PROXY STATEMENT

This proxy statement (the “Proxy Statement”) is furnished by the Board of Directors of MYOS RENS Technology Inc. This Proxy Statement, along with a Notice of Annual Meeting of Stockholders and either a proxy card or a voting instruction card, are being mailed to stockholders beginning on or about December 11, 2017.

QUESTIONS AND ANSWERS ABOUT

THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why did I receive this Proxy Statement?

The Board is soliciting your proxy to vote at the Annual Meeting because you were a stockholder at the close of business on November 14, 2017, the record date, and are entitled to vote at the Annual Meeting.

A:

This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares.

Q: What information is contained in this Proxy Statement?

The information in this Proxy Statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the Board, the compensation of directors and certain executive officers, and certain other required information.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: How may I obtain an additional set of proxy materials?

A: All stockholders may contact our transfer agent at the telephone number or address listed below to request an additional set of proxy materials:

Island Stock Transfer

15500 Roosevelt Boulevard, Suite 301

Clearwater, Florida 33760

Tel: (727) 289-0010

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If your shares are registered directly in your name with our transfer agent, Island Stock Transfer, you are considered, with respect to those shares, the “stockholder of record.” If you are a stockholder of record, MYOS sent this Proxy Statement and a proxy card directly to you.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of shares held in “street name.” If you hold shares in street name, this Proxy Statement has been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting by telephone, fax, or over the Internet, if they offer that alternative. As a beneficial owner is not a stockholder of record, you may not vote these shares in person at the meeting unless you obtain a “legal proxy” from the bank, broker or other nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting.

Q: What am I voting on at the Annual Meeting?

A: You are voting on the following proposals:

to elect two directors to serve until the 2020 Annual Meeting of Stockholders and until their successors are duly elected and qualify;

to ratify the appointment of WithumSmith+Brown, PC as our independent registered public accounting firm for the fiscal year ending December 31, 2017; and

to consider such other business as may properly come before the Annual Meeting or any adjournments thereof.

The Board recommends a vote “FOR” the election of each of the nominees to the Board, and “FOR” the ratification of the appointment of WithumSmith+Brown, PC.

Q: How do I vote?

A: You may vote using any of the following methods:

Proxy card or voting instruction card. Be sure to complete, sign and date the card and return it in the prepaid envelope.

By telephone or over the Internet. This is allowed if you hold shares in street name and your bank, broker or other nominee offers those alternatives. Although most banks, brokers and other nominees offer these voting alternatives, availability and specific procedures vary.

In person at the Annual Meeting. All stockholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. **If you hold shares in street name, you must obtain a legal proxy from your bank, broker or other nominee and present it to the inspector of election with your ballot when you vote at the Annual Meeting.**

Q: What can I do if I change my mind after I vote my shares?

A: If you are a stockholder of record, you may revoke your proxy at any time before it is voted at the Annual Meeting by:

sending written notice of revocation to the Corporate Secretary of MYOS;

submitting a new, proper proxy dated later than the date of the revoked proxy; or

attending the Annual Meeting and voting in person.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker or other nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described in the answer to the previous question. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Q: What if I return a signed proxy card, but do not vote for some of the matters listed on the proxy card?

If you return a signed proxy card without indicating your vote, your shares will be voted in accordance with the Board's recommendations as follows: "FOR" the election of each of the nominees to the Board, and "FOR" the ratification of the appointment of WithumSmith+Brown, PC.

Q: Will my shares be voted if I do not return my proxy card or voting instruction card and do not attend the Annual Meeting?

A: If you do not vote your shares held of record (registered directly in your name, not in the name of a bank or broker), your shares will not be voted.

If you do not vote your shares held beneficially in street name with a broker, your broker will not be authorized to vote on non-routine matters. Proposal 1 is considered a non-routine matter, and therefore brokers cannot exercise discretionary authority regarding this proposal for beneficial owners who have not returned proxies to the brokers (so-called "broker non-votes"). If your broker is not able to vote your shares, they will constitute "broker non-votes," which are counted for the purposes of determining the presence of a quorum, but otherwise do not affect the outcome of the foregoing matters being voted on at the Annual Meeting.

Q: What are the voting requirements to approve each of the proposals?

In the election of directors, the two nominees receiving the highest number of affirmative votes will be elected. You may withhold votes from any or all nominees.

The proposal for the ratification of the appointment of WithumSmith+Brown, PC as our independent registered public accounting firm for the fiscal year ending December 31, 2017 requires the affirmative "FOR" votes of a majority of the votes cast on this proposal. Abstentions will not affect the outcome of the vote on this proposal.

A:

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute "broker non-votes." Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for proposal 1, shares that constitute broker non-votes are not considered entitled to be voted on the proposal. As a result, the broker "non-vote" will have no effect on the outcome of this proposal, assuming that a quorum is present.

Q: How many votes do I have?

A: If you hold shares of common stock, you are entitled to one vote for each share of common stock that you hold. As of November 14, 2017, the record date, there were 6,344,372 shares of common stock outstanding.

Q: Is cumulative voting permitted for the election of directors?

A: We do not use cumulative voting for the election of directors.

Q: What happens if a nominee for director does not stand for election?

If for any reason any nominee does not stand for election, any proxies we receive will be voted in favor of the A: remaining nominees and may be voted for substitute nominees in place of those who do not stand. We have no reason to expect that any of the nominees will not stand for election.

Q: What happens if additional matters are presented at the Annual Meeting?

A: Other than the two items of business described in this Proxy Statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders, Dr. Robert J. Hariri and Joseph Mannello, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: A quorum will be present if at least a majority of the outstanding shares of our common stock entitled to vote is represented at the Annual Meeting, either in person or by proxy, totaling 3,172,187 shares. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

Q: How can I attend the Annual Meeting?

A: You are entitled to attend the Annual Meeting only if you were a stockholder as of the close of business on November 14, 2017 or hold a valid proxy for the Annual Meeting. You should be prepared to present photo identification for admittance. In addition, if you are a stockholder of record, your ownership will be verified against the list of stockholders of record on the record date prior to being admitted. If you are not a stockholder of record but hold shares through a bank, broker or other nominee (i.e., in street name), you should be prepared to provide proof of beneficial ownership as of the record date, such as your most recent account statement prior to November 14, 2017, a copy of the voting instruction card provided to you by your bank, broker or other nominee, or similar evidence of ownership. If you do not provide photo identification or comply with the other procedures outlined above, you will not be admitted to the Annual Meeting.

The Annual Meeting will begin promptly on December 28, 2017, at our headquarters located at 45 Horsehill Road, Suite 106, Cedar Knolls, New Jersey 07927, at 10:30 a.m., local time. You should allow adequate time for the check-in procedures.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the bank, broker or other nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy card or voting instruction card as described herein so your vote will be counted if you later decide not to attend the Annual Meeting.

Q: What is the deadline for voting my shares?

A: If you hold shares as the stockholder of record, your vote by proxy must be received before the polls close at the Annual Meeting.

If you hold shares beneficially in street name, please follow the voting instructions provided by your bank, broker or other nominee. You may vote your shares in person at the Annual Meeting only if at the Annual Meeting you provide a legal proxy obtained from your bank, broker or other nominee.

Q: Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed to us or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide on their proxy card written comments, which are then forwarded to our management.

Q: How are votes counted?

A: For the election of directors, you may vote “FOR” all or some of the nominees or your vote may be “WITHHELD” with respect to one or more of the nominees. For the other proposal, you may vote “FOR,” “AGAINST” or “ABSTAIN.” If you elect to “ABSTAIN,” the abstention will be counted for the purpose of establishing a quorum, but otherwise will have no effect on the outcome of the vote.

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K within four business days after the Annual Meeting.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We may also retain a proxy solicitation firm to assist us in obtaining proxies by mail, facsimile or email from record and beneficial holders of shares for the Annual Meeting. If we retain a proxy solicitation firm, we expect to pay such firm reasonable and customary compensation for its services, including out-of-pocket expenses. Upon request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to stockholders.

Q: How may I obtain MYOS’ Annual Report on Form 10-K and other financial information?

A: A copy of our Annual Report on Form 10-K for the year ended December 31, 2016 (the “Annual Report”) is being sent to stockholders along with this Proxy Statement. Stockholders may request an additional free copy of the Annual Report and other financial information by contacting us at:

Transactions with Related Persons, Promoters and Certain Control Persons

Certain “related party” transactions involving related persons (excluding executive officer compensation which is determined by the Compensation Committee) are presented to, reviewed and approved by the Audit Committee. Related persons include the Company’s directors and executive officers, immediate family members of the directors and executive officers, and security holders who beneficially own five percent or more of our common stock and their respective family members. The transactions subject to such review are those transactions in which the Company was or is to be a participant and the amount involved equals or exceeds \$120,000. If the related party involved in a related party transaction is a director of the Company that would normally review such a transaction or a family member of such a director, then that director will not participate in the relevant discussion and review.

Information considered in evaluating such transactions may include: the nature of the related person’s interest in the transaction; the material terms of the transaction; whether the terms of the transaction are fair to the Company and on the same basis as would apply if the transaction did not involve a related party; whether there are business reasons for the Company to enter into the transaction; whether the transaction would impair the independence of an outside director; and whether the transaction would present an improper conflict of interests for any director or executive officer of the Company, taking into account the size of the transaction, the overall financial position of the director, executive officer or related party, the direct or indirect nature of the director’s, executive officer’s or related party’s interest in the transaction and the ongoing nature of any proposed relationship; and any other factors the Audit Committee deems relevant.

The following is a description of the transactions we have engaged in during the year ended December 31, 2016 and through the date hereof, with our directors, director nominees and officers and beneficial owners of more than five percent of our voting securities and their affiliates:

On August 1, 2015, we entered into a consulting agreement with Muscle Longevity LLC, a company that has the same owner as Ultra Pro Sports, LLC, which was previously a greater than 5% beneficial owner of our common stock.

Under the terms of the agreement, Muscle Longevity LLC will provide introductions and referrals to new distribution channels for our products including, but not limited to, health and wellness centers and sports nutrition companies and to conduct industry research and advise us regarding distributors, markets, and sales opportunities for the Company's products. As compensation for the services, Muscle Longevity LLC was paid a consulting fee of \$16,000 per month until the agreement ended on October 1, 2016.

On December 17, 2015, we issued an unsecured promissory note in the principal amount of \$575,000 to Gan Ren, the son of Ren Ren, a current director and our largest stockholder. The note bears interest at a rate of 8% per annum and matures one year from the date of issuance. On December 17, 2016 the note and accrued interest of \$46,000 was automatically converted into 225,864 shares of common stock at \$2.75 per share.

On December 17, 2015, we entered into a securities purchase agreement with RENS Technology, Inc., an entity which is controlled by Ren Ren, a current director and our largest stockholder (“RENS”). Pursuant to terms of the agreement, RENS agreed to invest \$20.25 million in the Company in exchange for (i) an aggregate of 3,537,037 shares of common stock and (ii) warrants to purchase an aggregate of 884,259 shares of common stock. In connection with the financing, the Board agreed to issue Mr. Ren 18,182 shares of common stock following the closing of the financing for his services to the Company as a member of the Board. On March 3, 2016, the Company completed the first tranche of the financing pursuant to which RENS acquired 1,500,000 shares of common stock and a warrant to purchase 375,000 shares of the Company’s common stock for \$5.25 million. On August 19, 2016, RENS notified the Company that it did not intend to fulfill its obligation to fund the second tranche of the financing, notwithstanding its confirmation to the Company in June 2016 that RENS would provide such funding in accordance with the terms of the agreement. The Company is currently in litigation with RENS relating to the breach of the agreement.

Review, Approval or Ratification of Transactions with Related Persons.

Our Board of Directors appointed an audit committee consisting of independent directors. This committee, among other duties, is charged to review, and if appropriate, ratify all agreements and transactions which had been entered into with related parties, as well as review and ratify all future related party transactions.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended requires our directors and executive officers, and persons who beneficially own more than 10% of a registered class of our equity securities, to report their initial beneficial ownership and any subsequent changes in that beneficial ownership of our securities to the SEC. Based solely on a review of the copies of the reports furnished to us, we believe that all such reports for the year ended December 31, 2016 were filed on a timely basis with the exceptions of two late Form 4 filings for Mr. Lyu and one late Form 4 filing for each of Messrs Ren, Zhou and Aronne.

