Information Contained in this Form 6-K Report

Attached hereto as Exhibit I is a press release dated August 21, 2009 of Global Ship Lease, Inc. (the Company) reporting that the Company has amended its credit facility. The amended credit facility is attached hereto as Exhibit II.

The amended credit facility includes the following material amendments:

The Leverage Ratio (or loan to value) covenant requiring the Company, upon request of the facility agent, to repay borrowings (or deliver additional collateral) to the extent required to ensure a Leverage Ratio of less than or equal to 75% will not apply until the Leverage Ratio is first tested after the expiry of the Waiver Period (April 30, 2009 to and including November 30, 2010). Consequently, the first such test is scheduled to be as at April 30, 2011.

The \$82 million purchase of containership CMA CGM Berlioz would be funded by (i) up to \$42 million drawing under the credit facility (ii) no less than \$20 million of available cash and (iii) the balance of no more than \$20 million as a newly created Over Advance Portion borrowing (the OAP Loan) under the credit facility.

The first repayment of the OAP Loan will be due in November 2009 and be in an amount equal to free cash in excess of \$20 million as determined as at the end of October 2009. The second payment will be due in February 2010 on the same basis, with free cash determined as at the end of January 2010. The OAP Loan must be fully repaid by June 30, 2010.

After the Berlioz funding, all undrawn commitments under the credit facility will be cancelled with the effect of converting the credit facility to a term loan.

The lenders' obligation to provide the OAP Loan is subject to the following conditions:

CMA CGM agreeing to defer redemption of the \$48 million preferred shares to commence after the final maturity of the credit facility (which is August 14, 2016). Warrant proceeds can be used for redemption as provided by the current terms of the preferred shares. Dividends on the preferred shares will continue in accordance with the current terms of the preferred shares.

CMA CGM agreeing to not reduce its holding of common shares below the current level of approximately 24.4 million shares during the Waiver Period.

Borrowings under the credit facility will be repaid quarterly commencing June 30, 2010 by cash sweep of free cash in excess of \$20 million determined as at the previous month end subject to a minimum of \$40 million repayment per annum on a rolling trailing basis, so long as the Leverage Ratio is (or assumed to be) above 75%. When the Leverage Ratio becomes 75% or less, repayments will be set at \$10 million per quarter which is the amount deemed to be the scheduled repayment of bank borrowings for the purposes of determining the EBITDA to Debt Service Ratio.

No additional indebtedness is permitted until the OAP Loan is repaid in full, other than for the purpose of financing the purchase of the two contracted vessels from German interests.

Until April 30, 2011, no valuation of the vessels is required to be provided to the lenders and the Leverage Ratio will not be tested at the otherwise scheduled testing dates. Until the Leverage Ratio is first tested, it is assumed to be in excess of 100%. Valuations are to be provided, if available, during April 2011 for Leverage Ratio testing as at April 30, 2011. Thereafter, the Leverage Ratio is to be

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

tested, provided valuations are available, in April and November of every year.

If no valuations are available from any of the approved brokers, then the Leverage Ratio will be assumed to be in excess of 100%. If only one valuation is available then it will be used to assess the Leverage Ratio until a second valuation, to be sought monthly, is available from one of the other approved brokers in which case this and the previous single valuation will be averaged.

Dividends on common shares are not permitted during the Waiver Period and thereafter so long as the Leverage Ratio exceeds (or is assumed to exceed) 75%.

Margin is fixed at 3.50% until the Leverage Ratio is first tested after the Waiver Period. Thereafter, margin is as follows: up to 65% Leverage Ratio - 2.50%, above 65% and up to 75% Leverage Ratio - 3.00% and above 75% Leverage Ratio - 3.50%.

If any additional capital is raised, 25% of such additional capital, net of expenses, is required to be used to prepay borrowings under the credit facility. This provision terminates when the repayment profile of the credit agreement reduces to 18 years or lower, based on the market value weighted average age of the vessels.

In the event of a sale of a vessel or the total loss or total constructive loss of a vessel, the proceeds received from such sale or total loss or total constructive loss are required to be used to prepay borrowings under the credit facility.

An amendment fee of \$1.5 million has been paid.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

Global Ship Lease Amends \$800 Million Credit Facility

LONDON, August 21, 2009 Global Ship Lease, Inc. (NYSE: GSL, GSL.U GSL.WS), a containership charter owner, announced today that the Company has agreed an amendment to its \$800 million credit facility.

Under the terms of the amended credit facility, the loan-to-value covenant has been waived up to and including November 30, 2010 with the next loan-to-value test scheduled for April 30, 2011. Further, Global Ship Lease will be able to borrow sufficient funds under the credit facility to allow for the purchase of the CMA CGM Berlioz, a 2001-built 6,627 TEU container vessel that is scheduled to be delivered later this month. Amounts borrowed under the amended credit facility will bear interest at LIBOR plus a fixed interest margin of 3.50% up to November 30, 2010. Thereafter, the margin will be between 2.50% and 3.50% depending on the loan-to-value ratio.

In connection with the amended credit facility, undrawn commitments of approximately \$200 million will be cancelled after the purchase of the CMA CGM Berlioz and Global Ship Lease will suspend dividends to common shareholders, using its cash flow to prepay borrowings under the credit facility. Global Ship Lease will be able to resume dividend payments once loan-to-value is at or below 75%, at which point the prepayment of borrowings becomes fixed at \$10 million per quarter. As part of the amendment, CMA CGM has agreed to defer redemption of the \$48 million preferred shares it holds until after the final maturity of the credit facility in August 2016 and to retain its current holding of common shares in Global Ship Lease until at least November 30, 2010.

Ian Webber, Chief Executive Officer of Global Ship Lease, stated, "We are pleased to have finalized an amendment to our \$800 million credit facility during a time when the container shipping industry is facing significant challenges and containership values have experienced substantial declines. Global Ship Lease's robust business model, focused on generating stable revenues and cash flows, supports our amended facility. With this agreement, we have accomplished important strategic objectives. First, by aggressively paying down debt, we have enhanced our position to emerge from this unprecedented market downturn as a stronger company. Second, by waiving the loan-to-value covenant, we have insulated the Company through April 2011 against what is likely to be a continuing period of depressed asset prices. And third, we have enabled the accretive purchase of the CMA CGM Berlioz, which is committed to a non-cancellable 12 year long-term time charter, growing the Company's contracted revenue stream to approximately \$156 million a year.

Mr. Webber concluded, In a challenging global container shipping market, all of our time charters continue to perform as expected. Our present fleet of 16 vessels has an average remaining time charter duration of 10 years, representing total contracted revenue of \$1.6 billion. Two of our vessels come up for charter renewal at the end of 2012; the only renewals in the next seven years. We intend to maintain our focus on preserving our financial strength for the long term benefit of the Company and its shareholders.

- (c) Each Request is irrevocable.

4.2 Completion of Requests

A Request for a Loan will only be regarded as having been duly completed if:

 - (b) the Utilisation Date falls on or after the Delivery Date of any Vessel; or
 - (c) it sets out whether that Loan is to be applied in and towards (i) general corporate purposes of the Representative Borrower or GSLS, or (ii) the cost of the acquisition of an Identified Vessel, Additional Vessel or Other Vessel;

 - (f) the amount requested for the Berlioz Loan does not exceed US\$42,000,000;
 - (g) the amount requested for the Over Advance Portion does not exceed the lower of (i) an amount equal to the Berlioz Purchase Price less the sum of the Berlioz Loan and Available Cash or (ii) US\$20,000,000. For the purpose of this paragraph (g) the Available Cash means cash which the Representative Borrower will use to pay part of the Berlioz Purchase Price but in any event being at least US\$20,000,000; and
 - (h) the initial proposed Term for the Loan complies with this Agreement.
- Only one Loan may be requested in a Request.

4.3 Advance of Loans

- (a) The Facility Agent must promptly notify each Lender of the details of the requested Loan and the amount of its share in that Loan.
- (b) The amount of each Lender's share of the Loan will be its Pro Rata Share on the proposed Utilisation Date.

- (c) No Lender is obliged to participate in a Loan if, as a result, its share in the Loans would exceed its Commitment or the Loans would exceed the Total Commitments.
- (d) If the conditions set out in this Agreement have been met, each Lender must make its share in the requested Loan available by the Utilisation Date through its Facility Office.

5. REPAYMENT

5.1 Repayment of the Over Advance Portion

- (a) The Borrowers must repay the Over Advance Portion in accordance with this Clause 5.1 (Repayment of the Over Advance Portion). Any amounts repaid in respect of the Over Advance Portion under this Clause 5.1 may not be reborrowed.
- (b) The Over Advance Portion shall be repaid in instalments, the first such instalment falling due on 17 November 2009 and the second such instalment falling due on 17 February 2010 (each an **Over Advance Portion Repayment Date**).
- (c) Each repayment instalment in respect of the Over Advance Portion will be in an amount equal to the lower of (i) the then outstanding balance of the Over Advance Portion and (ii) the aggregate for each of the Borrowers of any and all cash in hand or on deposit, excluding cash received by the Representative Borrower from the exercise of warrants, in the Accounts or any other account in excess of US\$20,000,000 in aggregate (**Excess Available Cash**) on the last Business Day of the immediately preceding calendar month (each an **Over Advance Portion Verification Date**).
- (d) The Representative Borrower shall provide the Facility Agent with an officer's certificate within ten (10) Business Days after each Over Advance Portion Verification Date confirming the amount of the Excess Available Cash on that Over Advance Portion Verification Date and the amount of the Over Advance Portion which will be repaid on the immediately following Over Advance Portion Repayment Date.
- (e) The Over Advance Portion shall in any event be repaid in full on or before the Over Advance Portion Final Maturity Date.
- (f) Without prejudice to the other provisions of this Clause 5.1 (Repayment of the Over Advance Portion), the Borrowers may prepay the Over Advance Portion pursuant to the provisions of Clause 6.5 (Voluntary prepayment).

5.2 Repayment of the Loans

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

During the Waiver Period and thereafter for so long as the Leverage Ratio exceeds, or is deemed to exceed (in accordance with Clause 16.15(h)), 75 %, each repayment instalment in respect of the Loans on each Facility Repayment Date shall be in an amount equal to the aggregate of:

- (i) the aggregate for each of the Borrowers of any and all cash in hand or on deposit, excluding cash received by the Representative Borrower from the exercise of warrants, in the Accounts or any other account in excess of US\$20,000,000 in aggregate (**Excess Available Cash for Loans**) on the last Business Day of the immediately preceding calendar month (each a **Loan Verification Date**); and

- (ii) on the fourth Facility Repayment Date and each subsequent Facility Repayment Date during the period described in this paragraph (c), such additional amount (if any) as may be necessary to ensure that the total aggregate amount of the repayment instalments paid on that Facility Repayment Date and the immediately preceding three (3) Facility Repayment Dates is equal to at least US\$40,000,000.
- (d) The Representative Borrower shall provide the Facility Agent with an officer's certificate within ten (10) Business Days after each Loan Verification Date confirming the amount of the Excess Available Cash for Loans on that Loan Verification Date and the amount of the Loans which will be repaid on the immediately following Facility Repayment Date.
- (e) On each Facility Repayment Date after the expiry of the Waiver Period and following the date on which the Leverage Ratio becomes 75% or less, each repayment instalment payable on such Facility Repayment Date shall be in an amount equal to the aggregate of:
 - (i) US\$10,000,000; and
 - (ii) Such additional amount (if any) as may be necessary to ensure that the total aggregate amount of the repayment instalments paid on that Facility Repayment Date and the immediately preceding three (3) Facility Repayment Dates is equal to at least US\$40,000,000.
- (f) Each Loan shall in any event be repaid in full on the Final Maturity Date.
- (g) If, in addition to the instalments payable on the Facility Repayment Dates, the Borrowers make additional prepayments of the Loans (other than the Over Advance Portion) by way of voluntary prepayment pursuant to Clause 6.5 (Voluntary prepayment), then:
 - (i) if any such additional prepayment is made during the period referred to in Clause 5.2(c) above, the amount which would otherwise have been outstanding at the Final Maturity Date shall be reduced or eliminated by an amount equal to the amount prepaid and, then the remaining repayment instalments shall be so reduced or eliminated in inverse order of maturity; and
 - (ii) if any such additional prepayment is made during the period referred to in Clause 5.2(e) above, the subsequent instalments due on the next succeeding Facility Repayment Date or the Facility Repayment Dates (as the case may be) shall be reduced or eliminated (in strict order of maturity) by an amount equal to the amount prepaid until such amount has been exhausted unless the Representative Borrower nominates in writing that the prepayment is to be applied first against specific Loans then outstanding.

6. PREPAYMENT AND CANCELLATION

6.1 Mandatory prepayment illegality

- (a) If it becomes, or to the knowledge of any Lender is to become, unlawful in any jurisdiction for a Lender to perform any of its obligations as contemplated by this Agreement or a Finance Document or to fund or maintain its share in one or more of the Loans (the **Event of Illegality**), that Lender shall notify the Facility Agent and the Representative Borrower.

- (b) After notification under paragraph (a) above, the Facility Agent shall notify the Representative Borrower promptly and:
 - (i) the Borrowers shall repay or prepay the share of that Lender in the relevant Loan or Loans on the date specified in paragraph (c) below; and
 - (ii) the Commitment of that Lender will be immediately cancelled.
- (c) The date for repayment or prepayment of a Lender's share in a Loan or Loans will be the date specified by that Lender in the notice delivered to the Representative Borrower (being no earlier than the last day of any applicable grace period permitted by Applicable Law or, if earlier, and the Borrower so desires, the last day of the current Term).

6.2 Mandatory prepayment Leverage Ratio

If on any date for determination of the Leverage Ratio after the end of the Waiver Period, the Leverage Ratio is higher than 75%, the provisions of Clause 16.15(c) (Partial prepayments or additional security) shall apply.

6.3 Mandatory prepayment Sale or Total Loss of a Vessel

- (a) If a Vessel is sold (other than where the sale is to another Borrower), upon the occurrence of such sale (except in circumstances where there is a transfer between Borrowers) or, if there is a Total Loss of a Vessel, on the earlier of (i) the receipt of the proceeds of the Obligatory Insurances relating to such Total Loss and (ii) the date falling one hundred and twenty (120) days after the Date of Total Loss the Borrowers shall be obliged to prepay such amount of the Loans outstanding as is equal to the amount of the total net proceeds (being the aggregate total amount of the sale or insurance proceeds (as the case may be) less any applicable tax and verified reasonable costs directly relating to the sale or recovery of the insurance proceeds) received from such sale or Total Loss. The amount which would otherwise have been outstanding at the Final Maturity Date shall be reduced or eliminated by an amount equal to the amount prepaid and then the remaining repayment instalments shall be so reduced or eliminated in inverse order of maturity.
- (b) The Facility Agent and the Representative Borrower shall, in good faith, enter into discussions following the sale or a Total Loss of a Vessel in relation to the remaining repayment instalments payable pursuant to Clause 5.2(e)(Repayment of the Loans).

6.4 Mandatory prepayment Additional capital

- (a) If on any date prior to the Final Maturity Date, any of the Borrowers raises additional capital, the Borrowers shall be obliged, unless otherwise agreed, to pay an amount equal to 25 % of such additional capital (net of expenses incurred in connection with raising such capital) to the Facility Agent for application towards prepayment of the Loans. Such prepayment shall be applied so that the amount which would otherwise have been outstanding at the Final Maturity Date shall be reduced or eliminated by an amount equal to the amount prepaid and, then the remaining repayment instalments shall be so reduced or eliminated in inverse order of maturity.
- (b) The provisions of paragraph (a) above shall no longer apply following the Facility Agent confirming in writing to the Representative Borrower that the repayment profile of the

Loans has reduced to 18 years or lower, based on the Market Value weighted average age of the Vessels. The Facility Agent shall give such a confirmation to the Representative Borrower, or as the case may be, indicate that it is unable to give such a confirmation, as soon as practicable following a request from the Representative Borrower so to do in writing.

