GENERAL INFORMATION

Who may vote

Shareholders of Meridian, as recorded in our stock register on December 2, 2002, may vote at the meeting. As of that date, Meridian had 14,633,733 shares of Common Stock outstanding.

Edgar Filing: MERIDIAN BIOSCIENCE INC - Form DEF 14A

How to vote

You may vote in person at the meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

How proxies work

Meridian's Board of Directors is asking for your proxy. Giving us your proxy means you authorize us to vote your shares at the meeting in the manner you direct. You may vote for all, some or none of our director candidates. You may also vote for or against the other proposals or abstain from voting.

If you sign and return the enclosed proxy card but do not specify how to vote, we will vote your shares in favor of our director candidates and in favor of the ratification of PricewaterhouseCoopers LLP as Meridian's independent public accountants for fiscal year 2003.

If any other matters come before the meeting or any adjournment, each proxy will be voted in the discretion of the individuals named as proxies on the card.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. If you hold shares through someone else, such as a stockbroker, you may get material from them asking how you want to vote.

Revoking a proxy

You may revoke your proxy before it is voted by submitting a new proxy with a later date, by voting in person at the meeting, or by notifying Meridian's Secretary in writing at the address under "Questions?" on page 15.

Quorum

In order to carry on the business of the meeting, we must have a quorum. This means at least a majority of the outstanding shares eligible to vote must be represented at the meeting, either by proxy or in person.

Votes needed

The six director candidates receiving the most votes will be elected to fill the seats on the Board. Ratification of appointment of accountants requires the favorable vote of a majority of the votes cast. Only votes for or against these proposals count. Abstentions and broker non-votes count for quorum purposes but not for voting purposes. Broker non-votes occur when a broker returns a proxy card but does not have authority to vote on a particular proposal

Other Matters

Any other matters considered at the meeting, including adjournment, will require the affirmative vote of a majority of the votes cast.

ELECTION OF DIRECTORS (Item 1 on the Proxy Card)

The Board has nominated the director candidates named below.

The Board of Directors oversees the management of Meridian on your behalf. The Board reviews Meridian's long-term strategic plans and exercises direct decision-making authority in key areas, such as

Proxies solicited by the Board will be voted for the election of these nominees. All directors elected at the Annual Meeting will be elected to hold office until the next annual meeting. In voting to elect directors, shareholders are entitled to cumulate their votes and to give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of shares held by the shareholder, or to distribute their votes on the same principle among as many candidates as the shareholder sees fit. In order to invoke cumulative voting, notice of cumulative voting must be given in writing by a shareholder to the President, a Vice President or the Secretary of Meridian not less than 48 hours prior to the Annual Meeting. The proxies solicited include discretionary authority to cumulate votes.

Four of our six nominees are not Meridian employees. Only non-employee directors serve on Meridian's Audit and Compensation committees. All Meridian directors are elected for one-year terms. Personal information on each of our nominees is given below.

Edgar Filing: MERIDIAN BIOSCIENCE INC - Form DEF 14A

PricewaterhouseCoopers LLP are expected to be present at the Shareholders' Meeting and will be given an opportunity to make a statement, if they so desire, and to respond to appropriate questions that may be asked by shareholders.

Changes in the Company's Certifying Accountant

On May 13, 2002, Meridian dismissed Arthur Andersen LLP as the independent public accountant to audit Meridian's consolidated financial statements.

Following a review of Meridian's accounting services in recent years, the Board of Directors initiated a process to solicit bids from Deloitte & Touche LLP, Ernst & Young LLP, Grant Thornton LLP, and PricewaterhouseCoopers LLP. The Audit Committee of the Board of Directors, after reviewing audit proposals from all four firms selected PricewaterhouseCoopers as Meridian's independent accountants to replace Arthur Andersen, effective May 13, 2002. The Company reported this change of accountant in a Current Report on Form 8-K filed with the SEC on May 13, 2002.

Arthur Andersen's report on Meridian's financial statements for each of the last two fiscal years did not contain an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles. During Meridian's two most recent fiscal years and the subsequent interim periods preceding the replacement of Arthur Andersen, there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Arthur Andersen, would have caused them to make a reference to the subject matter of the disagreement(s) in connection with its report. Meridian has authorized Arthur Andersen to respond fully to any inquiries by PricewaterhouseCoopers.

