuant to an

employment agreement entered into with the Company in February 2008, the terms of which are described under Executive Compensation Narrative Disclosure Regarding Equity Plans and Employment Agreements Employment Agreements Karl Slatoff below.

Fees and Incentives to ZelnickMedia under the 2014 Management Agreement and the 2017 Management Agreement, as Applicable

Under the 2014 Management Agreement, fees and incentives paid to ZelnickMedia in fiscal 2018 were comprised of the following:

Monthly fee of \$247,500 (\$2,970,000 annually); this fee was frozen for the term of the agreement.

ZelnickMedia received aggregate monthly fees of \$2,227,500 for the first nine months of fiscal 2018 under the 2014 Management Agreement (with the remainder based on the monthly fee set forth in the 2017 Management Agreement described below).

Equity grant, which was made on May 25, 2017. This grant consisted of:

66,122 time-based RSUs, with the number of such units based on \$3,850,000 divided by the Company's 10-day average closing share price prior to April 1, 2017, which vest on April 4, 2019.

163,160 performance-based RSUs (representing the maximum number of performance-based RSUs), with the target number of units of 81,580 based on \$4,750,000 divided by the Company's 10-day average closing share price prior to April 1, 2017. Performance will be measured over the period commencing on April 1, 2017 and ending on March 29, 2019, with units vesting subject to the following pre-defined performance criteria:

75% of performance-based RSUs tied to relative TSR performance; and

25% of performance-based RSUs tied to sales performance in connection with releases of New IP (12.5%) and Major IP (12.5%).

Under the 2017 Management Agreement, fees and incentives paid to ZelnickMedia in fiscal 2018 and payable for future fiscal years are comprised of the following:

ZelnickMedia received aggregate monthly fees of \$775,000 for the last three months of fiscal 2018 under the 2017 Management Agreement (with the remainder based on the monthly fee set forth in the 2014 Management Agreement described above).

Annual bonus opportunity ranging from \$0 to \$7,440,000, based solely on the Company's Adjusted EBITDA performance versus pre-established goals; the maximum level is frozen for the full six-year and three-month term of the agreement.

As a result of the Company's Adjusted EBITDA performance for fiscal 2018, ZelnickMedia received \$1,860,000, which is the maximum bonus under the 2017 Management Agreement of \$7,440,000, pro-rated for the last three months of fiscal 2018 (with the remainder based on the bonus amount set forth in the 2014 Management Agreement described above).

Equity grant, which was made on April 13, 2018. This grant consisted of:

86,010 time-based RSUs, with the number of such units based on \$8,775,000 divided by the Company's 10-day average closing share price prior to April 1, 2018, which vest on April 13, 2020.

210,246 performance-based RSUs (representing the maximum number of performance-based RSUs), with the target number of units of 105,123 based on \$10,725,000 divided by the Company's 10-day average closing share price prior to April 1, 2018. Performance will be measured over the period commencing on April 1, 2018 and ending on March 31, 2020, with units vesting subject to the following pre-defined performance criteria:

75% of performance-based RSUs tied to relative TSR performance;

12.5% of performance-based RSUs tied to sales performance in connection with releases of IP; and

12.5% of performance-based RSUs tied to Recurrent Consumer Spending performance.

The Compensation Committee has the ability to make future annual equity grants under the terms of the 2017 Management Agreement, but is under no obligation to make additional equity grants.

For illustrative purposes only, for fiscal 2019 and future fiscal years, assuming that ZelnickMedia allocated the maximum 60% of the payments under the 2017 Management Agreement to Mr. Zelnick and the maximum 40% of the payments under the 2017 Management Agreement to Mr. Slatoff, the compensation set forth above to Messrs. Zelnick and Slatoff would be as follows:

	Minimum	Target	Maximum
	>80%	100% Adjusted EBITDA	150% Adjusted EBITDA
	Adjusted EBITDA Goal	Goal	Goal
	th 40	th 50 Percentile Relative	th 75 Percentile Relative

Karl Slatoff	\$4,750,000	\$10,528,000	\$16,306,000

Historically, the targets set by the Board of Directors in ZelnickMedia management agreements have been sufficiently challenging that payouts to ZelnickMedia have varied. For example, on May 20, 2015, May 20, 2016, April 4, 2017 and April 2, 2018, ZelnickMedia forfeited 24,750, 27,578, 46,752 and 33,174 shares, respectively, of performance-based RSUs due to the failure to meet maximum performance conditions.

Table of Contents**III. Other NEO Compensation**

Other NEOs for fiscal 2018 were Ms. Goldstein, our Chief Financial Officer and Mr. Emerson, our Executive Vice President and General Counsel. Pay opportunities for specific individuals vary based on a number of factors, such as scope of duties, tenure, institutional knowledge and/or difficulty in recruiting a new executive. Actual total compensation and the mix of such compensation in a given year will vary above or below the target compensation levels based primarily on the attainment of operational goals and the creation of shareholder value. The Compensation Committee believes that each of the compensation packages to Ms. Goldstein and Mr. Emerson are within the competitive range of practices when compared to the objective comparative data.

Compensation Overview

In May 2018 and January 2015, the Company entered into amended employment agreements with Ms. Goldstein and Mr. Emerson, respectively, which provide for an annual base salary, annual cash bonus opportunity, and long-term incentive compensation opportunities. The details of those employment agreements are discussed below under Executive Compensation Narrative Disclosure Regarding Equity Plans and Employment Agreements Employment Agreements.

Ms. Goldstein's and Mr. Emerson's fiscal 2018 target compensation was comprised of:

	Target Annual Cash		Target Equity Incentive Opportunity
	Bonus Opportunity		(66.7% subject to performance
	Base Salary	(based on Adjusted EBITDA)	vesting)
Ms. Goldstein	\$ 690,051	\$483,036 (70% of base salary)	\$700,000
Mr. Emerson	\$ 515,000	\$360,500 (70% of base salary)	\$700,000

As a result of the Company's Adjusted EBITDA performance for fiscal 2018, Ms. Goldstein and Mr. Emerson each received a maximum cash bonus for such period in the following amounts: Ms. Goldstein \$966,071; Mr. Emerson \$721,000.

IV. Competitive Market Positioning

The Compensation Committee determines pay levels for our NEOs based on a number of factors, including the individual's role and responsibilities within the Company, the individual's experience and expertise, historical compensation actually realized by the individual, pay levels in the marketplace for similar positions, and performance of the individual and the Company as a whole. In determining pay levels, the Compensation Committee considers all forms of compensation and benefits, including the mix thereof.

After consideration of data collected on external competitive levels of compensation and internal relationships within the executive group, the Compensation Committee makes decisions regarding each individual NEO's target total compensation opportunity based on the need to attract, motivate and retain an experienced and effective management team.

Each year, the Compensation Committee reviews and approves the peer group companies that are used to evaluate competitive market compensation. In doing so, the Compensation Committee seeks to approve a peer group that is

representative of the sector in which we operate and includes companies with similar revenue and market capitalization as Take-Two.

Table of Contents***Fiscal 2018 Peer Group***

The peer group used to evaluate competitive market compensation of NEOs for fiscal 2018 was composed of the following 16 companies:

Videogame	Internet & Technology	Entertainment & Leisure
Activision Blizzard Inc.	Autodesk Inc.	Nuance Communications, Inc.
		AMC Networks, Inc.
Electronic Arts Inc.	Fair Isaac Corporation	Scientific Games Corporation
		Red Hat, Inc.
Zynga Inc.	IAC/InterActiveCorp	TiVo Corporation (f/k/a Rovi Corporation)
		Hasbro, Inc.
	Pandora Media, Inc.	Lions Gate Entertainment Corp.
		WebMD Health Corp.
		Mattel, Inc.

The fiscal 2018 peer group is the same as the peer group analyzed for our fiscal year ended March 31, 2017 (*fiscal 2017*) incentive program, except that one company was removed from the peer group (Mentor Graphics Corporation) due to the sale of its business to Siemens AG which resulted in executive compensation information about the company no longer being publicly available; one company was removed (Scholastic Corporation) because it is not comparably-sized to Take-Two and is engaged in a business that is not as similar to the Company's business as the other companies in the peer group; and one company was added to the group (Mattel, Inc.) because it is comparably-sized to Take-Two and is engaged in entertainment or other consumer content businesses similar to the Company's business.

Fiscal 2019 Peer Group

Peer groups require periodic review for fit to ensure that the peer framework continues to provide an appropriate benchmark for executive pay levels and other policies and practices. As such, to support development of our incentive program for fiscal 2019, Frederic W. Cook & Co., Inc. performed a peer group analysis in June 2018 and recommended certain adjustments to the peer group, which were adopted by our Compensation Committee.

The peer group used for competitive compensation analysis for fiscal 2019 is composed of the following 16 companies (shaded companies indicate new peers for fiscal 2019):

Videogame	Internet & Technology	Entertainment & Leisure
Activision Blizzard Inc.	Autodesk Inc.	Nuance Communications, Inc. AMC Networks, Inc.
Electronic Arts Inc.	Fair Isaac Corporation	Red Hat, Inc. Scientific Games Corporation
Zynga Inc.	IAC/InterActiveCorp	TiVo Corporation (f/k/a Rovi Corporation) Hasbro, Inc.
	Pandora Media, Inc.	j2 Global, Inc. Lions Gate Entertainment Corp.
		Mattel, Inc.

