### ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

It is anticipated that funding for the proposed transaction described in Item 4 will be obtained through third party debt financing currently being negotiated by the Reporting Persons that, together with other funds available to the Reporting Persons, will be sufficient to consummate any such transaction. The Reporting Persons anticipate that if the proposed transaction described in Item 4 proceeds and if they are able to successfully negotiate a definitive loan commitment, they would cause the Company to enter into a loan relationship with General Electric Capital Corporation ("GE Capital"), which has provided a proposal to finance the lesser of \$6,400,000 or 90% of the cost to effect the proposed transaction described in Item 4. The principal terms of the loan include a ten year term with monthly principal and interest payments and an interest rate that, at the option of the Reporting Persons, would be (i) a fixed rate of 8.02% per annum, (ii) a fixed rate of 7.57% per annum for the first five years that converts to a variable interest rate equal to LIBOR plus 3.20%, or (iii) a variable interest rate equal to LIBOR plus 3.20%, which is currently 4.81% per annum. Such loan would be secured by a first priority security interest in all of the Company's assets. GE Capital has no obligation or commitment to provide the foregoing financing and the Reporting Persons have no assurances that they will be able to negotiate definitive terms or obtain a loan from GE Capital or any other lender on terms acceptable to the Reporting Persons.

### ITEM 4. PURPOSE OF TRANSACTION

On August 5, 2004, Mr. Davis, on behalf of the Reporting Persons, submitted a non-binding proposal, a copy of which is attached hereto as Exhibit B (the "Proposal"), for a going private transaction to the Company's Board of Directors. Under the Proposal, the Reporting Persons propose to acquire, through a corporation to be formed ("Acquisition Company"), all of the outstanding shares of the Company's Common Stock not currently owned by the Reporting Persons for a price per share of \$7.50 payable in cash (the "Acquisition"). The Reporting Persons expect that the Acquisition would be effected through a two-step transaction consisting of (i) a cash tender offer for no less than 90% of the Company's Common Stock or such lesser amount as the Reporting Persons agree (the "Tender Offer") and (ii) a subsequent merger in which the Acquisition Company would merge with and into the Company (with the Company as the surviving entity) and in which any remaining shareholders of the Company who did not participate in the Tender Offer would receive the same consideration as in the Tender Offer.

The Reporting Persons are the holders of approximately 66% of the Company's Common Stock. Mr. Davis is the Chairman of the Board, President and Chief Executive Officer of the Company, Mssrs. Service, Jensen, Connor, Waldron, Williams and Woolley are directors of the Company, and the remainder of the Reporting Persons are current shareholders of the Company.

The Proposal is subject to a number of conditions, including, among other things (i) a financing contingency; (ii) a non-waivable condition requiring that a majority of the Company's shareholders (excluding, for this purpose, all Reporting Persons and their affiliate) tender their shares, (iii) a condition (waivable only by the Acquisition Company) requiring that the Acquisition Company, immediately following the completion of the Tender Offer, hold at least 90% of the Company's Common Stock (inclusive of the Common Stock

## Edgar Filing: DAVIS BRUCE N - Form SC 13D/A

held by all of the Reporting Persons); and (iv) obtaining any necessary regulatory approvals. The Reporting Persons have no assurances that any or all of the foregoing conditions can or will be satisfied.

Neither the Company nor any of the Reporting Persons are obligated to pursue or to complete the Acquisition. The Reporting Persons reserve the right to modify their proposal in any way as a result of negotiations or to withdraw the Proposal at any time.

If the proposed Acquisition is completed, the Common Stock would become eligible for termination of registration pursuant to Section 12(g) of the Securities Act and the Common Stock would be delisted from NASDAQ.

Except as indicated above, none of the Reporting Persons have any plans or proposals that relate to or would result in any other action specified in clauses (a) through (j) of Item 4 on Schedule 13D.

Exhibit B

August 5, 2004

Board Of Directors  
Elmer's Restaurants, Inc.  
11802 SE Stark St.  
Portland, OR 97292

Gentlemen:

I am pleased to present to the Board of Directors this proposal for a going private transaction in which the public shareholders of the Company will

## Edgar Filing: DAVIS BRUCE N - Form SC 13D/A

have the opportunity to receive cash representing an attractive premium to current market value in exchange for their shares of common stock (the "Proposal"). To that end, I have assembled a group of Company shareholders, including the Company's Board of Directors (collectively, the "Shareholder Group") who together own approximately 66% of the outstanding shares.

The proposed transaction would be effected by means of a tender offer for the remaining 34% of the Company's outstanding shares, followed by the merger of the acquiring entity into the Company, with the Company surviving as a privately-held corporation (the "Tender Offer"). In the Tender Offer, the Company's public shareholders would receive \$7.50 in cash in exchange for each of their shares, while members of the Shareholder Group would retain their equity interests in the Company. The Proposal represents a 20% premium over the closing price of the common stock on August 5, 2004 and a 17% premium over the weighted-average closing price over the last 30 days. I believe this offers the Company's shareholders full and fair value for their shares. It is our intention, following the Tender Offer, to leave the Company's business and operations unchanged.

I believe the Proposal presents an excellent opportunity for the Company's public shareholders to realize a premium for their shares at a fair price, while allowing management to focus on executing the Company's strategy without having to address the burdens and costs of being a public company. These costs have significantly increased with the passage of the Sarbanes-Oxley Act and the related regulations promulgated by the Securities and Exchange Commission and Nasdaq. In fact, compliance will become even more expensive and burdensome with the phase-in of new rules relating to internal control procedures. Additionally, the Company's stock suffers from minimal public float and trading volume, as well as a lack of research coverage by analysts. Absent a going private transaction, management expects that public company costs for the current fiscal year will reach approximately \$468,000 - equivalent to 25% of pre-tax income for the year ended March 29, 2004. The \$468,000 estimate includes \$363,000 paid to external accountants, legal counsel, listing fees and other outside vendors as well as \$105,000 in staff time and expenses.

30

Alternatives to this transaction include continuing to pay a significant portion of pre-tax income each year in public company costs, or avoiding the majority of these costs by de-listing the Company's stock. Neither of these alternatives represents an attractive outcome for shareholders. Therefore, this is an opportune time for the public shareholders to cash out their shares and the Company to be relieved of the burdens of being a public corporation.

To assist us in the transaction of the Tender Offer, the Shareholder Group has retained Veber Partners of Portland, Oregon to act as our financial advisor. Lane Powell Spears Lubersky LLP is acting as counsel to the Shareholder Group. The Proposal is subject to the availability of the necessary financing at closing and other customary closing conditions. The Company's current bank group has provided us with a preliminary written proposal for funding.

The Tender Offer will be subject to a non-waivable requirement that a majority of the minority 34% shareholders tender their shares in the Tender Offer. It will also be subject to a condition, waivable only by the Shareholder Group, requiring that the acquiring entity will hold at least 90% of the Company's common stock after the closing of the Tender Offer (inclusive of common stock held by the Shareholder Group). The Proposal is also subject to compliance with any applicable federal and state regulatory requirements.

There can be no assurance that the Tender Offer will be commenced or

Edgar Filing: DAVIS BRUCE N - Form SC 13D/A

will be successfully completed.

The Shareholder Group believes that our Proposal is in the best interests of the Company and will be attractive to the Company's public shareholders. It is our view that providing a premium to our public shareholders and operating the Company as a private enterprise is the best alternative for all concerned.

Sincerely,

/s/BRUCE N. DAVIS

Bruce N. Davis,  
On behalf of the Shareholder Group