6.5 Voluntary prepayment

- (a) The Borrowers may, by the Representative Borrower giving not less than five (5) Business days prior written notice to the Facility Agent, prepay the Loans in whole or from time to time in part on the last day of any Term.
- (b) A prepayment must be in a minimum amount of US\$2,500,000 and in integral multiples of US\$1,000,000 if in excess of US\$2,500,000.
- (c) Any voluntary prepayment under this Clause 6.5 shall be applied as follows:
 - (i) if a voluntary prepayment is made during the period referred to in Clause 5.2(c), the amount which would otherwise have been outstanding at the Final Maturity Date shall be reduced or eliminated by an amount equal to the amount prepaid and, then the remaining repayment instalments shall be so reduced or eliminated in inverse order of maturity; and
 - (ii) if a voluntary prepayment is made during the period referred to in Clause 5.2(e), the subsequent instalments due on the next succeeding Facility Repayment Date or the Facility Repayment Dates (as the case may be) shall be reduced or eliminated (in strict order of maturity) by an amount equal to the amount prepaid until such amount has been exhausted unless the Representative Borrower nominates in writing that the prepayment is to be applied first against specific Loans then outstanding.

6.6 Voluntary cancellation

- (a) The Representative Borrower may, by giving not less than five (5) Business days prior notice to the Facility Agent, cancel the unutilised amount of the Total Commitments in whole or in part.
- (b) Partial cancellation of the Total Commitments must be in a minimum amount of US\$5,000,000 and in integral multiples of US\$2,500,000 in excess of US\$5,000,000.
- (c) Any cancellation in whole or in part will be applied against the Commitments of the Lenders *pro rata*.

6.7 Voluntary prepayment and cancellation

- (a) If a Borrower is, or will be, required to pay to a Lender a Tax Payment or an Increased Cost, the Representative Borrower may, while the requirement continues, give notice to the Facility Agent requesting prepayment and cancellation in respect of that Lender.
- (b) After notification under paragraph (a) above:

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

- (i) that Borrower must repay or prepay that Lender's share in each Loan made to it on the date specified in paragraph (c) below; and
- (ii) the Commitment of that Lender will be immediately cancelled.

- (c) The date for repayment or prepayment of a Lender's share in a Loan(s) will be the last day of the current Term for the relevant Loan or, if earlier, the date specified by the relevant Borrower in the notice delivered to the Facility Agent.

6.8 Re-borrowing of Loans

Any prepayment of a Loan may not be re-borrowed.

6.9 Miscellaneous provisions

- (a) Any notice of prepayment and/or cancellation under this Agreement is irrevocable and must specify the relevant date(s). The Facility Agent must notify the Lenders promptly of receipt of any such notice.
- (b) All prepayments under this Agreement must be made with accrued interest on the amount prepaid. No premium or penalty is payable in respect of any prepayment except for Break Costs.
- (c) No prepayment or cancellation is allowed except in accordance with the express terms of this Agreement.
- (d) No amount of the Total Commitments reduced or cancelled under this Agreement may subsequently be reinstated.

7. INTEREST

7.1 Calculation of interest

- (a) The rate of interest on each Loan for each Term is the percentage rate per annum equal to the aggregate of:
 - (i) the applicable Margin from time to time;
 - (ii) LIBOR; and
 - (iii) Mandatory Cost (if any) (together, the **Interest Rate**).
- (b) Interest shall be calculated by reference to the actual number of days elapsed and on the basis of a year of 360 days. Interest shall accrue from and including the first day of each Term to but excluding the last day of such Term.

7.2 Payment of interest

Except where it is provided to the contrary in this Agreement, the Borrowers must pay accrued interest on each Loan on the last day of each Term and also, if the Term is longer than three months, on the dates falling at quarterly intervals after the first day of that Term (each an **Interest Payment Date**).

7.3 Interest on overdue amounts

- (a) If a Borrower fails to pay any amount payable by it under the Finance Documents, the Borrowers must immediately on demand by the Facility Agent pay interest on the overdue amount from its due date up to the date of actual payment, both before, on and after judgment.

- (b) If the overdue amount is a principal amount of a Loan or is an amount accruing in respect of interest on a Loan and becomes due and payable prior to the last day of its current Term, then:
 - (i) the first Term for that overdue amount will be the unexpired portion of that Term and the rate of interest on the overdue amount for that first Term will be two (2) per cent. per annum above the Interest Rate; and
 - (ii) thereafter, any subsequent Term for that overdue amount shall be selected by the Facility Agent (acting on the instructions of the Majority Lenders, acting reasonably) who may select successive Terms of any duration up to six (6) months, and the rate of interest on the overdue amount will be two (2) per cent. per annum above the Interest Rate.

After the expiry of the first Term for that overdue amount, the rate on the overdue amount will be calculated in accordance with paragraph (c) below.

- (c) In respect of any amounts outstanding other than in accordance with paragraph (b) above, interest on such overdue amount is payable at a rate determined by the Facility Agent to be two (2) per cent. per annum above the Interest Rate. For this purpose, the Facility Agent may (acting on the instructions of the Majority Lenders, acting reasonably) select successive Terms of any duration of up to six (6) months.
- (d) Interest (if unpaid) on an overdue amount will be compounded with that overdue amount at the end of each of its Terms but will remain immediately due and payable.

7.4 Notification of rates of interest

The Facility Agent must promptly notify each Finance Party and the Representative Borrower of the determination of a rate of interest under this Agreement.

8. TERMS

8.1 Selection

- (a) Each Loan has successive Terms.
- (b) The Representative Borrower must select the first Term for the first Loan in the relevant Request. Subject to the following provisions of this Clause 8 (Terms) each such Term for a Loan will be a period of one (1), three (3), six (6), nine (9) or twelve (12) months, or such other period as may be agreed by the Representative Borrower and the Facility Agent. If the Representative Borrower fails to select a Term for a Loan, that Term will, subject to the other provisions of this Clause 8 (Terms), be three (3) months.
- (c) The term for a Loan will be the same duration as the previous Term for such Loan, unless the Representative Borrower provides to the Facility Agent an irrevocable notice pursuant to paragraph (b) above requesting a different Term in accordance with Clause 8.1(b) (Selection) no later than 11.00 a.m. three (3) Business Days before the Rate Fixing Date for that Term, provided however that not more than five (5) different Terms may be outstanding at any one time.

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

- (d) The Representative Borrower may, on or before the time a Request is given, request that a Term for a Loan is not consolidated with existing Terms for other Loans then outstanding. No more than five (5) such non-consolidated Loans and different terms under paragraph (c)

above in aggregate may be outstanding at any one time. In the event of such a request, the Representative Borrower must select both the Term for such Loan in the relevant Request and when such Loan is rolled over the provisions of paragraph (b) above will apply to such selection.

8.2 No overrunning the Final Maturity Date

If a Term would otherwise overrun the Final Maturity Date, it will be shortened so that it ends on the Final Maturity Date.

8.3 Other adjustments

The Facility Agent and the Representative Borrower may enter into such other arrangements as they may agree for the adjustment of Terms and the consolidation and/or splitting of Loans and will enter into such arrangements as are practicable to ensure that Loans in amounts at least equal to the amount required to be repaid on a Facility Repayment Date have a Term ending on such Facility Repayment Date.

