Supplemental Disclosure Concerning Proposal 4: Approval of the Amended and Restated Humana Inc. Stock Incentive Plan

In connection with the proposal to approve the Amended and Restated Humana Inc. Stock Incentive Plan, the information set forth in (i) the paragraph under the caption **Participation** on page 67 of the Proxy Statement and (ii) the section under the caption **New Plan Benefits** on page 73 of the Proxy Statement, in each case has been supplemented, with the full text of the applicable section included below.

Participation

The Committee may grant Awards under the Stock Plan to any director, officer, employee or consultant of the Company or any of its subsidiaries, joint ventures and affiliated entities. The Company's non-employee directors currently receive annual awards as described in this proxy statement under Director Compensation, and the Company's Named Executive Officers received annual awards as described in this proxy statement under Compensation Discussion and Analysis and Grants of Plan-Based Awards. As of February 25, 2019, the Company had 11 non-employee directors, 15 executive officers, and approximately 42,000 employees who are, in each case, eligible to participate in the Stock Plan. In addition, there are approximately 53,000 employees of joint ventures and affiliated entities of the Company who are eligible to participate in the Stock Plan. While consultants of the Company are also eligible for the Stock Plan, no consultant has received an equity award under the Humana Inc. 2011 Stock Incentive Plan.

New Plan Benefits

Because benefits under the Stock Plan will depend on the Committee's actions and the fair market value of our Shares at various future dates, it is not possible to determine the benefits that will be received by directors, executive officers and other employees if the Stock Plan is approved by our stockholders. Information concerning awards under the Humana Inc. 2011 Stock Incentive Plan is available in this proxy statement in the following tables and the narrative accompanying them: Summary Compensation Table, Grants of Plan Based Awards, Outstanding Equity Awards at Fiscal Year End, Option Exercises and Stock Vested, Director Compensation and Equity Compensation Plan Information. On February 25, 2019, the fair market value of our Shares was \$304.87.

Additionally, while the benefits actually granted under the Stock Plan will depend on a number of factors and are not determinable at this time, the following table sets forth the number of options, common stock/restricted stock units and performance stock units granted in 2018 to the Company's current executive officers and current non-employee directors, in each case as of February 25, 2019, and all other employees of the Company:
