**Item 1.01. Entry into a Material Definitive Agreement.**

*Underwriting Agreement*

On January 27, 2017, Workhorse Group Inc. (the “Company”) entered into an Underwriting Agreement (the “Underwriting Agreement”) with Oppenheimer & Co. Inc. and Cowen and Company, LLC, as representatives of the underwriters named therein, relating to an underwritten public offering (the “Offering”) of 6,500,000 shares of its common stock, \$0.001 par value per share, at a price to the public of \$3.00 per share (the “Offering Price”). Under the terms of the Underwriting Agreement, the Company granted the underwriters a 30-day option to purchase up to an additional 975,000 shares of common stock at the Offering Price less the underwriting discount and estimated offering expenses payable by the Company. Assuming no exercise of the underwriters’ option, the Company expects to receive net proceeds from the Offering of approximately \$17.6 million after deducting the underwriting discount and estimated offering expenses payable by the Company. The Company will use all net proceeds from the Offering for working capital and general corporate purposes, including certain capital expenditures and research and development. The Offering is expected to close on or about February 1, 2017, subject to the satisfaction of customary closing conditions.

The Offering is being made pursuant to the Company’s effective registration statement on Form S-3 (Registration Statement No. 333-213100) previously filed with the Securities and Exchange Commission and a preliminary and final prospectus supplement (together, the “Prospectus Supplements”) thereunder. The Underwriting Agreement contains representations, warranties and covenants of the Company that are customary for transactions of this type and customary conditions to closing. Additionally, the Company has agreed to provide the underwriters with customary indemnification rights under the Underwriting Agreement.

Pursuant to the Underwriting Agreement, directors and executive officers of the Company entered into agreements in substantially the form included as an exhibit to the Underwriting Agreement providing for a 90-day “lock-up” period following the date of the final prospectus supplement with respect to sales of common stock.

A copy of the Underwriting Agreement is filed herewith as Exhibit 1.1 and is incorporated herein by reference. The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to such Exhibit 1.1.

The opinion of the Company’s counsel regarding the validity of the shares issued in the Offering is filed herewith as Exhibit 5.1.

### ***Conversion Agreement***

On January 27, 2017, the Company and Joseph T. Lukens entered into a Conversion Agreement pursuant to which Mr. Lukens agreed to convert his outstanding 6% Convertible Debenture in the principal amount of \$2,000,000 plus interest into shares of common stock of the Company at the Offering Price. The Company claims an exemption from the registration requirements of the Securities Act of 1933 (the "Securities Act") for the private placement of the shares of common stock to Mr. Lukens pursuant to Section 4(a)(2) of the Securities Act and/or Rule 506 of Regulation D promulgated under the Securities Act. Mr. Lukens is an accredited investor as defined in Rule 501 of Regulation D promulgated under the Securities Act.