9. MARKET DISRUPTION

9.1 Failure of the Reference Bank to supply a rate

If LIBOR is to be calculated by reference to the Reference Banks but a Reference Bank does not supply a rate by 11.00 a.m. on the Rate Fixing Day, the applicable LIBOR will be determined on the basis of the remaining Reference Banks.

9.2 Market disruption

- (a) A market disruption event shall arise where:
 - (i) no, or only one, Reference Bank supplies a rate by 11.00 a.m. on the Rate Fixing Day; or
 - (ii) the Facility Agent receives by close of business on the Rate Fixing Day notification from any Lender or Lenders (the **Affected Lenders**) whose aggregate shares in the relevant Loan exceed 50 per cent. of that Loan that the cost to them of obtaining matching deposits in the relevant interbank market is in excess of LIBOR for the relevant Term.
- (b) The Facility Agent must promptly notify the Representative Borrower and the Lenders of a market disruption event.
- (c) After notification under paragraph (b) above, the rate of interest for the Affected Lenders on the affected Loan for the relevant Term will be the aggregate of the applicable:
 - (i) Margin;
 - (ii) the rate notified to the Facility Agent by those Affected Lenders as soon as practicable, and in any event before interest is due to be paid in respect of that Term, to be that which expresses as a percentage rate per annum the cost to those Affected Lenders of funding the Loan from whatever source each of them may reasonably select; and

(iii) Mandatory Cost (if any).

9.3 Alternative basis of interest or funding

- (a) If a market disruption event occurs and the Facility Agent or the Representative Borrower so require, the Representative Borrower and the Facility Agent must enter into negotiations for a period of not more than thirty (30) days with a view to agreeing to an alternative basis for determining the rate of interest and/or funding for the affected Loan and any future Loan.
- (b) Any alternative basis agreed between the Representative Borrower and the Facility Agent will be, with the prior written consent of all the Lenders, binding on all the Parties hereto.

10. TAXES

10.1 Tax gross-up

- (a) Each Borrower must make all payments to be made by it under the Finance Documents without any Tax Deduction, unless a Tax Deduction is required by an Applicable Law.
- (b) If a Borrower or a Lender is aware that a Borrower must make a Tax Deduction (or that there is a change in the rate or the basis of a Tax Deduction), it must promptly notify the Facility Agent. The Facility Agent must then promptly notify the affected Parties.
- (c) If a Tax Deduction is required by an Applicable Law to be made by a Borrower or, as the case may be, the Facility Agent, the amount of the payment due from the Borrowers will be increased, or, as the case may be, the Borrowers shall make an additional payment, so that the amount (after making the Tax Deduction, including on the additional payment) received by the recipient is equal to the payment which would have been due if no Tax Deduction had been required.
- (d) A Borrower is not required to make an increased payment to a Lender under paragraph (c) above for a Tax Deduction in respect of tax imposed by the United Kingdom from a payment of interest on a Loan, if on the date on which the payment falls due:
 - (i) the payment could have been made to the relevant Lender without a Tax Deduction if it was a Qualifying Lender, but on that date that Lender is not or has ceased to be a Qualifying Lender other than as a result of any change after the date it became a Lender under this Agreement in (or in the interpretation, administration or application of) any Applicable Laws or Treaty, or any published practice or concession of any relevant taxing authority; or
 - (ii) (A) the relevant Lender is a Qualifying Lender solely under sub-paragraph (b) of the definition of Qualifying Lender;
 - (A) an officer of HM Revenue & Customs has given (and not revoked) a direction (a **Direction**) under section 931 of the ITA (as that provision has effect on the date on which the relevant Lender became a Party) which relates to that payment and that Lender has received from that Borrower a certified copy of that Direction; and
 - (B) the payment could have been made to the Lender without any Tax Deduction in the absence of that Direction; or
 - (iii) the relevant Lender is a Qualifying Lender solely under sub-paragraph (b) of the definition of Qualifying Lender and it has not, other than by reason of any change after the date of this Agreement in (or in the interpretation, administration, or

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

application of) any law, or any published practice or concession of any relevant taxing authority, given a Tax Confirmation to the Borrowers; or

- (iv) the relevant Lender is a Treaty Lender and the Borrower making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender complied with its obligations under paragraph (g) below.
- (e) If a Borrower is required to make a Tax Deduction, that Borrowers must make the minimum Tax Deduction allowed by Applicable Law and must make any payment required in connection with that Tax Deduction within the time allowed by the Applicable Law.
- (f) Within fifteen (15) days of making either a Tax Deduction or a payment required in connection with a Tax Deduction the Borrower making the Tax Deduction must deliver to the Facility Agent for the relevant Finance Party, documents or other information (or certified copies thereof) evidencing satisfactorily to that Finance Party (acting reasonably) that the Tax Deduction has been made or (as applicable) the appropriate payment has been paid to the relevant taxing authority.
- (g) Each Lender which is a Treaty Lender and each Borrower which makes a payment to which that Lender is entitled, shall co-operate in completing any procedural formalities necessary for the relevant Borrower to obtain authorisation to make the payment without a Tax Deduction and each Lender which is a Treaty Lender shall not take any steps which would render inapplicable to the payments by the relevant Borrower to that Lender the exemption for tax imposed by the United Kingdom on interest provided by the relevant Treaty.
- (h) A UK Non-Bank Lender which becomes a Party on the day on which this Agreement is entered into gives a Tax Confirmation to the Borrowers by entering into this Agreement.
- (i) A UK Non-Bank Lender shall promptly notify the Representative Borrower and the Facility Agent if there is any change in the position from that set out in the Tax Confirmation.

10.2 Tax Indemnity

- (a) Without prejudice to the provisions of Clause 10.1 (Tax gross-up), if any Lender is required to make any payment on account of Tax solely as a result of its entry into any Finance Document (not being a Tax imposed on the net income of a Lender or its Facility Office by the jurisdiction in which it is incorporated (or, if different, the jurisdiction in which it is treated as resident for tax purposes), or the jurisdiction in which its Facility Office is located or on the capital of that Lender employed in such jurisdiction or jurisdictions) on any sum received or receivable under the Finance Documents (including, without limitation, any sum received or receivable under this Clause 10.2 (Tax Indemnity)) or any liability in respect of any such payment is imposed, levied or finally assessed against a Lender, the Borrowers shall (within three (3) Business Days of demand on the Representative Borrower by the Facility Agent) indemnify that Lender against such payment or liability, together with any interest, penalties and expenses payable or incurred in connection therewith.
- (b) Clause 10.2(a) (Tax Indemnity) above shall not apply to the extent a loss, liability or cost:
 - (i) is compensated for by an increased payment under Clause 10.1 (Tax gross-up); or
 - (ii) would have been compensated for by an increased payment under Clause 10.1 (Tax gross-up) but was not so compensated solely because one of the exclusions in Clause 10.1(d) (Tax gross-up) applied.

10.3 Tax Credit

If a Lender or, as the case may be, the Facility Agent determines in its absolute discretion, acting in good faith, that it has received, realised, utilised and retained a Tax benefit by reason of any deduction or withholding in respect of which a Borrower has made an increased payment or paid a compensating sum under this Clause 10 (Taxes) that Lender or, as the case may be, the Facility Agent shall, provided it has received all amounts which are then due and payable by the Borrower under any of the provisions of this Agreement and the other Finance Documents, pay to the relevant Borrower (to the extent that that Lender or, as the case may be, the Facility Agent can do so without prejudicing the amount of that benefit and the right of that Lender, or as the case may be, the Facility Agent to obtain any other benefit, relief or allowance which may be available to it), such amount, if any, as that Lender, or as the case may be, the Facility Agent shall determine in its absolute discretion acting in good faith, will leave that Lender, or as the case may be, the Facility Agent in no better and no worse position than it would have been in if the deduction or withholding had not been required and so that it retains no benefit as a result of the receipt of such deduction.

10.4 Notification of Claim

A Lender making, or intending to make, a claim under Clause 10.2 (Tax Indemnity) shall promptly notify the Facility Agent of the event which will give, or has given, rise to the claim, following which the Facility Agent shall notify the Representative Borrower.

