Represents the grant of restricted stock units with a vesting commencement date of February 15, 2015. The units vest as to 25% of the
(1) shares subject to the RSU on the first anniversary of the vesting commencement date, and the remainder will vest quarterly over the three following years.

Represents the number of shares required to be sold by the reporting person to cover tax withholding obligations in connection with the
(2) vesting of certain RSUs, previously reported in Table I following the date of grant. This sale is mandated by the Issuer's election under its equity incentive plans to require the satisfaction of tax withholding obligations to be funded by a "sell to cover" transaction and does not represent a discretionary trade by the reporting person.

(3) The shares were sold at prices between \$98.1501 and \$98.46. The reporting person will provide upon request to the SEC, the issuer or security holder of the issuer, full information regarding the number of shares sold at each separate price.
