Item 1.01 Entry into a Material Definitive Agreement.

The disclosure set forth in Item 2.01 of this Current Report on Form 8-K is incorporated herein by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 4, 2014, Finjan Holdings, Inc. (the “Company”) sold its wholly-owned subsidiary, Converted Organics of California, LLC (“Converted Organics”), through which the Company operated its organic fertilizer business, to Converted Organics, LLC (the “Purchaser”). The sale was effected pursuant to a Membership Interest Purchase Agreement (the “Purchase Agreement”), dated December 4, 2014, among the Company, the Purchaser and, for purposes of certain provisions thereof, Steven McShane (“McShane”).

In accordance with the Purchase Agreement, at the closing, the Purchaser paid the Company \$675,000 in cash. As a result of the sale of Converted Organics, the Company no longer operates an organic fertilizer business. The Company continues to operate its web and network security technology as its only line of business.

The Purchaser is a newly-formed company in which McShane, the acting manager of Converted Organics prior to the sale, owns a minority interest. Except for the Company’s relationship with McShane, none of the Company, its officers, directors or affiliates has any relationship with the Purchaser. The amount of consideration payable to the Company in connection with the transaction was determined by arms-length negotiations between the Company and the Purchaser, and not pursuant to any specific formula or principle.

The Purchase Agreement contained customary representations and warrants made by the Purchaser, McShane and the Company, including, but not limited to, representations and warranties by the Company with respect to the capitalization, financial condition, liabilities, tax matters and legal proceedings of, or relating to, Converted Organics. The Company and the Purchaser also agreed to indemnify one another for breaches of representations, warranties and covenants contained in the Purchase Agreement, subject to certain limitations contained in the Purchase Agreement.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is attached as Exhibit 2.1, and is incorporate herein by reference.
