This amendment corrects the amount of shares awarded on the original Form 4. The amount reported on the original filing was the (1) "target" amount of shares and did not include the required reduction of 3.06% based on the total shareholder return for PNC for the year ended December 31, 2011, as described in the original footnote.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