10.5 Conduct of Business by the Finance Parties

No provision of this Agreement will:

- (a) interfere with the right of any Finance Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;
- (b) oblige any Finance Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim; or
- (c) oblige any Finance Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax.

10.6 Stamp taxes

Each Borrower must pay and indemnify each Finance Party against any stamp duty, registration or other similar Tax payable by a Finance Party in connection with the entry into, performance or enforcement of any Finance Document, except for any such Tax payable in connection with entering into a Transfer Certificate.

10.7 Value added taxes

- (a) Any amount (including costs and expenses) payable under a Finance Document by a Borrower is exclusive of any value added tax or any other Tax of a similar nature which might be chargeable in connection with that amount. If any such Tax is chargeable, the Borrowers must pay to the relevant Finance Party (in addition to and at the same time as paying that amount) an amount equal to the amount of that Tax.
- (b) Where a Finance Document requires any Party to reimburse a Finance Party for any costs or expenses, that Party must also at the same time pay and indemnify the Finance Party against all value added tax or any other Tax of a similar nature incurred by the Finance Party in respect of these costs or expenses but only to the extent that the Finance Party (acting

reasonably) determines that neither it nor any other member of any group of which it is a member for value added tax purposes is entitled to credit or repayment from the relevant tax authority in respect of the Tax.

11. INCREASED COSTS

11.1 Increased Costs

Except as provided below in this Clause 11 (Increased Costs), the Borrowers must pay to a Finance Party the amount of any Increased Cost incurred by that Finance Party or its Subsidiaries, or its Affiliates as a result of:

- (a) the introduction of, or any change in, the interpretation, administration or application of, any law or regulation after the date of this Agreement (including, for the avoidance of doubt, the implementation or application of or compliance with the International Convergence of Capital Measurement and Capital Standards, a Revised Framework published by the Basel Committee on Banking Supervision in June 2004 in the form existing on the date of this Agreement (**Basel II**) or any other law or regulation which implements Basel II (whether such implementation, application or compliance is by a government, regulator, Finance Party or any of its Affiliates)); or
- (b) compliance with any law or regulation, made after the date of this Agreement.

11.2 Exceptions

The Borrowers need not make any payment for an Increased Cost or Tax Payment to the extent that the Increased Cost is:

- (a) compensated for under another Clause or would have been but for an exception to that Clause;
- (b) a Tax; or
- (c) attributable to the relevant Finance Party or any of its Affiliates or Subsidiaries wilfully failing to comply with any law or regulation.

11.3 Claims

If a Finance Party intends to make a claim for an Increased Cost it must notify the relevant Borrower promptly of the circumstances giving rise to, and the amount of, the claim.

11.4 Mitigation

- (a) Each Finance Party must, in consultation with the relevant Borrower, take all reasonable steps to mitigate any circumstances which arise and which result or would result in any Increased Cost, illegality under Clause 6.1 (Mandatory prepayment - illegality) or Tax Payment being payable to that Finance Party, including changing its Facility Office.
- (b) The relevant Borrower must indemnify that Finance Party for all costs and expenses reasonably incurred by that Finance Party as a result of any step taken by it under paragraph (a) above.

- (c) A Finance Party is not obliged to take any step under this Clause 11.4 (Mitigation) if, in the opinion of that Finance Party (acting reasonably), to do so might be prejudicial to it.

- (d) Paragraph (a) above does not in any way limit the obligation of any Borrower under the Finance Documents.

12. ACCOUNTS

12.1 Maintenance of accounts

Any notice given under this Subclause 19.15 (Acceleration) will take effect in accordance with its terms.

20. SECURITY

20.1 Facility Agent as trustee

Unless expressly provided to the contrary herein or in any Finance Document and except as otherwise required by Applicable Law, the Facility Agent holds any security created by a Security Document on trust for the Finance Parties.

20.2 Responsibility

The Facility Agent is not liable or responsible to any other Finance Party for:

(a) any failure in perfecting or protecting the security created by any Security Document; or

(b) any other action taken or not taken by it in connection with any Security Document, unless directly caused by its gross negligence or wilful misconduct.

20.3 Title

The Facility Agent may accept, without enquiry, the title (if any) a Borrower may have to any asset over which security is intended to be created by any Security Document.

20.4 Possession of documents

The Facility Agent is not obliged to hold in its own possession any Security Document, title deed or other document in connection with any asset over which security is intended to be created by a Security Document.

20.5 Investments

Except as otherwise provided in any Security Document, all moneys received by the Facility Agent under a Security Document will, until utilised, be invested in the name of, or under the control of, the Facility Agent in any investments selected by the Facility Agent (acting on the instructions of the Majority Lenders). Additionally, those moneys may be placed on deposit in the name of, or under the control of, the Facility Agent at any bank or institution (including itself) and upon such terms as it may think fit. Any interest or profit earned by the Facility Agent in connection with such investments shall be that of the Borrowers and added to the Security Assets.

20.6 Approval

Each Finance Party confirms its approval of each Security Document.

20.7 Release of security

(a) If a disposal of any asset subject to security created by a Security Document is made to a third party in the following circumstances:

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

- (i) the Majority Lenders agree to the disposal;

- (ii) the disposal is allowed by the terms of the Finance Documents and will not result or could not reasonably be expected to result in any breach of any term of any Finance Document;

(iii) the disposal is being made at the request of the Facility Agent in circumstances where any security created by the Security Documents has become enforceable; or

(iv) the disposal is being effected by enforcement of a Security Document, and, in any such case, the Facility Agent is satisfied that the Leverage Ratio will not be greater than 75% following any such disposal, the asset being disposed of will be released from any security over it created by a Security Document. However, the proceeds of any disposal (or an amount corresponding to them) must be applied in accordance with the requirements of the Finance Documents (if any).

(b) If, on any date of determination of the Leverage Ratio (which occurs after the Borrowers have provided the Facility Agent with additional security pursuant to Clause 16.15(c) (Partial prepayments or additional security), the Leverage Ratio is equal to or less than 75%, the Borrowers may, within ten (10) Business Days of such valuation, request that the Facility Agent releases any additional security (which does not constitute a Vessel which has been taken into account in the calculation of the Leverage Ratio) and provided that:

(i) the Facility Agent is satisfied that following the release of such additional security the Leverage Ratio (disregarding the additional security to be released) would be equal to or less than 75%; and

(ii) no Default has occurred and is continuing,
such additional security shall be released.

(c) Following the Final Maturity Date and provided that all the Loans have been irrevocably and unconditionally repaid in full to the satisfaction of the Finance Parties, the Security Interests under the Security Documents will be released.

(d) If the Facility Agent is satisfied that a release is allowed under this Subclause 20.7 (Release of security), the Facility Agent must execute (at the request and expense of the Borrowers) any document which is reasonably required to achieve that release. Each other Finance Party irrevocably authorises the Facility Agent to execute any such document.

20.8 Co-security Agent

(a) The Facility Agent may appoint a separate security agent or a co-security agent in any jurisdiction outside the United States of America:

(i) if the Facility Agent considers that without the appointment the interests of the Lenders under the Finance Documents might be materially and adversely affected;

(ii) for the purpose of complying with any law, regulation or other condition in any jurisdiction; or

(iii) for the purpose of obtaining or enforcing a judgment or enforcing any Finance Document in any jurisdiction.

(b) Any appointment under this Subclause 20.8 (Co-security Agent) will only be effective if the security agent or co-security agent confirms to the Facility Agent and the Representative Borrower that it is bound by the terms of this Agreement as if it were the

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

Facility Agent by executing and delivering to the Facility Agent an accession agreement in a form to be agreed between the Representative Borrower and the Facility Agent.

