Trustees
Guaranty Bancshares, Inc. Employee
Stock Ownership Plan
(With 401(k) Provisions)
Mt. Pleasant, Texas

We have audited the accompanying statements of net assets available for benefits of Guaranty Bancshares, Inc. Employee Stock Ownership Plan (with 401(k) Provisions) (Plan) as of December 31, 2004 and 2003, and the related statement of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Guaranty Bancshares, Inc. Employee Stock Ownership Plan (with 401(k) Provisions) as of December 31, 2004 and 2003, and the changes in its net assets available for benefits for the years then ended, in conformity with U. S. generally accepted accounting principles.

Note: For participants employed before December 31, 1997, 25% of their Matching Contributions account was automatically fully vested and the other 75% was subject to the schedule above.

<u>Participant's Years of Service</u>	<u>Vested Percentage</u>

PARTICIPANT ACCOUNTS

Each participant's account is credited with any salary deferrals as well as an allocation of the Company's contributions, Plan earnings and forfeitures of terminated participants' non-vested accounts, less an allocation of administrative expenses. Allocations of the Company Optional Contributions are based on a participant's compensation. Company Matching Contributions are allocated based on a participant's salary deferrals.

PARTICIPANTS INVESTMENT OPTIONS

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan administrator. Participants may change the percentage of their elective contributions only as of the January 1st or July 1st of any Plan Year. Participants may change their investment options once per calendar quarter throughout the year via phone, paper document, or online access to Pentegra Services, Inc.

PARTICIPANT LOANS

The Plan allows participants to borrow from their participant accounts in cases of immediate and heavy financial need as defined by the Plan. In such cases, participants may borrow up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Interest rates and terms of the loans, not to exceed five years, are determined by the committee of Trustees.

FORFEITURES

Any portion of the balance in a participant's account that is not vested will become a forfeiture upon the occurrence of a break in service. Forfeitures are used to pay administrative expenses of the plan and are also reallocated among the remaining participants of the Plan in the ratio that the participant's compensation bears to the total compensation of all participants. Forfeitures totaling \$30,000 were allocated to participants in February, 2004. At December 31, 2004 and 2003, unallocated forfeitures amounted to \$37,621 and \$51,809, respectively.

PLAN AMENDMENT

The Plan was amended and restated for the plan year beginning 2002 to reflect certain provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001. As mentioned in Note 4, a favorable determination letter was obtained by the Company for this amendment.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall become 100% vested in their respective accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