The Compensation Committee determined that the following changes should be made to the peer group for purposes of compensation planning for fiscal 2019, as compared to the peer group used for purposes of compensation planning for fiscal 2018: one company was removed from the peer group (WebMD Health Corp.) due to the sale of its business to KKR & Co. L.P. which resulted in executive compensation information about the company no longer being publicly available; and one company was added to the group (j2 Global, Inc.) because it is comparably-sized to Take-Two and is engaged in entertainment or other consumer content businesses similar to the Company's business.

Table of Contents

While the Compensation Committee believes that this peer group consists of those companies for which executive compensation information is publicly available that are most comparable to the Company, the Compensation Committee understands that Take-Two has a limited number of direct competitors in the videogame industry and that many of the Company's competitors are either privately held and/or incorporated in foreign jurisdictions which do not require public disclosure of executive compensation. This dynamic creates added challenges when constructing a statistically reliable set of peers and requires that the Company expand its pool of potential peer companies to those that are tangentially related to the Company (i.e., internet and technology, and entertainment and leisure companies) and with which the Company may not compete directly to attract and retain talent. While imperfect, the Compensation Committee believes the peer group selected is representative of the sector in which the Company operates, and includes companies with similar revenue and market capitalization as Take-Two.

Target Determinations

The Compensation Committee annually reviews total NEO compensation as compared to competitive market data. For purposes of calculating annual target compensation for any fiscal year, the Compensation Committee includes annual base salary, annual target cash bonus, annual target long-term incentive compensation and any special awards.

Ms. Goldstein's and Mr. Emerson's annual pay targets in fiscal 2018 are both close to the median of the peer group used by the Company in considering executive compensation.

V. Principal Elements of Executive Compensation

The following describes compensation processes and programs with respect to the NEOs other than the Executive Chairman and CEO and the President.

Pay Elements Overview

Executive compensation for our NEOs consists of the following elements:

Direct Compensation Elements

Base Salary

Annual Cash Incentive

Long-Term Equity Incentives

Base Salary**Indirect Compensation Elements**

Other Compensation/Employee Benefits

Severance and Change in Control Protection

Base salary is intended to provide fixed pay that takes into account an NEO's role and responsibilities, experience, expertise, marketplace comparables and individual performance, and although established by the NEOs' employment agreements, is subject to annual review by the Compensation Committee, including for discretionary year-to-year increases. Ms. Goldstein's base salary increased from \$676,520 to \$690,051 in fiscal 2018 because, as discussed below under Executive Compensation Narrative Disclosure Regarding Equity Plans and Employment Agreements, the amended employment agreement with Ms. Goldstein in effect for fiscal 2018 provided for automatic, annual cost of living increases of 2% each year commencing on and after April 1, 2013, which was consistent with the average Company-wide increase in base salary. On May 17, 2018, the Company entered into a third amendment to its employment agreement with Ms. Goldstein to extend the term of the agreement through March 31, 2023. In connection with this amendment, effective as of April 1, 2018, Ms. Goldstein's base salary was increased to a fixed

salary of \$850,000 for the remainder of the term of the agreement, subject to increase from time to time, as determined by the Company, but with no automatic, annual cost of living increases.

Table of Contents

Mr. Emerson's base salary increased from \$500,000 in fiscal 2017 to \$515,000 in fiscal 2018 based on peer benchmarking, as well as Mr. Emerson's strong individual performance and value to the organization as a key senior leader. On May 23, 2018, the Compensation Committee approved an increase to Mr. Emerson's base salary for fiscal 2019, effective April 1, 2018, to \$540,000 based on the same factors.

Annual Cash Incentive

The Compensation Committee has the authority to award annual performance-based cash bonuses to the NEOs pursuant to their employment agreements with the Company. The Compensation Committee believes that an annual performance-based bonus opportunity provides the incentives necessary to retain our NEOs and reward them for their attainment of the Company's business goals. In fiscal 2018, Ms. Goldstein and Mr. Emerson were eligible to receive an annual cash bonus pursuant to the terms of their employment agreements.

Annual bonus awards for Ms. Goldstein and Mr. Emerson are performance-based and primarily dependent on achievement of budgeted Adjusted EBITDA over the applicable fiscal year. Budgeted Adjusted EBITDA targets are pre-determined at the beginning of the applicable fiscal year. The Compensation Committee believes that using budgeted Adjusted EBITDA as the core performance metric in the annual bonus design represents an appropriate measure of the Company's performance and an appropriate way to align NEOs' short-term incentives with our shareholders' interests.

Pursuant to her amended employment agreement in effect during fiscal 2018, Ms. Goldstein's target contractual bonus was set at 70% of base salary (with a range from 0% to 140% of base salary), so achievement of 100% of the Company's target Adjusted EBITDA would result in a bonus of 70% of base salary. Maximum bonus amounts were capped at 140% of base salary. For fiscal 2018, Mr. Emerson's bonus structure was the same as Ms. Goldstein's.

Bonus amounts for Ms. Goldstein and Mr. Emerson in fiscal 2018 were a function of Adjusted EBITDA relative to target, as set forth in the following table:

Adjusted EBITDA Achievement

Less than 80% of the budget

80% - 100% of the budget

100% - 120% of the budget

120% - 150% of the budget

Greater than 150% of the budget

No bonus earned

0% - 70% of base salary

70% - 100% of base salary

100% - 140% of base salary

Capped at 140% of base salary

Budgeted Adjusted EBITDA for fiscal 2018 was \$236.9 million and the Company achieved actual Adjusted EBITDA of \$523.2 million. This Adjusted EBITDA achievement was greater than 150% of the budgeted Adjusted EBITDA, and so Ms. Goldstein and Mr. Emerson each received the maximum annual cash bonus as follows:

Annual			Actual	
	Salary	Target Bonus	Maximum Bonus	Bonus
Ms. Goldstein	\$ 690,051	\$483,036 (70% of base salary)	\$966,071 (140% of base salary)	\$ 966,071
Mr. Emerson	\$ 515,000	\$360,500 (70% of base salary)	\$721,000 (140% of base salary)	\$ 721,000

Long-Term Equity Incentives

We believe that equity-based awards are an important factor in aligning the long-term financial interests of the NEOs and certain other employees of the Company with its shareholders. The Compensation Committee continually evaluates the use of equity-based awards and intends to continue to use such awards in the future as part of designing and administering the Company's compensation program. Equity-based awards are generally

Table of Contents

granted to new key employees on a quarterly basis following the commencement of employment and to existing key employees on an annual basis and following a significant change in job responsibilities or to meet other special retention objectives.

Our compensation program design, in particular the use of equity awards as a key incentive element, establishes strong links between our creative teams and long-term value creation for shareholders. Our long-term equity incentive program reflects the importance of creative talent to our business and allows for Take-Two to retain and incentivize key talent.

All grants made to employees, including the NEOs, are approved by the Compensation Committee. The current outstanding awards granted to our NEOs are governed by the Company's 2009 Stock Incentive Plan, as amended and restated (the *2009 Plan*) or the Company's 2017 Stock Incentive Plan, as amended and restated (the *2017 Plan*), which is discussed further in Executive Compensation Narrative Disclosure Regarding Equity Plans and Employment Agreements.

The Company generally uses a mix of time-based and performance-based vesting for NEO long-term equity incentive grants to achieve separate and distinct purposes. Time-based vesting awards emphasize the retention of skilled executives, while performance-based vesting awards support the goal of retention as well as alignment of the executives' incentives with the interests of the Company's shareholders.

NEO Long-Term Incentives Awarded in Fiscal 2018

In May 2017, the Compensation Committee determined that the Company would issue 14,369 RSUs, based on a value of \$1,050,000 (based in part on peer benchmarking) divided by the average of the closing prices of the Company's common stock on the ten trading days immediately prior to June 1, 2017, to each of Ms. Goldstein and Mr. Emerson in recognition of the achievement of their individual performance goals and targets during fiscal 2017. The Compensation Committee made the fiscal 2018 grants in the form of RSUs in June 2017, rather than in the form of restricted stock, in order to preserve flexibility to settle the awards in stock, cash or a combination of stock and cash. One grant, equal to 66.7% of the value at target, was a performance-based grant subject to satisfaction of TSR performance criteria during the vesting period (described in more detail below). A second grant, equal to 33.3% of the value at target, consisted of time-based RSUs and vests in three (3) equal annual installments commencing on June 1, 2018 based on continued service with the Company. The number of shares of common stock that may be issued upon vesting of the performance-based RSUs included in the award amounts stated above assumes the achievement of the target performance criteria established by the Compensation Committee; however, the actual number of such shares may range from zero to a maximum of 19,168 (equal to 200% of target), with the number of shares at target performance equal to 9,584.

