**Item 1.01. Entry into a Material Definitive Agreement.**

On October 18, 2012, we entered into Amendment No. 2 ( Amendment No. 2 ) to the Agreement and Plan of Merger (the Merger Agreement ), dated as of April 13, 2012, by and among Stratasys, Inc., Objet Ltd., an Israeli corporation ( Objet ), Seurat Holdings Inc., a Delaware corporation and an indirect wholly owned subsidiary of Objet ( Holdco ), and Oaktree Merger Inc., a Delaware corporation and a direct wholly owned subsidiary of Holdco, as amended by Amendment No. 1 to the Merger Agreement, dated as of September 30, 2012, to, among other things, further extend the End Date under the Merger Agreement from October 19, 2012, to December 6, 2012. Under Section 8.1.2.1 of the Merger Agreement, either Stratasys or Objet may terminate the Merger Agreement upon written notice to the other party if the Merger is not consummated on or before the End Date, as amended. Amendment No. 2 also amended the Merger Agreement to provide that either Stratasys or Objet could terminate the Merger Agreement if one of us concludes that a mitigation plan proposed by the Committee on Foreign Investment in the United States ( CFIUS ) could result in an adverse effect on the combined company following the merger and to provide that neither party can demand a closing of the merger until clearance of the merger by CFIUS or by the President of the United States in accordance with the Defense Production Act of 1950, as amended.

The foregoing summary is qualified in its entirety by reference to the text of Amendment No. 2, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

**Item 8.01. Other Events.**

On October 18, 2012, Stratasys and Objet announced that on October 15, 2012, they had withdrawn their Joint Voluntary Notice under the Defense Production Act of 1950 and on October 16, 2012, had resubmitted it to the Committee on Foreign Investment in the United States ( CFIUS ) to provide for an additional 45-day review period, which expires on November 30, 2012. The companies also announced that they had agreed to amend their Merger Agreement to, among other things, extend the end date under the Merger Agreement to December 6, 2012. A copy of the press release making such announcements is attached hereto as Exhibit 99.1.

SAFE HARBOR FOR FORWARD-LOOKING STATEMENTS

Statements in this document regarding the proposed transaction between Stratasys and Objet, including, without limitation, the expected timetable for completing the transaction, statements related to the anticipated consummation of the proposed combination of Stratasys and Objet, statements regarding regulatory review of the transaction, management of the combined company, the benefits of the proposed combination, the future financial performance of the combined company after the proposed combination, and any other statements regarding future expectations, beliefs, goals, plans or prospects constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Any statements that are not statements of historical fact (including statements containing believes, anticipates, plans, expects, may, would, intends, estimates and similar expressions) should also be considered to be forward-looking statements. There are a number of important factors that could cause actual results or events to differ materially from those indicated by such forward-looking statements, including: the ability of each of Stratasys and Objet to satisfy the closing conditions and consummate the transaction; the risk that the businesses may not be integrated successfully; the risk that the transaction may involve unexpected costs or unexpected liabilities; the risk that synergies from the transaction may not be fully realized or may take longer to realize than expected; the risk that management's focus on and disruptions arising from the transaction make it more difficult to maintain relationships with customers, employees, or suppliers; and the other risks set forth in the definitive proxy statement/prospectus filed with the SEC by Stratasys on August 8, 2012, as well as the other factors described in the filings that Stratasys makes with the SEC from time to time. If one or more of these factors materialize, or if any underlying assumptions prove incorrect, the transactions described herein may not be successfully consummated, and if consummated the actual results, performance or achievements of the combined company may vary materially from any future results, performance or achievements expressed or implied by these forward-looking statements.

In addition, the statements in this document reflect the expectations and beliefs of Stratasys as of the date of this document. Stratasys anticipates that subsequent events and developments will cause its expectations and beliefs to change. However, while Stratasys may elect to update these forward-looking statements publicly in the future, it specifically disclaims any obligation to do so. The forward-looking statements of Stratasys do not reflect the potential impact of any future dispositions or strategic transactions, including the Merger that may be undertaken. These forward-looking statements should not be relied upon as representing Stratasys' views as of any date after the date of this document.
