Item 5.03

Amendments to Articles of Incorporation or Bylaws

On February 16, 2010, The Tirex Corporation (Tirex), filed with the State of Delaware an Amendment to its Certificate of Designation of Series A Convertible Preferred Stock (the Series A Preferred), increasing the authorized shares of Series A Preferred by ten million (10,000,000) shares, from fifteen million (15,000,000) shares to twenty-five million (25,000,000) total shares. The Board of Directors of the Company previously approved the increase pursuant to its blank check preferred powers under Article IV of Tirex s Certificate of Incorporation, as amended,

Concurrently, Tirex issued (i) 5,000,000 shares of Series A Preferred to John L. Threshie, (ii) 2,500,000 shares of Series A Preferred to Louis V. Muro and (iii) 2,500,000 shares of Series A Preferred Stock to Micheal Ash. The Series A Preferred provides the holder with the equivalent of 100 votes per share, as compared with one vote per share of Tirex s common stock, on any manner properly eligible to ne put to a vote of the shareholders of the common stock of Tirex. The Series A Preferred converts into common stock of Tirex, at the Series A Preferred holder s election, at a rate of five shares of common stock per one share of Series A Preferred converted (5-for-1).

Also, on February 17, 2010, Tirex filed with the State of Delaware an Amendment to its Certificate of Incorporation, increasing the authorized \$0.001 par value common stock from the one billion, five hundred million (1,500,000,000) shares to two billion (2,000,000,000) common shares (the Amendment). The Board unanimously authorized the Amendment and the shareholders approved the Amendment by a majority consent of shareholder votes.

Management intends to use part of this increase in Tirex s authorization to satisfy certain liabilities, accrued and unpaid salaries, to compensate legal counsel and consultants for services actually rendered or to be rendered and to provide working capital to further the business activities of the corporation.