The relative TSR metric is measured against the NASDAQ Composite Index over a period of two years to determine achievement of TSR goals. The TSR performance schedule is as follows:

TSR Percentile Rank	Shares Earned as % of Target
Less than 40th Percentile	0%
40th Percentile	50%
50th Percentile	100%

75th Percentile

200%

The awards for fiscal 2018 were as follows:

Time-Based RSUs (#)	Time Based RSUs (\$)	Performance Based RSUs (\$)		Performance Based RSUs (\$)	
		Performance-Based RSUs (#) (at target)	(at target)	Performance-Based RSUs (#) (at max)	(at max)

Table of Contents*NEO Long-Term Incentives Awarded in Fiscal 2019*

In May 2018, the Compensation Committee determined that the Company would issue 10,291 RSUs, based on a value of \$1,050,000 (based in part on peer benchmarking) divided by the average of the closing prices of the Company's common stock on the ten trading days immediately prior to April 1, 2018, to Mr. Emerson. Based on the revised target annual equity range included in the May 2018 amendment to Ms. Goldstein's employment agreement, in May 2018, the Compensation Committee determined that the Company would issue 29,405 RSUs, based on a value of \$3,000,000 (based in part on peer benchmarking) divided by the average of the closing prices of the Company's common stock on the ten trading days immediately prior to April 1, 2018, to Ms. Goldstein. In each case, the incentive awards were made in recognition of the achievement of their individual performance goals and targets during fiscal 2018 and a desire to incentivize continued strong performance. The RSUs are comprised of:

- (i) 3,427 time-based RSUs for Mr. Emerson and 9,792 time-based RSUs for Ms. Goldstein, in each case that vest in three (3) equal annual installments commencing on June 1, 2019; and
- (ii) 6,864 performance-based RSUs at target for Mr. Emerson and 19,613 performance-based RSUs at target for Ms. Goldstein, in each case that vest in two (2) equal annual installments commencing on June 1, 2020, subject to the satisfaction of certain performance criteria based on relative TSR performance during the measurement period.

The number of shares of common stock that may be issued upon vesting of the performance-based RSUs assumes the achievement of the target performance criteria established by the Compensation Committee; however, the actual number of such shares may range from zero to a maximum of 13,728 for Mr. Emerson and 39,226 for Ms. Goldstein (in each case equal to 200% of target), with the number of shares at target performance equal to 6,864 for Mr. Emerson and 19,613 for Ms. Goldstein.

SEC regulations generally require that the grant date fair value of equity awards be disclosed in the Summary Compensation Table for the year in which the equity awards were granted, not the year to which the services relate. As a result, the grant date value for equity grants made in June 2017 are shown in the Summary Compensation Table on page 46, and the grant date value for the equity grants made in June 2018 will be reflected in the Summary Compensation Table in our proxy statement for the 2019 Annual Meeting of Shareholders.

NEO Long-Term Incentive Awards Vested in Fiscal 2018

The results and payout levels for the performance-based RSUs and/or restricted stock previously granted to Ms. Goldstein and Mr. Emerson that vested, or failed to vest, in fiscal 2018, are as follows:

Other Compensation

401(k) Plan

We maintain a 401(k) savings plan and trust for our eligible employees, including our NEOs (other than Messrs. Zelnick and Slatoff). The plan permits each participant to make voluntary pre-tax contributions, post-tax Roth contributions or a combination of the two. In addition, we make matching contributions equal to 50% of the participant's eligible elective deferral (excluding catch-up contributions) contributed to the 401(k) savings plan, but not more than an amount equal to 50% of the first 6% of the participant's pre-tax and/or Roth contributions will be matched. See the All Other Compensation column in the Summary Compensation Table for further information regarding these benefits.

Medical Expenses Reimbursement Plan

We maintain a medical expenses reimbursement plan (the *MERP*) for all of the NEOs, including for this purpose Messrs. Zelnick and Slatoff. Pursuant to the MERP, the participating NEOs are reimbursed for medical, dental and vision expenses that are not otherwise reimbursed by our group health insurance program.

Other Benefits and Perquisites

We provide health insurance, dental insurance, life and accidental death and dismemberment insurance and short-term and long-term disability benefits for our NEOs, including for this purpose Messrs. Zelnick and Slatoff, on the same basis as such benefits are generally provided to our employees. In addition, we pay a club membership fee on behalf of Mr. Zelnick, which is used primarily for general corporate and corporate development purposes, for a parking spot at our office located at 110 West 44th Street, New York, New York, 10036, and for the installation of home security measures for Mr. Zelnick. We consider the security measures provided to Mr. Zelnick to be a reasonable and necessary expense for the Company's benefit. Other than the MERP, the club membership fee, and the parking spot and home security for Mr. Zelnick, no material perquisites are provided to our NEOs. We do not have a formal perquisite policy and do not emphasize special perquisites for our executive officers, although the Compensation Committee periodically reviews perquisites for our executive officers in its review of compensation.

Severance and Change in Control Benefits

Severance and Change in Control Benefits for ZelnickMedia

Pursuant to the 2017 Management Agreement, ZelnickMedia would receive the following cash payments and benefits upon a termination by the Company without cause or by ZelnickMedia for good reason (whether before or after a change in control): (i) the earned but unpaid portion of the management fee, (ii) any accrued but unpaid annual bonus for a completed fiscal year and (iii) three times the sum of the per annum management fee plus the target bonus amount. See Certain Relationships and Related Transactions Management Agreement for more details. In addition, the 2017 Management Agreement provides for accelerated vesting of outstanding and unvested equity awards upon such a termination (with vesting of TSR performance-based awards determined according to actual performance through the date of termination, and vesting of Recurrent Consumer Spending and IP performance-based awards determined at target levels).

The cash payments described above remain consistent whether the termination occurs before or after a change in control, so ZelnickMedia is not entitled to receive any enhanced cash payments in connection with a change in control. With respect to vesting of equity awards in connection with a change in control, the 2017

Table of Contents

Management Agreement provides for double-trigger vesting. Accordingly, if a change in control occurs during the term of the 2017 Management Agreement, outstanding and unvested equity awards will continue to vest (and performance-based RSUs will continue to vest at target levels) in accordance with the original vesting schedule, subject to earlier vesting upon a termination of the 2017 Management Agreement without cause or for good reason.

Severance and Change in Control Benefits for Other NEOs

In March 2008, the Compensation Committee approved the Take-Two Interactive Software, Inc. Change in Control Employee Severance Plan (the *CIC Severance Plan*), a change in control plan pursuant to which certain eligible employees, including the NEOs other than Messrs. Zelnick and Slatoff, may receive certain double-trigger cash severance benefits upon a termination of employment either by the Company without cause or voluntarily for good reason, in either case during the 12-month period following a change in control of the Company, as well as vesting of outstanding and unvested equity awards in connection with a change in control of the Company, as described under Executive Compensation Potential Payments Upon Termination or Change in Control below. The employment agreements with Ms. Goldstein (as amended in May 2018) and Mr. Emerson provide for severance payments in the event of a separation from service from the Company under certain conditions, as well as payments in the event of a change in control of the Company. See Executive Compensation Narrative Disclosure Regarding Equity Plans and Employment Agreements and Executive Compensation Potential Payments Upon Termination or Change in Control below for more information. We believe that these severance benefits assist us in recruiting talented individuals to join and remain a part of our management team. From time to time, we may recruit executives from other companies where they have job security, tenure and career opportunities. Accepting a position with us may entail foregoing an otherwise secure position at another employer, and the benefits provided by the CIC Severance Plan help to mitigate the risk of harm that the executive may suffer in connection with adverse actions taken by a successor to the Company. Severance benefits also allow our NEOs to focus on the Company's business without being unduly distracted by concerns about their job security in the event of a separation from service or a change in control. Our NEOs are not entitled to any gross-up payments to cover excise taxes imposed by the golden parachute regulations under Sections 280G and 4999 of the Code.

VI. Operation of the Compensation Committee

General

The Compensation Committee annually reviews compensation policies and procedures of the Company and evaluates and approves the NEOs' compensation. The Compensation Committee also annually reviews the ZelnickMedia relationship. This review includes annual individual interviews with a broad group of executives, excluding our Executive Chairman and CEO and our President, to seek feedback on the ZelnickMedia relationship.

The Compensation Committee held seven (7) meetings during fiscal 2018. The Compensation Committee regularly meets at least four times during the fiscal year.

Role of Management

When determining NEO compensation, the Compensation Committee solicits from the Executive Chairman and CEO an evaluation of the performance of, and recommendations with respect to compensation decisions for, each of the NEOs other than himself. In addition, with respect to setting compensation for fiscal 2018, the Compensation Committee interviewed all of the NEOs, including the CEO and President, and members of our management team who report to the NEOs in order to better assess each NEO's performance during such period. The Compensation Committee also interviewed certain of the foregoing individuals in connection with its annual review, in conjunction

with the Board of Directors, of ZelnickMedia's performance during such period.

Table of Contents

Use of Outside Advisors

The Compensation Committee has historically engaged the services of independent compensation consulting firms in connection with making executive compensation determinations. Consistent with our practice, the Compensation Committee retained Frederic W. Cook & Co., Inc. to review the compensation programs for our NEOs and our Board of Directors for fiscal 2018, and to develop recommendations regarding our compensation programs for fiscal 2018 and fiscal 2019.