CORPORATE GOVERNANCE

Board Meetings

During the fiscal year ended December 31, 2016, the Board held eleven formal meetings and otherwise acted by unanimous written consent. We have no written policy regarding director attendance at annual meetings of stockholders. Our last annual meeting of stockholders was held on December 21, 2016 and seven of our directors attended such meeting.

Director Independence

The Board evaluates the independence of each nominee for election as a director in accordance with the Nasdaq listing rules (the “Nasdaq Listing Rules”). Pursuant to these rules, a majority of our Board must be “independent directors” within the meaning of the Nasdaq Listing Rules, and all directors who sit on our Audit Committee and Compensation Committee must also be independent directors.

The Nasdaq definition of “independence” includes a series of objective tests, such as the director or director nominee is not, and was not during the last three years, our employee and has not received certain payments from, or engaged in various types of business dealings with, us. In addition, as further required by the Nasdaq Listing Rules, the Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with such individual’s exercise of independent judgment in carrying out his or her responsibilities as a director. In making these determinations, the Board reviewed and discussed information provided by the directors with regard to each director’s business and personal activities as they may relate to us and our management.

As a result, the Board has affirmatively determined that other than Mr. Ren and Mr. Mannello, none of our directors or director nominees has a material relationship with the Company. The Board has also affirmatively determined that all members of our Audit Committee and Compensation Committee are independent directors.

Audit Committee and Audit Committee Financial Expert

In April 2014, we established a separately-designated standing Audit Committee in accordance with Section 3(a)(58)(A) of the Exchange Act and the Nasdaq Listing Rules. The Audit Committee is comprised of Victor Mandel (chair), Christopher Pechock and Bin Zhou, all of whom are independent directors. Our Board has determined that each of Mr. Pechock and Mr. Mandel qualifies as an audit committee financial expert as defined by the rules of the SEC, based on his education, experience and background. During the fiscal year ended December 31, 2016, the Audit Committee held four formal meetings.

The Audit Committee:

oversees the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company;

meets at least once per fiscal year with the Company's outside auditors with respect to matters relating to the Company's accounting and financial reporting processes, the audits of the Company's financial statements, the Company's application of accounting principles and the Company's internal controls, and advises the Board of Directors with respect thereto;

is responsible for ensuring its receipt from the outside auditors of a formal written statement delineating all relationships between the auditor and the Company, actively engaging in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor and taking, or recommending that the full Board take, appropriate action to oversee the independence of the outside auditor;

is directly responsible for the appointment, compensation, retention, oversight of the work and, where appropriate, replacement of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, and each such registered public accounting firm must report directly to the Audit Committee; and

oversees procedures established for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; (ii) confidential, anonymous submissions by the Company's employees of concerns regarding questionable accounting or auditing matters and compliance with the Company's Code of Ethics; and (iii) the review and oversight of all related party transactions.

Compensation Committee

In April 2014, we established a separately-designated standing Compensation Committee in accordance with the Nasdaq Listing Rules. The Compensation Committee is comprised of Christopher Pechock (chair) and Dr. Louis J. Aronne, all of whom are independent directors. During the fiscal year ended December 31, 2016, the Compensation Committee held 3 formal meetings.

The Compensation Committee:

oversees the compensation policies and their specific application to our executive officers;

prepares an annual report on executive compensation for inclusion in the our Annual Report on Form 10-K and/or proxy statement;

negotiates and approves the compensation of our chief executive officer and our other executive officers;

selects a peer group of companies against which to compare our compensation of our executive officers, if it deems such comparison necessary;

monitors compensation trends and solicits independent advice when deemed appropriate; and

approves, rejects or modifies incentive bonus compensation plans for our senior management, as recommended by management.

