JEFFREY R. HULTMAN joined our Advisory Board in December 2004. In March 2005, Mr. Hultman was appointed Chief Executive Officer and director. From 1987 to 1991, Mr. Hultman served as Chief Executive Officer of Pac Tel Cellular where he managed Pac Tel cellular properties in the United States and oversaw operations and business development. In 1991 Mr. Hultman became CEO of Dial Page, Inc. a wireless provider throughout the Southeast, offering paging and digital mobile telephone services. Ultimately, Mr. Hultman converted a series of limited partnerships into a corporation and took Dial Page public leading four public offerings. In August 1995, he negotiated the sale of the paging business to MobileMedia Communication, Inc. and a merger of subsidiary Dial Call with Nextel Communications, Inc. in February 1996. Mr. Hultman attained his Bachelor of Science Degree in Agricultural Economics in 1961 and Master of Science Degree, in Business Management in 1962, at the University of California, Davis. He currently serves a director on the board of several organizations including Comarco Inc., an Irvine, CA-based wireless performance engineering and publicly traded company.

MICHAEL V. ROSENTHAL has served as our Chief Financial Officer since March of 2005. From 2003 to 2004 Mr. Rosenthal served as Chief Financial Officer for EdgeFocus, Inc., a start-up broadband company, which offers high-speed Wi-Fi internet access to apartment residents. Mr. Rosenthal was General Manager of the Texas Region for Cellular One from 2000 to 2002 and was Executive Director, overseeing the pricing and roaming functions for Cellular One from 1998 to 2000. From 1989-1998 Mr. Rosenthal served in several positions including Executive Director with the PrimeCo PCS JV and AirTouch Cellular (both now Verizon Wireless), where he performed a number of duties including running the corporate development department, heading CDMA product development, managing the finance function at the market and region level, project managing network build-outs in engineering, and negotiating roaming deals. Mr. Rosenthal received a M.B.A. in Finance from The W.P. Carey School at Arizona State University and a M.A. in Telecommunications from George Washington University. In addition, he received a B.S. in Economics at Arizona State University. He also successfully completed the Stanford University Executive Program in Advanced Management.

MICHAEL KELLEY joined us in September 2005 as a Director. Mr. Kelley is the President and Founder of Kelley Communication Company. The company was started in 1988 to introduce technologies such as videoconferencing and Internet Protocol communications into hotel & residential markets throughout the country. Since then, Mr. Kelley has designed and built some of the largest hotels & Casinos' video and sound systems, security and surveillance systems, showrooms, race and sports book, and corporate boardrooms now operating in the United States and in the Caribbean. Kelley has also designed & built national award winning nightclubs and created one of the nation's largest National Virtual Private Networks for large screen videoconferencing.