- (c) The Facility Agent may remove any security agent or co-security agent appointed by it and may appoint a new security agent or co-security agent in its place.
- (d) The Borrowers must pay to the Facility Agent any reasonable remuneration agreed by the Representative Borrower paid by the Facility Agent to any security agent or co-security agent appointed by it, together with any related costs and expenses properly incurred by the security agent or co-security agent.

20.9 Parallel Debt

- (a) For the purposes of the Dutch Security the Borrowers hereby irrevocably and unconditionally undertake to pay to the Facility Agent amounts equal to any amounts owing by the Borrowers (whether owed as borrower of a facility or as joint and several obligor) to the relevant Finance Parties under the Finance Documents as and when the same fall due for payment thereunder, so that the Facility Agent shall be the obligee of such covenant to pay and shall be entitled to claim performance thereof in its own name and not as agent acting on behalf of the relevant Finance Parties. Each Borrower and the Facility Agent acknowledge that for this purpose such obligations of each Borrower are several and are separate and independent from, and without prejudice to, the identical obligations which each Borrower has to the Finance Parties under the relevant Finance Documents, provided that this shall not, at the same time, result in any Borrower incurring an aggregate obligation to any such Finance Parties under the Finance Documents. To this end and without prejudice to the foregoing, it is agreed that (a) the amounts due and payable by each Borrower under this Clause 20.9 (the **Parallel Debt**) shall be decreased to the extent that any Borrower paid any amounts to the Finance Parties or any of them in respect of the Secured Liabilities and vice versa and (b) the Parallel Debt shall not exceed the aggregate of the corresponding obligations which any Borrower has to the Finance Parties under the Finance Documents.
- (b) Nothing in this Clause 20.9 (Parallel Debt) shall in any way negate, affect or increase the obligations of the Borrowers to any Finance Parties under the Finance Documents in respect of the Secured Liabilities. For the purpose of this Clause 20.9 (Parallel Debt), the Facility Agent acts in its own name and on behalf of itself and not as agent or representative of any other party hereto and any security granted to the Facility Agent to secure the Parallel Debt is granted to the Facility Agent in its capacity as creditor of the Parallel Debt and solely for the purpose referred to above.

20.10 Dutch Security

- (a) The Facility Agent shall obtain any Security Interest provided under or pursuant to a Security Document governed by Dutch law (the **Dutch Security**) in its own name.
- (b) The Facility Agent shall have full and unrestricted entitlement to and authority in respect of the Dutch Security, provided that it shall be under an obligation to exercise such rights (and perform such obligations) in accordance with the contractual undertakings set out in any Finance Document.

21. THE ADMINISTRATIVE PARTIES

21.1 Appointment and duties of the Facility Agent

- (a) Save as provided in Clause 20.10 (Dutch Security), each Finance Party (other than the Facility Agent) irrevocably appoints the Facility Agent to act as its agent under the Finance Documents.

- (b) Each Finance Party irrevocably authorises the Facility Agent on its behalf to:
 - (i) perform the duties and to exercise the rights, powers and discretions that are specifically given to it under the Finance Documents, together with any other incidental rights, powers and discretions; and
 - (ii) execute each Finance Document expressed to be executed by the Facility Agent on that Party's behalf.
- (c) The Facility Agent has only those duties which are expressly specified in the Finance Documents. Those duties are solely of a mechanical and administrative nature.

21.2 Role of the Arrangers

Except as specifically provided in the Finance Documents, the Arrangers in their capacity as Arrangers have no obligations of any kind to any other Party in connection with any Finance Document.

21.3 No fiduciary duties

Except as specifically provided in a Finance Document, nothing in the Finance Documents makes an Administrative Party a trustee or fiduciary for any other Party or any other person. No Administrative Party needs to hold in trust any moneys paid to it for a Party or be liable to account for interest on those moneys.

21.4 Individual position of an Administrative Party

- (a) If it is also a Lender, each Administrative Party has the same rights and powers under the Finance Documents as any other Lender and may exercise those rights and powers as though it were not an Administrative Party.
- (b) Each Administrative Party may:
 - (i) carry on any business with the Borrower or its related entities (including acting as an agent or a trustee for any other financing); and
 - (ii) retain any profits or remuneration it receives under the Finance Documents or in relation to any other business it carries on with the Borrower or its related entities.

21.5 Reliance

The Facility Agent may:

- (a) rely on any notice or document believed by it to be genuine and correct and to have been signed by, or with the authority of, the proper person;

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

- (b) rely on any statement made by any person regarding any matters which may reasonably be assumed to be within his knowledge or within his power to verify;
- (c) engage, pay for and rely on professional advisors selected by it including those representing a Party other than the Facility Agent;
and
- (d) act under the Finance Documents through its personnel and agents.

21.6 Majority Lenders instructions

- (a) The Facility Agent is fully protected if it acts on the instructions of the Majority Lenders in the exercise of any right, power or discretion or any matter not expressly provided for in the Finance Documents. Any such instructions given by the Majority Lenders will be binding on all the Lenders. In the absence of instructions, then unless the Finance Documents expressly provide that the Facility Agent acts on the instructions of the Majority Lenders in exercising the relevant right, power or discretion, the Facility Agent may act as it considers to be in the best interests of all the Lenders.
- (b) Each Lender acknowledges and confirms that it shall act in a reasonable manner when reaching any decision as to the exercise or non-exercise of any right, power or discretion by the Facility Agent.
- (c) The Facility Agent may assume that unless it has received notice to the contrary, any right, power, authority or discretion vested in any Party or the Majority Lenders has not been exercised.
- (d) The Facility Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings in connection with any Finance Document.
- (e) The Facility Agent may require the receipt of security satisfactory to it, whether by way of payment in advance or otherwise, against any liability or loss which it may incur in complying with the instructions of the Majority Lenders.

21.7 Responsibility

- (a) No Administrative Party is responsible to any other Finance Party for the adequacy, accuracy or completeness of:
 - (i) any Finance Document or any other document; or
 - (ii) any statement or information (whether written or oral) made in or supplied in connection with any Finance Document.
- (b) No Administrative Party is responsible for the legality, validity, effectiveness, adequacy, completeness or enforceability of any Finance Document or any other document.
- (c) Without affecting the responsibility of each Borrower for information supplied by it or on its behalf in connection with any Finance Document, each Lender confirms that it:
 - (i) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Finance Documents (including the financial condition and affairs of the Borrower and its related entities and the nature and extent of any recourse against any Party or its assets);
 - (ii) has not relied exclusively on any information provided to it by any Administrative Party in connection with any Finance Document; and

- (iii) approves the form and content of each Finance Document.

- (d) The Facility Agent is not liable to any Finance Party for any failure in perfecting or protecting any Security Interest unless directly caused by its gross negligence or wilful misconduct. This includes any failure to:
 - (i) make any necessary registration, recording or filing of or otherwise protect the relevant Security Interest under any law in any jurisdiction;
 - (ii) give notice to any person of the execution of any Security Document; or
 - (iii) obtain any authorisation for the creation of any Security.

21.8 Exclusion of liability

- (a) The Facility Agent is not liable or responsible to any other Finance Party for any action taken or not taken by it in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct.
- (b) No Party (other than the Facility Agent) may take any proceedings against any officer, employee or agent of the Facility Agent in respect of any claim it might have against the Facility Agent or in respect of any act or omission of any kind by that officer, employee or agent in connection with any Finance Document. Any officer, employee or agent of the Facility Agent may rely on this Subclause 21.8 (Exclusion of liability) and enforce its terms under the Contracts (Rights of Third Parties) Act 1999.

21.9 Default

- (a) The Facility Agent is not obliged to monitor or enquire whether a Default has occurred. The Facility Agent is not deemed to have knowledge of the occurrence of a Default.
- (b) If the Facility Agent:
 - (i) receives notice from a Party referring to this Agreement, describing a Default and stating that the event is a Default; or
 - (ii) is aware of the non-payment of any principal or interest or any fee payable to a Lender under this Agreement, it must promptly notify the Lenders.

