- (1) Upon the closing of the issuer's initial public offering, the issuer's Class A Common Stock and Class B Common Stock will automatically convert into Common Shares of the issuer on a 1-for-1 basis.
The Class B Common Stock options are fully exercisable seven years from the grant date. If the Company fails to meet the EBITDA target for a fiscal year, but meets a cumulative EBITDA target in that year or a later year (and the reporting person has been an employee or key non-employee at all times from the grant date through the last day of such later year), the applicable percentage of the option which would have become exercisable pursuant to the vesting schedule shall become exercisable.