The Compensation Committee has the authority to retain, terminate and set the terms of the Company's relationship with any outside advisors that assist the Compensation Committee in carrying out its responsibilities.

The Compensation Committee assessed the independence of Frederic W. Cook & Co., Inc. pursuant to SEC and NASDAQ rules and was satisfied that the firm is independent and that no conflict of interest exists that would prevent it from serving as an independent advisor to the Compensation Committee. The Compensation Committee, among other things, reviewed and was satisfied with the consultant's policies and procedures to prevent or mitigate conflicts of interest. The Compensation Committee also reviewed and was satisfied that there were no business or personal relationships between members of the Compensation Committee and the individuals at the consulting firm supporting the Compensation Committee.

VII. Compensation Governance Practices

Clawback Policy

Our Corporate Governance Guidelines includes a section entitled "Recovery of Improperly-Awarded Incentive Compensation" which is our Clawback Policy. Our NEOs (including ZelnickMedia and its shareholders, partners, employees, members and other affiliates who are deemed "Executives" under the Clawback Policy) are subject to the Clawback Policy. Our Corporate Governance Guidelines, including our Clawback Policy, are available on the Company's website at www.take2games.com by clicking on the "Corporate" tab, and then clicking on the "Corporate Governance" link.

Our Clawback Policy includes any amendments that may be required to comply with any rules adopted by the SEC in response to Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010. This policy requires the reimbursement of any bonus or incentive compensation, including cash bonuses, awarded to a covered person and/or the cancellation of unvested restricted stock or outstanding stock option awards previously granted to a covered person, in each case, where: (1) the payment was predicated upon achieving certain financial results that were subsequently determined to have been erroneously reported; (2) the Board of Directors determines that the person engaged in knowing or intentional fraudulent or illegal conduct that caused or substantially caused such erroneous reporting to have occurred; and (3) a lower payment would have been made to the person based upon the corrected financial results.

Executive Officer Stock Ownership Requirements and Holding Requirement

The Company has adopted stock ownership requirements for executive officers of the Company as follows:

Executive Chairman and CEO and President

As discussed elsewhere in this Proxy Statement, our Executive Chairman and CEO and our President are compensated through the operation of the 2017 Management Agreement, which contains certain provisions relating to stock

ownership applicable to ZelnickMedia and its affiliates. In July 2016, the Board of Directors also adopted a policy relating to stock ownership guidelines applicable to any individual who serves as an executive officer of the Company pursuant to an agreement with a third party consultant, which currently includes our Executive Chairman and CEO and our President. The 2017 Management Agreement and the stock ownership guidelines policy adopted by the Board of Directors both prohibit, prior to March 31, 2024,

Table of Contents

ZelnickMedia and any Subject Person (as defined in the 2017 Management Agreement and which includes Messrs. Zelnick and Slatoff) from selling or otherwise disposing of any shares of common stock of the Company, if the Market Value (as defined in the 2017 Management Agreement) of all shares of common stock of the Company (including any options, restricted stock and RSUs), after giving effect to such proposed sale or other disposition, owned by ZelnickMedia and each Subject Person, including Messrs. Zelnick and Slatoff, in the aggregate as of the trading day immediately preceding the date of the proposed sale or disposition, would be less than six (6) times the per annum management fee (excluding any bonuses).

Other NEOs

Under the Company's stock ownership requirements, NEOs (other than the Executive Chairman and CEO and President (who are currently subject to the stock ownership requirements described above)) shall own shares of common stock having a value equal to three (3) times the annual base salary paid by the Company to its NEOs. Such NEOs shall achieve such stock position within five (5) years after the date of the adoption of the requirements and future NEOs shall achieve such ownership position within five (5) years after the date of their appointment as NEOs. For purposes of determining compliance with the stock ownership requirements, all shares that are directly owned by the NEO, shares that are beneficially owned by the NEO, such as shares held in street name through a broker or shares held in trust, and vested and unvested shares of restricted stock and RSUs are counted toward satisfying the requirements.

The policy adopted by the Board of Directors in July 2016 also includes stock retention guidelines for all NEOs requiring such officers to retain at least 50% of the total equity credited from grants of equity awards (net of amounts required to pay taxes and exercise prices) until compliance with the applicable stock ownership requirement is achieved. All NEOs are in compliance with the applicable stock ownership requirements as of the date of this proxy filing.

Anti-Hedging Policy

The Company has adopted a Securities Trading Policy that prohibits, among other things, officers, directors, employees and consultants of the Company, as well as the shareholders, partners, employees, members, and other affiliates of ZelnickMedia who are service providers to the Company subject to such policy, from engaging in the following transactions:

In and Out Trading. (All purchases of the Company's securities in the open market must be held for a minimum of six months, with exceptions relating to the exercise of stock options.)

Purchases of Company securities on margin or holding any Company securities in margin accounts.

Pledging Company securities as collateral for a loan.

Short sales of the Company's securities.

Transactions in puts, calls or other derivatives on the Company's securities, as well as any other derivative or hedging transactions on Company securities.

Anti-Pledging Policy

As a matter of good corporate governance, our Board of Directors has adopted a formal policy against pledging common stock pursuant to which members of the Board of Directors and executive officers may not hold common stock in margin accounts and may not pledge common stock as collateral for a loan. None of our directors or executive officers has pledged any shares of our common stock.

Impact of Tax and Accounting Rules

As a general matter, the Compensation Committee reviews and considers the various tax and accounting implications of compensation vehicles utilized by the Company.

Table of Contents

With respect to accounting considerations, the Compensation Committee examines the accounting cost associated with equity compensation in light of requirements under the Accounting Standards Codification (ASC) stock compensation guidance, which generally requires the Company to recognize compensation expense relating to equity awards based upon the grant date fair value of those awards. The Company also considers the accounting impact of preserving flexibility to settle RSUs awards in cash, shares, or a combination of cash and shares.

With respect to taxes, the Compensation Committee may consider the anticipated tax treatment of various payments and benefits to the Company and, when relevant, to its executives. Section 162(m) of the Code generally prohibited any publicly held corporation from taking a federal income tax deduction for compensation paid in excess of \$1 million in any taxable year to the NEOs (other than our chief financial officer), subject to certain exceptions. However, the Company generally believed that it was in our best interest and that of our shareholders to have the flexibility to pay compensation that was not deductible under the limitations of Section 162(m) of the Code to provide a compensation package consistent with our program and objectives.

The Tax Cuts and Jobs Act, enacted on December 22, 2017, substantially modified Section 162(m) of the Code and, among other things, eliminated the performance-based exception to the \$1 million deduction limit effective as of January 1, 2018. As a result, beginning in 2018, compensation paid to certain executive officers in excess of \$1 million will generally be nondeductible, whether or not it is performance-based. In addition, beginning in 2018, the executive officers subject to Section 162(m) of the Code (the *Covered Employees*) will include any individual who served as the Chief Executive Officer and Chief Financial Officer at any time during the taxable year and the three other most highly compensated officers (other than the Chief Executive Officer and Chief Financial Officer) for the taxable year, and once an individual becomes a Covered Employee for any taxable year beginning after December 31, 2016, that individual will remain a Covered Employee for all future years, including following any termination of employment.

The Tax Cuts and Jobs Act includes a transition rule under which the changes to Section 162(m) of the Code described above will not apply to compensation payable pursuant to a written binding contract that was in effect on November 2, 2017 and is not materially modified after that date. To the extent applicable to our existing contracts and awards, the Compensation Committee may avail itself of this transition rule. However, because of uncertainties as to the application and interpretation of the transition rule, no assurances can be given at this time that our existing contracts and awards, even if in place on November 2, 2017, will meet the requirements of the transition rule. Moreover, to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals in the best interest of the Company, the Compensation Committee does not limit its actions with respect to executive compensation to preserve deductibility under Section 162(m) of the Code if the Compensation Committee determines that doing so is in the best interests of the Company and its shareholders.

RISK ASSESSMENT OF OVERALL COMPENSATION PROGRAM

The Compensation Committee regularly reviews senior executive compensation and Company-wide compensation programs and policies in an ongoing effort to seek to eliminate or mitigate potential risks arising from such programs and policies and to ensure that our compensation structure, elements and incentives are not reasonably likely to have a material adverse effect on the Company.

The Compensation Committee seeks to design our compensation plans, including our incentive compensation programs, to incorporate a range of components that we believe help to mitigate potential risks, while rewarding employees for pursuing our strategic and financial objectives through appropriate risk taking, risk management, and prudent tactical and strategic decision making. For example, the design of our compensation plans is intended to encourage employees to remain focused on both near-term and longer-term goals of the Company by using a mix of short-term and long-term incentives to motivate employees to produce superior results over varying time frames. We believe that the use of long-term incentives for executives provides a safeguard against excessive risk-taking. Our long-term incentives are designed to deter unnecessary risk-taking by aligning our employees' interests with those of shareholders by incorporating equity-based compensation that vests over time and, in some cases, include a market-based performance metric, which we believe is not susceptible to manipulation by employees and encourages employees to remain focused on sustained stock price appreciation. Individual bonus caps for senior executives further mitigate risk.