21.10 Information

- (a) The Facility Agent must promptly forward to the person concerned the original or a copy of any document which is delivered to the Facility Agent by a Party for that person.
- (b) Except where a Finance Document specifically provides otherwise, the Facility Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

- (c) Except as provided above, the Facility Agent has no duty:
 - (i) either initially or on a continuing basis to provide any Lender with any credit or other information concerning the risks arising under or in connection with the Finance Documents (including any information relating to the financial condition or affairs of the Representative Borrower or its related entities or the nature or extent of recourse against any Party or its assets) whether coming into its possession before, on or after the date of this Agreement; or

- (ii) unless specifically requested to do so by a Lender in accordance with a Finance Document, to request any certificate or other document from the Representative Borrower.

- (d) In acting as the Facility Agent, the agency division of the Facility Agent is treated as a separate entity from its other divisions and departments. Any information acquired by the Facility Agent which, in its opinion, is acquired by it otherwise than in its capacity as the Facility Agent may be treated as confidential by the Facility Agent and will not be treated as information possessed by the Facility Agent in its capacity as such.

- (e) The Representative Borrower irrevocably authorises the Facility Agent to disclose to the other Finance Parties any information which, is received by it in its capacity as the Facility Agent.

21.11 Indemnities

- (a) Without limiting the liability of each Borrower under the Finance Documents, each Lender must indemnify the Facility Agent for that Lender's Pro Rata Share of any loss or liability incurred by the Facility Agent in acting as the Facility Agent, except to the extent that the loss or liability is caused by the Facility Agent's gross negligence or wilful misconduct.

- (b) The Facility Agent may deduct from any amount received by it for a Lender any amount due to the Facility Agent from that Lender under a Finance Document but unpaid.

21.12 Compliance

Each Administrative Party may refrain from doing anything (including disclosing any information) which might, based on the reasonable opinion of its legal counsel, constitute a breach of any law or regulation or be otherwise actionable at the suit of any person, and may do anything which, in its opinion, is necessary or desirable to comply with any law or regulation.

21.13 Resignation of the Facility Agent

- (a) The Facility Agent may resign by giving written notice to the Lenders and the Borrowers, in which case the Majority Lenders shall appoint a successor facility agent of which the Representative Borrower approves, such approval not to be unreasonably withheld or delayed.

- (b) If no successor Facility Agent has been appointed under paragraph (a) above within thirty (30) days after notice of resignation was given, the Facility Agent may appoint a successor Facility Agent which shall be of similar standing to the existing Facility Agent.

- (c) The resignation of the Facility Agent and the appointment of any successor facility agent will both become effective only when the successor facility agent (i) notifies all the Parties that it accepts its appointment and (ii) confirms that it is satisfied that the rights under the Security Documents have been assigned or transferred to it. On giving the notification and confirmation, the successor facility agent will succeed to the position of the Facility Agent and the term **Facility Agent** will mean the successor facility agent.

- (d) The retiring Facility Agent must, at its own cost, make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility

Agent may reasonably request for the purposes of performing its functions as the Facility Agent under the Finance Documents or to ensure that the Finance Documents constitute perfected and enforceable security in its favour (to the extent applicable).

- (e) Upon its resignation becoming effective, this Clause 21.13 (Resignation of the Facility Agent) will continue to benefit the retiring Facility Agent in respect of any action taken or not taken by it in connection with the Finance Documents while it was the Facility Agent, and, subject to paragraph (d) above, it will have no further obligations in its capacity as Facility Agent under any Finance Document.
- (f) The Majority Lenders may, by notice to the Facility Agent, require it to resign under paragraph (a) above.

21.14 Relationship with Lenders

- (a) The Facility Agent may treat each Lender as a Lender entitled to payments under this Agreement and as acting through its Facility Office(s) until it has received not less than five (5) Business Days prior notice from that Lender to the contrary.
- (b) The Facility Agent may at any time, and must if requested to do so by the Majority Lenders, convene a meeting of the Lenders.

22.2 Certificates and determinations

Any certification or determination by the Facility Agent of a rate or amount under the Finance Documents will be, in the absence of manifest error, conclusive evidence of the matters to which it relates and shall include a reasonably detailed breakdown.

 - (i) the obligations are novated in accordance with the following provisions of this Clause 28 (Changes to the Parties); or
 - (ii) the New Lender confirms to the Facility Agent and the Representative Borrower in form and substance reasonably satisfactory to the Facility Agent and the Representative Borrower that it is bound by the terms of this Agreement.
- (d) On the transfer becoming effective in this manner, the relevant Lender will be released from its obligations under this Agreement to the extent that they are transferred to the New Lender.
- (e) Any reference in this Agreement to a Lender includes a New Lender but excludes a Lender if no amount is or may be owed to or by it under this Agreement.

28.3 Procedure for transfer by way of novations

(a) In this Clause 28.3 (Procedure for transfer by way of novations):
Transfer Date means, for a Transfer Certificate, the later of:

- (i) the proposed Transfer Date specified in that Transfer Certificate; and

(ii) the date on which the Facility Agent executes that Transfer Certificate.

(b) A novation is effected if:

(i) the Existing Lender and the New Lender deliver to the Facility Agent a duly completed Transfer Certificate; and

- (ii) the Facility Agent executes it.

- (c) On the Transfer Date:
 - (i) the New Lender will assume the rights and obligations of the Existing Lender expressed to be the subject of the novation in the Transfer Certificate in substitution for the Lender; and
 - (ii) the Existing Lender will be released from those obligations and cease to have those rights.

- (d) Each Party (other than the Existing Lender and the New Lender) irrevocably authorises the Facility Agent to execute any duly completed Transfer Certificate on its behalf.

28.4 Limitation of responsibility of Existing Lender

- (a) Unless expressly agreed to the contrary, an Existing Lender is not responsible to a New Lender for:
 - (i) the legality, validity, effectiveness, completeness, accuracy, adequacy or enforceability of any Finance Document or any other document;
 - (ii) the financial condition of any Borrower;
 - (iii) the performance and observance by any Borrower of its obligations under the Finance Documents or any other documents; or
 - (iv) the accuracy of any statement or information (whether written or oral) made in or supplied in connection with any Finance Document,and any representations or warranties implied by law are excluded.

- (b) Each New Lender confirms to the Existing Lender that it:
 - (i) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Finance Documents (including the financial condition and affairs of each Borrower and its related entities and the nature and extent of any recourse against any Party or its assets) in connection with its participation in this Agreement; and
 - (ii) has not relied exclusively on any information supplied to it by the Existing Lender in connection with any Finance Document.

- (c) Nothing in any Finance Document requires an Existing Lender to:

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

- (i) accept a re-transfer from a New Lender of any of the rights and obligations assigned or transferred under this Clause 28 (Changes to the Parties); or

- (ii) support any losses incurred by the New Lender by reason of the non-performance by any Borrower of its obligations under any Finance Document or otherwise.

28.5 Costs resulting from change of Lender or Facility Office

If:

(a) a Lender assigns or transfers any of its rights and obligations under the Finance Documents or changes its Facility Office; and

(b) as a result of circumstances existing at the date on which the assignment, transfer or change occurs, a Borrower would be obliged to pay a Tax Payment or an Increased Cost,

then, (i) if it changes its Facility Office, the relevant Lender (directly or through the Facility Agent) shall inform the Representative Lender of such change of Facility Office and (ii) unless the assignment, transfer or change is made by a Lender to mitigate any circumstances giving rise to a Tax Payment, Increased Cost or a right to be prepaid and/or cancelled by reason of illegality or is after the occurrence of a Default which is continuing, the relevant Borrower need only pay that Tax Payment or Increased Cost to the same extent that it would have been obliged to if no assignment, transfer or change had occurred.