Arthur Andersen did not advise Meridian either during its two most recent fiscal years or during the subsequent interim periods preceding Arthur Andersen's dismissal:

- > that the internal controls necessary for Meridian to develop reliable financial statements did not exist;
- > that information had come to its attention that had led it to no longer be able to rely on management's representations, or that had made it unwilling to be associated with the financial statements prepared by management;
- > of the need to expand significantly the scope of its audit, or that information had come to its attention during the two most recent fiscal years or any subsequent interim periods that if further investigated might materially have impacted the fairness or reliability of either: (i) a previously issued audit report or the underlying financial statements, or

- 4 -

- (ii) the financial statements issued or to be issued covering the fiscal period(s) subsequent to the date of the most recent financial statements covered by an audit report, or have caused it to be unwilling to rely on management's representations or be associated with Meridian's financial statements; or
- > that information had come to its attention that it had concluded materially impacts the fairness or reliability of either (i) a previously issued audit report or the underlying financial

Edgar Filing: MERIDIAN BIOSCIENCE INC - Form DEF 14A

statements, or (ii) the financial statements issued or to be issued covering the fiscal period(s) subsequent to the date of the most recent financial statements covered by an audit report, including information that, unless resolved to the accountant's satisfaction, would prevent it from rendering an unqualified audit report on those financial statements.

During the two most recent fiscal years and during the interim period prior to engaging PricewaterhouseCoopers, neither Meridian nor anyone on its behalf consulted PricewaterhouseCoopers regarding either: (i) the application of accounting principles to a specified transaction (either completed or proposed) or the type of audit opinion that might be rendered on Meridian's financial statements, and no written report or oral advice was provided to Meridian that PricewaterhouseCoopers concluded was an important factor considered by Meridian in reaching a decision as to an accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of either a disagreement or a reportable event.

Meridian provided Arthur Andersen LLP with a copy of the foregoing disclosures and received from Arthur Andersen LLP a letter addressed to the Securities and Exchange Commission stating its agreement with such disclosures. A copy of the letter from Arthur Andersen was filed with the SEC as Exhibit 16 to the Form 8-K.

Directors who are employees of Meridian are not separately compensated for serving as directors.

REPORT OF THE AUDIT COMMITTEE

Meridian's Audit Committee is composed of Messrs. Phillips (Chairman), Ready, Buzard and Kreider. All of the members of the Committee met the NASD standards for independence and financial literacy in fiscal 2002.

In April 2000, the Board adopted the Audit Committee Charter, which was attached to the 2001 Proxy Statement as Appendix I. The Charter outlines the activities and responsibilities of the Committee.

On May 6, 2002 the Committee selected the accounting firm of PricewaterhouseCoopers as their new independent public accountants. The selection was made after considering offers from Deloitte & Touche LLP, Ernst & Young LLP, Grant Thornton LLP, and PricewaterhouseCoopers LLP.

On August 20, 2002, the Committee met with representatives of PricewaterhouseCoopers and Meridian's internal accountants and reviewed with them the proposed 2002 Audit Plan, areas warranting particular concentration on the audit and the effects of new accounting pronouncements. The

Edgar Filing: MERIDIAN BIOSCIENCE INC - Form DEF 14A

PricewaterhouseCoopers representatives reviewed with the Committee written disclosures required by the Independence Standards Board Standard No. 1 regarding independence of the public accountants and presented a letter regarding that matter to the Committee.

- 6 -

At its meeting on November 19, 2002, the Committee reviewed with management, PricewaterhouseCoopers and Meridian's accounting officers the results of the audit for fiscal 2002, including the audited financial statements. The Committee discussed with PricewaterhouseCoopers the matters required to be discussed by Statement on Auditing Standards No. 61.

The Committee met on December 13, 2002 to review a draft of the Form 10-K. Based on their review the Committee recommended to the Board of Directors that the audited financial statements of Meridian be included in its Annual Report on Form 10-K for the year ended September 30, 2002 for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Report of the Compensation Committee

Meridian's Compensation Committee is composed of Messrs. Kreider (Chairman), Buzard, Phillips and Ready. The Compensation Committee is responsible for establishing compensation for executive officers, establishing salary levels and bonus plans, making bonus awards and otherwise dealing in all matters concerning compensation of the executive officers and awarding stock options for all employees.

At its meeting on November 14, 2001, the Committee maintained salary levels for Messrs. Motto, Kraeutler, Eberly and Interno for fiscal 2002 at fiscal 2001 levels, as shown in the Summary Compensation Table, granted increases to operating officers and established a fiscal 2002 bonus award based on targeted net earnings levels which the Company did not achieve. The Committee had available to it in establishing executive salaries the recommendations of management with respect to overall staff level compensation for the coming fiscal year for Meridian. The Committee took into account these considerations plus the financial performance of Meridian during fiscal 2001 in establishing salary levels. It determined the compensation for the Chief Executive Officer in the same manner it did for its other executive officers. The Committee met without Meridian's management in making its decisions. At its meeting on

Edgar Filing: MERIDIAN BIOSCIENCE INC - Form DEF 14A