We have also sought to deter unnecessary risk-taking by applying our clawback policy to the senior executives of the Company, which requires the reimbursement of bonus or incentive compensation and/or the cancellation of outstanding equity previously granted in certain cases.

In addition, our stock ownership guidelines require that our executive officers hold a significant amount of common stock to further align their interests with shareholders over the long term by having a portion of their personal investment portfolio consist of common stock. We expect this component to mitigate risk on a prospective basis. We also prohibit transactions designed to limit or eliminate economic risks to our employees of owning our common stock, such as options, puts, and calls, so our executives cannot insulate themselves from the effects of poor stock price performance.

Senior executives from our risk, compliance, administrative, and finance functions, as well as the outside compensation consultant to our Compensation Committee, are involved in this annual review process. With respect to fiscal 2018 and the compensation programs in place for fiscal 2018, based in part on the information and analyses

provided by management and its own advisors, the Compensation Committee concluded that the Company's compensation programs are not reasonably likely to have a material adverse effect on the Company.

(1) Represents the aggregate grant date fair value of stock awards granted to our NEOs in each of the reporting periods, determined under FASB ASC Topic 718, *Compensation - Stock Compensation*. For additional information with respect to stock awards granted during fiscal 2018, see Note 15 under the heading *Stock-Based Compensation* of the Notes to Consolidated Financial Statements included in the Company's Annual Report on Form 10-K for fiscal 2018. The amounts above reflect the grant date fair value for these awards, excluding the accounting effect of any estimate of future service-based forfeitures, and do not necessarily correspond to the actual value that might be realized by the NEOs which depends on the market value of the Company's common stock on a date in the future when the stock award vests. For time-based RSUs, that value is based on the fair market value of the Company's common stock on the grant date and is determined by multiplying the number of shares subject to the grant by the closing price per share of the Company's common stock. The value of the performance-based RSUs reflects the value of the awards at the grant date based upon the probable outcome of the performance conditions using the Monte Carlo simulation model and is consistent with our estimate of the aggregate compensation cost to be recognized over the vesting period determined in accordance with FASB ASC Topic 718, *Compensation - Stock Compensation*, which is less than the maximum possible value. The following table shows the value of the NEOs respective performance-based awards on the date of grant at both the probable outcome of the performance conditions, which is reflected in the table above, as well as the maximum achievement of the applicable performance conditions.

The 2017 Plan replaced the 2009 Plan, which terminated effective upon shareholder approval of the 2017 Plan. From and after the date of such shareholder approval, no additional awards will be made under the 2009 Plan. However, any awards granted pursuant to the 2009 Plan prior to the approval and adoption of the 2017 Plan shall continue to be governed by the 2009 Plan.

Under the 2017 Plan, as of September 15, 2017, the date the Company's shareholders approved the 2017 Plan, the Company was authorized to issue up to 7,603,745 shares of common stock. In addition, the number of shares of common stock available for issuance under the 2017 Plan are subject to increase by any shares of common stock subject to an award outstanding under the 2009 Plan after September 15, 2017 that become eligible for reuse pursuant to the share recycling provisions of the 2017 Plan. Stock-based awards assumed or substituted by the Company or its affiliates as part of a corporate transaction (including from an entity that the Company merges with or into, acquires, or engages with in a similar corporate transaction) will not count against the number of shares of common stock reserved and available for issuance pursuant to the 2017 Plan (except as may be required by Section 422 of the Code). In addition, shares of common stock will not be deemed to have been issued pursuant to the 2017 Plan with respect to any portion of an award that is settled in cash.

a cash severance payment equal to 150% of the sum of the NEO's annual base salary and target annual bonus or incentive opportunity;

continued health benefits for a period of 18 months; and

full and immediate vesting of all outstanding and unvested equity awards.

For purposes of the CIC Severance Plan, Ms. Goldstein and Mr. Emerson will be deemed to have resigned for good reason if the resignation occurs or occurred, as applicable, in connection with any of the events specified in the employment agreements, such that the resignation would be or would have been, as applicable, tantamount to a termination without cause under the terms of the employment agreements. For purposes of the CIC Severance Plan, cause generally means a participant's continued failure to substantially perform the participant's duties after receipt of notice from the Company, a participant's criminal conviction which is demonstrably injurious to the Company, a participant's felony conviction, a participant's gross negligence which affects the Company or a participant's failure to adhere to the Company's written policies or to cooperate in any investigation or inquiry involving the Company.

Severance benefits provided under the CIC Severance Plan are subject to reduction to avoid any excise tax on parachute payments under Section 280G of the Code if the employee would benefit from such reduction as opposed to receiving the full severance benefits and paying the excise tax. All employees who accept severance payments and, if applicable, the continued health coverage under the CIC Severance Plan are required to sign a release and are subject to restrictions on the solicitation of employees and customers of the Company for a period of six months following termination as well as a non-disparagement obligation. In addition, all employees who accept any benefits under the CIC Severance Plan are subject to a duty to cooperate reasonably with the Company in any litigation relating to matters in which the employee was personally involved. We do not provide for any tax gross-ups in respect of any excise taxes on parachute payments.

- (1) Under Ms. Goldstein's and Mr. Emerson's employment agreements, a termination without cause includes a resignation following certain events so as to be deemed a termination by the Company without cause and for Ms. Goldstein, the Company's non-renewal of the employment agreement. For purposes of Ms. Goldstein's and Mr. Emerson's employment agreements, cause generally means such person's continued failure to substantially perform duties under the employment agreement after receipt of notice from the Company, such person's criminal conviction which is demonstrably injurious to the Company, such person's felony conviction, such person's gross negligence which significantly affects the Company or such person's material failure to adhere to the Company's material written policies or to cooperate in any investigation or inquiry involving the Company. For purposes of Ms. Goldstein's and Mr. Emerson's employment agreements, Ms. Goldstein's or Mr. Emerson's resignation in connection with the following events will be tantamount to a termination without cause: a material breach of the employment agreement by the Company, a material diminution in such person's title, status, position or

responsibilities, the Company's failure to timely pay compensation due under the employment agreement, a material reduction in such person's salary or any reduction in target bonus, assignment of duties to such person which are materially inconsistent with the duties set forth in the employment agreement, relocation of such person's principal place of employment beyond 10 miles from its then-current location or the failure of any successor to assume the Company's obligations under the employment agreement.

- (2) Reflects the amounts that Ms. Goldstein would have received under her employment agreement as it existed on March 31, 2018 and prior to the May 17, 2018 amendment. After giving effect to the May 17, 2018 amendment, the amounts in both the Termination Without Cause and the Change in Control Termination Without Cause or for Good Reason columns would be \$1,700,000.
- (3) Reflects the amounts that Ms. Goldstein would have received under her employment agreement as it existed on March 31, 2018 and prior to the May 17, 2018 amendment. After giving effect to the May 17, 2018 amendment, the amounts in both the Termination Without Cause and the Change in Control Termination Without Cause or for Good Reason columns would be \$15,975.

- (4) The value of the equity awards is calculated by multiplying the number of shares of restricted stock and RSUs that accelerate by the per share closing price of the Company's common stock of \$97.78 on March 29, 2018.
- (5) Reflects the amounts that Ms. Goldstein would have received under her employment agreement as it existed on March 31, 2018 and prior to the May 17, 2018 amendment. After giving effect to the May 17, 2018 amendment, the amounts in both the Termination Without Cause and the Change in Control Termination Without Cause or for Good Reason columns would be \$2,550,000 and the amount in the Death or Disability column would be \$850,000.
- (6) Reflects the amounts that Ms. Goldstein would have received under her employment agreement as it existed on March 31, 2018 and prior to the May 17, 2018 amendment. After giving effect to the May 17, 2018 amendment, the amounts in both the Change in Control Termination Without Cause or for Good Reason and Change in Control Without Termination columns would be \$425,000.
- (7) Reflects the amounts that Ms. Goldstein would have received under her employment agreement as it existed on March 31, 2018 and prior to the May 17, 2018 amendment. After giving effect to the May 17, 2018 amendment, the amount in the Termination Without Cause column would be \$10,161,523, the amount in the Death or Disability column would be \$6,745,547, the amount in the Change in Control Termination Without Cause or for Good Reason column would be \$10,586,523, and the amount in the Change in Control Without Termination column would be \$425,000.
- (8) In the event that the total amounts payable in connection with a change in control to Ms. Goldstein or Mr. Emerson would trigger an excise tax on parachute payments under Section 280G of the Code, then the total amounts payable in the scenarios illustrated in this table would be reduced in order to avoid triggering the excise tax if they would benefit from such reduction as opposed to paying the excise tax.