28.6 Changes to the Reference Banks

If a Reference Bank (or, if a Reference Bank is not a Lender, the Lender of which it is an Affiliate) ceases to be a Lender, the Facility Agent must (in consultation with the Borrower) appoint another Lender or an Affiliate of a Lender to replace that Reference Bank.

28.7 Accession of a Borrower

(a) The Representative Borrower shall procure that each of the Vessels listed in Part 2 of Schedule 1 is purchased in the performance of its obligations under the Asset Purchase Agreement by itself, one of the Original Borrowers or one of the entities listed in the column headed Name of Borrower in Part 2 of Schedule 1 (**Subsequent Borrower**). If the purchaser of such Vessel is one of the Subsequent Borrowers, the Representative Borrower shall procure that such Subsequent Borrower becomes bound by the terms of this Agreement as a Borrower by executing and delivering to the Facility Agent a Borrower Accession Agreement.

(b) If a drawdown is proposed under this Agreement in respect of an Identified Vessel or an Additional Vessel or any other vessel and such vessel is, or is to be, owned by a person other than an Original Borrower, the Representative Borrower shall procure that such person is a wholly owned Subsidiary of the Representative Borrower registered in Cyprus, the Marshall Islands, the United Kingdom or Bermuda or any other jurisdiction acceptable to the Facility Agent acting on the instructions of the Majority Lenders, and on or prior to the Utilisation Date in respect of the relevant drawdown, such person becomes bound by this Agreement as a Borrower by executing and delivering to the Facility Agent a Borrower Accession Agreement.

29. DISCLOSURE OF INFORMATION

Until the date of the IPO or for one year from the date of signing of this Agreement, no Finance Party may disclose any information supplied to it, by or on behalf of the Borrowers, the Charterers or the Finance Documents relating to this Facility, save that each Finance Party may disclose such information as that Finance Party shall consider appropriate in respect of information supplied to it, by or on behalf of the Borrowers, the Charterers or the Finance Documents to:

(a) in the case of any other Finance Party, any of its Affiliates; or

- (b) any other person to (or through) whom an Existing Lender assigns or transfers (or may potentially assign or transfer) all or any of its rights and obligations under this Agreement or with (or through) whom a Lender enters into (or may potentially enter into) any sub-participation in relation to, or any other transaction under which payments are to be made by reference to, this Agreement or the Borrowers; or
- (c) any person to whom, and to the extent that, information is required to be disclosed by any Applicable Law; or
- (d) any other Finance Party; or
- (e) to its and the Borrowers professional advisors,

PROVIDED ALWAYS that, in relation to paragraph (b) above, the person to whom the information is to be given has entered into a Confidentiality Undertaking which includes the express prohibition on sharing information relating to this Facility. Except as provided in this Clause 29 (Disclosure of Information), a Lender may not disclose any information about any Borrower, the Charterers or the Finance Documents to any person.

30. SET-OFF

A Finance Party may set off any matured obligation owed to it by a Borrower under the Finance Documents against any obligation (whether or not matured) owed by that Finance Party to that Borrower, regardless of the place of payment, booking branch or currency of either obligation, provided always that if a Finance Party intends to effect a set-off at a time when there is no continuing Event of Default, it shall give the Representative Borrower notice of its intention so to do. If the obligations are in different currencies, that Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

31. PRO RATA SHARING

31.1 Redistribution

If any amount owing by a Borrower under this Agreement to a Lender (the **recovering Lender**) is discharged by payment, set-off or any other manner other than through the Facility Agent under this Agreement (a **recovery**), then:

- (a) the recovering Lender must, within three (3) Business Days, supply details of the recovery to the Facility Agent;
- (b) the Facility Agent must calculate whether the recovery is in excess of the amount which the recovering Lender would have received if the recovery had been received by the Facility Agent under this Agreement; and
- (c) the recovering Lender must pay to the Facility Agent an amount equal to such excess (the redistribution).

31.2 Effect of redistribution

- (a) The Facility Agent must treat a redistribution as if it were a payment by the relevant Borrower under this Agreement and distribute it among the Lenders, other than the recovering Lender, accordingly.

- (b) When the Facility Agent makes a distribution under paragraph (a) above, the recovering Lender will be subrogated to the rights of the Finance Parties which have shared in that redistribution.

- (c) If and to the extent that the recovering Lender is not able to rely on any rights of subrogation under paragraph (b) above, the relevant Borrower will owe the recovering Lender a debt which is equal to the redistribution, immediately payable and of the type originally discharged.

- (d) If:

- (e) a recovering Lender must subsequently return a recovery, or an amount measured by reference to a recovery, to any Borrower; and

- (f) the recovering Lender has paid a redistribution in relation to that recovery, each Finance Party must reimburse the recovering Lender all or the appropriate portion of the redistribution paid to that Finance Party, together with interest for the period while it held the re-distribution. In this event, the subrogation in paragraph (b) above will operate in reverse to the extent of the reimbursement.

31.3 Exceptions

Notwithstanding any other term of this Clause 31 (Pro Rata Sharing), a recovering Lender need not pay a redistribution to the extent that:

- (a) it would not, after the payment, have a valid claim against the relevant Borrower in the amount of the redistribution; or

- (b) it would be sharing with another Finance Party any amount which the recovering Lender has received or recovered as a result of legal or arbitration proceedings, where:
 - (i) the recovering Lender notified the Facility Agent of those proceedings; and

 - (ii) the other Finance Party had an opportunity to participate in those proceedings but did not do so or did not take separate legal or arbitration proceedings as soon as reasonably practicable after receiving notice of them.

32. SEVERABILITY

If a term of a Finance Document is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect:

- (a) the legality, validity or enforceability in that jurisdiction of any other term of the Finance Documents; or

- (b) the legality, validity or enforceability in other jurisdictions of that or any other term of the Finance Documents.

33. COUNTERPARTS

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

34.4 Borrowers

All communications under the Finance Documents to or from a Borrower must be sent through the Facility Agent or with a copy to the Facility Agent.

34.5 Entire Agreement

This Agreement and the other Finance Documents entered into pursuant to this Agreement contain the whole agreement between the parties relating to the transactions contemplated by this Agreement and supersede all previous agreements between the parties relating to such transactions.

35. LANGUAGE

- (a) Any notice given in connection with a Finance Document must be in English.
- (b) Any other document provided in connection with a Finance Document must be:
 - (i) in English; or
 - (ii) (unless the Facility Agent otherwise agrees) accompanied by a certified English translation. In this case, the English translation prevails unless the document is a statutory or other official document.

36. GOVERNING LAW

This Agreement is governed by English law.

37. ENFORCEMENT

37.1 Jurisdiction

- (a) The English courts have jurisdiction to settle any dispute in connection with any Finance Document.
- (b) The English courts are the most appropriate and convenient courts to settle any such dispute.
- (c) This Clause is for the benefit of the Lenders only. To the extent allowed by law, the Lenders may take:
 - (i) proceedings in any other court; and
 - (ii) concurrent proceedings in any number of jurisdictions.

37.2 Service of process

- (a) Each Borrower irrevocably appoints GSLS at its registered office from time to time as its agent under the Finance Documents for service of process in any proceedings before the English courts.
- (b) If any person appointed as process agent is unable for any reason to act as agent for service of process, the Borrowers must immediately appoint another agent on terms acceptable to the Facility Agent. Failing this, the Facility Agent may appoint another agent for this purpose.
- (c) Each Borrower agrees that failure by a process agent to notify it of any process will not invalidate the relevant proceedings.
- (d) This Clause does not affect any other method of service allowed by law.

37.3 Waiver of immunity

Each Borrower irrevocably and unconditionally:

- (a) agrees not to claim any immunity from proceedings brought by a Finance Party against it in relation to a Finance Document and to ensure that no such claim is made on its behalf;
- (b) consents generally to the giving of any relief or the issue of any process in connection with those proceedings; and
- (c) waives all rights of immunity in respect of it or its assets.

THIS AGREEMENT has been entered into on the date stated at the beginning of this Agreement.