Director Nominations

Our Board of Directors does not maintain a separate nominating committee. Functions customarily performed by a nominating committee are performed by the independent members of our Board. In evaluating and determining whether to nominate a candidate for a position on the Board, the independent members of our Board utilize a variety of methods and considers criteria such as high professional ethics and values, experience on the policy-making level in business or scientific/medical research experience relevant to our product candidates and a commitment to enhancing stockholder value. Candidates may be brought to the attention of the independent members of the Board by current Board members, stockholders, officers or other persons. The independent members of the Board will review all candidates in the same manner regardless of the source of the recommendation.

We have no formal policy regarding diversity of our Board of Directors. The independent members of our Board may therefore consider a broad range of factors relating to the qualifications and background of nominees, which may include diversity, which is not only limited to race, gender or national origin. The priority of the independent members of our Board in selecting members of the Board of Directors is identifying persons who will further the interests of our stockholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among Board members and professional and personal experiences and expertise relevant to our growth strategy.

The independent members of the Board also consider stockholder recommendations for director nominees that are properly received in accordance with the applicable rules and regulations of the SEC. In order to validly nominate a candidate for election or reelection as a director, stockholders must give timely notice of such nomination in writing to our Corporate Secretary and include, as to each person whom the stockholder proposes to nominate, all information relating to such person that is required to be disclosed in solicitations of proxies for the election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, and the rules and regulations thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected). For more information on director candidate nominations by stockholders, see "Stockholder Proposals" herein.

Board Leadership Structure

Mr. Mannello currently serves as our principal executive officer (Chief Executive Officer) and Dr. Robert J. Hariri serves as chairman of our Board of Directors. The Board of Directors has chosen to separate the principal executive officer and chairman positions because it believes that (i) independent oversight of management is an important component of an effective board of directors and (ii) this structure benefits the interests of all stockholders. If the Board of Directors convenes for a special meeting, the non-management directors will meet in executive session if circumstances warrant. Given the composition of the Board of Directors with a strong slate of independent directors, the Board of Directors does not believe that it is necessary to formally designate a lead independent director at this time, although it may consider appointing a lead independent director if circumstances change. We believe that the structure described above is the best structure to lead us in the achievement of our goals and objectives and establishes an effective balance between management leadership and appropriate oversight by independent directors.

Board Role in Risk Oversight

Senior management is responsible for assessing and managing our various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies. The Board is responsible for overseeing management in the execution of its responsibilities and for assessing our approach to risk management. In addition, an overall review of risk is inherent in the Board's consideration of our long-term strategies and in the transactions and other matters presented to the Board, including capital expenditures, acquisitions and divestitures, and financial matters.

Code of Ethics

We have adopted a Code of Ethics applicable to our officers, directors and employees. The Code of Ethics requires each covered person to act with honesty, ethics and integrity and to avoid actual or apparent conflicts of interest in their personal and professional relationships. We intend to disclose any amendments to, or waivers of, certain provisions of the Code of Ethics as required by the applicable rules and regulations of the SEC. The text of the Code of Ethics is posted in the "Corporate Governance" section of our website, <http://www.myosrens.com>. A copy of the Code of Ethics is also available in print, free of charge, upon written request to 45 Horsehill Road, Suite 106, Cedar Knolls, New Jersey 07927, Attention: Joseph Mannello.

The Corporate Secretary will determine when a communication is not to be forwarded. REPORT OF THE AUDIT COMMITTEE

Prior to the filing of our Annual Report on Form 10-K for the fiscal year ended December 31, 2016, the Audit Committee reviewed and discussed our financial statements for the fiscal year ended December 31, 2016 with management and WithumSmith+Brown, PC, our independent registered public accounting firm for the year ended December 31, 2016. In its discussion, management has represented to the Audit Committee that our financial statements for the fiscal year ended December 31, 2016 were prepared in accordance with generally accepted accounting principles.

The Audit Committee has discussed with our independent registered public accounting firm the matters required to be discussed by the statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T.

The Audit Committee has received the written disclosures and the letter from our former independent registered public accounting firm required by applicable requirements of the PCAOB regarding the former independent registered public accounting firm’s communications with the Audit Committee concerning independence, and has considered and discussed with WithumSmith+Brown, PC, such firm’s independence.

Based on the Audit Committee’s review of the audited financial statements and the various discussions noted above, the Audit Committee recommended that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

Respectfully submitted,