CEO Pay Ratio

Under SEC rules, we are required to provide information regarding the relationship between the annual total compensation of Mr. Strauss Zelnick, the Company's Chairman and Chief Executive Officer, and the annual total compensation of the Company's median employee (excluding Mr. Zelnick) for fiscal 2018. With respect to the annual total compensation of Mr. Zelnick, we used both the amount reported in the Summary Compensation Table, as required by Item 402(u) or Regulation S-K, and, because such amount does not reflect the amount Mr. Zelnick receives from our payments to ZelnickMedia, the maximum amount Mr. Zelnick was eligible to receive from ZelnickMedia in connection with the fees paid by us to ZelnickMedia under the 2014 Management Agreement and 2017 Management Agreement for fiscal 2018. We believe this provides a better understanding than the ratio based solely on the amount of Mr. Zelnick's compensation reported in the Total column in the Summary Compensation Table included in this proxy statement.

Mr. Zelnick's annual total compensation, as reported in the Summary Compensation Table included in this proxy statement, was \$42,629.

The total compensation paid to ZelnickMedia in fiscal 2018, as set forth in the Compensation Discussion and Analysis-Detailed Discussion and Analysis-Compensation to Executive Chairman and CEO and President-Fiscal 2018 Fees and Incentives to ZelnickMedia section of this Proxy Statement on page 31, was \$17,026,500, and the maximum portion that Mr. Zelnick could have received was \$10,215,900. When combined with the compensation received by Mr. Zelnick from the Company as reported in the Summary Compensation Table included in this proxy statement, the total maximum amount of compensation Mr. Zelnick was eligible to receive was \$10,258,529.

The annual total compensation of the median employee (excluding Mr. Zelnick) of the Company (including our consolidated subsidiaries) was \$56,557.

Based on the above, for fiscal 2018, the ratio of Mr. Zelnick's annual total compensation to the annual total compensation of the median employee was:

0.75 to 1 based on Mr. Zelnick's annual total compensation, as reported in the Summary Compensation Table included in this Proxy Statement, or

Table of Contents

181 to 1 based on the total maximum amount of compensation Mr. Zelnick was eligible to receive from ZelnickMedia and the Company in fiscal 2018.

This pay ratio is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K under the Securities Act of 1933, as amended. We determined the median of the annual total cash compensation of our employees as of January 1, 2018, at which time we had approximately 4,504 regular, temporary, and seasonal individuals employed on a full or part-time basis, globally, approximately 2,005 of whom are U.S. employees, and approximately 2,499 (or approximately 55% of our total employee population) of whom are located outside of the United States. We did not exclude any of the employees who are located outside of the United States from the pool used to identify the median employee.

We then compared the annualized base salaries, bonuses earned and commissions earned by our employees (other than Mr. Zelnick) to determine the median employee. Once we identified our median employee, we estimated such employee's annual total compensation in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, yielding the median annual total compensation disclosed above.

There are a wide variety of job functions within our company, across numerous global jurisdictions. Accordingly, the compensation paid to our employees differs greatly between departments, experience levels, and locations. We believe that our employees are fairly compensated and appropriately incentivized.

The SEC rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation, allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices. Accordingly, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies have different employee populations and compensation practices and may use different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

Compensation of Directors During 2018 Fiscal Year

The Compensation Committee reviews and makes recommendations to the Board regarding the form and amount of compensation for non-employee directors. Typically, on an annual basis, the Committee considers a board compensation study by its independent compensation consultant to support the Committee in its deliberations.

Such compensation may include, but is not limited to, the following elements: board or committee retainer, board or committee meeting fees, committee chair retainer or fees, equity compensation, benefits and perquisites.

Table of Contents

All directors, other than Mr. Zelnick, are regarded as non-employee directors. The key elements of the compensation payable to our non-employee directors are as follows:

- (1) On December 8, 2016, the Compensation Committee recommended, and the Board of Directors approved, effective for fiscal 2018, an increase to the restricted stock portion of the annual retainer to \$200,000. On December 15, 2017, the Compensation Committee recommended, and the Board of Directors approved, effective for fiscal 2019, an increase to (i) the restricted stock portion of the annual retainer to \$215,000, (ii) the Audit Committee Chair and other member fees to \$40,000 and \$20,000, respectively, and (iii) the Compensation Committee Chair and other member fees to \$30,000 and \$15,000, respectively.

Each non-employee director may make an irrevocable election to receive 100% of annual retainer and committee fees in shares of restricted stock. For fiscal 2018, Mr. Bowman received 100% of these fees in restricted stock.

Commencing in the fourth quarter of fiscal 2018, Mr. Moses elected to receive 100% of these fees in restricted stock.

The restricted stock portion of the annual retainer is granted to the non-employee directors in four equal quarterly installments and such shares vest on the first anniversary of the grant date (discussed below). Grants of restricted stock

are generally made on the fifth trading day following the filing of the Company's Annual Report on Form 10-K or Quarterly Report on Form 10-Q, as applicable. The number of shares of restricted stock granted is determined by dividing the dollar value of the restricted stock to be delivered by the average of the closing prices of our common stock on the ten trading days prior to the fifth trading day following the filing of the Company's Annual Report on Form 10-K or Quarterly Report on Form 10-Q, as applicable.

Under the Take-Two Interactive Software, Inc. 2017 Stock Incentive Plan, the maximum value of awards granted to non-employee directors in any one calendar year, together with any cash fees paid to such directors

Table of Contents

during such calendar year in respect of such director's service as a member of the Board of Directors during such year, may not, absent extraordinary circumstances, exceed \$750,000 in total value. As determined by the Compensation Committee in its discretion, this limit may be increased for a non-executive chair of the Board of Directors or, in extraordinary circumstances, for other individual non-employee directors; provided that the non-employee director receiving such additional compensation may not participate in the decision to award such compensation.

Reimbursement of Certain Expenses. Non-employee directors are reimbursed for travel expenses to attend Board of Directors and committee meetings and to attend director education seminars in accordance with policies approved from time to time.

Director Stock Ownership Requirements. Under the stock ownership requirements for non-employee directors of the Company, non-employee directors are required to own shares of common stock having a value equal to five times the annual cash retainer. Current non-employee directors are required to achieve such stock position within five years after the date of the adoption of the requirements and future non-employee directors shall achieve such ownership position within five years after the date of their election to the Board of Directors. Information regarding executive officer stock ownership requirements is set forth in this Proxy Statement under Compensation Discussion and Analysis. Each independent director serving on the Board of Directors for more than one year actually owned shares in excess of the requirements as of record date.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Management Agreement

The Company is party to a Management Agreement, dated as of November 17, 2017, and effective January 1, 2018 (the *2017 Management Agreement*), with ZelnickMedia. The 2017 Management Agreement replaced the Company's previous Management Agreement with ZelnickMedia, dated as of March 10, 2014 (the *2014 Management Agreement*). Upon its effectiveness, the 2017 Management Agreement superseded and replaced the 2014 Management Agreement, except as otherwise contemplated in the 2017 Management Agreement.

Under the terms of the 2017 Management Agreement, ZelnickMedia provides financial and management consulting services to the Company.

Term and Personnel. The 2017 Management Agreement provides for a term through March 31, 2024, unless earlier terminated in accordance with its terms. Under the 2017 Management Agreement, ZelnickMedia continues to provide certain individuals as it deems appropriate for the performance of the 2017 Management Agreement. Specifically (i) Mr. Zelnick serves as Executive Chairman of the Board of Directors and CEO of the Company, (ii) Mr. Slatoff serves as the Company's President, and (iii) other ZelnickMedia personnel as appropriate provide services to the Company on a project-by-project, as needed basis.

If Mr. Zelnick or any other employee of ZelnickMedia acting in an executive capacity for the Company pursuant to the 2017 Management Agreement is unable or unavailable to serve in such capacity (other than due to a termination by the Company without Cause or their resignation for Good Reason (as such terms are defined in such person's employment agreement with the Company or, in the case of Mr. Zelnick, in the 2017 Management Agreement)), and ZelnickMedia is unable to provide a qualified individual within a reasonable period of time to serve in such capacity who is reasonably satisfactory to the Board of Directors, then the Company may fill such position with a person not affiliated with ZelnickMedia and deduct the costs of such person's compensation from ZelnickMedia's compensation under the 2017 Management Agreement (with such deduction limited to no more than 60% of the aggregate compensation payable to ZelnickMedia if such person replaces Mr. Zelnick and no more than 40% of the aggregate compensation payable to ZelnickMedia if such person replaces Mr. Slatoff).

Management Fee and Annual Bonus Opportunity. Under the 2017 Management Agreement, the Company pays a monthly management fee equal to \$258,333.33 per month (\$3,100,000 annualized). The management fee will not be decreased during the term of the 2017 Management Agreement. In addition to the monthly management fee, ZelnickMedia receives an annual bonus, subject to the achievement by the Company of certain performance thresholds in respect of each of the fiscal years ending March 31, 2018, 2019, 2020, 2021, 2022, 2023 and 2024. For each fiscal year (other than for the nine-month period from March 31, 2017 to December 31, 2017), the annual bonus opportunity ranges from \$0 (at 80% of the Target, as defined in the 2017 Management Agreement) to \$7,440,000 (at 150% of the Target or greater). The annual bonus opportunity will not be increased or decreased during the term of the 2017 Management Agreement. If the 2017 Management Agreement is terminated by the Company without Cause (as defined in the 2017 Management Agreement) or by ZelnickMedia for Good Reason (as defined in the 2017 Management Agreement) (whether before or after a Change in Control (as defined in the 2017 Management Agreement)), ZelnickMedia is entitled to be paid on the date of termination an amount equal to the sum of (i) the earned but unpaid portion of the management fee, (ii) any accrued but unpaid annual bonus for a completed fiscal year and (iii) three times the sum of the per annum management fee plus the Target bonus amount.

