Item 1.01 Entry into a Material Definitive Agreement.

On October 26, 2018, CVS Health Corporation, a Delaware corporation (CVS Health), entered into a 364-Day Bridge Term Loan Agreement (the Bridge Term Loan Agreement) with the lenders party thereto and Barclays Bank PLC, as administrative agent, to document its bridge facility previously described in the Current Report on Form 8-K filed by CVS Health with the Securities and Exchange Commission (the SEC) on December 5, 2017 (the December 5 Current Report). The Bridge Term Loan Agreement provides for total commitments in an aggregate principal amount of \$4.0 billion. The Bridge Term Loan Agreement was entered into in connection with the previously announced proposed merger (the Merger) of a wholly-owned subsidiary of CVS Health with Aetna Inc., a Pennsylvania corporation (Aetna), pursuant to the Agreement and Plan of Merger, dated as of December 3, 2017 (the Merger Agreement), among CVS Health, Aetna and Hudson Merger Sub Corp., a Pennsylvania corporation and a wholly-owned subsidiary of CVS Health, described in the December 5 Current Report.

The lenders party to the Bridge Term Loan Agreement will be obligated to make loans under the Bridge Term Loan Agreement upon the written request of CVS Health following the satisfaction or waiver of certain conditions, including but not limited to: (i) the occurrence of the Effective Date (which requires the satisfaction or waiver of specified conditions precedent, including, without limitation, the delivery of certain certificates, organizational documents and opinions); (ii) the consummation of the Merger concurrently or substantially concurrently with the making and the funding of the loans under the Bridge Term Loan Agreement in all material respects in accordance with the terms of the Merger Agreement; (ii) the absence of a material adverse effect change with respect to Aetna since December 3, 2017; (iii) the truth and accuracy in all material respects of the Target Representations and the Specified Representations (each as defined in the Bridge Term Loan Agreement); (iv) the absence of specified events of default, (v) the receipt of certain certificates; and (vi) the receipt of certain financial statements. The Effective Date under the Bridge Term Loan Agreement occurred on October 26, 2018.

The bridge facility under the Bridge Term Loan Agreement will be unsecured and does not amortize. Any borrowings under the bridge facility will mature and be payable on the date that is 364 days after the date on which lenders are obligated to make loans under the Bridge Term Loan Agreement.

Any borrowings under the Bridge Term Loan Agreement will bear interest at a rate per annum equal to, at the option of CVS Health, either the Eurodollar rate or the base rate, plus, in each case, an applicable margin that will depend on the credit ratings by each of Standard & Poor's Ratings Services (S&P) and Moody's Investors Service, Inc. (Moody's) of CVS Health's senior unsecured debt non-credit enhanced long-term indebtedness for borrowed money, as set forth in the Bridge Term Loan Agreement. The Eurodollar rate will be an interest rate per annum equal to the London Interbank Offered Rate for the applicable interest rate multiplied by the statutory reserve rate. The base rate will be, for any day, a fluctuating rate per annum equal to the highest of (i) the rate last quoted by *The Wall Street Journal* as the prime rate or, if *The Wall Street Journal* ceases to quote such rate, the highest rate per annum published by the Federal Reserve Board as the bank prime loan rate or, if such rate is no longer quoted, any similar release by the Federal Reserve Board, (ii) the Federal Funds effective rate plus $\frac{1}{2}$ of 1.0% and (iii) the one-month reserve adjusted Eurodollar Rate plus 1.0%. The Bridge Term Loan Agreement provides for an increase in the applicable margin on the 90th day, the 180th day and the 270th day after the date of the consummation of the Merger (the Closing Date).

Each lender under the Bridge Term Loan Agreement is entitled to (i) a commitment fee, payable on the date on which the commitment terminates, at a rate that will depend on the credit ratings by each of S&P and Moody's of CVS Health, as set forth in the Bridge Term Loan Agreement, on the undrawn and available commitment of that lender (as determined on a daily basis), and (ii) if borrowings occur, a duration fee, payable on the 90th day, the 180th day and the 270th day after the Closing Date, at a rate specified in the Bridge Term Loan Agreement, which rate increases on each such payment date, on the aggregate principal amount of the loans of such lender outstanding under the bridge facility at the close of business on the applicable payment date.

The Bridge Term Loan Agreement includes provisions relating to (i) the reduction of commitments, or mandatory prepayment of any borrowings, under the bridge facility upon receipt by CVS Health or any of its subsidiaries of net cash proceeds arising from any debt issuance, equity issuance or asset sale, in each case, subject to certain exclusions set forth in the Bridge Term Loan Agreement, and (ii) the reduction of the commitments under the bridge facility by the amount of any committed principal amount under any qualifying term loan agreement entered into by CVS Health or any of its subsidiaries.

The Bridge Term Loan Agreement contains certain covenants, including limitations on liens; dispositions; mergers or consolidations; acquisitions; restricted payments; limitation on upstream dividends by subsidiaries; and limitation on negative pledges. In addition, the Bridge Term Loan Agreement limits the ratio of CVS Health's consolidated indebtedness to total capitalization debt to a maximum of 0.65 to 1.0; provided that until the earlier of (i) the occurrence of the Closing Date and (ii) the date that is 30 days following the termination of the Merger Agreement in accordance with its terms, consolidated indebtedness and total capitalization shall each be calculated exclusive of any indebtedness not exceeding \$49.0 billion issued or borrowed by CVS Health for the purpose of financing the Merger (including all of the transaction costs, fees, commissions and expenses in connection therewith) and which is redeemable or prepayable if the Merger is not consummated. The Bridge Term Loan Agreement also includes a covenant restricting the incurrence of debt by CVS Health's subsidiaries to up to 15% of net tangible assets. In determining compliance with such test, (i) any indebtedness of Aetna and its subsidiaries existing as of the closing date under the Bridge Term Loan Agreement (other than any increase, refinancing or replacement thereof) (the Aetna Existing Indebtedness) shall be excluded from indebtedness, and (ii) indebtedness that may be incurred by all of CVS Health's subsidiaries (excluding the Aetna Existing Indebtedness and other indebtedness under capital leases incurred in connection with a sale and leaseback transaction) may not exceed \$900.0 million in the aggregate, in each case, until such date as CVS Health shall be in compliance with such test without giving effect to the exclusion in clause (i) above.

The Bridge Term Loan Agreement contains customary events of default, such as non-payment of obligations under the Bridge Term Loan Agreement, violation of affirmative or negative covenants, material inaccuracy of representations, non-payment of other material debt, bankruptcy or insolvency, ERISA and judgment defaults and change of control.

The foregoing description of the Bridge Term Loan Agreement is summary in nature and is qualified in its entirety by reference to the Bridge Term Loan Agreement, a copy of which is filed hereto as Exhibit 10.1, and incorporated herein by reference.