Restrictions on Sale of Vested Stock. Under the 2017 Management Agreement, prior to March 31, 2024 (or earlier in the event of a Change in Control) ZelnickMedia and any Subject Person (as defined in the 2017 Management Agreement) are prohibited from selling or otherwise disposing of any shares of common stock of the Company, if the Market Value (as defined in the 2017 Management Agreement) of all shares of common stock of the Company (including any options, restricted stock and RSUs), after giving effect to such proposed sale or other disposition, owned by ZelnickMedia and each Subject Person in the aggregate as of the trading day immediately preceding the date of the proposed sale or disposition, would be less than six times (6x) the per annum management fee (excluding any bonuses).

Under the 2017 Management Agreement, as further described below, the Company granted RSUs to ZelnickMedia on April 13, 2018 (the *2018 Restricted Units*) under the 2017 Plan. The 2018 Restricted Units, comprised of both time-based and performance-based RSUs as described below, were granted pursuant to the terms of a Restricted Unit Agreement, dated April 13, 2018, by and between the Company and ZelnickMedia (the *2018 Restricted Unit Agreement*). Treatment of Awards.

Upon a termination of the 2017 Management Agreement by the Company without Cause or by ZelnickMedia for Good Reason, any then-unvested restricted stock or units granted pursuant to the Performance Awards (including any restricted stock or units granted to ZelnickMedia during the term of the 2017 Management Agreement on or after January 1, 2018) will vest on the assumption that the applicable performance measure was achieved at the target level of performance for the applicable performance period or, prior to a Change in Control (as defined in the 2017 Management Agreement), for TSR Performance-Based Units (as defined in the applicable Restricted Unit Agreement), based on the actual level of performance achieved for each applicable performance measure as of the date of termination.

If the Company and ZelnickMedia fail to enter into a new management agreement on substantially similar terms in the aggregate as those provided under the 2017 Management Agreement upon the expiration of the term of the 2017

Management Agreement or otherwise fail to agree to extend the term of the 2017 Management Agreement, all unvested time-vesting restricted stock or units granted during the term of the 2017 Management Agreement on or after January 1, 2018 will vest upon such expiration and all then-unvested performance-vesting

restricted stock or units will vest based on the assumption that the applicable performance measure was achieved at the target level of performance for the applicable performance period or, prior to a Change in Control, for TSR Performance-Based Units (as defined in the applicable Restricted Unit Agreement), based on the actual level of performance achieved for each applicable performance measure as of the date of termination.

If a Change in Control occurs during the term of the 2017 Management Agreement, the 2017 Management Agreement will not automatically terminate and all unvested RSUs granted pursuant to the applicable Restricted Unit Agreement will vest as set forth in the applicable Restricted Unit Agreement, except that any restricted stock or units granted to ZelnickMedia on or after April 1, 2014 will vest upon the earlier to occur of (x) a termination of the 2017 Management Agreement by the Company without Cause or by ZelnickMedia for Good Reason or (y) the second anniversary of the applicable date of grant, and, with respect to any performance-based restricted stock or units, in each case, based on the assumption of that the applicable performance measure was achieved at the target level of performance for the applicable performance period. As of March 31, 2018, all shares of restricted stock or units granted prior to April 1, 2014 (including any awards granted pursuant to the 2011 Management Agreement or the Original Management Agreement) have vested and/or have been forfeited pursuant to their terms.

Settlement of Restricted Units.

Pursuant to the 2017 Management Agreement, the Company will have the right to elect to settle the RSUs granted to ZelnickMedia pursuant to the 2017 Management Agreement in shares of the Company's common stock that will be issued pursuant to the 2017 Plan.

Registration Statement. Pursuant to the 2017 Management Agreement, within 45 days following the request of ZelnickMedia, the Company will file a Registration Statement on Form S-3 registering for resale any of the shares of the Company's common stock issuable pursuant to awards granted to ZelnickMedia under the Restricted Unit Agreements. The Company filed a registration statement on Form S-3 on April 13, 2018 covering such shares.

The foregoing descriptions of the 2017 Management Agreement, the 2014 Management Agreement and the Restricted Unit Agreements (including the Time-Based Awards and the Performance Awards issuable to ZelnickMedia thereunder) are only a summary and are qualified in their entirety by reference to the full text of the 2017 Management Agreement (and the 2018 Restricted Unit Agreement attached as Exhibit A thereto), which is attached as Exhibit 10.1 to the Company's Current Report on Form 8-K dated November 22, 2017 and incorporated herein by reference, the 2014 Management Agreement (and the 2014 Restricted Unit Agreement attached as Exhibit A thereto), which is attached as Exhibit 10.1 to the Company's Current Report on Form 8-K dated March 10, 2014 and incorporated herein by reference, the 2015 Restricted Unit Agreement, which is attached as Exhibit 10.2 to the Company's Registration Statement on Form S-3 dated May 20, 2015 and incorporated herein by reference, the 2016 Restricted Unit Agreement, which is attached as Exhibit 10.2 to the Company's Registration Statement on Form S-3 dated May 20, 2016 and incorporated herein by reference, and the 2017 Restricted Unit Agreement, which is attached as Exhibit 10.2 to the Company's Registration Statement on Form S-3 dated May 25, 2017 and incorporated herein by reference.

Policy on Transactions with Related Persons

The Board of Directors has adopted a policy requiring that any transaction: (1) involving the Company or any of its subsidiaries and (2) in which one of our directors, nominees for director, executive officers, or greater than five percent shareholders, or their immediate family members, have a direct or indirect material interest; be approved or ratified by a majority of the independent directors of the full Board of Directors.

Table of Contents

In determining whether to approve or ratify any such transaction, the independent directors of the Board of Directors must consider, in addition to other factors deemed appropriate, whether the transaction is on terms no less favorable to the Company than those for transactions involving unrelated parties. No director may participate in any review, approval or ratification of any transaction if the director, or an immediate family member of such director, has a direct or indirect material interest in the transaction.

SECTION 16(a) BENEFICIAL OWNERSHIP COMPLIANCE

The members of our Board of Directors, our executive officers and persons who beneficially own more than 10% of our outstanding common stock are subject to the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934, as amended, which requires them to file reports with respect to their ownership of our common stock and their transactions in such common stock. Based solely upon a review of the copies of Section 16(a) reports that we have received from such persons or entities for transactions in our common stock and their common stock holdings for fiscal 2018, we believe that all reporting requirements under Section 16(a) for such fiscal year were met in a timely manner by our directors, executive officers and persons who beneficially own more than 10% of our outstanding common stock.

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

(Proposal 3)

The Audit Committee of the Board of Directors has appointed Ernst & Young LLP (*Ernst & Young*) as the Company's independent registered public accounting firm to audit its consolidated financial statements for its fiscal year ending March 31, 2019. Although action by the shareholders on this matter is not required, the Audit Committee believes it is appropriate to seek shareholder ratification of the appointment of the independent registered public accounting firm to provide a forum for shareholders to express their views with regard to the Audit Committee's appointment. If the shareholders do not ratify the appointment of Ernst & Young, the selection of independent registered public accounting firms may be reconsidered by the Audit Committee; *provided, however*, that the Audit Committee retains the right to continue to engage Ernst & Young. In addition, notwithstanding the ratification of Ernst & Young as the Company's independent registered public accounting firm for the year ending March 31, 2019, the Audit Committee retains the right to replace Ernst & Young at any time without shareholder approval.

THE BOARD OF DIRECTORS BELIEVES THAT RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP IS IN THE BEST INTERESTS OF THE COMPANY AND UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR SUCH RATIFICATION.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Notwithstanding anything to the contrary set forth in any of our previous or future filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate this Proxy Statement or future filings with the SEC, in whole or in part, the following report shall not be deemed to be soliciting material or filed with the SEC and shall not be deemed to be incorporated by reference into any such filing.

Review of the Company's Audited Financial Statements for the Fiscal Year Ended March 31, 2018

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Company's management has the primary responsibility for the financial statements, for maintaining effective internal control over financial reporting and for assessing the effectiveness of internal control over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements included in the Annual Report on Form 10-K for the year ended March 31, 2018 with Company management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with U.S. generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by Auditing Standards No. 1301, *Communication With Audit Committees* (as amended), other standards of the Public Company Accounting Oversight Board (United States), rules of the SEC, and other applicable regulations. In addition, the Audit Committee has received the written disclosures and the letter from the independent registered accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence.

The Audit Committee also reviewed management's report on its assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's report on the effectiveness of the Company's internal control over financial reporting.

The Audit Committee discussed with the Company's internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditors and the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, including internal control over financial reporting, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited consolidated financial statements and management's assessment of the effectiveness of the Company's internal control over financial reporting be included in the Annual Report on Form 10-K for the year ended March 31, 2018 filed by the Company with the SEC. The Audit Committee also has appointed Ernst & Young as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2019.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

What matters will be considered at the Annual Meeting?

the election as directors of the seven nominees named in the attached Proxy Statement;

the approval, on a non-binding advisory basis, of the compensation of the Company's named executive officers as disclosed in this Proxy Statement;

the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2019; and

such other business that may properly come before the Annual Meeting or any adjournment thereof.

How does the Board of Directors recommend that shareholders vote on these matters?

The Board of Directors believes that the election of the nominated directors, the approval on an advisory basis of the compensation of the named executive officers and the ratification of the appointment of Ernst & Young are in the best interests of the Company and its shareholders and, accordingly, recommends a vote **FOR** for each of these proposals.

Who is entitled to vote?

Shareholders of record as of the close of business on July 25, 2018 (the *Record Date*) are entitled to attend and vote at the Annual Meeting. Each shareholder is entitled to one vote for each share of common stock held on each matter submitted to a vote at the Annual Meeting.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

The rules of the SEC permit us to make our proxy materials available to beneficial owners of our stock electronically over the Internet without mailing printed copies of the proxy materials. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (*Notice of Internet Availability*) to our beneficial owners. All beneficial owners will have the ability to access the proxy materials, including this Proxy Statement and our 2018 Annual Report, on the website referred to in the Notice of Internet Availability or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or how to request a printed copy can be found in the Notice of Internet Availability. In addition, beneficial owners may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

Table of Contents

What does it mean if I receive more than one Notice of Internet Availability or proxy card?

It may mean that you hold shares registered in more than one account. Follow the voting instructions provided on each Notice of Internet Availability that you received to ensure that all of your shares are voted. If you received paper proxy cards, sign and return all proxy cards to ensure that all of your shares are voted. You may call American Stock Transfer & Trust Company at 1-800-937-5449 if you have any questions regarding the share information or your address appearing on the paper proxy card.

How do I vote?

You can vote by proxy over the Internet by following the instructions provided in the Notice of Internet Availability.

If you received a full set of proxy materials and your shares are registered directly with American Stock Transfer & Trust Company, you may vote via the Internet at www.proxyvote.com. Although we encourage you to vote via the Internet, you may also sign and date each paper proxy card you receive and return it in the prepaid envelope; the paper proxy card may also contain instructions for voting by telephone. The enclosed proxy will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by such proxy will be voted as instructed. Proxies may be revoked in the manner described above.

If you hold your shares through a stock broker, nominee, fiduciary or other custodian you may also be able to vote through a program provided through Broadridge Financial Solutions (*Broadridge*) that offers Internet voting options. If your shares are held in an account at a brokerage firm or bank participating in the Broadridge program, you are offered the opportunity to elect to vote via the Internet. Votes submitted via the Internet through the Broadridge program must be received by 11:59 p.m. (Eastern Time) on September 20, 2018.

What happens if I do not give specific voting instructions?

For Shares Directly Registered in the Name of the Shareholder: If you return your signed proxy but do not indicate your voting preferences, the Company will vote on your behalf **FOR** the election of the nominated directors, **FOR** the approval on an advisory basis of the compensation of the named executive officers and **FOR** the ratification of the appointment of Ernst & Young. If any other matter properly comes before the shareholders for a vote at the Annual Meeting, the proxy holders will vote your shares in accordance with their best judgment.

For Shares Registered in the Name of a Brokerage Firm or Bank: If your shares are held in street name, your broker or nominee will ask you how you want your shares to be voted. If you provide voting instructions, your shares must be voted as you direct. If you do not furnish voting instructions, one of two things can happen, depending upon whether a proposal is routine. Under the rules that govern brokers that have record ownership of shares beneficially owned by their clients, brokers have discretion to cast votes on routine matters, such as the ratification of the appointment of independent registered public accounting firms, without voting instructions from their clients. Brokers are not permitted, however, to cast votes on non-routine matters, such as the election of directors and the non-binding advisory vote to approve the compensation of the Company's named executive officers as disclosed in this Proxy Statement, without such voting instructions. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power for that proposal and has not received voting instructions from the beneficial owner.

What is an abstention?

An abstention is a properly signed proxy card that is marked `abstain` or properly completed instructions via the Internet to the same effect.

Table of Contents

How do I sign the paper proxy card?

Sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity (for example, as an attorney, executor, administrator, guardian, trustee or the officer or agent of a company), you should indicate your name and title or capacity. If the stock is held in custody for a minor (for example, under the Uniform Transfers to Minors Act), the custodian should sign the proxy card, not the minor. If the stock is held in joint ownership, both owners must sign.

May I vote my shares in person at the Annual Meeting?

For Shares Directly Registered in the Name of the Shareholder: Yes, however, we encourage you to vote by proxy card or the Internet even if you plan to attend the meeting. If you wish to give a proxy to someone other than the individuals named as proxies on the enclosed proxy card, you may cross out the names appearing on the enclosed proxy card, insert the name of some other person, sign the card and give the proxy card to that person for use at the meeting.

For Shares Registered in the Name of a Brokerage Firm or Bank: Yes, but in order to do so you will first have to ask your bank, broker or other intermediary to furnish you with a legal proxy. You will need to bring the legal proxy with you to the meeting, and hand it in with a signed ballot that you can request at the meeting. You will not be able to vote your shares at the meeting without a legal proxy and a signed ballot.

Your attendance at the Annual Meeting in and of itself will not automatically revoke a proxy that was submitted via the Internet or telephone or by mail.

Who will count the votes?

A representative of Broadridge will tabulate the votes and act as independent inspector of election.

What constitutes a quorum?

The holders of a majority of the outstanding shares of common stock on the Record Date present in person or represented by proxy constitutes a quorum for the Annual Meeting. As of the close of business on July 25, 2018, 113,828,217 shares of common stock were issued and outstanding. Subject to the rules regarding the votes necessary to adopt the proposals discussed below, abstentions and broker non-votes (as described above) will be counted for purposes of determining whether a quorum is present. Once a share is represented for any purpose at the Annual Meeting, it will be deemed present for quorum purposes for the remainder of the Annual Meeting (including any meeting resulting from an adjournment or postponement of the Annual Meeting, unless a new record date is set).

What vote is needed to approve the matters to be presented at the Annual Meeting?

In an uncontested election for directors, the seven persons receiving the highest number of FOR votes at the Annual Meeting will be elected. However, the Company's bylaws provide that any nominee for director who receives a greater number of votes withheld from the individual's election than votes for such election promptly shall tender the individual's resignation to the Corporate Governance Committee for consideration following certification of the shareholder vote. See above under the heading Election of Directors (Proposal 1) Policy on Majority Voting for Directors. A FOR vote by a majority of the votes cast is required to approve, on a non-binding advisory basis, the compensation of the Company's named executive officers as disclosed in this Proxy Statement; and a FOR vote by the holders of a majority of the shares present in person or represented by proxy and entitled to vote is required to ratify

the appointment of Ernst & Young and to approve any shareholder proposal. For purposes of determining approval of a matter presented at the Annual

Meeting, abstentions will be deemed present and entitled to vote (but not cast), other than for purposes of the non-binding advisory vote to approve the compensation of the Company's named executive officers as disclosed in this Proxy Statement, for which an abstention will have the effect of a vote against such proposal, while broker non-votes will not be deemed present and entitled to vote. An abstention will also have the effect of a vote against the proposal to ratify the appointment of Ernst & Young. Both abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present.

Will any other matters be acted on at the Annual Meeting?

If any other matters are properly presented at the Annual Meeting or any adjournment, the persons named in the proxy will have discretion to vote on those matters. As of the date by which shareholder proposals must have been received by the Company to be presented at the Annual Meeting, and as of the date of this Proxy Statement, the Company did not know of any other matters to be presented at the Annual Meeting.

Who pays for this proxy solicitation?

The Company will bear the entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing this Proxy Statement, the proxy and any additional soliciting material furnished to shareholders. The Company has retained MacKenzie Partners, Inc., a proxy solicitation firm, to solicit proxies for a fee of \$20,000, plus reimbursement of its out-of-pocket expenses. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of stock, and these entities may be reimbursed by the Company for their expenses. Proxies also may be solicited by directors, officers or employees of the Company in person or by telephone, e-mail or other means. No additional compensation will be paid to such individuals for these services.

SHAREHOLDER PROPOSALS FOR NEXT ANNUAL MEETING

The Company currently anticipates holding its Annual Meeting of Shareholders for its fiscal year ending March 31, 2019 in September 2019. Accordingly, shareholders who wish to present proposals, nominate directors or present other business appropriate for consideration at the Company's Annual Meeting of Shareholders to be held in 2019 must submit the proposal in proper form and in satisfaction of the conditions established by the SEC, to the Company at its address set forth on the first page of this Proxy Statement not later than April 1, 2019 in order for the proposal to be considered for inclusion in the Company's proxy statement and form of proxy relating to such annual meeting.
